Wen Yaxuan, who was too angry, still couldn't stop the temptation from 911.

sat angrily in the cab, pouting.

Holding the steering wheel, Wen Yaxuan's mouth rose naturally.

Sitting in millions of sports cars, it really feels very different...

"Mr. Qin, good news!" Sales Zhang Yiyue happily ran over.

"I talked to the manager, and I won a 2 point discount for us."

"In addition, I have also won 3 free maintenance for you, worth more than 50,000, do you think?"

"Swipe your card!" Qin Yu took out the bank card and handed it to the other party.

"Okay, wait a minute, I'll go through the formalities!"

The other party just left, and the long-lost reminder sounded again.

'Ding. '

'Congratulations to the host for purchasing the first luxury car in his life, which triggers a random reward. '

'Consumption Discount Card 1\*: Enjoy 20% off any consumption. '

'Reminder: There is no change in the consumption amount, and the system will make up for the insufficient amount! '

Consumer discount card 1\*.

Qin Yu's understanding is that the amount spent on purchasing goods remains the same.

But he only needs to pay a 20% discount, and the system will make up for the shortfall.

Is it like this? I'll know after using it.

"Little Zhang."

Zhang Yiyue, who is preparing the contract, came here.

"Mr. Qin, what else do you need?"

"Introduce this car!" Qin Yu pointed to the show car in front of him.

"Qin Yu, do you want to buy this car?"

Wen Yaxuan obviously hasn't figured out the cause and effect of this.

Li Wanxing clearly noticed that things were starting to get bad.

"You don't really want to buy this car, do you?"

What Li Wanxing really wants to ask is:

'This car won't be bought for Wen Yaxuan, right? '

"Look first." Qin Yu smiled.

"Mr. Qin, this is a Taiwan exhibition car." Zhang Yiyue reminded.

Many customers would mind this.

But in fact, most of the cars on display in the store are the best protected.

After all, it is the storefront for display.

"I know." Qin Yu said he didn't mind.

"911Carrera4S, optional 350,000, the total price is about 2.2 million."

Carrera4S, whether more than 2 million is worthwhile varies from person to person.

For Qin Yu.

With the money, he would rather choose the 911GT3 series.

Or go directly to GT2RS?

However, GT2RS can't be handled by a 2 million.

"Does GT2RS have it?"

As soon as Qin Yu spoke, Zhang Yiyue knew that he had lost interest in the car in front of him.

"Mr. Qin, the quota for GT2RS is only 50 units, and it is currently sold out."

"Moreover, it is more suitable for driving on the track, daily use can not reflect its performance."

Zhang Yiyue felt regretful and recommended other models of his own to him.

"If you like strong power and a more aggressive appearance, I recommend GT3 or TurboS."

"let me think again."

GT2RS is gone, and Qin Yu is somewhat disinterested.

Seeing that he didn't entangle that 911 anymore, Li Wanxing's heart fell gently.

If Qin Yu came up, it would be a million-class sports car.

哐!

just hit the head of my little sister.

She is really not sure whether Wen Yaxuan can hold it!

But what she can be sure of is that she can no longer be friends with Qin Yu.

at least not as comfortable and natural as it is now, more embarrassing...

"Sister Xiaoyue, the contract is ready."

The new salesman sent the contract and gave Qin Yu a suggestive electric eye.

A young and promising young man like Qin Yu, who has a lot of money.

is rare even in the store, the girl feels that she should seize the opportunity.

However, Brother Yu can see through her depth at a glance.

The average score is less than 75. Who gave her the courage to make her think that she was doing it again?

"Mr. Qin, you can sign after reading it without any problems."

"Besides, did the license plate be handled by us, or did you do it yourself?"

'Issuing follow-up rewards, a set of license plates: apply for A99999. '

Qin Yu suspects that the system is doing something!

I bought a Palamela GTS for 2 million yuan.

The system directly fixes a license plate that is more expensive than a car...

Yu brother said...

Please do this kind of good thing several times.

If it wasn't for Brother Yu, who had the world in mind, he wanted to give the young ladies born in the 90s a home.

When I lie down at home, I can make a lot of money just by reversing the car and selling license plates.

"I already have a license plate, first help me prepare the license plate."

"Okay." Zhang Yiyue smiled and nodded.

Customers who can generally afford luxury cars have some relationship with themselves.

It is not difficult to get license plates such as Shen B and Shen E.

If you want a good auspicious number, it depends on your own relationship.

What's more, I just wait for the auction opportunity, 'I don't know what number he prepared, it should also be B or E. '

According to the price marked on the contract, the transaction price was 2,519,040 yuan.

Qin Yu made sure that there was no problem in signing the contract and entering the password.

Qin Yu saw that the amount on the POS machine was 2,519,040.

'Use consumer discount card 1\*.'

Ding.

The mobile phone text message rang, and Qin Yu saw that the actual deduction was 2,015,232.

A consumer discount card 1\* saves him a BBA.

When is BBA only enough to make a fraction, why does this make the majority of car owners feel so embarrassed?

"I'll go out of the car after two days, and then drive the car over to paste it."

He only plans to stay for three days this time, and will report later when he goes home and sorts it out.

"Okay, Mr. Qin, let's add a WeChat account first." The two left contact information for each other, and his new car was parked at the door.

"Mr. Qin, the store has prepared a car-lifting ceremony for you!" The people in the store were walking out with colored ribbons, red flowers and fireworks.

"No need, I will drive away and contact me if I have anything!" Qin Yu pulled the car door directly.

"I have to try the taste of a luxury car." Wen Yaxuan happily sat in the co-pilot. UU reading [www.uukanshu.com](http://www.uukanshu.com)

Li Wanxing is helpless about this, the little sister's carefree temperament, she is used to it.

The seat leather is matched with Alcantara fabric.

An adaptive sports seat with a 'GTS' logo on the headrest.

with black electroplated surface brushed aluminum alloy trim and car door sill (kan-jian) wood panels all enhance the sporty style and overall atmosphere of the interior.

uses two contrasting color optional configuration components, the carmine red on the armrests and foot pads of the center console, adding sporty charm to the interior.

4.0V8, twin turbocharged engine, creating a veritable power monster.

The fire started, and Qin Yu gently put his foot on the accelerator.

Buzz...

The roar of the engine is more wild with the rendering of the sports exhaust system.

The three-stage tail wing at the rear of the vehicle will automatically rise when the vehicle reaches a certain speed.

is usually retracted in the electric tailgate, it can also be adjusted manually when needed.

keeps the body streamline in the best condition at any time, and the splitting effect will appear when the rear wing is deployed, and the visual effect will burst.

"Go." Qin Yu smiled and stepped on the accelerator.

A strong sense of pushing back, Wen Yaxuan let out an exclamation.

Palamela, who was shaped like a beast in the dark night, steadily stopped in front of the railing, and Qin Yu smiled awkwardly at the gatekeeper.

The other party has already taken it off.

Young people like excitement, just bought such a good car, excitement should be.

If he was young, he would have such a multi-million coupe.

That kick just hit the pole directly and took off on the spot.

Watching the two cars in the front and the back merge into the traffic flow, the master can't help but sigh, 'It's nice to have money! '

Followed the navigation and came to the DMV. Qin Yu lined up to draw the number like last time.

Only, this time the license plate just came out.

He was surrounded by people, and he was completely blocked. Shen A: 99999.

This number is hung on the car, it's like a king bomb!

Even people who don't drive will understand how leathery this card is.

"Brother, do you want to sell the brand?"

"I pay 1 million."

"What is the little gangster thinking? I'll give out 2.2 million."

I want to buy this brand for one or two million, and want to eat it?

Really want to sell, this license can at least be sold for more than 5 million.

is enough to buy two GTS, but it is a pity that Brother Yu has no intention of selling it.

Does he care about that little money?

Brother Yu has never been interested in money.

This brand is hung on my car, it's so fragrant!

"Let's let the license plate not be sold, thank you..."

After finally squeezing out of the DMV, Qin Yu got on the car.

I kicked the floor oil and slipped...

Seeing that he was driving a Porsche Grand Parc GTS, the car owners finally chose to give up.

The other party is obviously not short of money, but this is good luck too!

"A fool believes that it's luck. Have you ever seen anyone who has luck shaken to the 5th consecutive number."

"I still apply for A, I thought this brand is gone."

"It must be gone for you, Hudu doesn't know how many real dragons are hidden."

"Say what they mean, I'm falling apart."

When a group of people wondered who Qin Yu is sacred, or the son of a hidden predator family.

He is driving Li Wanxing and Wen Yaxuan back to the Shanghai opera.

Before came to get the license plate, they went to the Shanghai Opera and asked Li Wanxing to park the car.

Then came with Qin Yu's GTS.

This is both fuel-efficient and environmentally friendly, and no one is bored driving alone.

"Is this really what you just rocked?"

Holding the license plate of Shen A: 99999, Li Wanxing was shocked.

Can this kind of license plate be shaken?

"No, I ran into an old \*\*\*\* in the vehicle management office, please become!"

Seeing his hippie smiling face, Li Wanxing really wanted to paste the license plate on his face.

"Stars, how much is this license plate worth?" Wen Yaxuan asked curiously.

She knows that such license plates are precious, but she has no intuitive concept of how precious it is.

And the most intuitive thing that can reflect value is to ask how much it is worth.

Although a bit tacky, this is the easiest way.

"So, if he is willing to make a move, he can sell at least 88 places to the right person."

'O'

Wen Yaxuan was also surprised!

There are tens of millions on a license plate, is she kidding?

Li Wanxing is not exaggerating at all. 5 million is the auction price that was put outside.

But this kind of auction is rarely paid to by the big guys.

The participants are all small assets, otherwise they will talk about the second traffickers.

Licensed auction company used to be a good side business in Hudu.

However, it developed more and more crazily later.

Many local people have also been fooled into investing, opening companies, and renting stores.

Thinking of this, the license plate can be photographed and sold to the newcomer, making a lot of money.

Finally, I realized that I didn't know anything about this business!

I'm the one who took advantage of me.

A large number of storefronts spring up all over the streets and alleys, and disappear like frost after a few months.

even put out the ridiculous propaganda of "Look at the world, develop internationalization" at the craziest.

In the entire country of Xia, only Hudu gave birth to the proxy shooting industry.

Where does internationalization come from?

I don't know how many jokes have been made because of this, and it has also caused a lot of civil influence.

After the rectification of the court in the past two years, after the blow.

The situation has improved, but some of them have made money a few years ago, and their families have survived well.

went through a wave of winter, but became stronger.

Cooperate in time with rectification and reform, and there is a trend towards normalization.

Li Wanxing is naturally not talking about this kind of auction, and Qin Yu really wants to sell it now.

10 million, Li Wanxing can find the buyer with just one phone call.

The circle in her home is still very energetic.

It's just that Li Wanxing always likes to be low-key, so she wants to finish university quietly.

Face is sometimes difficult to directly measure with money.

The more money you have, the more so!

"Are Lazy Cat and Shanshan here?" Qin Yu asked suddenly.

In order to thank the two for running with him all afternoon, Qin Yu is the host, please have dinner.

"Come on, call them when you arrive, the store is on the backstreet of the school."

Jiang Xiaoshan and Lan Yue didn't want to run anymore, so Li Wanxing chose the place on the backstreet of the school.

There is a good food shop, they often go to eat.

You can go back to school and rest directly after eating.

On the way, Li Wanxing holds the license plate, and can't figure out how much face he can get Shen A's 5th consecutive number.

Especially the number 99999.

Qin Yu's image in her eyes has also become tall and mysterious...

I thought he was a clean, sunny, rich and co-produced junior.

It seems that she is too sloppy now!

"Qin Yu, what the \*\*\*\* does your family do?"

The curiosity in her heart is like a cat's claw scratching, making Li Wanxing restless.

"Me? Just an ordinary family." Qin Yu said casually.

"I believe in your ghost... The little girl is not honest at all."

Li Wanxing turned her head out of the window angrily.

Greasy little slick head, without a word of truth in his mouth.

is wearing a Ferrari MP-05.

The car I drove was a Porsche Palamela GTS that I just bought for 2.51 million.

The license plate of 'shake to' is Shen A: 99999.

normal family?

He~tui...

"Senior sister, you are a little bitch, UU reading [www.uukanshu.com](http://www.uukanshu.com) should I do something to express?"

Qin Yu looked at her playfully with a smile: "Otherwise, isn't it a misnomer?"

Wen Yaxuan roared in the back row: "Qin Yu, quickly collect the stars!"

"Wen Yaxuan, believe it or not, I won't let you get out of bed tonight." Li Wanxing turned her head and stared at her threateningly.

Wen Yaxuan shrank her head and said stubbornly: "I'm not afraid of you, Lazy Cat and Shanshan will help me."

"Hmm." Li Wanxing raised his fist and turned his wrist.

"Sister one can beat the three of you."

"That... I can help if needed!"

He is a promising young man, he should draw his sword to help when he sees uneven roads.

It's too bully to hit three of them one at a time.

Yu felt that he could knock them all down, and he did it for their good.

Between sisters, it's easy to get angry when fighting!

Look... Brother Yu is so simple and kind.

Unfortunately, his kindness was rejected by Li Wanxing righteously.

Qin Yu didn't feel a pity either.

It's a long time coming, and one day she will understand her good intentions.

came to the back street around Hudu, Qin Yu parked the car in front of the "Central Plains Maocai Restaurant".

In the operation room at the door, the boss is busy with soup.

The entrance and exit next to        were crowded, and it was almost full before 6 o'clock.

"I'll go take a seat first."

Li Wanxing put the license plate under her feet, pushed the door and got out of the car and walked into the shop.

"Xuan Xuan, haven't they arrived yet?" Qin Yu asked when he unlocked his seat belt.

"I ask, it should be almost there."

Wen Yaxuan seems to have become accustomed to what he calls herself, so she took out her mobile phone and dialed Jiang Xiaoshan's number.

Host: Qin Yu.

Level: LV3.

Blessing: 1.5/sec.

Capital: 94,895 yuan.

Experience: 1,147,215/5,000,000.

Sunshine value: 76.

Title: [Old Driver]

Title: [Deed of Oath]

After spending more than 2 million to purchase GTS, the system was upgraded from LV2 to LV3.

The experience bar also doubled five times again, from 1 million to 5 million.

According to experience value.

The amount offset by the consumption discount card 1\* is not included in the experience value.

The income per second rose from 1 yuan to 1.5 yuan.

In this case, the hourly income is 5,400 yuan, and the daily income is 129,600 yuan.

Monthly income rose to 3,888,000 yuan.

The annual income officially exceeds the 40 million mark, compared with this point.

What's the 5 million experience bar?

More importantly, 40 million is just the basic income of the system to Qin Yu.

Don't forget there are various tasks and cards.

Spicy string hit 1,000 times the crit, bringing him 480,000 yuan.

Shopping cashback card 1\*, consumption of 50,000 yuan, 250,000 yuan in the account.

Liquor consumption crit card, brought him a huge income of 5,000,000 yuan.

If it weren't for this, Qin Yu wouldn't have the money to mention the Paramela GTS...

His Xia Feng Ninety-Five Supreme Golden Dragon Super Run.

There are two valuable license plates.

Although in terms of price alone, there is no comparability between the two.

However, West A: Q8Y88 license.

has a different meaning to Qin Yu. It cannot be simply measured by price. These are all his income.

is just the Hublot MP-05 worn on the hand, and the price has exceeded 2 million.

"Qin Yu, what are you doing?"

Seeing him in a daze at the door, Li Wanxing waved him to come in quickly.

"coming."

took a plastic basket next to the freezer, Qin Yu asked, "Are there any delicious recommendations?"

"It depends on what you like to eat, their hot fish bubble is good." Li Wanxing responded.

"I want to add instant noodles." Wen Yaxuan said.

"Eat, eat, you will become a fat woman sooner or later!" Li Wanxing vomited angrily.

Wen Yaxuan can eat most in the dormitory, and all kinds of fattening foods come!

But no matter how she eats, she never weighs more than a hundred.

Unlike others, he eats a little bit more, and his weight swells up.

"My parents are genetically good, I won't be envious." Wen Yaxuan said triumphantly.

Three generations from her family, there is no fat person.

When her father married her mother.

Grandma said, 'put a pig in his stomach and he won't get fat. '

If it weren't for her father's stable work and diligent work, he would often help her grandma's house.

She still can't figure out where it is!

"Coincidentally, I don't have a fat body no matter how I eat!" Qin Yu said.

Since his junior high school, his body has been stable at about 140 pounds, almost unchanged.

Wen Yaxuan raised her palms high and celebrated with him.

The two formed a united front again!

"Wen Yaxuan, you are a traitor."

was hit by a girlfriend and Qin Yu was stabbed back, Li Wanxing said that he did not want to talk.

How could she think that all the traitors lurking around her.

I used tweezers to grab a bunch of things and threw them all into Qin Yu's basket.

"If you don't eat, you can eat more. Sooner or later, you will be fatter."

Qin Yu saw that they were all his favorites, "I want to recommend the fish bubble again, thank you."

Li Wanxing is speechless, is he poisonous?

Is he picking food for him?

Can you give me a normal response, right?

Tucao return to Tucao, Li Wanxing still gave him two fish bubbles.

"what else?"

"It's almost there." Qin Yu shook the vegetable basket, the portion was full, enough for himself.

turned to look at the basket in Li Wanxing's hand, the weight is about the same as his!

"I'm so embarrassed to talk about me?"

Li Wanxing put the basket on top of his share and retorted righteously.

"This is the amount for me, Shanshan, and Lazy Cat. I thought everyone could eat as much as you."

"And you."

Finding Wen Yaxuan was laughing, Li Wanxing pointed the finger at her again.

Don't even think about running anymore.

Wen Yaxuan smiled helplessly: "I only have half of you."

"I serve three people, or you have more."

"But every time you pick vegetables from my bowl, it should be counted as four people!"

"...A piece of potato counts as well?"

"Doesn't a slice of potato count?"

Qin Yu took Wen Yaxuan's share, brought three dishes to the weighing platform, and fled the battlefield.

"Boss, how much is it?"

The wealthy proprietress smiled weirdly: "Blessed young man."

"What?" Qin Yu said that he didn't understand.

The lady boss smiled easily: "It's okay, come here often, they all love to eat my food!"

"for sure."

Three servings totaled 96 yuan, and Qin Yu ordered four more bottles of soy milk and a bottle of Happy Water.

"Xuan Xuan, Wan Xing." Jiang Xiaoshan and Lan Yue came late.

Seeing him by Qin Yu's side, Lan Yue smiled and said, "Qin Yu."

"Help with things!" Qin Yu stuffed Jiang Xiaoshan with the two bottles of soy milk on the table.

put his hands together and returned to the table with the remaining three bottles of drinks, Jiang Xiaoshan followed behind without saying a word.

Seeing this weird scene, Li Wanxing and Wen Yaxuan looked at each other.

The two of them looked like just now, Jiang Xiaoshan looked like a little daughter-in-law who was resigned and submissive.

Nice, obedient, virtuous...

This is too different from her original character and usual performance.

Did Qin Yu use some magic on her?

While everyone else was chatting~[www.mtnovel.com](http://www.mtnovel.com)~ Li Wanxing pulled her in and whispered, "Shanshan, are you okay?"

Jiang Xiaoshan looked at her with big innocent eyes: "Why do you ask?"

"You look like something is on your mind."

Li Wanxing said in deep thought: "Also, your attitude towards Qin Yu... is a bit strange!"

"Is it weird?" Jiang Xiaoshan looked away unnaturally.

The look of guilty conscience made Li Wanxing sure: "Very strange."

"Where is it." Jiang Xiaoshan denied.

Li Wanxing still wanted to ask, but was interrupted by Qin Yu.

"Stars, Lazy Cat said you participated in a movie?"

"You are the star, and then scream and blow your head." Li Wanxing raised his fist and pursed his lips viciously.

like that... the milk is fierce!

"Okay, star, I heard you did a good job!"

"It's a web drama. The maid I played has a total of two lines, and the camera takes less than three minutes..."

"Then I was pulled out and killed? Can't survive one episode of the series?"

Qin Yu said to himself: "Tsk tsk, it's terrible!"

"Crack!"

Li Wanxing gritted her teeth and rubbed, "Are you sure you are not a descendant of the Yin Yang family?"

"I thought, no one taught me!" Qin Yu said innocently.

Li Wanxing pointed at him and complained to his girlfriend: "I said he is an onmyoji, and this mouth is poisonous."

"I think so." Wen Yaxuan covered her mouth and nodded in agreement with a smirk.

Seeing that the sisters are all looking at her, Lan Yue, who lifted her shredded hair from her temples, smiled gently and said, "I'm on my sister's side."

"Shanshan, do you think he is the Yin Yang family?"

Jiang Xiaoshan, who was immersed in her own world, looked up blankly.

"?????"

"what are you guys saying?"

Absent-minded, unconscious Jiang Xiaoshan obviously didn't know what was going on.

"No. 97, No. 98..."

"It's coming." Qin Yu got up and said: "I'm going to pick up the meal!"

After he left, Li Wanxing looked at the little sister and said, "Shanshan, what's the matter with you?"

Jiang Xiaoshan looked at Qin Yu's leaving back with a complicated expression, "I might like him a little bit."

The three little sisters are stunned!

I like everything, but I didn't find that she is a gold worshiper?

Jiang Xiaoshan's family is a native of Hudu, and his family background is better than Wen Yaxuan and Lan Yue who come from other places.

is not a good food, but the cost of eating and wearing is no less than anyone else.

"You don't understand, he is different from other rich second generations!" Jiang Xiaoshan murmured.

"It's as if you know him a lot, but if you want to say it, Sister Wanxing should say so."

Wen Yaxuan retorted stiffly.

"I know he is really different." Li Wanxing agreed with her.

Whose rich second generation is so easy-going to Qin Yu, without the slightest arrogance?

Every second generation is more or less a bit stinky.

The arrogance in the bones can't be restrained.

Qin Yu is different. If he hadn't seen it with his own eyes and said he was the rich second generation, Li Wanxing would really not believe it.

regards him as a clean, polite and friendly big boy at most.

But...

"You met him once, and this is the second time..."

"Some people are enough to meet." Jiang Xiaoshan bit her lower lip, as if she was determined.

"It's not because he has money?" Li Wanxing asked bluntly.

Hearing what she said, Jiang Xiaoshan's expression returned to calm instead.

"There are reasons for this, but also other."

"What else?" Wen Yaxuan asked.

"Xuan Xuan, I have my reasons!" Jiang Xiaoshan lowered her head with dim eyes.

"Is there anything that sisters can't say?" Wen Yaxuan wanted to hear her explanation.

She thinks she is caring about her sister, and she doesn't even notice that she is aggressive.

also behaves abnormally.

Li Wanxing looked at her, then at Jiang Xiaoshan, 'it's over, another one fell. '

Lan Yue smiled bitterly and speechlessly. She, an outsider, could see it very clearly.

Wen Yaxuan appeared in a hostile tone after Jiang Xiaoshan said that she might like Qin Yu.

This elementary school boy is really poisonous.

I don't know the true face of Mount Lu, because I am in this mountain.

Lanyue and Li Wanxing admitted to being outsiders, but failed to detect the small waves in their hearts.

Brother Yu didn't know that because of himself, he almost caused civil unrest among the fairies.

came back with two copies of Mao Cai, Qin Yu said to Wen Yaxuan: "Xuan Xuan, you have to wait."

"I'm not hungry yet." Wen Yaxuan said, turning her head away.

"Is her relative here?" Qin Yu asked Lan Yue in a low voice.

Lanyue looked at him weirdly, shook his head and said nothing.

She doesn't know what she can say?

Fortunately, outside calling out again, Qin Yu got up again to take Wen Yaxuan's share.

Men have to behave when they should behave, don't make any sorrows.

These years, Sao men can only match scum girls!

The clean and sunny little brother is the favorite of thousands of people, all young and old.

"Go back to the bedroom and talk about it, don't mess around here!"

Li Wanxing's tone was not good, and he gave them a hard look.

It was her eldest sister who was always mad, and Wen Yaxuan and Jiang Xiaoshan didn't dare to make a fuss anymore.

The next meal was extremely quiet, as if there was a layer of invisible pressure that made the air heavy.

Qin Yu also noticed that the atmosphere was not right, so he immersed himself in feasting.

"This fish bubble tastes really good!"

Two pieces of fish were soaked, and Qin Yu heard the familiar system prompt again.

‘Ding, congratulations to the host for experiencing a hearty meal. ’

‘Random reward: random cash back card 1\* for shopping. ’

‘If you purchase over 50,000 yuan, you will have a chance to get 1~5 times cash back. ’

Qin Yu had a very happy meal.

not only tasted new delicacies, but also accompanied by 4 young ladies born in the 90s.

also received a potential income reward of 250,000 by the way.

I have to go to Hengde again tomorrow, and I have money for my missing luggage.

"I'm stuffed."

put the last piece of fish bubble into his mouth and swallowed, Qin Yu put down his chopsticks.

opened Happy Water and took two big mouthfuls.

"I'm full too."

Wen Yaxuan also put down her chopsticks.

Half of the dishes in her bowl did not move. What Jiang Xiaoshan said just now made her feel more uncomfortable the more she thought about it.

It's just that Wen Yaxuan has been a bit aftertaste of this meeting, she seems to be not just worrying about her sisters.

was full of random thoughts, coupled with the irritability of a guilty conscience, made her appetite greatly diminished.

"Since you have eaten everything, then let it go."

Li Wanxing pulled Wen Yaxuan, Lan Yue held Jiang Xiaoshan, leaving Qin Yu alone behind.

"Do you want me to take you back?"

"The school is opposite, what do you think?" Li Wanxing gave him an angry look.

If it weren't for him, how could there be so many things.

It's obviously not very handsome, so why did she take away her little sister's heart.

Brother Yu has an innocent face, and lay down the gun again!

"Did you think about where to go tomorrow?" Li Wanxing had promised to take him around Hudu before.

It's just that her tone of voice has not felt a little more annoyed.

is clearly the little brother she met first, and would not take him to dinner if she knew it.

'Li Wanxing, what do you think? That's a little brother, so be sober. '

Li Wanxing noticed the change in her mentality in time, but it did not calm her down.

Instead, he began to remember what happened after UU read [www.uukanshu.com](http://www.uukanshu.com) after meeting him...

"I have a black eye on Hudu, and I listen to the senior sister's arrangement."

The purpose of Qin Yu's visit to Hudu is to get a watch.

Now the watch is also taken, and the car is also bought. The original three-day plan is all done in one afternoon.

If he didn't know Li Wanxing, would he really not know what to do in the next two days?

But if he didn't know him, Qin Yu wouldn't have finished all the things to do in one afternoon.

"Lazy cat, you will take him around tomorrow, I just remembered that there is something going on at school."

Li Wanxing was a little confused. Before thinking about it, she felt that she should calm down.

"Me?" Lan Yue looked innocent, what's up with her.

"You just take him around."

Lanyue is not easy to refuse, she looks at Qin Yu and said: "Qin Yu, where do you live?"

"I booked the Waldorf Astoria on the Bund, and the room comes with free breakfast coupons for 6 people."

"Then let the lazy cat come to you, just have breakfast and set off." Li Wanxing made a final decision.

Baiweiyuan's breakfast is very good. It just so happens that he has a meal coupon, so it's a waste to not use it.

"Lazy cat, leave a contact information."

Qin Yu took out his mobile phone, exchanged numbers with Lan Yue, and added a WeChat account.

"Call the hotel tomorrow morning, I will leave first."

Get on the car and set up the navigation, the brand new GTS merges into the main road and drove to the hotel.

Waiting for the rear of the car to disappear at the intersection, Li Wanxing looked around.

"We have to go back to the dormitory and have a good chat."

.....Push the street for collection and recommendation.....

The Bund, Waldorf Astoria Hotel.

Qin Yu parked the car at the door and handed the key to the parking boy.

took out another two hundred yuan to him, "Thank you for finding someone to help me put the sign up, the sign is under the co-pilot."

"Hello, how can I help you?"

"I booked a Linjiang suite, my surname is Qin."

"Hello Mr. Qin, thank you for choosing to stay at Waldorf Astoria..."

Submit the order information and show the certificate after registration.

Qin Yu moved in smoothly under the guidance of the housekeeper.

The Club TAG Heuer Riverside Suite was renovated and built by the hotel with an ancient building.

is the third floor of the old building at No.2 Bund.

The room not only retains the classic luxury of the Republic of China period, but also combines modern simplicity and brightness.

I learned from the online message that the view of Room 304 is the best.

When Qin Yu made the reservation, room 304 happened to be vacant.

So, decisively placed the order for three days, just in time for him to leave.

The nightly price is 8,650 yuan, plus a 16.6% service charge.

looks like 1,400, and all add up to just over 10,000 per day.

floating away...

"Mr. Qin, during your stay at the hotel, we will try our best to meet any of your needs!"

"Thank you." Qin Yu thanked the other party.

took out 20 yuan change and gave it to the housekeeper who was about to leave as a tip.

"Thank you."

"Also, if you need it, I can bring breakfast to the room."

"I need three servings, preferably with different specialties."

"Understood, can you see 8:45?"

"Yes."

Watching the housekeeper leave, Qin Yu feels the true value of the money.

20 yuan looks inconspicuous, but it represents recognition and respect for his work.

No matter where you are, what kind of profession you are engaged in, you will be eager to get the recognition and respect of others.

Under normal circumstances, the housekeeper will not ask for breakfast room service.

Most guests also take it for granted that breakfast is included in the room.

is also a buffet, naturally it is impossible to provide room service!

His casual actions brought him high-quality service.

took a shower cleanly.

Qin Yu lay on the bed in a soft nightgown and clicked on his teeth to broadcast live.

It's still early, he plans to see what the little anchor is doing?

After turning over the recommendation page of entertainment and outdoor channels for a long time, I couldn't find the live broadcast room of the small anchor.

Qin Yu reluctantly opened the search, vomiting, "Sure enough, he is still a small anchor."

smoothly found the live broadcast room of "Drizzle and Silent", Qin Yu pointed his finger.

'Welcome the emperor to the live broadcast room. '

The live broadcast room with cold pictures was instantly filled with barrage.

'666. '

'Night hurts God, patronize the little anchor! '

'Little anchor, the golden master's father is here, hug your thighs and don't let go. '

'Welcome to the hurting boss, brothers please brush up~'

'The hurt boss finally remembered the little anchor, and was moved {cover his mouth}. '

Wind, rain and night hurt people: "What is the little anchor doing? '

"The boss finally remembered me, I was touched."

Cheng Xiyu in front of the camera said pitifully: "I thought I was forgotten?"

'Little anchor, the boss is gone. '

'Congratulations to the little anchor, for successfully persuading the big guy out. '

' screenshots, the small anchor is not so cute to persuade the big guy to quit. '

'The screen saver has been fired... the input is automatically corrected, set! '

Cheng Xiyu in front of the camera is stupid.

What did she say, why did the boss disappear suddenly?

'Welcome the emperor to the live broadcast room. '

Wind, rain and night hurt people: "Hands are slippery, when will the little anchor play the game?" '

Seeing that he came back again, Cheng Xiyu couldn't care to feel wronged, "Big brother, I will go home and play the game now."

'Have you gone back to Shanghai? 'Wind and rain hurt people at night.

"Well, just arrived this afternoon."

"I just brought new friends to enjoy the Hudu delicacies, is the boss still in Hudu?"

'Is there. 'Wind and rain hurt people at night.

"Does the boss need a tour guide? You can also play with you!" Cheng Xiyu took the opportunity to promote herself.

'No, I have. 'Wind and rain hurt people at night.

Cheng Xiyu was dumbfounded again, standing still and couldn't say anything.

'Ha, I laughed and peeed. '

'The little anchor was hit to doubt his life, the upright big guy, loved it. '

'Knock away, little bitch, \*\*\*\* downstairs, crawl for me too! '

'The boss is so ruthless...I like it so much! '

'The big guy is the big guy, cruelly refused, why is the little anchor so affectionate? '

'Just call...Dad? '

'Little anchor, let the big brother's father take you. {Laughing over}'

"Boss, you are too ruthless."

Cheng Xiyu, who came back to his senses, bit her lower lip and said aggrieved:  
"People will be sad."

'Knead. 'Wind and rain hurt people at night.

'I will rub it for you? 'Wind and rain hurt people at night.

'I want it too, I want it too. '

'Do you want to eat shit, little anchor, don't hesitate, choose B. '

'You must choose B, or the boss will run away. '

'The little anchor, run, come to my house and I'll rub it for you. '

'Big guy, big guy, night hurt guy, I'm willing to rub it for you, I have C. '

'Little anchor, someone has come to hit the scene. '

'We have a traitor! '

'Brothers, hold down the little anchor and let the traitor take possession of the boss!

'Yes, hold her down, the little anchor belongs to everyone. '

Cheng Xiyu trembled coldly, "You dog spectators, don't you want to be better?"

'666, the little anchor has expanded. '

'The little anchor is really real, the big guy is not there, my dear, the big guy will come to the audience. '

'Check out the customs, let the little anchor understand the sinister society! '

Qin Yu smiled and watched Cheng Xiyu and the fans tease each other.

'Send me a message on the game~[www.mtlnovel.com](http://www.mtlnovel.com)~Wind, rain and night hurt people.

After exiting the live broadcast room, Qin Yu clicked on the game section.

He is going to find a dog, and will cooperate with his show to turn the small anchor.

Pull down at will, Qin Yu blindly chooses to enter the live broadcast room.

'Welcome the emperor to the live broadcast room. '

Tian Ye was originally an unconcerned little game anchor, and there were only a few people in the live broadcast room.

can persist to this day, there is nothing else but love.

is purely generating power for love!

Today, as usual, chatting with a few fans in the live broadcast room.

"Brothers, this poodle is stable. Sit down and watch my show turn the audience."

was saying that his eyes lit up, 'welcome the emperor to the live broadcast room.'

"Welcome Dad to the live broadcast room. Will Dad play games?"

The field selected by the ban retreat decisively, waiting for the emperor's father to speak.

I don't blame him for reality. There are so many people on the platform for a 6.6 brand, pretending to be ugly and weird to smoke myself.

Suddenly an emperor and nobleman broke into the live broadcast room. To a small anchor like Tian Ye, it was like winning a big prize.

And Qin Yu didn't let him down either, starting with a super fire.

'Only with a dog, all heads belong to me. 'Wind and rain hurt people at night.

"No problem, Dad, I'm a dog, and a poodle is a thief. You bite whoever you bite, and you won't grab the head when you die."

Tian Ye stood up excitedly, and said blushing.

This big guy is too strong, he is very angry when he speaks, is he going to take off?

'Send a private message to the backstage through WeChat, and I'll find you later. 'Wind and rain hurt people at night.

After Qin Yu finished speaking, he fired a super fire again. Now there are not many dogs with such eyesight.
