

Star of Space 967

Chapter 967 What do you want to do?

The sixth prince of Luoyun Kingdom stared at him condescendingly, his right foot stepping on Sui Zilin's chest.

"We have encountered so many dangers along the way. Not to mention those demonic beasts that eat people without spitting out their bones. Without King Mo and the girl, we wouldn't even have anything to eat or drink. After so many days of journey, He would starve to death on Baibind Mountain.

We people here are only grateful to King Mo and the girl. Stop sowing discord here. What's the matter? We don't believe King Mo. Do we still believe you, a hairless person? I only know what to do along the way. Nothing done!

You can't lie? You won't lie to others, but you will deceive them! Have you pitted many people along the way? Almost most of the guards around Commander Mo were tricked by you, right? "

As he spoke, he glanced in the direction of Commander Mo.

After hearing what he said, Commander Mo's face was particularly ugly, because the Sixth Prince of Luoyun Kingdom was right. Even if a small incident happened, there was no need to kill anyone, but the Prince Lin of their Wei Kingdom could kill him. The guards around him were tricked to death.

He no longer wanted to say anything about what this Prince Lin had done.

"snort!"

The Sixth Prince turned around and snorted coldly at Sui Zilin.

"Fortunately, you are not from our country. Otherwise, with a brother like you, I would really kill my own brothers and sisters. Big brother and third brother, don't you think so?"

After hearing what their sixth brother said, the eldest prince and third prince of Luoyun Kingdom also shrugged and said nothing.

To be honest, they had been very dissatisfied with the Prince Lin of the Wei Kingdom since early on. If it weren't for their status and the fact that Prince Mo, who could lead them out of trouble, was also the Prince of the Wei Kingdom, they really wanted to just throw Suizilin on Baibin Mountain to get rid of the problem.

Now seeing Wei Zilin being taught a lesson, everyone present felt secretly happy.

"You, you..."

Sui Zilin looked at those people and was so angry that his whole body was shaking.

However, he couldn't do anything to them, so he could only turn to look at Ya Molian.

"Sui Zimo, don't you have eyesight? Seeing me being scolded and humiliated by these things, does it make your face light up? If I were you, if you saw your brothers and sisters being treated like this, you would have long ago just kill all the people in front of you."

Lin Caisang: "..."

This guy really has no brains, right? Everyone present has a high status.

How could he carelessly say whether or not to kill in front of these people? Do you really think that their Weiguo is the best in the world, and no one dares to mess with it?

"call!"

She exhaled heavily and couldn't help but chuckle.

"Forget it, I'll just take it as a good thing."

As she spoke, she raised her delicate hand, and an extra pill came out of her hand, and she handed it to Sui Zilin's mouth.

"You, what do you want to do?"

Sui Zilin looked at the pill that was handed to his mouth and was immediately frightened. He turned his head to the other side and spoke tremblingly.

"I tell you, if you dare to do anything to me, my father will not let you go, you bitch..."

"If you have the ability, try one more curse word? This girl will immediately replace these intoxicating drugs with poison, so that you will not be able to speak for the rest of your life! Don't even think about walking out of this place again!"

Lin Caisang threatened directly.

This mouth was dirty. She really wanted to take a piece of poison and feed it directly to this person, but she couldn't. She felt extremely uncomfortable!
