Chapter 955: Trying to seek death in different ways

"Listen, you people, as long as you hand Suizi Mo over to me, I guarantee that I will let you go immediately and will never embarrass you! Otherwise, as long as I stand here, you will never leave here.!"

He shouted to the people behind Ya Molian.

When everyone heard his words, they all stopped, glanced at him first, and then looked at Ya Molian.

To be honest, if only one person can be sacrificed to keep all of them safe, no one will hesitate. After all, they are not familiar with Yamolian at all. Why should all of them be sacrificed just to save one person? To die?

However, even if they had such thoughts in their hearts, they did not dare to take any action.

After all, Yamo Lian and Lin Caisang had just given them food and drink, and had given them all the food and water they had on them. They had just eaten other people's food, and then turned around and betrayed them.

The people present are all people with identities, and it is really impossible for them to do such a thing.

However, some people didn't think that way. After hearing the cloaked man's words, Sui Zilin's eyes lit up. Before Commander Mo could grab him, he ran over excitedly.

"Sui Zimo, did you hear that? Hurry up and get over. As long as you get over, all of us here will be able to survive!"

Everyone: "..."

I have seen stupid people, but I have never seen anyone as stupid as Sui Zilin.

Obviously knowing that going to the cloaked man's side means death, who would obediently go there and die?

"Did you hear that? I ordered you to go to his side. If you kill me, I will ask my father to kill you! Did you hear that?" Suizi didn't say anything when he saw Yamo Lian. She pushed him with her hand and said viciously.

After hearing his words, Lin Caisang, who was standing behind Ya Molian, closed his eyes. After taking a deep breath, the first thing he did when he opened his eyes was to raise his foot and kick Sui Zilin hard. passed.

"Get out of here you bitch!"

"ah!"

Sui Zilin was kicked away and fell right in front of Commander Mo.

Commander Mo held his forehead. He was really confused at this moment. To be honest, he didn't want to help King Lin, who was missing so many tendons in his head.

But why did he fall in front of him?

Did Lin Caisang do it on purpose?

He had no choice but to bend down and slowly help the person up.

"His Royal Highness Lin Wang, please don't...say anything."

What he wants to say is, when you are approaching the end of the year, can you please stop trying different ways to seek death?

It seems that the man in the cloak has come here with bad intentions. No matter how stupid he is, he can guarantee that even if that guy kills King Mo, not a single one of them here will be able to leave Baibind Mountain alive.

You know, Prince Mo has the best kung fu among them.

Only King Mo and Lin Caisang could deal with the cloaked man in front of them who killed without blinking an eye and had already killed many of them.

"Why didn't I say that as long as that bitch Sui Zimo passes by, we can...ah!"

As Sui Zilin said this, he was helped by Commander Mo to stand up. However, when he was only halfway up, he felt that the strength holding him loosened, and he fell back down again as he didn't have much strength to begin with.

"Mo, what are you doing?"

He looked at Commander Mo fiercely and asked.

Commander Mo: "..."

Poor guy, he really just wanted to shut up this idiot Sui Zilin. He really didn't have any other ideas.
