Chapter 989 Even if you don't die, you still have to be disabled

This is really a joke. For the sake of one son, he gave up another son and used their palace master as a ready-made chess piece.

The key is that in this round, if Sui Zilin loses power because of killing Suyang, then the master of his palace will also be completely hated by the emperor and the queen, and it will be a matter of time before he becomes murderous.

For the sake of Sui Jin, Concubine Lian was so ruthless that she wanted to kill the master of his palace!

"No need!"

Ya Molian raised her head and looked at Ban Jue.

"Wait until Sui Zilin gets the punishment he deserves, and then order someone to reveal this matter to the queen."

he ordered.

What's the use of telling Su Yang, it's just two guards. Even if they tell the truth, it's not enough to be the most important evidence. What Su Yang wants is that the person who killed his son gets the punishment he deserves.

If this matter is really told to Suyang and the Queen and Concubine Lian get into trouble, not only will nothing big happen to Sui Zilin, but Concubine Lian will also be fine.

Not to mention dragging Sui Zijin into the water, that would be even more impossible.

By then, Su Ri's death would have been in vain. The emperor pretended to punish Concubine Lian and Sui Zi Jin Yitong, and then put Sui Zi Lin under house arrest in his own house for a few months. After that, it was over.

This is not the result he wants!

"Yes, Palace Master." Ban Wu responded.

"Palace Master, over there with the mistress... do you want to go back and have a look?" Ban Jue asked.

Hearing this, Ya Molian took a deep breath.

"Exiled Wu, I'll leave this place and things to you and Jiang Zuo. Even if you don't die at the end of the year, you will have to be crippled. Exiled Wu, you and Jiang Li will prepare, and we will go back to Yacun."

he ordered.

"Yes, Palace Master." The two responded.

When Sui Zi comes here, he will naturally keep an eye on him, but Sui Zi Jin...

"Palace Master, over there with Prince Jin, do we want to..."

In this matter, if there was no King Jin but only Concubine Lian, he would not believe it. He had already had doubts about this person when he saw him outside Shaohua City.

However, he thought that Sui Zijin would have his mind set on Sui Zilin, but he didn't expect that it would be Sui Ri.

"Whether he dies or not, it's a matter of time." Ya Molian said lightly.

As long as the Queen defeats Concubine Lian, what use can Sui Zijin do? If Zi Jin hadn't had Concubine Lian in the palace to plan for him in these years, he would have died miserably.

...

In the golden bead space, Lin Caisang was still reading the jade book.

She didn't know how many days had passed, during which she almost never rested. She couldn't help it, it was so cold to the core that even if she wanted to rest, she couldn't.

Fortunately, Jin Zhuling treated her well. From time to time, he would ask Sui Ziyu to make some food, and then Jin Zhuling would send it to her.

Otherwise, she really doesn't know how to live her life.

Cold was the only feeling she felt at the moment, but at the same time, it was also because of the coldness from the outside world that she felt a steady stream of warmth coming from her body.

She felt like she was crazy because she felt so warm at this moment.

"Book of Poisons."

Suddenly, she touched a jade book in her hand, and she stopped suddenly.

"It turns out that the poison on Brother Mo Lian's body is really a hidden poison, but how to cure it?"

Soon, she found poisons in the Book of Ten Thousand Poisons that were very similar to the poisons in Yamolian's body. She began to record them one by one, and began to figure out where to find the antidote.

Unknowingly, she was so fascinated by the Book of Ten Thousand Poisons that she could no longer feel the coldness on her body.
