

# Start at the Pinnacle of Life

## Chapter 13: Please be kind to this kind of good thing

---

"I first, yes~"

Bun successfully took the lead and went to the bath triumphantly.

"He is so fat, why is he still flexible?"

Dr.        said incredulously, this is too unreasonable.

"Elementary school running... Junior high school running, long jump, marathon... High school running, marathon..."

Qin Yu detailed the sports that Tang He participated in when he was a student.

"Okay, stop talking."

Gao Bo was helpless and collapsed on the bed. He was too difficult.

.....

40 minutes later, the golden Lamborghini stopped at Wangfujing Shopping Plaza.

Qin Yu parked the car on the side of the road, looking for the parking garage sign.

The security guard ran over first with a smile on his face: "Sir, you can stop here."

Pidian Pidian moved away the warning tube in front of the slope.

The security guard smiled and waved to him, motioning him to drive directly onto the road.

There is one more new parking trick.

"Thank you."

Saying goodbye to the enthusiastic security guards, the three of them walked to the mall with weird faces.

Although it is just a small matter, it does make people feel a lot of emotion.

This world... is really real.

"Brother Yu, I have to drive tonight."

Tang He wants to practice the parking skills he just learned.

Gao Bo spit out: "You might have forgotten to look in the mirror when you go out!"

"Brother, this is called rich state, beautiful young ladies like this." Gao He retorted unconvinced.

"Miss sister only likes fat brother who raises small animals."

"Like a horse, tiger, leopard, snake..."

"Are you a Lamborghini who looks down on Yu Ge?"

"It's not one level, they raise a golden dragon!"

A group of people walked into the North Branch of Wangfujing Department Store and went straight to LV.

"Hello, welcome to Louis Vuitton."

The attitude of the clerk is neither cold nor cold, with a formulaic smile on his face.

will not make people feel uncomfortable over enthusiasm.

The farce that the dog sees people is low has not happened, and the shop assistants are very polite.

may not be as enthusiastic as doglegs.

But sarcastically belittles the customer Tujia, Poor B and let them get out.

This kind of thing will never happen in high-end luxury stores, because she must be the first to get out.

"Look at the summer clothes and help my two friends match them together." Qin Yu ordered.

"Brother Yu, there is no need for the two of us!" Tang He said a little restrained.

"That is, you can buy it yourself." Gao Bo agreed.

Qin Yu smiled, "Don't be wordy, listen to my arrangements."

Tang He and Gao Bo looked at each other, it was clear that they had to be arranged.

LV.

donkey brand... as the world's most famous and the most widely spread.

A bar that high-end luxury goods can never get around.

Most luxury goods are proud to be on par with LV.

Even the pheasant knockoffs on the roadside have to imitate and learn, and print their own LOGO on the product.

The effect is really LOW...

It may not be the most expensive, but it is definitely the most successful mass-produced luxury brand.

The streets are full of imitations and high imitations.

But the celebrities and the second generation still love it, and they love it.

There are many piracy, which also proves the popularity of LV from the side.

When have seen unpopular and unpopular brands be imitated?

Can you support more food?

"Two, please here!" The clerk invited the two to the dressing room.

The rest of the staff have already matched their styles.

short sleeves, shorts.

Tanghe is embroidered with gray-blue flowers, and the large LV logo on the chest is embellished with flowers.

Gao Bo's is pure white pendant embroidery, the brand logo is smaller, and the tassel pendant is hung underneath.

shorts are roughly the same, and the colors are matched to the upper body.

In the process of the two changing clothes, Qin Yu also chose what he wanted.

"This LEAFT shirt uses a traditional dyeing process to clearly present the LVLeaf print on the inside and outside of the fabric with natural cotton texture.

The classic LOGO with LV is even more extraordinary, but it is difficult for ordinary people to control it. "

" 1854 intarsia T-shirt, made of 52% cotton, 35% wood Tencel, 8% polyester, 4% polyamide and 1% elastic fiber.

It has better elasticity, and the comfort of the upper body is not worse than that of pure cotton.

is very breathable, and it is definitely suitable for young people like you. "

The clerk Balabara is doing product popularization introduction.

To understand is to not understand, but to feel professional and reasonable.

Look at the price, the cotton is 7,150 yuan, and the intarsia is 7,650 yuan.

'so cheap? The price is much cheaper than Qin Yu estimated.

But think about it as a T-shirt, Yu Ge exclaimed, 'It's swollen, it's too swollen. '

picked two more Bermuda shorts.

The difference is one piece with curled edges, the total price of the two pieces: 24,800 yuan.

not expensive!

Tanghe's T-shirt is 5,300 yuan, and the shorts is 8,000 yuan.

Gobo's T-shirt is 5,400 yuan, and the shorts are 8,600 yuan.

Total: 27,300 yuan.

"Swipe your card."

Qin Yu handed the card to the clerk, and the three spent a total of 66,900 yuan.

'Ding, you just had a good shopping experience. '

' Trigger random reward: shopping random cash back card 1\*. '

'Shopping Random Cashback Card 1\*:"

" If you spend over 50,000 yuan, use this card, you will get 1~5 times the probability of cash back.'

'The cash back amount will be directly remitted to the savings card, the source of funds...

' has been revised, safe to check, please rest assured to use! '

'I found out if I spent over 50,000 yuan, whether I used the shopping random cashback card 1\*. '

'Yes. '

'Ding, congratulations on your 5 times cashback. '

Ding Dong!

This time it was a mobile phone prompt, and the funds arrived.

"Your 5898 savings account has been credited to 250,000 yuan, and the balance: 694,020 yuan. UU reading [www.uukanshu.com](http://www.uukanshu.com) [CCD Bank]"

I bought something for 66,900 yuan and did not spend a penny, but made 180,000 yuan?

Is there anything better than this?

It is a pity that the 'Shopping Random Cash Back Card 1\*' can only be used once.

Come a few times, Brother Yu has to point to the whole wall and say: "These, I want it."

"Wait a minute, I will look at the handbag again."

Qin Yu came here today to upgrade the system, which I thought was simple.

now seems a bit difficult.

He is still close to 140,000 from the goal of 200,000.

Little comrades have to work harder!

The amount of Kari is close to 700,000, and Brother Yu spends it even more happily.

There are many styles of handbags, what kind of handbags.

Medium handbags, standard handbags, small handbags, pocket bags, wallets...

Qin Yu chose two medium-sized handbags and two matching wallets to put in them.

..... 36,400 yuan is gone again, a small step forward from the goal.

Going out carrying the bag, Gao Bo and Tang He have changed into new clothes.

"The things at Lvpai's house are really comfortable." Tang He smiled while touching his T-shirt.

"Only these two items are more than 10,000, can it be uncomfortable?" Gao Bo complained: "Enough for half a year of living expenses."

"Go, go to the opposite side to choose two pairs of shoes."

"Hello, welcome." This time the clerk is more enthusiastic.

saw the three of them kill from the opposite LV, wearing new summer products.

is still carrying several bags in his hand, do I still need to ask about my spending power?

"Look at your casual shoes." Qin Yu has a clear goal.

I picked two pairs of casual sports shoes, Tang He and Gao Bo, one pair each.

The total cost is 25,800 yuan, and there is still 70,000 yuan before the upgrade.
