## Chapter 14: To play is to have fun

---

'I'll leave the rest to tonight. '

I have everything I should buy, but I bought two handbags and two wallets.

Qin Yu is not going to go on shopping anymore, first find a place to do her hair.

"and many more."

I saw a brand when I went out: Zimmerli, Zimmerli.

The \*\*\*\* inside look good, Swiss brand.

uses West Indian Sea Island cotton, the least produced cotton in the world.

In the words of the clerk: "The West Indian Sea Island Cotton is at the tip of the pyramid in the cotton world. It is absolutely comfortable..."

"Four, large size." Take out the card, swipe the card.

Pay the bill and leave.

The little sister's glance down before leaving made the doctor and Baozi envious.

If it wasn't for 1,360 yuan, they would have to buy one if they said anything.

is the sentence: one, increase.

Four pairs of underwear cost 5,000+, very good...

is one step further from the upgrade.

As a four-good young man in the new era, Brother Yu really has no other ideas.

just happened to bump into it, and they all changed their outfits.

Think about whether you should be wronged by your own big fish, after all, they are also their own cubs!

As for the little sister, Qin Yu glanced at it with the scanning system.

Take a look at measurements 80+, 70+, 80.

I didn't even remember the name, if I have to, I'll just 'Passerby'.

I really don't blame Miss Sister, blame Yu Brother for being too demanding!

"Brother Yu, where do you go next?"

Gobo stunned his head and blew his forehead bangs.

People rely on clothing, horses rely on saddles.

A LV, this guy walks differently.

"It's a little longer to make hair."

Qin Yu touched the broken hair on his head, it was indeed a bit longer.

From the junior high school era, Qin Yu had broken hair.

He has become accustomed to a capable and refreshing look.

Hair is especially uncomfortable when it grows.

"Okay, just do the hair!" Bao Zi agreed.

The clear feeling of being arranged by someone is really good!

"We have already contacted here."

Qin Yu shook his phone. He just sent out a low-order subscription fee of 8,888.

.....Please referral ticket.....

At 20 o'clock in the evening, there is a lot of traffic in front of Miami.

All kinds of supercars, Mavericks, 911, Mercedes-Benz GT...

The most beautiful is a brilliant green broken Nissan GTR.

As soon as the golden Lamborghini appeared, the parking boy greeted him.

The man stood in the middle of the road, commanding the parking lot.

"Who is this?"

"Who knows... the tyrant's gold is really earthy."

"Soil? Come, come and see this."

Xiaokai next to her put her phone in front of her sister.

"8.8 million, the only private custom-made in the world, Xia Guofeng, the 95th Supreme Golden Dragon."

"Earth? This is also called earth, you have to take a look!"

The girl was speechless, she pulled Xiaokai and said coquettishly: "Oh, brother...I don't know how to car!"

"If you don't understand, say Jill, climb away, my mother said not to let me play with fools."

Golden Dragon parked in the VIP private parking space, and the handsome three people got out of the car.

"Hey, there is a golden Lamborghini at the door, the license plate Leopard 8, whose name?" The salesman shouted at the door and prepared to pick up the customer by himself.

"My, my."

Xiaojie, who had been waiting for almost an hour, responded immediately.

Another salesperson had no choice but to stop, and the rules still had to be followed.

He just yelled that sentence, if no one said anything or it was too late.

He intercepted this wave of guests and there was nothing to say, who would let you be away!

But Xiaojie is not a rookie in the business on the first day. He arrived one hour earlier.

The nasty thing in the sales room, I understand it in my heart!

Xiaojie recognized at a glance that the one in the middle was the main 'Brother Yu.  
,

The two chatted on WeChat. Besides, his self-confident and calm temperament can't be pretended.

Where is        nightclub, that is a paradise for pretending to be criminals!

Whether the guest is really emboldened or pretentious, it can't be seen that he is really in vain.

"Brother Yu, hello, hello, I will serve you tonight, just call me Xiaojie!"

"This is Tang He, Gao Bo, arranged my two brothers."

"Tang Shao, senior and young, welcome to Miami!"

Miami's business is booming, and there are long queues at the door.

Because the channel was booked in advance, the three Qin Yu directly entered the arena under the leadership of Xiaojie.

The lights flickered, and the Baozi thief holding the car key smiled and said, "Brother Yu, the young ladies at the door are all watching me."

"Those who can line up at the door, their looks are below the horizontal line, and the good-looking ones have been put in. I will pick them slowly later!"

Qin Yu smiled irritably, can't this guy be a bit prosperous?

"I have been single for 18 years, I am dry!" Baozi sighed with sorrow.

"Brother Yu, how do you look here?"

Xiaojie arranged a V16 card, which is a bit away from the main DJ stage on the right.

But it is very close to the sub-stage and atmosphere lampstand on the left hand side.

"The fun is here, Brother Yu, if you want to rely on the main stage, I will find a way!"

Xiaojie didn't say he died, and his father was not satisfied.

Then we have to find a way to satisfy Dad.

When I come out to play, I will be happy, but who is going to consume if I am not happy?

"Okay, that's it."

Qin Yu expressed satisfaction, took the list and said, "What do you want to drink?"

"Listen to Brother Yu's arrangement." The Ph.D. of Physics was pretending to be serious again.

Don't look like a macho, with tough muscles.

Don't talk about friends since I was young, the girl has never touched her hands.

I blush when I see a beautiful girl who says a few more words.

was sitting in the V-car, staring at the \*\*\*\* the dance floor directly in front.

The whole person is uncomfortable.

Sit upright and look forward, the standard is 'straight. '

"You decide, I'm busy now!"

The buns are getting more and more open, and the mung bean eyes are fluttering everywhere.

Looking for a girl!

"Is there a dragon suit?"

"Yes, UU Reading [www.uukanshu.com](http://www.uukanshu.com) has three types in our store, the three-color dragon, 36,666 yuan."

"The six-color dragon, with a limited edition of black gold, is 68,888 yuan."

"There is also a luxury dragon set, a 3L bottle with six colors is 138,888 yuan."

I'll go, more than 30,000?

Baozi whispered in his heart.

"Brother Yu, there is no need to be so big, buy a cheap package and have fun!"

"A set of more than 30,000, Ming Jae?" The doctor also thought it was too expensive.

Qin Yu smiled and said, "Let's come first with a set of big dragons."

The low consumption standard tonight starts at 70,000.

Besides, since you come to play, you have to have fun.

"This set of Tang Shao, Miss Sister, lighting, and atmosphere are all arranged."

"Brother Yu, really don't need it!" Baozi was a little anxious.

"Just as I said!" Qin Yu took out the card and handed it to the other party.

"No problem, Brother Yu, I will make arrangements!"

After receiving Qin Yu's card, Xiaojie's smiling teeth bloomed.

Boss atmosphere!

A set of Great Dragon is 68,888 yuan.

Can you get close to 7,000 yuan for the light mention achievement, can you not be happy?

Is there any consumption in the future? Xiaojie doesn't want to think about it anymore.

I earn 10,000 yuan a day, and I am satisfied.

The music is restless and the lights flicker.

The atmosphere in the store gradually warmed up, and they arrived at the right time.

The young lady in the atmosphere group stood on the atmosphere lampstand, swinging her body to the music.

waited for the bunny girl holding the 'A' light card to come, followed by two carts with three bottles of ace of spades each in the ice bucket of two carts.

There was a wave of small climaxes at the scene, and the girls whispered about, which rich second generation came to the scene again.
