

Star of Space 996

Chapter 996 Borrow eight hundred taels first

Seeing her looking for help towards him, Ya Molian grinned slightly and gave her a reassuring look.

"Third Aunt, tell me, what is Changfeng's grandmother's favorite thing?"

"What else can I like? My mother is obsessed with money. She must have seen Changfeng getting rich and wanted to ask Changfeng for money. Nothing else will happen."

Yang Lin said.

Thinking of the silver, she had to remind Lin Caisang.

"Sangsang, you have to hide your things better. Brother Changfeng, your grandmother, can do anything."

Unfortunately, this was her biological mother, and there was nothing she could do against her mother.

"Do you like silver?"

Lin Caisang raised his eyebrows, and a plan came to his mind.

"Well, Third Aunt, I have a way for you to drive them away yourself. Do you want to give it a try?"

she asked.

"any solution?"

Yang Lin asked immediately.

At this time, she couldn't care about anything else. As long as she could get rid of those people from her mother's family first, she would be willing to do anything to her.

"Sangsang, tell me quickly, what kind of solution can I use?"

"Third Aunt, didn't you say they love money?" Lin Caisang's lips curled up slightly, with a hint of evil in her smile.

"Then it's up to you to go back in person and ask for money from the two elders. Brother Changfeng has passed the exam to learn the Yuan Dynasty now. He should have spent all the money that can be used at home. Then where will the money to go to the imperial city come from next spring? Woolen cloth?

You just need to complain to your elders with snot and tears, why our family still owes foreign debt, and we have to sell our sons and daughters to Brother Changfeng to make ends meet. As long as you can think of it, how can you tell them how miserable it is? Then he reached out and asked them for money.

He also solemnly assured them that when Brother Changfeng becomes successful in the future, he will definitely return the money to them. Of course, to borrow money, it is better to go to the Imperial City. Naturally, the more the better, I am not afraid of you at this time, Lion. Open your mouth, I'm afraid you won't dare to speak! "

Yang Lin: "..."

Her eyes lit up and she thought this idea was really good.

"Then...how much should Third Aunt borrow from them?" she asked.

"It doesn't take much, let's borrow eight hundred taels first." Lin Caisang stretched out five fingers and said.

"hiss!"

As soon as these words came out, not only Yang Lin, but also Lu Qiubo gasped.

Who can afford so much money these days? Eight hundred taels is enough to feed and drink their family for several lifetimes, right?

However, it was only eight hundred taels, but Yang Lin nodded without hesitation, "Okay, I'll go back right now."

"etc."

Seeing that she was about to leave, Ya Molian stopped her.

"Third Aunt, Patriarch Lin is a reliable person. Now that Changfeng has made a difference, Patriarch Lin should be even more happy. In this case, you might as well ask Patriarch Lin for a favor and ask him to go to your home and tell him that you Lend money to Changfeng to attend the Spring Festival next year, just in time to bring this matter to the Yang family. "

"Go to Patriarch Lin? I'm afraid that's not possible, right?"

After hearing this, Yang Lin looked at Lu Qiubo with hesitation in his words.

"Why not? I'll go and invite you." Lu Qiubo said immediately.

"It's just right. Let's ask Chief Lin to be a witness. If the Yang family dares to go out and talk nonsense, someone can explain it."

"Grandma, let's go to Patriarch Lin's house together." Lin Caisang suggested.

"You go ahead. I'll go to Menghuang Mountain and call Uncle Baiyi down. I'll go to the Lin family first and wait for you." Ya Lian said.
