"Mom, I've been looking forward to seeing you here. Dad, are you here to give money to Changfeng? That's great. I know that you will never forget my daughter. You've brought money to Changfeng, Changfeng, Changfeng, why don't you come over quickly and thank me, grandpa!"

She cried, then turned to look for her son, wanting to draw him to accompany her in this drama.

"Wha, what!"

When Old Man Yang heard his daughter's words, he was stunned.

Why are they giving money? They are obviously here to ask for money, so why are they here to give money instead? If they had money, would they still come to your door? We have kicked this poor relative aside long ago!

"Dad, you don't know how miserable my life has been since I married into the Lin family. I have to get up to work before dawn, and work until dark without taking a break, just to give Changfeng Earning more money can help him study.

Yang Lin wiped away tears while looking at Old Man Yang reaching out to grab his arm, but Old Man Yang shook it away vigorously.

"What money? We have no money!"

"How could it not be?"

"Father, mother, I don't want much, just a hundred and eight thousand taels is enough. Don't worry, when Changfeng becomes successful in the future, all the money will be returned to you, really."

"What? Eighteen thousand taels?"

When Old Man Yang heard what she said, he screamed in fright.

If he had one hundred and eight thousand taels of silver, he would have found a place to live his own life comfortably. Why would he come to this worthless daughter's husband's house?

"Arin, are you crazy? Where did our family get so much money? Get out of here!"

"Where am I crazy?"

Yang Lin curled his lips indifferently.

She secretly thought to herself, of course she was crazy. If she wasn't crazy, her son would have been forced to the point of desperation by these people in front of him.

When comparing her son with her mother's family, who would she choose?

"Dad, Changfeng is your grandson. If your grandson is in trouble, shouldn't you, as a grandfather, do your part? You see, Changfeng has passed the Xie Yuan exam now. If he works hard tomorrow, he will definitely be able to do it. As a high-ranking official, you will also have a bright face when the time comes, right?
