"The Hublot Big Bang is the hottest series that the brand is selling."

"Do you like it?" Qin Yu looked at Li Wanxing and asked.

"Say, I don't want it, it's too expensive."

No merit is not rewarded.

Li Wanxing didn't want to accept a gift that would be burdensome.

"Swipe the card, buy it!"

handed the card to Manager Mu, and Qin Yu picked up the watch directly.

Mr. Mu is no stranger to this!

2.4 million MP-05, the master directly used it.

What is this Hublot explosion in front of you?

Isn't it 126,800 yuan?

"Try it, just as thank you for sending me here, plus an apologetic gift!"

? ? ?

Send him to Hengde for hundreds of thousands at a time?

Believe it or not, sister will make you bankrupt tomorrow...

As for apologizing, it's just a joke!

What kind of family is this junior brother I just met.

Hundreds of thousands of things were given away casually. How many mines are there?

"Really give me a gift?" Li Wanxing asked, her eyes widened.

"The tickets are all issued, can there be fakes?"

Qin Yu smiled and said, "Really send it."

"Then I'm welcome."

Li Wanxing is not a hypocritical person, is it just a watch!

put the red watch on his right wrist and shook it back and forth.

found that the strap is a little loose.

and others adjusted the size, and Manager Mu also completed the procedures.

"Mr. Qin, this is your card."

"From today, you have officially become Hublot's distinguished VIP customer.

If there is any problem with the purchased product, it will be guaranteed for life! "

"Thank you."

There are no messy cards, Qin Yu himself.

The internal code of the watch model he bought is the permanent pass.

left the shop and walked far away.

Manager Mu still stood at the door, keeping his bow at ninety degrees.

Until the two disappeared, he straightened back and walked back into the store.

Learn to learn, what is luxury service!

"Senior sister, where are you taking me?"

was pulled towards the main entrance of the mall by Li Wanxing, Qin Yu was confused.

"Don't ask, just follow me."

entered the Hengde shopping mall and went straight to the corner of the lobby on the first floor.

A passage less than 3 meters wide came into view.

Walking along the passage to the end, it is a sealed space.

There are wall cabinets on both sides of the wall, and the cabinets are covered with various fabrics, swatches, buttons, ties...

The overall style gives a sense of mystery and nobility.

is facing the service desk, and the background wall behind it blocks the sight of prying eyes.

When the two came in, the woman in the service desk had already stood up.

"Welcome, do you have an appointment?"

"I brought a friend to make an appointment."

"I will register for you now!"

Standing in front of the service desk, Qin Yu answered a series of questions.

age, height, size, preferred color.

Preferred style, music, artwork, do you have a favorite artist?

Then to the choice of metals, allergens!

The nature of the skin, sensitive skin, oily skin or dryness...

Then the other party asked him to pull up the trouser legs and measure his leg shape with the naked eye.

"Can this be measured with the naked eye?" Qin Yu asked curiously.

"Please don't worry, today's message is just to prepare for the appointment."

Qin Yu was speechless.

is just an appointment preparation, so many questions to ask?

I'm afraid it is more stringent than the court's political trial.

"Well, your appointment time is set for late October, 4:35 on the 28th, please be on time!"

"Will do."

Li Wanxing put the appointment form into the bag, took out the card and handed it to the other party.

"Not just an appointment?"

"Mr. Desmond's customized service, a deposit of 180,000 yuan is required before making an appointment."

"180,000?" Qin Yu looked at Li Wanxing.

I just gave a 120,000 watch, and the other party turned his head and returned the 180,000 gift!

is wrong.

180,000 is just a margin, and the final transaction price is definitely more than that.

"I will pick you up at that time, lest I forget it!"

This is my own heart, and it is also the favor of returning the watch.

Li Wanxing is more caring than him, that's 180,000!

vaguely as if to hear the sobbing of his little treasury...

It's gone, it's all gone...

"Sister, I will transfer the money to you."

"Okay, take the watch back."

Li Wanxing took off the strap as he spoke, and Qin Yu could only surrender with a wry smile.

The girl's character is too rigid!

"It's almost time, my little sisters are still hungry!"

"I'll block the car."

The two sat in the back row together, "Master, Jiaozhou Road, Butterfly House."

"Don't you need to pick up others?"

"I'm calling, and they drove to get closer."

Butterfly House!

Before the taxi stopped, Qin Yu noticed three golden flowers on the side of the road.

Scorching roses, noble lilies, and flourishing peony.

Two young ladies born in the 90s and one young lady born in the 95s.

When did 90+ young ladies bloom all over the place, I met four when I first arrived at Hudu.

deserves to be the dormitory of the Shanghai opera fairy, that's right!

It was Lan Yue that made him pay special attention.

Brother Yu is the first time I have seen data that can compete with a small anchor.

The freshness reached an astonishing 99, what does [zhijiezhiren] mean?

"Xuan Xuan, Shan Shan...lazy cat!"

Li Wanxing ran out of the car and hugged and greeted the little sisters.

The three of them fixed their eyes on Qin Yu, paying attention to the younger brother who was brought by the sister herself.

"Introduce you, Qin Yu, UU Reading www.uukanshu.com Lixin's junior brother."

"How about it, sister didn't lie to you!" Li Wanxing said triumphantly.

"It's nice to meet every lady." Qin Yu smiled and stretched out his hand.

"How happy you are." Wen Yaxuan jumped out and decided to embarrass her junior.

Qin Yu looked at Li Wanxing sternly.

"Probably only 0.1% worse than the joy of meeting the seniors."

Li Wanxing asked amusedly: "Then how happy are you to know me?"

Qin Yu tilted his head and pointed to his head. What it meant was all based on imagination.

"Let's go in!" Jiang Xiaoshan said indifferently.

It was obvious that her first glance at Qin Yu was not good.

Although I don't know what went wrong, Qin Yu didn't plan to go into it.

"Hello, this is Lan Yue."

"Qin Yu, hello."

Lanyue is a step behind, walking beside him and whispering: "Don't mind, Shanshan has a slower personality."

"Why, I just came to Cengfan." Qin Yu said jokingly.

"Hehe, then you have a good fortune today." Lan Yue took a high look at him.

In the past, no matter who brought friends of the opposite sex, they wanted to be positive.

Like Qin Yu, he made it clear that he was here for a meal, and he was the first to behave so generously and frankly.

'It's like what Sister Wanxing said, interesting junior! Lan Yue thought of her eyes twinkling.

The clear pupils and the clean smile at the corners of the mouth made her feel especially comfortable when the other party looked at her.

Lanyue thinks they will become friends, which makes her happy.

No one dislikes friends, but pure friendship is too expensive.

For most people (99.99%), it is an unaffordable luxury!

"Group meal, for six people!" Wen Yaxuan had already bought meal coupons in advance.

After asking the staff to verify the barcode, I can't wait to say:

"Tell me, how did you meet?"

"This little girl stares at me as soon as I get on the plane." Li Wanxing said.

"???" Qin Yu asked with a simple question mark face.

"I vomited, senior sister."

"If you don't speak, I won't find anyone around me."

"Hey, do you have a conscience?"

Li Wanxing smiled and cursed: "If it weren't for me, would you have a chance to know so many little fairies?"

"Senior Sister, who is responsible for speaking, how can you ruin my reputation!" Qin Yu said with trembling lips.

seems to be really hit by some kind of huge blow, so that he can't bear to fall into despair.

"Haha..." Li Wanxing couldn't hold back.

Wen Yaxuan and Lan Yue also laughed from ear to ear.

Even Jiang Xiaoshan, with her head down, trembled unnaturally in her shoulders.

"Have you always been so good at playing tricks? It's a pity not to come to Shanghai Opera because of your acting skills."

Li Wanxing smiled forward and backward.

shook his head frequently, as if he really felt sorry for him.

"In fact, due to the passive evolution of living creatures, the richness of nutrition and spirituality.

plus various makeup techniques and technology blessings. There are more and more beautiful women and handsome men nowadays. "

"Of course, most of them are dead. But in fact, there are many excellent ones."

"But such an excellent fairy like the ladies here is really rare!"

"Hey~ I really can talk."

Wen Yaxuan's mouth is lightly raised, her white smile is filled with rose-like enthusiasm.

Jiang Xiaoshan, who bowed her head and focused on playing with the spoon, was proud and lonely.

'S mouth curling movement proves that she dismissed the little sister's words...

'A boring little trick. '

In Jiang Xiaoshan's view, Qin Yu is no different from other men.

It's just that he is more eloquent and knows how to please girls...

"Look, I said he was slick, I don't know how many little girls I lied to!"

Li Wanxing embraced her hands, Ming Hao's eyes seemed to say, 'I see you through. '

As soon as she raised her hand, Jiang Xiaoshan noticed the new watch on her wrist.

"Wanxing, when did you buy the new watch?"

She wants to divert the subject, at least not having to listen to Qin Yu's rhetoric.

"This...I just bought it at Hengde."

Li Wanxing glanced at Qin Yu and said with a grin: "This watch was given to me by my junior brother."

"Senior sister, you turned around as a reward, I was the one who was shocked!"

A set of customized suits costs 180,000 to make an appointment.

Brother Yu must say that he was indeed surprised.

Lanyue took her hand and said in surprise: "I have seen this watch, it seems to cost more than 100,000."

She will pay attention to the Hublot brand because a school sister shot a promotional video for it.

In it, the senior sister brought this red Big Bang series watch.

"More than one hundred thousand?" Jiang Xiaoshan was also shocked.

First, I don't believe that Qin Yu would give such an expensive watch.

Second, I feel that Yi Li Wanxing's character would not accept such an expensive gift casually.

'The two of them don't have anything to do, right? Jiang Xiaoshan thought with a weird expression.

Don't blame her for thinking this way, it's that Li Wanxing's performance is too weird.

You must know that in the past, she hated bestie parties with the opposite sex.

This time not only brought people here, but also received gifts from others.

This is not Li Wanxing's style of acting...

"126,800, it's really not cheap."

Li Wanxing said, "But compared to the MP-05 in his hand, it's a little bit insignificant."

The women looked at each other, they didn't know the watch well.

"That... how much is MP-05?"

Wen Yaxuan couldn't help but curiosity in her heart. She was not very patient because of the ups and downs.

"2,483,500 yuan." Li Wanxing replied casually.

was chanted by her brother all summer.

This number is like being engraved on her brain with a knife.

is almost three points...

"What? How much?" Jiang Xiaoshan's voice increased by 4 decibels.

No one answered, and when everyone was staring at her, Jiang Xiaoshan also reacted.

Obviously, her performance just now was too exaggerated.

"Uh...I just didn't hear clearly!" Jiang Xiaoshan said embarrassingly.

"More than 2 million."

After Li Wanxing finished speaking, she pulled Wen Yaxuan and said: "You haven't seen his performance at that time."

"Swipe the card." She learned Qin Yu's movements at the time.

held the bank card with two fingers, handed it forward at random, and laughed again.

"Things of hundreds of thousands, it is as simple as buying a cup of milk tea!"

At this time, recalling again, Li Wanxing found that what she said was right and curious.

What is the origin of this elementary school boy? There really is a mine at home, right?

"Qin Yu, do you mine mines?" Wen Yaxuan was obviously more direct.

"No?"

Qin Yu is a little unsure, and it seems there is nothing wrong with saying that there is a mine.

is not an ordinary mine, but a systematic mine with infinite treasures!

Even better is this systematic mine containing infinite treasures and miracles. All output is exclusively owned by him.

"Your tone is unconvincing." Li Wanxing said.

"Yes, it's not convincing at all." Wen Yaxuan nodded in agreement.

Lanyue has been smiling gently and gently, just like Qin Yu's impression of her.

Prosperous peony, the country is beautiful and beautiful!

"Can I take a look?" Jiang Xiaoshan appeared cautious when she spoke.

is like a thin, big hand that will kill you if you hold it lightly.

The fragile deer dog who is praying for the owner's care!

"of course."

Qin Yu solved the following table, suddenly raised his head to look at Lan Yue and said, "Do you want to see it?"

"Can you?" Although suddenly, UU Read www.uukanshu.com Lan Yue did not refuse.

In fact, no one would be curious about a watch worth more than 2 million.

"Give you."

After receiving the MP-05 that Qin Yu casually "lost", Lan Yue was a little frantic.

"Can't you be more careful?" Her tone was like a baby.

"It's just a watch used to keep time." Qin Yu's expression looked very enjoyable.

This voice... it's beautiful!

Jiang Xiaoshan was very embarrassed, and the atmosphere was slightly deadlocked.

Li Wanxing had to interrupt: "It's not convenient to use it to see the time."

"I'm talking about timekeeping, and it doesn't mean that I need to use it to see time!" Qin Yu emphasized.

"Take it up!" Wen Yaxuan spit out.

"Spend more than 2.4 million to buy a timer, is this the world of the rich?"

"No."

Li Wanxing said sternly: "Generally rich people don't dare to make it like this."

She wasn't kidding, even if she was worth tens of millions, she wouldn't dare to make it like this.

I don't mention whether there is so much cash or not, but reluctance is the key point.

is like a monthly salary of 3,000 yuan, so you can spend 12 yuan on a cup of milk tea.

But if you buy a cup of milk tea for 200 yuan, I believe that as long as you are a normal person, you will not do it.

Unless he himself is being coerced by the irresistible 'higher creatures' around him.

may degenerate into a 'lower brainless creature,' licking a dog...

"Lazy cat, don't be in a daze with that useless timer."

Li Wanxing grabbed the watch and handed it to Jiang Xiaoshan, "Here it is, Shanshan."

"Thank you."

"If you don't think about the price, it's just a chic watch. It's no surprise."

"Here is the food."

Jiang Xiaoshan said, returning the watch to him.

"Thank you."

Qin Yu took it without looking, and said to Li Wanxing: "Do you need some red wine?"

"Who wants to drink!" Li Wanxing asked the little sisters for their opinions.

"I won't drink at noon, and I will have to drive later."

Wen Yaxuan and Jiang Xiaoshan both came by car.

The difference is that Wen Yaxuan's car is Li Wanxing, and she only borrowed it while the other party was returning home.

Jiang Xiaoshan's car is her own. She is a native of Hudu, and she has a good family background!

"Then stop drinking."

Gourmet served, Icelandic sea prawn tartar, caviar and perfume lemon grapefruit.

The sauce is made with red wine, champagne and red vinegar in proportions.

The taste is tender and smooth, blended with the umami of sea prawns, it is amazing!

Neon organic hot spring egg, potato mousse.

small mushrooms with truffle sauce, freshly toasted.

The hot spring egg has a good texture with bread, and the potato mousse has a creamy and creamy aftertaste.

The most amazing thing is the small mushrooms, which are absolutely delicious when topped with truffle juice.

"It's still the best food from the Butterfly House."

Lanyue took a small bite and smiled from the heart.

That is the real happiness that food brings.

"Do you know? My mother always said that nothing is more real than eating."

"Only what you eat in your stomach and learn in your head can truly accompany you for the rest of your life."

Wen Yaxuan said she dipped some truffle juice with bread, and savored it in her mouth.

"It must be said that Auntie can see clearly."

Qin Yu silently praised Wen Yaxuan's mother who had never been masked.

He seems to have found the right way to attack the fairy.

ahem...

is a way to make friends with fairies, and there is nothing wrong with Pure Yu.

"Who would like to fry scallops?" Li Wanxing doesn't like shellfish very much.

To be correct, it should be fear and disgust!

Think about what they look like, two strange raised shells, or other weird shapes.

There is a piece of white meat with a whisker that stretches like a breath...

is simply too strange, like an invasive species from outer space.

"Give it to me." Qin Yu handed over the plate.

Li Wanxing squeezed the pan-fried Hokkaido scallops with her hands and placed them on a plate.

"Senior sister, it actually tastes very good."

Qin Yu bit down the shellfish and said with gusto.

Li Wanxing waved his hand resistingly and said, "Forget it, I can't accept it."

Follow-up Wellington steak, foie gras, truffle and ham were also delivered.

The girls can't eat it anymore.

Lanyue had put down the fork before the steak came up.

Later, under the temptation of Wen Yaxuan, he cut a small piece of cattle and discharged it into the mouth.

Jiang Xiaoshan also said that she was full after eating steak!

Li Wanxing is better than them, at least I finished my share.

In the end, only Qin Yu and Wen Yaxuan were left, and they swept everything on the table.

even Lan Yue's steak was never let go, "It is shameful to waste food!"

Wen Yaxuan acknowledged what Qin Yu said.

Anyone who has experienced hunger should not waste food.

"Once my dad was on a business trip, my mom forgot to leave me money at the table after working overtime. I was hungry for two days at home."

"Until now I can't forget the taste!"

After many years, Qin Yu seemed to still feel the sensation of gastric juice burning the mucous membrane.

"Don't you know how to make a phone call?" Li Wanxing said funny.

"At that time, I was in the second grade. I didn't have a mobile phone, my number... I forgot."

For a second grade elementary school student, it is excusable not to remember the number!

"You really didn't eat anything?" Wen Yaxuan's eyes softened, and she felt more intimate.

"I can't say that I didn't eat anything at all. I exchanged two wine bottles for a piece of bread."

"That bread is so delicious!"

Looking at the last piece of bread in his hand, Qin Yu recalled putting it in his mouth and wiping his hands to finish the meal.

"In the era when there were no smart phones, people should be closer to each other."

"Yes, they are now replaced by cold machines and data!"

Lanyue seems to be deeply moved by this, I don't know what else she has experienced?

"It must be said that truffle juice changed my impression of truffles."

This is not the first time Qin Yu has eaten truffles, but he didn't like it before.

The truffle juice just now changed his impression of truffles.

"Qin Yu."

Wen Yaxuan who digs a scoop of vanilla ice cream every few seconds.

suddenly said that he wanted to shake hands with him to celebrate.

"Why?"

"To meet like-minded comrades!"

Wen Yaxuan hates iron and looks at the little sisters.

"The whole bedroom is full of unsatisfied guys. Every time I eat with them, it will make people feel very heartbroken!"

"Sometimes I wonder if I have to take quick-acting heart-relief pills at any time."

For a foodie, the appetite of the little sisters in the dormitory is obviously not enough to cope with the temptation of food.

Every time before dinner, Wen Yaxuan always eats desperately.

In the end, I can only watch the delicacy left on the table with heartache and leave...

"Qin Yu, do you want to be my food friend."

"Friends of foodies, interesting!"

Qin Yu got up, shook hands with her and said: "Deal."

"Ha, finally let me find a food friend."

Wen Yaxuan excitedly showed off to the little sisters: "In the future, you only deserve to eat leftovers."

"Because your appetite is like a cat, you'll be full with just one lick!"

Li Wanxing said nonchalantly: "Congratulations."

She is not in the mood to refute, she is too full after a cup of ice cream.

I blame this **** ice cream for being so delicious.

"Congratulations, Xuan Xuan." Lan Yue congratulated her sincerely.

Every time she sees the little sister's painful expression at dinner, she feels very guilty.

Besides, wasting food is really bad.

So when they go out to eat, they always say to the boss: Please reduce the amount.

Although the price is not low, at least food will not be wasted.

"Qin Yu, just wait for my sister, I will take you all over Hudu."

Wen Yaxuan waved her hand proudly ~www.mtlnovel.com~ and decided to eat Hudu with her new food friends.

Wherever there is food, they will leave their footprints.

"Extremely looking forward to it!" Qin Yu smiled and raised his water glass.

"Okay, the time should not be withdrawn soon, what are your arrangements for the afternoon?"

Li Wanxing said and looked at him: "How about you, do you have a place to live?"

"What? Senpai want to invite me to live in the dormitory?"

"Bah!" Lan Yue blushed.

"You stubborn." Li Wanxing moved up his sleeves.

"You want to be beautiful."

Wen Yaxuan, who just had a fateful friendship, instantly moved away from him.

Seeing several people talking and laughing, I was actually isolated by an invisible wall.

Jiang Xiaoshan followed in a depressed mood.

"Shanshan, what's the matter with you?" Lan Yue found out that something was wrong with her for the first time.

looked up and smiled reluctantly, "It's okay, I'm a little sleepy."

"I'm going to practice dancing in the afternoon, and it happens that we are going back to school with Xuan Xuan."

"Xuan Xuan is back to school, too?"

Seeing how they looked just now, she thought they were going out together.

"Of course go back to school, otherwise where can she go!"

Lanyue of course understood her meaning, but it was difficult to pick up.

So, I just don't hear anything.

Although her personality is more quiet and restrained.

But it is precisely this that gives her a delicate heart, good at observing and discovering.

Actually, the meal I ate today was particularly weird.

Lanyue didn't know what went wrong.

As a result, Qin Yu won their unanimous welcome.

The little sister Jiang Xiaoshan in the same bedroom seems to be suddenly excluded!

This feels so strange...

Start at the Pinnacle of Life Chapter 24: I blame the cabbage for being too watery

Butterfly House downstairs.

"Wanxing, car key." Wen Yaxuan returned the car key to her girlfriend.

"You have to tell me where the car is parked first?" Li Wanxing said helplessly as she played with her mobile phone.

"Oh, I forgot, it's in the parking lot." Wen Yaxuan replied without looking up, looking a little busy.

"what's happenin?"

Jiang Xiaoshan is trying to join the topic.

"Someone just notified in the group that the group activity in the afternoon was cancelled."

"Why?"

"I also want to know why."

Seeing the reply from the group, Wen Yaxuan was both envious and helpless.

"Now that I know the answer, Shuang-senpai was taken by her tutor to participate in the activity again."

"It's enviable!" Lan Yue whispered.

"Shuang-senpai is the leader of Xuan Xuan's group and is highly regarded by the teacher."

"So, she is often taken out of school by her mentor to participate in some major events."

Li Wanxing is explaining to Qin Yu.

"Star student, understand!"

Teacher likes to value students, she can accumulate experience while also expanding her network.

After graduation, relying on previous contacts and experience, the other party will walk ahead of his peers.

Don't even think about this gap, you have to know the different situations in life.

is caused by the very small gap and the humble choice.

"By the way, I don't know that your majors are all acting departments?"

Hearing Qin Yu's question, Li Wanxing rolled her eyes: "In your opinion, Shanghai Opera only has an acting department?"

"Is there anything wrong?" Qin Yu joked.

"It's only Shanshan and I who are in the performance department. Lazy cat learned classical dance, and Xuan Xuan is an art design."

"Design, dance!"

No wonder Lan Yue has a better figure, she turned out to be Miss Ma Yizi.

Looking at the image of the lazy cat, Qin Yu could think of her charming posture in ancient costumes and dancing.

The heads of the eyes are hooked round, and the tails of the eyes are upturned.

is exactly what the older generations said.

blended with her lazy and delicate temperament, and then put on an ancient gauze skirt...

"I can already think of the look of a lazy cat in ancient costumes, it must be beautiful!"

"Ouch~ lazy cat..."

Li Wanxing looked at the two with a strange smile: "The nickname is called so soon, that's okay!"

"Lazy cat, is it going to have a unique nickname soon?"

"Sister Wanxing~" Lan Yue said angrily.

is just her gesture and tone, the corner of her eyes... even more charming!

"Don't make trouble, Wanxing!" Qin Yu said calmly.

"Ah!" Li Wanxing exploded.

"You little brother, are you a little bit fluttering? Was it your name for Wanxing?"

"Senior sister."

"Okay, stars."

Qin Yu said and looked at Wen Yaxuan: "There is also Xuanxuan, Shanshan, it is nice to meet you."

Wen Yaxuan is purely to watch the excitement and it's not too much of a big deal, "The stars are pretty good, don't you think, the stars?"

Jiang Xiaoshan followed with a smile: "Xingxing, why don't you blink?"

"Hey, ah~ Xiao Sepi, stop me."

Li Wanxing chased to beat Qin Yu, so naturally he couldn't sit still and ran to the parking lot.

It's just that he was facing Li Wanxing and ran back.

while running, he kept shouting: "Stars, come on, hurry up..."

"Stars, don't give up...you will soon succeed, the stars..."

Lanyue leaned on Jiang Xiaoshan, laughing straight down.

When he arrived at the parking lot, he saw Li Wanxing with red cheeks and watery eyes.

was squatting on the ground and gasping for breath.

Qin Yu looked at the front wall without squinting.

‘Self-service payment app, please scan before you leave...’

"There are beauties who don't look at it, do you look at this?" Wen Yaxuan asked.

Qin Yu smiled, "beautiful women get dizzy when they see too much!"

"con man."

Wen Yaxuan hummed: "The stars are right. You must have deceived many girls with this mouth."

Qin Yu is stunned, I am... so angry!

"Stop making trouble, what are your arrangements?" Li Wanxing suddenly became serious.

Jiang Xiaoshan looked at her suspiciously, then at Qin Yu, and then at her.

She dare to be sure, before they get down.

Something definitely happened between Li Wanxing and Qin Yu.

"I went back to school with Shanshan and ate too much. I have to go back and practice exercises to consume energy." Lan Yue said softly.

She always speaks in a weak manner, making people want to rush to protect her.

plus those fox eyes and delicate looks...

Don't talk about men, Li Wanxing is affected by this.

"Xuan Xuan, how about you?"

"I was going to the event, but I'm fine now."

Wen Yaxuan took her arm, "It seems that I am going to pester you today, will it bother you?"

Li Wanxing rolled her eyes, and said with a smirk: "Little brother, do you want a wife or not?"

"Don't say senpai didn't take care of you, if you want it, this foodie will send you to you."

pushed Li Wanxing out, and Li Wanxing smiled disgustedly: "Anyway, people like her can't afford to feed them, and they will have to be eaten up sooner or later!"

Wen Yaxuan did not show any weakness, "Are you willing to star?"

"I can't bear it, he is not mine." Li Wanxing's eyes were erratic.

just chased after him, and when he was about to catch up with him, he accidentally tripped on the speed bump.

Qin Yu is busy helping her...

There is no problem here, but when supporting her, my hand accidentally caught her balance ball.

Because of this, in order to reduce Li Wanxing's embarrassment.

Only when someone else came down, Qin Yu stared at the advertisement carefully.

As one of the three core equipment for women, the importance of the balance ball is self-evident!

is not only beautiful and plastic.

‘I blame this stupid schoolboy. ’

Even though he knew he didn't mean it, Li Wanxing couldn't help but gave him a sideways glance.

is holding the mentality of watching a theater, appreciating that the beauties are fighting each other, Yu Ge, who is attacking each other, lie down again.

But the innocent brother Yu chose to forgive.

Who makes him a good person!

‘Senior Sister’s balance ball is of great quality. ’

Lan Yue is smiling quietly, Wen Yaxuan is lively and hot, and Jiang Xiaoshan is proud.

Looking at the three people with their own merits, Qin Yu's innate curiosity exploded again.

‘I don’t know if the balance ball of Senpai is medium or large compared to them?’

Trumpet???

Don't be silly, Brother Yu is a sports boy who can master basketball with one hand.

Considering the essential gap between the two, flexibility and scalability.

Brother Yu came to the conclusion that the size of senior sister is amazing.

"Yueyue and I are leaving first." Jiang Xiaoshan, who was uncomfortable, decided to leave with Lanyue.

After sending the two away, Qin Yu looked at Li Wanxing and Wen Yaxuan and said, "If it's okay, how about accompany me to do something?"

Qin Yu plans to buy a car and stay in Hudu to go to school, and brush his experience points by the way.

"Little brother, are you a little greedy?" Wen Yaxuan looked at him deliberately.

"Are there?" Brother Yu was full of innocence, and he couldn't understand what the other party was saying.

However, now he understands a little bit the difficulty of 'Master of Time'.

Sometimes I can't really blame the pigs, but the cabbages in this field.

is too watery...

Start at the Pinnacle of Life Chapter 25: Buy a Porsche and get a sale

"Where to go?" Li Wanxing's car is a red beetle.

There are dolls with shaking heads on the bridge, pillows and gadgets that can be seen at hand are full of feminine style.

After getting in the car, Wen Yaxuan took the initiative to get into the back row and gave Qin Yu the co-pilot with more space.

"Porsche 4S shop." Qin Yu already has a goal.

"Buy a car?" Li Wanxing turned on the navigation and drove out of the basement.

"Well, it will be convenient to use in Hudu in the future."

"Now that the students are equipped with cars, does the standard Porsche start?"
Wen Yaxuan was unable to complain.

"I plan to see more."

Qin Yu intends to mention a Palamela first for his own use in school.

Volkswagen was ridiculed by the industry, and it only has one golf.

Add a **** is Sagitar, elongated is Passat, renamed Magotan.

After going to the back row, it is CC, and then stretched out is the Phaeton.

The square is the Touran, the three-seater is Sharan, the higher the chassis is the Tiguan, and the bigger one is the Touareg.

shoot flat Scirocco, shorten POLO.

This sentence is also often used in Porsche, because it only has a 911.

The height is Cayenne, the lengthening is, the simplified is Boxster, the complex is exquisite 918.

At the same time, the Porsche 911 is also worthy of the brand's cornerstone and the glory of the industry legend.

Its changeable applicability and extremely high control experience, and cost-effective.

is the first choice in the same price range.

is like the advertisement said: 'In an era full of superfluity and superficiality,

In an age full of frivolity and roughness, only the Porsche 911 is irreplaceable. '

Qin Yu is also interested in 911, but this time he is more concerned about comfort and practicality.

It's okay to go out and play, but the daily travel space is still a bit lacking.

‘Or, did you buy both? ’

Qin Yu turned his eyes to Li Wanxing and Wen Yaxuan, choosing which one is the most annoying.

came to the front of the 4S shop and told the guard that he was here to buy the car, and the railing immediately rose.

The car is not stable yet, and the sales inside have already been welcomed.

"Are all Porsche sales so beautiful?"

Wen Yaxuan asked curiously when she saw the uniform black silk sales coming up.

"Roughly the same!"

Qin Yu wanted to amuse her, teasing:

"Do you know what Porsche sells best in the hearts of car owners?"

"What? 911?" Wen Yaxuan has also heard of 911, too famous.

"No way."

Qin Yu looked at the sales coming up, "The rumors are rumors, buy a Porsche for sale."

"???" Wen Yaxuan was stupid.

What does it mean to buy a Porsche and give it away for sale? Let's look at the smiling female sales.

She only realized that she was molested by Qin Yu.

‘Bah, it really is a scorpion! "Wen Yaxuan said in her heart.

"I said he is a scorpion, Xuan Xuan, you have to be careful."

Li Wanxing's eyes were smiling, like saying, 'Little sister, you must hold onto it! '

Wen Yaxuan is not a passive person, she raised her brow and fought back:

"I won't be tempted by him, but you, the star."

Hugging her girlfriend's arm, Wen Yaxuan teased: "Say, what are you two doing in the parking lot?"

"What are you talking nonsense?"

Li Wanxing's eyes flickered, and she said unnaturally: "I think you are crazy, Xiaolang hoof!"

"Yo~"

Wen Yaxuan dragged the long tone and said, "If I were a little wave hoof, then wouldn't you be an old mother with all the charm."

"I'll let you talk nonsense again." Li Wanxing scratched her as he said.

"I think some people are irritated, giggle..."

Throwing her away and trotting all the way to Qin Yu's side, Wen Yaxuan laughed and said, "My junior brother, your senior sister is in spring!"

"???"

Looking at Wen Yaxuan who laughed and ran away, her face blushed behind her, and she pointed to Li Wanxing who was speechless.

Qin Yu immediately decided that he wanted both.

"Look at Palamela GTS first, what color does it have?"

"The standard black and white are available, and the metallic paint has fine white, volcanic ash and Mamba gold sports green."

"Green?" Qin Yu couldn't help it.

There are really few people who dare to choose green these days, and there are actually cars in 4S stores.

But regardless of the implicit meaning, green does represent sports and youth.

But Brother Yu thinks that driving out is still high-profile.

leave it to the other brothers!

Maybe someone just needs it?

"What is the price of volcanic ash?"

At this meeting, Qin Yu had already seen the current car, and it was placed in the hall booth.

"Mr. Qin, the price of this car is slightly more expensive."

Afraid of his misunderstanding, the salesman hurriedly explained: "The optional equipment of this car is 240,000, and the naked car is 8 points off..."

"The total price of the car is 2,078,980 yuan, plus various taxes and fees, and the final price is about 2.5 million yuan."

"Because it is already selected, if you choose to buy it, an additional 50,000 gas card will be included in the store."

It's the norm to install luxury cars. No one has 200,000 to 300,000 installations, and the car simply won't drive.

The luxury car tax is surprisingly high. Who makes it a luxury?

Don't even think about discounts in this area for luxury goods.

I want to play, be cool, no problem!

The tax is full.

"Look at 911 again."

"There is no existing car for 911. The advantage is that I can choose according to my own wishes."

There is a level of sales, is there anyway, it is for the good of the customers, good foundation!

"I heard that I bought a Porsche for sale." Qin Yu looked at the taste.

"Mr. Qin, you laughed."

Sales smiled and looked at Li Wanxing and Wen Yaxuan not far away.

"Your girlfriends are so beautiful, no one can match them."

approached him two steps forward, and the sales talk changed.

"However, if you are interested in a test drive, I will be free anytime after I buy the car."

Test drive?

Don't say, Brother Yu is really moved.

Scanning system:

Zhang January:

Age: 22.

Yan value ~ www.mtlnovel.com ~ figure: 87.

Freshness: 89.

After reading Brother Yu, he shook his head regretfully, but barely met the requirements.

Pity!

"8 points are not enough, go apply for a new discount, suitable for full withdrawal!"

Since there is no 'feeling,' then I can only talk about money.

Zhang Yiyue looks very happy, but feels a little lost in her heart.

"Please sit down first, Xiao Wu, help me greet the customers."

Asking colleagues to help us, Zhang Yiyue then said: "I will go to the manager to apply now, and try my best to give you the best discount."

Zhang ran away in January, Xiao Wu came over and asked what he needed.

After being rejected by Qin Yu, he left politely.

is not his client, just do what he needs to do.

I found Li Wanxing and Wen Yaxuan, who were watching the new 911 at the booth.

Seeing Wen Yaxuan spinning around the car, her eyes flickered.

Qin Yu asked casually: "Do you like it?"

"I like it." Wen Yaxuan responded.

Li Wanxing was wary and looked at him suspiciously: "What are you doing?"

"Buy a car!"

Qin Yu smiled and said, "Sister, what do you think about which Palamela GTS?"

"It's good, you can just like it."

Li Wanxing has seen his handwriting, but he can't mess around when he thinks that any one here is worth millions.

But Qin Yu's next move made Li Wanxing unsure.

saw him pull the car door and smiled at Wen Yaxuan: "Xuan Xuan, sit in and try!"

Wen Yaxuan angrily said: "Is Xuan Xuan what you can call? Called Senior Sister."

"Okay, Xuan Xuan." Qin Yu nodded in response.
