

Star of Space 966

Chapter 966 If you want to die, go ahead

He thought that he no longer had to be angry with Ya Molian and Lin Caisang. After he went out, he could repay them one by one for all the anger he had suffered these days.

Thinking of this, he felt so happy that he wished he could grow wings and fly out.

But just when he was about to walk out, a hand was faster than him and pulled him back.

"what are you doing?!"

He turned his head and looked at Commander Mo, who was holding him and not letting go. The anger on his face was clearly visible.

"His Royal Highness Lin Wang, you can't get out like this. You will only go to a place in Baibind Mountain where we can't find you. When the time comes, we will have to go up the mountain to find you." Commander Mo said to Sui Zilin.

"What nonsense are you talking about? The exit is right in front of you, so don't scare me with words!" Sui Zilin sneered, and with a strong hand, he shook off Commander Mo's hand and started to walk forward.

Who knew...

As soon as he lifted his feet, a hand grabbed him by the back collar and threw him directly not far behind everyone, and he fell to the ground in a mess.

"Sui Zimo, how dare you throw me!" What he just saw was Sui Zimo throwing him!

"For someone who is so brave to seek death, are you still afraid of falling a few times at the end of the year? In my opinion, you have been thrown a lot, so your mind is not very clear, right?" Ya Molian looked at her coldly. As the new year approaches, I ask.

"you--"

When Suizilin heard him say this, he felt very angry.

But at this time, no one stood up and said a word for him, everyone was watching his good show!

He has remembered each of these people, and will not let any of them go after he returns!

"Don't you see that the way out is right in front of you? What are you doing standing there? Hurry up and leave. Are you still waiting for the cloaked man to come and block your way out?"

Although he was angry at these people for watching his show, he decided to coax them to leave together first.

As long as everyone goes, no matter how capable Ya Molian is, he can't stop so many people at the same time. In that case, he will become the right party.

"Idiot, do you think everyone is as stupid as you and dares to break in anywhere?" One of them looked at Sui Zilin condescendingly and said with a touch of ridicule on the corner of his mouth.

"You...what did you say?"

Sui Zilin couldn't believe that the way out was right in front of him, but these people were not in a hurry and listened to Ya Molian's bluffing words.

"This river of blood suddenly disappeared. Anyone with a discerning eye can see that there is something strange. You are the only one who still wants to rush forward like an idiot. No one can hold you back. Do we need horses to pull you back? "

Someone else came out to scold Suizilin.

"You can go and die if you want, and you want to coax us to die together. How do you feel at ease when the year comes? King Mo is so kind and kind to save you, but you still act like this, and your conscience is a dog." Have you eaten?"

"You... you... what do you know? He, Sui Zimo, is deliberately being mysterious here just to show off his little ability in front of you. If you ask me, there must be nothing going on in front of you. You If you don't believe it, you can give it a try, I will never lie... eh!"

Before Sui Zilin finished speaking, a foot stepped on his chest.

"Say one more thing, I will crush your big pig's hooves with my foot!"
