

Star of Space 920

Chapter 920 Forced to leave

But Lin Caisang already knew what he meant, because there were too many people here, and it was inconvenient for him to say some things directly to her.

"Girl, where is Qianhuan Continent?" Ban Wu asked.

"I don't know what kind of place Qianhuan Continent is, but Baibind Mountain does belong to Qianhuan Continent. It should be a place where spiritual cultivation can be done. These beasts here, including those who have been chasing us before, The fierce storks are all magical beasts on the Qianhuan Continent."

"Cultivation? I know this."

After hearing Lin Caisang's words, Commander Mo shouted excitedly.

"you know?"

Others looked at Commander Mo one after another. They didn't understand what spiritual cultivation was. How could Commander Mo know what it was?

"I overheard someone in the palace mention before that twenty years ago, a prince and a princess from the Wei Kingdom were sent to Qianhuan Continent to practice spiritual arts. Rather than being sent to Qianhuan Continent, It would be better to say that he was forced to leave by people from Qianhuan Continent, and he never came back after that.

Commander Mo seemed a little mysterious when he said this.

"Commander Mo, are you telling the truth?" a subordinate asked.

"Of course it's true. I heard it from the Queen Mother and the Emperor. It was my turn to be on duty that day, so I listened. You are not allowed to tell anyone about this matter, otherwise, this leader will twist off your heads. !"

Commander Mo said.

"I know, I know, what else is there?"

The subordinate nodded hurriedly, and the other subordinates also nodded and continued to ask.

"I only heard the Queen Mother sighing, why can the princess who was asked to leave from the Liang Kingdom come back, but those who are still in the Wei Kingdom will not come back. It is because the people of Qianhuan Continent think that their Wei Kingdom is too weak and easy to bully."

"The princess of Liang Kingdom is back?" Lin Caisang glanced sideways at Ya Molian.

The princess of Liang Kingdom? There were several princesses in the Liang Kingdom twenty years ago, but there was only one, the eldest princess she had ever seen.

So, the eldest princess has been to Qianhuan Continent before, and among the princes and princesses who were forcibly taken away from many countries, only the eldest princess has returned?

"Yes, the Queen Mother is so emotional, but no one knows how to get to Qianhuan Continent."
Commander Mo said.

"Ha, Commander Mo, you are not useless at all." Lin Caisang chuckled.

"If you didn't know it before, you should know it now. The entrance to the so-called Qianhuan Continent is on... Baibland Mountain. Moreover, only when Baibland Mountain emits purple light, people from all countries can enter Qianhuan Continent. Qianhuan Only people from the mainland can come here."

"Are...are, here?"

When Commander Mo heard her words, all the hairs on his body stood up.

"Is that purple light used to trick us into going up the mountain to Qianhuan Continent? Girl, I heard from the emperor that no one who went to Qianhuan Continent could come back alive. Only those from Liang Kingdom could come back. A princess.

And you should also have heard that the eldest princess has been in poor health since she came back. She must have suffered something in Qianhuan Continent! "

He doesn't want to go to that terrible place in Qianhuan Continent!

"You think too well. Not everyone can go to that place if they want to, just you... scoff!" Lin Caisang glanced at him.

However, when it comes to the eldest princess, she finally knows why the eldest princess is so weak. It must be because she had hidden injuries when she escaped from Duoqianhuan Continent, right?
