Neon cuisine

After coming down from the drifting, Qin Yu's feeling was just two words.

That's it?

is really for children to play, it doesn't feel at all.

When he came down from the slope, he thought he could get some splashes.

Who knows that after a few swaying swaying, it enters the water smoothly, disappointed!

Lan Yue, who wears a glittering wreath on her head and holds a balloon in her hand, is having fun.

Today, she really became a princess.

The feeling of being spoiled in the palm of the hand, it turned out to be like poisoning.

Looking back and smiling, Bai Meisheng!

After being happy, Lan Yue inevitably fell into sorrow.

How should she face the little sister in the dormitory when she goes back?

How fierce the dispute was last night.

Lips, guns, tongues and swords, undercurrents are surging, Lan Yue, as an'outsider,' knows best.

I sent myself today because Sister Wanxing saw the signs in advance.

knows that no one will be appropriate until the problem is solved.

Therefore, I will give this task to myself.

Please take care of Qin Yu by yourself, and do the friendship of a landlord instead of her.

But Lan Yue didn't understand it herself, how did she send herself in after taking care of it?

So, in the end, she was the first to be caught as an 'outsider'.

The problem here is very complicated, a little fool like Lan Yue who has never been in contact with emotions.

Where is Yu Ge's opponent?

A set of strategic plans for spring breeze and rain, quietly straight into the atrium.

Before she raised her vigilance and realized the danger.

A heart has already fallen unknowingly, and finally a decisive and domineering shot.

Pay attention to details and declare sovereignty behaviors.

makes the heart sensitive and delicate, introverted and passive, lacking a safe Lan Yue.

Drilled into the net like sweets.

The details and techniques involved are no good if they fail to reach the level of Brother Yu!

However, the prerequisites for this strategy are too high.

There is no miracle to add to body, looks handsome and clean.

Those who are not capable of money, please do not learn from it at will.

"I blame you."

Lanyue patted his arm in an annoyed manner, and there was concern in her eyes unconsciously.

This gentle and charming, even a hundred-refined steel can be poured.

"The performance is about to begin." Qin Yu pointed at the stage and smiled, clasping the five fingers slightly hard.

is like telling her, 'I'm here, don't worry. '

But Lan Yue still can't help but think about it, and has no interest in the performance she was expecting before.

Seeing that she didn't want to keep watching, Qin Yu proposed to leave.

The two of them haven't eaten any regular meals until now. This would make him a little hungry.

Coming out of Disney and sitting in the car, Qin Yu asked casually: "What do you want to eat?"

"I don't know...Do you like neon cuisine?" Lan Yue remembered the restaurant Xuan Xuan introduced last time.

She doesn't care, but she has to take care of Qin Yu's appetite.

'A family like him must be very particular about food and clothing, right? '

Lanyue has already substituted herself as a girlfriend unconsciously.

Before doing anything, I didn't think about myself, but prioritized Qin Yu's preferences and feelings.

"Yes, you can enter the address!" Qin Yu gave her the phone and started to leave the parking lot.

Following the navigation to the Bund 18, Qin Yu found that it was less than one mile from the hotel where he was staying.

Around the corner is the hotel, it's getting dark...

is a bit difficult!

On the third floor, GinzaOnodera.

Qin Yu knows that 鮨 means sushi, so this restaurant is called Ono Ginza Sushi Restaurant?

"It means Ginza Onodera Sushi Branch. This restaurant has two Michelin stars."

"Xuan Xuan told me." When she mentioned the little sister, her expression was a little low.

I feel like I walked into the shop and decorated, even though the time has passed for the meal.

But there are not few people who dine at all.

This restaurant specializes in three different dishes: sushi, teppanyaki and tempura.

The seats are also divided into three different dishes.

When Qin Yu and Lan Yue arrived, there happened to be a box vacated

"I'll choose?" Sitting in the position, Qin Yu picked up the list.

"I have already selected the 1,448 sushi set." Lan Yue handed the phone to the waiter.

The last time they came to eat was 13 sets of more than 600 set meals.

Considering Qin Yu's appetite, this time I chose the highest standard of 30.

Lan Yue is also very helpless to do this!

Because she knows very well that if she doesn't chop first and play later, he will pay the bill in the end.

Qin Yu smiled and put down the order, taking full care of Lan Yue's little emotions.

At the same time, Lan Yue's mood value rose to 85 ↑, and his favorability reached 78 ↑.

"Serving the two tonight is our deputy head chef, Ms. Abe."

Hearing the introduction of the waiter, Qin Yu looked at the female chef.

Because even a layman, he knows that there are very few female chefs in Neon.

The other person looked ordinary, with a warm smile on his face.

After bowing and greeting, start cooking!

The ingredients are all fresh, leaving a good first impression on Qin Yu.

The chef Abe's production process is also very smooth.

There is no fancy acting skills, just right with his heart.

So, when you hear the 'ding' beep.

Qin Yu was not surprised!

'Congratulations to the host for experiencing a delicious meal. '

'Trigger reward: shopping crit cashback card 1*.'

Qin Yu frowned, it turned out to be 1* card?

He thought that after 2*, there would be no more 1* cards. It seems that he was sloppy.

"What's the matter? Doesn't it have an appetite?" Lan Yue, who had been following him all the time, asked.

Seeing her a little nervous gaze, Qin Yu squeezed her face amusedly, 'too thin. '

"No, it's work."

"Aren't you a student?" Lan Yue asked curiously.

Wan Xing sister said that he is a freshman who is here to report.

Is it a family business or a high school entrepreneurship?

"I have some business abroad~www.mtlnovel.com~ I will tell you later."

Like most people in the Xia Dynasty, Qin Yu likes to make a fortune in a muffled voice.

The reason is very simple.

The most eye-catching and fattest pigs in the pigpen were finally slaughtered!

After hearing what he said, Lan Yue didn't ask any more!

Mood value rose inexplicably by 1 point. He is really a cute and charming little fairy.

When I finished the sushi, it was past 10 o'clock.

Li Wanxing called, "Lazy cat, why haven't you come back?"

Lan Yue, with a guilty conscience, said in a glutinous voice: "We just finished our meal and are going back!"

"Did he send you back?"

Lanyue raised her head and glanced at Qin Yu, and said in a low voice: "I took a taxi back, he was drinking."

"Well, then I will wait for you at the school gate."

"Okay, Sister Wanxing, get in the car and send you a message."

When she hung up, Lan Yue let out a long sigh, behaving like a concubine caught by the eldest woman.

"The star is still the patriarch of your dormitory?" Qin Yu teased.

"Well, Sister Wanxing takes care of us very much, especially for me. Every time I go back late, she will wait for me at the gate and ask me to drive real-time positioning when I get in the car."

Lanyue stretched out her hand to stop the car and said, "Then I'll go back, otherwise Sister Wanxing will be anxious."

"Wait, you have something forgotten!" Qin Yu pressed the unlock button and the car lights turned on.

Under Lan Yue's complicated gaze, he put the bags and skirts he bought into the back seat of the taxi.

"Give me a message when you arrive, otherwise I should have insomnia tonight!"

gently rubbed her hair, Lan Yue exposed the cat as if she was enjoying herself, and she closed her eyes and rubbed his palm.

When he opened his eyes to figure out what he had done, his face flushed red, and he quickly jumped into the car and fled in panic.

The main entrance of the Shanghai Opera, before the car stopped.

Lanyue has reported safety to Qin Yu in the WeChat account.

Seeing Li Wanxing waiting in front of the school gate, Lazy Cat is guilty of death.

At this time, how she hoped that this short few meters were two worlds apart.

In this way, she has enough time to think about how to explain what happened during the day.

With a pale smile on his face, Lan Yue walked towards Li Wanxing.

"Lazy cat, did you buy something?"

Li Wanxing is chatting with someone, tapping quickly on the screen.

"Ok."

Only promise.

"What did you buy?"

Li Wanxing, who was chatting with a friend, asked casually.

"Clothes, bags...bags."

Frightened and frightened.

包?

Lanyue never buys bags.

Li Wanxing stopped her fancy fingers and looked at the big bag in her hand with a strange expression.

"Lazy cat, something is wrong with you!"

...I want a favorite...

206 bedroom.

Li Wanxing, Wen Yaxuan, Jiang Xiaoshan sitting by the bed.

There was a table in front of , and Lan Yue, who was on the opposite side of the table, sat on a low stool, well-behaved and pitiful.

Three hearings.

"Say, what's the situation?"

"That's...so..." Lan Yue really didn't know how to explain it.

She still hasn't figured out how to take care of herself.

Blame the bad guy, he must be on purpose.

Just like Sister Wanxing said, he was making bad ideas from the beginning.

First sister Wanxing, then Shanshan.

Xuan Xuan inexplicably also had some good feelings for him, and finally...

Oops!

In this case, wouldn't their bedroom be swept away?

thought of this lazy cat crying.

She didn't want to continue to be a child, she was bullied to death by three sisters.

"Don't put on a pitiful look, we won't succumb."

Li Wanxing stretched out her hand and pressed it on the table, and said aggressively.

"...or forget it!"

Wen Yaxuan stabbed her backhand without hesitation.

She really can't stand those big watery eyes, and her pitiful, well-behaved look...

'I really want to hold her in my arms and have fun! Wen Yaxuan's fingers trembled uncontrollably.

"Traitor!" Li Wanxing glanced at her and turned to look at Jiang Xiaoshan.

On this look, she realized that she was going to get the shopping bag next door across the bed rail.

"...You two, I am so angry." Li Wanxing was speechless.

leaned back angrily, wrapped his arms around and panted vigorously in anger.

One exhale, one breath, one breath, one breath...

"Sister Wanxing~"

Lazy Cat walked around the table, reached out to hold her arms, looked up at her pitifully.

"Ah~"

shouted, Li Wanxing reluctantly chose to surrender.

She really has nothing to do with this cute thing?

Sometimes Li Wanxing is really curious about how to give birth to such a cute thing.

"Wow, Dior's latest gauze skirt, this is too beautiful."

Jiang Xiaoshan raised the veil, and threw the three trials out of the sky, and asked Lan Yue, "Can I try it on?"

"Yes, Sister Shanshan." Lazy cat responded with a smile.

is a little weird in my heart.

Anything to share in the past, she has never hesitated or felt strange.

But the psychology is really different this time. Qin Yu bought it for himself.

The meaning of is affecting her thinking habits and perceptions of things.

However, this little emotion was instantly suppressed by Lan Yue.

Because of her young age and docile personality in the dormitory, she always receives the most care.

just try it on, what does it matter?

'If it's someone else, it's not alright. The Lazy Cat thought to himself, and then nodded vigorously.

is like making up my mind.

"Shan Shan...you look so beautiful!"

After seeing the effect of the upper body, Li Wanxing and Wen Yaxuan continued to praise her.

This skirt is so pretty.

Li Wanxing looked back at Lazy Cat, and she was wearing a long skirt in her mind.

There is also that little smirk, contented grin.

Touching the tulle and pattern on the skirt lovingly, Wen Yaxuan was a little bit ready to move.

She also wants to try this long skirt. What effect will it have on her?

"Look at the price." Li Wanxing picked up the tag smoothly and saw the number on it.

"Forty-eight thousand, the little girl is generous enough." Li Wanxing said with a sneer.

"This long skirt costs 48,000?" Jiang Xiaoshan asked in surprise.

Knowing that it was true, she carefully took off her long skirt and laid it flat on the bed.

"I can't afford it!" The resentment and sourness in the tone were about to flood the dormitory building.

"Oh, someone dropped Lemon Mountain." Wen Yaxuan choked.

"You just dropped the Lemon Mountain, I just... a little envious!"

Jiang Xiaoshan turned around with a guilty conscience and turned her back to her, curling her lips to express her disdain.

Looking at the scene in front of her, Lan Yue shrank and shivered at the corner of the bed.

The sisters look so scary, they won't be really angry anymore?

The big deal, they can compete fairly.

As long as you don't hurt the sisterhood, you can't be a kid!

.....

The storm in the fairy bedroom, Qin Yu didn't know at all.

Walking back to the hotel, he gave the car key to the butler and told him the address after asking him to pick up the car.

Qin Yu returned to the room, took a shower and went to bed.

Young people should go to bed early and get up early!

Actually, if Qin Yu insists.

It's not difficult to bring a lazy cat to the hotel, but he doesn't want to.

Now that he has been blessed and protected by miracles~www.mtlnovel.com~, all he has to do is to enjoy the beauty of life.

Qin Yu didn't want anything to destroy this.

When wakes up from sleep, Brother Yu only feels his whole body is unobstructed.

Looking at the early morning account reminder again, the spirit is even better.

"Another unpretentious day." Stretched, he dialed the inside line and asked the housekeeper to deliver the meal.

Qin Yu hummed a little song and walked to the bathroom.

After washing and rinsing, solve the physiological problems.

Qin Yu was sitting on the sofa eating breakfast, thinking about what to do today.

There is still a 1* card that is useless, but he has nothing to buy.

There are not too many clothes, but Qin Yu felt that it was causing trouble.

I will report back next week, when can I not buy it?

boringly flipping the phone, he suddenly saw the box in the corner out of the corner of his eye.

'By the way, I can go to the street to shoot! Qin Yu suddenly realized.

The system specially rewards a set of shots, allowing him to discover the beauty of the world.

If you don't use it, wouldn't it be worthy of its kindness?

With a purpose, Qin Yu finished breakfast soon.

put the box on the open space in the middle of the living room, opened the box and looked at the camera inside.

EF35mmF1.4L, take out the lens and install it.

Qin Yu turned on the camera, took 25 minutes to set it up, and hung the camera on his chest and went out.

Liangsao's red circle shot is very eye-catching. When passing by the hotel lobby, many people will pay attention to him.

Qin Yu didn't choose to drive, so he turned right and kept moving forward.

It took him half an hour to watch as he walked and successfully arrived at Shiliyangchang.

Since I have arrived at Hudu, how can I not visit the Peace Hotel?

Back then, he was the restaurant owner who was played by Zhou Fa, so many times he was stunned.

The old street scene in the alley, with tourists strolling around the courtyard with bicycles.

Pedestrians who walk in groups and talk very happily.

The young people who are embracing and laughing happily.

The child who chased the bird, smiled innocently, and Nuonuo called her mother.

Qin Yu saw the white-haired old couple sitting on the roadside bench.

The old couple looked bookish, with gentle and elegant smiles.

Just looking at it from a distance gives people a comfortable enjoyment of life.

"Hello, grandma." Qin Yu stepped forward to say hello.

"Hello, young man." The other party smiled kindly.

"I can see that the two are in a good relationship, can I take a picture?"

"Give it to us?"

"Yes, it's just a souvenir when traveling, and it won't be used indiscriminately."

Qin Yu feels that this kind of mutual affection is worthy of being commemorated.

"Yes, do I need to pose?"

The old grandmother raised her hand and made a gesture of stroking her head, which was very fashionable and trendy.

Graceful and luxurious temperament is coming, it is definitely not easy when the old grandma is young.

"Whatever you want, it's a life record."

Hearing what he said, the grandmother put down her hands, and her wife continued to reminisce about the demeanor of the old Hudu.

The two sit on the bench side by side, one side is the old Hudu style fashion building, and the other side is the Xiawei flagship store.

In the middle of the road leading to the Pearl Tower, a flagpole was erected.

is like separating the two worlds, but because people are closely connected.

The backs on both sides were blurred, aiming at the old couple on the bench, Qin Yu pressed the shutter.

When the filming was over, Qin Yu stepped forward to bid farewell to the two old people, and the grandfather stopped him.

"Young man, can you send me a copy of the photo?"

"Yes, do you have a WeChat account?"

"Yes, the old man is not out of date, hehe!"

added a WeChat account, Qin Yu made an appointment with the other party, sorted out the photos and sent him to leave.

It's too early, there are not many people on the main road.

Qin Yu really enjoyed the cleanness, walked to the Peace Hotel, and clicked the shutter.

Wait for the filming of the Pearl Tower and the bustling Lujiazui.

Qin Yu turned around and walked back, preparing to go to the Bund 18th to settle lunch.

The sushi last night was good. He plans to try teppanyaki at noon.

just so close, I have to drive around to save it.

"Brother, are you a photographer?"

In front of him, a heavy little sister stopped Brother Yu from going.

"No, I am a photographer."

Brother Yu took a few steps back and walked away quickly, bypassing the little sister.

Mom said: Boys should protect themselves when they go out.

It's really not good, you have to pay attention to safety!

"Lazy cat, what are you doing?"

sent a message to Lan Yue, Qin Yu saw someone in the high school class group was talking.

Click to open it, and Li Xiaoli is asking Baozi her contact information.

This woman added him countless times, and Qin Yu directly chose to ignore it.

I didn't expect it to stop!

'Tang He, I'm really looking for something to do with him, just give me the number! '

'Hey, speak up! '

'S arrogant tone, I don't know where it came from.

Scroll up again, this woman has been annoying the buns for several days.

'Banhua, I have nothing to say to you, we are not the same. '

'Three years of classmates, don't break your love! '

Acquaintance is fate, and you must know how to be a good person.

Such a disgusting person, I am afraid that in the future, even the love of nodding acquaintance will be gone.

'Brother Yu, where are you? Asked Tang He, who had just played dead.

'Hudu, I will go back tomorrow. Qin Yu booked a ticket tomorrow morning.

'Qin Yu, I can pick you up at the airport. 'Li Xiaoli.

Qin Yu looked at the screen with a weird face, saying, 'This woman is really poisonous! '

Does she not understand human language, or is she completely shameless?

'Li Xiaoli, you TM... mean. 'Wang Hao.

'Wang Hao, we have broken up, why are you scolding me? 'Li Xiaoli.

'Don't let people tell you if you're cheap? 'Wang Hao.

'Melon seeds, bench, popcorn, does anyone eat melon? 'Gao Bo.

'Is this melon ripe? 'Qin Yu.

There was a quarrel in the group, and the two people who had torn their faces threw everything out.

Suddenly, the screen is quiet.

Li Xiaoli and Wang Hao were cleared out of the group chat by the monitor.

"The monitor is doing beautifully! Qin Yu silently praised Hang Xu.

This squad leader finally managed to get tough. As expected, everyone needs to grow.

'Qin Yu, don't pick things up either. This is a class group, not for showing off your wealth. 'Hang Xu.

'...' Brother Yu vomited.

When did he show off his wealth? That photo was sent by Li Xiaoli.

It is her who makes waves in the group every day, and she just tells her to stop her harassing Baozi.

Is this called showing off wealth? ? ?

Brother Yu was a little unhappy, turned on the shooting function, and raised his left wrist.

Click!

Click to send, 'the monitor is right, it's time, I have to go to dinner. '

The group fell silent, Qin Yu turned on the prompt and put the phone back in his pocket.

Ding, Ding Ding, Ding Ding Ding...

Listening to the pleasing tone, Qin Yu's appetite for a while.

Came to GinzaOnodera again, still did not wait for Lan Yue's reply.

During class and dance practice, she always puts her mobile phone in the bedroom, which Qin Yu knows.

However, it's a bit too late to practice dancing until noon without even eating?

There were not many people dining at noon. Qin Yu sat outside and ordered a portion of 468 Teppanyaki.

"Does Abe cooking grow up?"

Seeing a young male cook, Qin Yu asked the waiter.

"Deputy Chef Abe is off today, I'm very sorry!"

Since they are not there, there is no way.

The ingredients came, Qin Yu looked at his eyes and said, 'I'm going to finish it. '

Just the dry tuna fat, slightly whitish color, made him instantly lose his appetite.

Overtaken!

But ~www.mtlnovel.com~ Qin Yu still intends to taste it later.

Sometimes freezing is inevitable due to transportation reasons.

As long as it is stored properly and the chef is skilled, the taste will not be affected too much.

But the male chef who was just behind the board, came to face to face with a set of fancy juggling!

Brother Yu vomited at that time, are you playing a monkey with a grey knife?

"Brother hurt."

Cheng Xiyu walked out of the box and looked at Qin Yu sitting in front of the stand in surprise.

'Fuck, you can touch your eldest brother, so I'm going to waste it! '

'Lost, the little anchor is going to be revealed by the big brother? '

'It's gone, it's gone, Lord's youth is gone. '

'The little anchor and the eldest brother have met several times. {Mao Men Weeping}'

"On the live broadcast?" Seeing that she is holding the device and earphones in her hand, it is obviously live broadcast.

"Well, this store is very popular recently, fans want me to experience it." Cheng Xiyu said while sitting beside him.

"What did you order?" Qin Yu said.

"Sushi, do you want to eat together?" Cheng Xiyu smiled.

"Just right, I ordered the teppanyaki, you taste it for me."

Qin Yu stood up as he said, obviously going to leave.

"Don't you eat it?" Cheng Xiyu was full of question marks.

She thought Qin Yu would say, 'I just ordered the Teppanyaki. Let's eat it together.'
,

Why doesn't the eldest brother play cards according to the routine every time, so is this the reason why he became the eldest brother?

"Suddenly there is an urgent matter, contact me at night, and leave first."

Looking at his back at the checkout, Cheng Xiyu felt a sense of grievance.

Is it because I am not beautiful enough, so he walked so decisively and freely, without hesitation?

Start at the Pinnacle of Life Chapter 44: The system always wants to make color

After returning to the hotel, Qin Yu drove to the back street of Shanghai Opera.

As soon as he walked to the entrance of the Maocai shop, the lady boss in the operation room recognized him.

"The boy is here again!"

took four beautiful girlfriends and drove a Porsche luxury car.

It's rare to see people like him who come to the roadside stalls to eat maocai!

It's hard to remember the boss...

"Well, take two copies, one more fish bubble!"

Their fish bubble is crispy and delicious, and it's really strong and delicious.

"Which girlfriend is it for, I will choose for you."

The lady boss picked up the basket, "I know the taste of those girls best."

"They are not my girlfriend, they are for Lan Yue, that's the one..."

"The shyest, quiet girl with few words, I know."

The proprietress chose the dishes and said meaningfully: "It's still the most painful for the young and the young."

‘.....’

Brother Yu doesn't want to explain, this lady boss is absolutely poisonous!

What kind of boss, young and old, vulgar...

Now it's a new society. It is important that everyone is equal and know how to cut?

"Hey, it's 43 yuan in total, I will charge you 40 yuan!"

Qin Yu paid the bill, and walked to the side of the road carrying the food.

"The young people nowadays really want it!" The lady boss laughed teasingly.

Qin Yu staggered, stood still and quickly got into the car and left.

Next time he wants to come again, he will...

Take Lanyue with you.

turned around and came to the back door of the Shanghai opera, "Master, I'm looking for someone."

"Who are you looking for?"

"Sophomore dance department, Lan Yue."

"go in!"

The door guard was already quite familiar with this, and let him in after registering the license plate.

Waiting for the car to go away, he muttered: 'five nines, which family's son? '

Parked the car in the temporary parking space on campus.

Qin Yu got off the car with two copies of Maocai, and a classmate happened to pass by.

"Classmate, how do I get to the dance department?"

"Over there."

The boy wearing glasses raised his hand and swept his soul away, and walked away quickly without looking back.

'Here is another forager, my girlfriend has let you rich people **** it, I'm tui~'

Looking at the half of the campus that the other party's fingers had swiped, Qin Yu felt the malice from the same kind.

"Classmates, how do you go to the dance department?" Qin Yu became smart this time and found a young lady.

"Come to find a girlfriend?" The young lady was rather enthusiastic, just a bit too much.

Ask Dongwenxi, and add a WeChat account at the end.

Fortunately, I finally know the direction, which is not in vain for Fei Yu's hard work.

It is really dangerous to run around outside as a simple and handsome young man like him!

Resolutely wrote a WeChat account, Qin Yu knocked on the door of the dance studio.

"Stop for a while." A stern voice came, and Qin Yu's expression was shocked.

This voice made him a little bit confused, too much like his senior high school class.

The door of the room opened, and the beauty of the cold age with a decent look and fine lines stood in front of her.

The devil's waist, life-threatening legs, a pair of phoenix eyes dazzling people's minds, and piercing eyebrows.

This is an extremely self-disciplined woman who is very strong in her bones.

"Classmate, what's the matter with you?" Shen Bing asked coldly.

"You are Teacher Shen! I'm looking for Lan Yue." Qin Yu responded with a smile.

Lan Yue, who heard the sound, ran over, and she put on a coat in dance clothes.

Even pinching the corners can't hide the devilish wicker waist.

"Why are you here?" Seeing Qin Yu, Lan Yue was obviously taken aback.

"Lunch!" Qin Yu mentioned Maocai.

"We are rehearsing, you..." Looking at Teacher Shen with a guilty conscience, Lan Yue still didn't want to let him go.

"You will wait for me."

"Okay." Qin Yu smiled at Teacher Shen and said, "Teacher Shen, excuse me."

"Yeah." Seeing that girl Lan Yue's face was red.

Teacher Shen knows that it's useless to practice anymore, her mind has long fallen on the boy at the door.

"Okay, come here first in the morning and rest for 45 minutes."

"Thank you teacher." Lan Yue hurried back to the dance studio to change clothes.

The other girl curiously covered her body with her clothes, and looked out curiously.

They are very curious, who can conquer the shy little cute creature Lan Yue.

You must know that she was protected by those in the dormitory.

Who wants to be near her!

After five levels, Zhan Liu is a bit exaggerated, but it's not much worse.

If you let them know, Lan Yue just let her sister sell it.

His expression must be very exciting...

Scanning system:

'Hey, I didn't call you! '

Shen Bing:

'System, calm down...Don't mess up. '

.....

To stop the system that wanted to engage in color, Qin Yu wiped his forehead in fear.

Fortunately, it was almost exposed.

"Is it hot?"

The cold voice that rejects people thousands of miles away comes from the beautiful witch teacher Shen in front of her.

"It's too hasty to go, it won't get in the way!" Qin Yu said.

"Do you know Wen Yaxuan?"

"Huh, Teacher Shen also knows Xuan Xuan?"

Qin Yu is curious, Wen Yaxuan is not in the dance department, how could she know her?

"Xuan Xuan? Are you very familiar?" Teacher Shen's tone became colder, and a hostility appeared in her eyes.

"That... not very familiar!" Qin Yu felt that there was a story in it.

"I am Ya Xuan's mother."

Click!

Brother Yu is cracked.

Teacher Shen is Wen Yaxuan's mother, and Lan Yue is her student again. What the **** is this?

Scanning system:

‘Calm down, calm down and go back.’

.....

"Teacher Shen, then I will go first." Lan Yue appeared in time to rescue Qin Yu.

The iceberg-like gaze of the beautiful witch almost pierced him through the freeze.

"Well, I have time to come to the house for dinner with Xuan Xuan."

Teacher Shen smiled elegantly, the word "Xuan Xuan" bite very hard.

all kinds of meanings, only Qin Yu and her can understand!

"Okay, UU reading www.uukanshu.com aunt." With a sweet smile, Lan Yue took his hand and walked out.

The gaze from behind is like a thorny back.

Qin Yu led Lan Yue downstairs calmly. He is so innocent, what's to be afraid of.

Youwei youth has always been fearless to challenge, but...

Thinking of the beautiful witch upstairs with her proud figure, she has no trace of time on her face.

"Your teacher Shen looks so young." When he came to the lawn by the roadside, Qin Yu opened the lunch box and handed it to Lanyue.

"It smells so good!"

took the lunch box contentedly, and Lan Yue said casually: "Hehe, you are not the first to ask this."

"Is Mr. Shen very beautiful?" Lan Yue asked slyly.

"It's pretty, she is Xuan Xuan's mother?" Qin Yu said with ease.

Seeing that he already knew about it, Lan Yue nodded in a bored way.

"Well, Mr. Shen actually... I won't tell you!"

Lan Yue said mischievously: "A woman's age is a secret, so you can't talk about it casually."

"She looks like 26~7 years old!"

"Yeah, many girls envy Teacher Shen."

"The former director of the acting department and school leaders have come to her, wanting Teacher Shen to make her debut."

"She doesn't like acting?" Qin Yu asked.

"I don't know, Mr. Shen hasn't mentioned why he refused, maybe I don't like it!"

Lanyue smiled happily: "But it is precisely this way that I can become a student of Teacher Shen."

"Qin Yu, did you know? Teacher Shen's dance skills are super powerful, and he is completely national-level."

Qin Yu nodded thoughtfully.

‘A beautiful witch-like dance teacher with national strength, the story in it...’

Seeing that Lan Yue's nose was sweating, Qin Yu gently wiped it off with his fingers, "Is it delicious?"

"Yeah~" Lan Yue nodded with a smile.

I like to be pure and straightforward, without the slightest concealment.

"Tomorrow I will go back to the abandoned city, and I won't be able to come back in a few days." Qin Yu said with a smile.

Lanyue's movements were startled, and she muffled "Oh".

"Can't bear to let me go?" Qin Yu said with a smile.

Lanyue's face blushed slightly: "Who can't bear you anymore."

The mouth is stubborn, but the body naturally leans against him.

Woman!

"I'll be back in three or five days."

"I will send the car to the 4S shop to stick the film in the evening. It will be ready tomorrow afternoon, and I will put it here first."

Lanyue has a driver's license, but he doesn't dare to drive if he doesn't have a driver's license.

There are so many cars on Hudu, and she gets nervous as soon as she drives.

As expected, Lan Yue, who heard him say this, shook her head hurriedly and said: "I don't want it, what should I do if I encounter it?"

"As long as you drive slowly, nothing will happen... Besides, even if you rub or touch, there will be insurance claims."

I'm afraid of being scratched while driving, but insurance is not for this.

"But your car is so expensive." Lan Yue could not refute.

"No matter how expensive the car is, it is just a means of transportation, so you can drive it with confidence."

Novice driving, the most fear is timidity.

Like Yu, he was only given a driver's license during the holidays, and now he is not an old driver, so he slipped away...

Ling Ling.

The rapid alarm sounded, Qin Yu picked up the phone, turned off the alarm, and said, "I'm going back."

嘍!

Lips were attacked, like a dragonfly, with sweetness in front of the rushing girl.

caught Lan Yue who wanted to turn around and run away, Brother Yu launched a counterattack...

is actually to kiss more, broad daylight, pure campus... There are so many luxury cars!

Lan Yue, who was walking upstairs, chased her gaze, when she was approaching the dance studio.

'S eyes met with two cold eyes.

is the beautiful witch who kills her...

'S cold eyes clearly read the words 'boy, be honest'.

smiled slightly, Qin Yu waved in her direction.

'Is he beckoning to me? Shen Bing was surprised.

This little boy is too courageous, he is not afraid of himself at all?

Thinking of his being Lan Yue's boyfriend, he dared to call his daughter 'Xuan Xuan', calling him so close.

Shen Bing's eyes were cold again.

"Ms. Shen."

There was a voice in his ear, which made Shen Bing suddenly awakened.

"what!"

Looking at Lan Yue, who also waved goodbye downstairs, smiling brightly.

Shen Bing smiled unnaturally, 'so he's not beckoning to me. '

A sense of shame came, and Shen Bing said hurriedly: "Hurry in, it's about to start."

"Oh."

reluctantly paddled his feet and waved his arms.

Lanyue ran into the classroom with a smile under her gaze.

Shen Bing glanced downstairs, the little boy was still waving and smiling.

But Lanyue has clearly entered, so he is treating himself...

'Shen Bing, what are you doing? The cheeks are slightly hot, making them elegant and tender.

Shen Bing walked into the classroom quickly, but looked back and looked back in a ghostly manner.

.....

Qin Yu put down his waving arms until the door of the dance studio was completely closed.

The corners of the smiling mouth are presumptuous, which is really a surprising day.

Put the garbage on the grass into the bag, and throw it into the trash can on the way to pick up the car.

Qin Yu hummed in a great mood and drove to the 4S shop.

When I come again next time, it's time to harvest the cutie that I planted.

parked the car in the shop and gave the key to Zhang Yiyue.

The little girl revisited the old thing, talking about the test drive.

"Brother, if a friend or relative wants to buy a car, you must remember me.

Come back to the store and come to the new car. If you want to try it, I will accompany you anytime! "

Looking at the freshness of 89, Qin Yu really felt sorry for her!

On her terms, it is also a goddess who licks countless dogs among ordinary people.

If I go to Lan Yue before.

Brother Yu might really give her a chance to behave, put on a parachute and land safely.

right now.....

Sorry, it's my brother's vision!

"When will there be a car like GT2RS, send me a WeChat, the price does not matter!"

Hearing what he said, Zhang Yiyue was very excited and helpless.

Limited, violent, new cars in line with the youthful aesthetics, I don't know when they will be available.

But this is at least a hope, the most regrettable thing is that this young man is not interested in her.

Otherwise, at least one more GTS will be taken today.

.....

With a camera hanging on his chest, Qin Yu stopped and went all the way, shooting everywhere.

Hudu's young lady's conditions are good, but compared with the resources around him, it's not even worse.

Qin Yu was also tired after strolling around in the afternoon, so he took a taxi and decided to go back to the hotel to rest.

Ling Ling.

Hearing his hearty voice, Li Wanxing said viciously: "I think you are a big-headed ghost, haven't you done enough good things?"

"Are you too much? I just like to help others, especially a good girl like you Xiangxingxing."

"Bah, you LSP."

"No, why are you old? I'm fresh!"

"Don't be poor, do you have time at night?"

"At night...Sister Wanxing, I have an appointment. If you are not in a hurry, wait for me to come back next time?"

"Okay...Be careful on the road!"

He is looking for a small anchor to play games tonight, and the heat is almost there.

As for seeing Li Wanxing now?

At this time Wen Yaxuan and Jiang Xiaoshan are listening to their conversation, and meeting will only make the situation worse.

Now, it's time to let the heat cool down a little bit and do a cold treatment!

Wait until this trend has passed and make a comeback before returning to Hudu, is the perfect time to meet.

Yu brother just wants to say: one by one is the best choice!

The topic ends here, and the taxi stops right in front of the hotel.

"Mr. Qin."

The lobby manager smiled and bowed to him.

"Hello there."

Qin Yu smiled back.

went straight back to the room and looked at the layout of the room, Qin Yu felt that there was something missing.

What is missing?

Seeing the bathroom, Brother Yu suddenly clapped his hands and said, "By the way, petals and candles!"

asked the guest room to prepare fresh rose petals and scented candles.

Click to open the live broadcast room, and found that the little anchor has been down!

"Mr. Qin, what can I do for you?"

The butler appeared at the door, knocked on the door and asked.

"When a friend comes over, surname Cheng, please come over."

"Okay, any other needs?"

"I want a dinner with meat and vegetables, another dessert and a bottle of red wine!"

"Okay, do you have a favorite brand or...standard for red wine!"

The butler flattened his palm and compared it three times from high to low in front of him.

means which grade Qin Yu wants.

He can arrange the food on his behalf, but the price difference for the red wine is too big, and he really dare not call the shots.

"Introduce, the upper middle, except for Lafite!"

Forget about Lafite in 1982, this thing is purely an IQ tax.

In 1982, Lafite Castle produced less than 200,000 bottles.

It has been nearly 30 years since 2011, when the myth of Xia Guozhi was smashed.

Less than 200,000 bottles of Lafite in 1982 are still circulating in the market, can you believe that?

According to the survey, Rafi was only in Xia State in 1982.

Especially after the millennium, the annual consumption is 1 million bottles!

Even if the number of private possessions of Lafite Castle is counted, all 200,000 bottles will be put on the market.

Where did the 19.8 million extra bottles come from?

what?

You have a wide network, a big circle, and a strong relationship. What you get is true.

Ha ha, you just want to be happy.

To mention, the Lafite in 1982 seems to have passed the drinking period.

A bottle of Lafite for 82 years?

Ha ha...

"The hotel has a collection of Osson 1996 Best Vintage Dry Red, which is just in the drinking period. A single 750ml is priced at 57,888 yuan."

Ask if you don't understand, pick up the phone and search for "Ou Song," the information came out immediately.

Ou Song is taking the boutique route, and the output is less than one-tenth of Bordeaux.

The quality is comparable to that of White Horse Winery.

"Okay, just it!"

Ordering such an expensive red wine is not just to set off the atmosphere.

Brother Yu feels that he is also a promising young man, he needs to learn more and understand!

Like red wine, social occasions will definitely be necessary in the future.

The little anchor stood in front of the hotel, holding his mobile phone tightly in his palm.

Of course she will be nervous, and her heart is bumping like a deer.

Jump up and down like a wild horse!

Finally, his right foot in Martin boots stepped on the smooth floor of the hotel.

"Welcome to Waldorf Astoria, how can I help you?"

The warm smile and kind smile made the little anchor slightly relaxed.

"I'm looking for Mr. Qin."

.....

Waiting for the housekeeper to bring the small anchor to the room, Qin Yu was talking on the phone in the living room.

hooked his hand at the little anchor, and pointed to the sofa to signal her to sit first.

"Tomorrow at noon... well, I see."

"I will give you a surprise when I go back... I didn't spend any money, really, don't worry about it."

"Um... OK, I won't disturb you anymore."

Although I have already said in the WeChat account that I will go back tomorrow, my mother still called and told me not to worry.

Be careful on the road, take a car to buy some food, remember to be gentle when you are in trouble.

Liang Chuyu didn't know that he was going to fly.

Because of the gifts, he shouldn't have much money on him.

It's the beginning of the school season. Tickets are not booked in advance, so fares are not cheap at this time.

"Not live?" Qin Yu asked amusedly when he saw the little anchor sitting on his side with his legs crossed.

"Broadcast! Didn't the boss ask me to come online?" The little anchor decided to pretend to be stupid.

"Well, let's go online!" Qin Yu got up to turn on the computer.

Cheng Xiyu is stupid.

The boss is so innocent, ask her to come to the hotel to play online games?

Did you suddenly become ugly, or did it not conform to the aesthetics of modern people?

Self-doubt Cheng Xiyu carried a shoulder bag, "I'm going to the bathroom."

"Over there." Qin Yu pointed forward.

Standing in front of the mirror, Cheng Xiyu looked at the face reflected in it.

‘The boss has a hidden illness?’

Recalling Qin Yu's reaction between the two of them, Cheng Xiyu was not sure again.

Although he met for the first time, he was extremely calm.

But it is undeniable that his eyes stayed on his chest and back bridge for a few more seconds!

If there is a hidden illness, he shouldn't be interested.

A somewhat distressed Cheng Xiyu leaned on the sink, and suddenly caught the petals in the transparent glass compartment from the corner of his eyes.

Fresh rose petals are scattered all over the floor, and large scented candles are placed around the bathtub.

There is also a basket of bright flower petals, and more importantly, the bathtub is filled with water.

"Little anchor, are you planning to show fans to the hotel toilet decoration?"

Hearing Qin Yu's voice, the little anchor wanted to leave in a panic.

"Ah~"

"Little anchor...Cheng Xiyu?" Qin Yu slammed the door and entered without answering two calls.

"Puff..." The little anchor spit out water and sat in the bathtub drenched.

eyes facing each other, both of them were dumbfounded!

Are the girls now so proactive?

.....

"I accidentally... slipped!" Cheng Xiyu lowered her head in shame.

The scene was too embarrassing, and I was slipped by the petals. It was poisonous!

"Next time you want to take a bath, remember to take off your clothes." Qin Yu teased while holding a bath towel.

"Tell me that I slipped and fell." The little anchor said in embarrassment.

"Yes, can't you get up yet?" Qin Yu stretched out the towel and shook.

looked down, he was completely wet.

"Do you have any clothes?" Cheng Xiyu asked.

"Wait!"

handed her the bath towel, Qin Yu returned to the room and opened the box.

He brought two newly bought T-shirts. Don't be so particular about it now, just wear them!

"Hang your clothes on the doorknob and take them yourself." Qin Yu put the clothes on top.

Nobody responded. A few seconds later, the wet Bai Zhi's arm stretched out from the crack of the door and quickly took the T-shirt away.

Sitting on the sofa, Qin Yu watched the scene with a smile.

"Well... do you have pants?" The little anchor's embarrassed voice came from the opened door.

"No." Qin Yu stepped forward and said, "There is a basket next to the bathtub. Put the wet clothes in for me."

"What are you doing?"

"Leave it to the hotel for cleaning and drying, it should be ready in 1 hour, hurry up!"

Hearing him say this, the door closed again.

A few minutes later, Cheng Xiyu hid in the doorway, opened the door, and handed him the basket with wet clothes.

"Are you going to stay inside forever?" Qin Yu asked curiously.

"Hmm." Cheng Xiyu snorted.

waited for him to take the basket, and quickly closed the door.

called to hand in room service, Qin Yu looked down at the wet clothes kneaded in the basket.

"You won't involve your underwear too!" Qin Yu shouted to the bathroom.

"Uh....."

Cheng Xiyu standing in the bathroom was stupid.

She just thought that it would be faster to leave it to the guest room, and she didn't even think about whether she could do it.

From falling into the bathtub, to soaking all over, wearing a thin T-shirt that just reached his thigh.

Cheng Xiyu didn't have time to think about that much.

铿铿.

"Open the door, I'll take it out for you, and rub it with my hands."

"In addition, the hotel will send new ones tomorrow morning, so don't worry about not having to wear them."

懵!

What the hell?

Cheng Xiyu didn't care about the wind from below, and opened the door...

Qin Yu stood in front of the door, holding two pieces of lace, one black and one purple, with his fingers.

'S handsome face is full of smiles, and the teasing in his eyes seems to say, 'the little anchor has a good taste! '

"I..." The little anchor gritted his teeth and shouted angrily: "I'm fighting you!"

Looking at the little anchor who was coming, Yu Ge was happy.

Since the little anchor is about to pounce, I will help her reluctantly.

Who makes yourself so innocent and kind!

Opened his arms, Brother Yu activated the Holy Light and became the Holy Light Ranger.

The little anchor looked embarrassed and angry, and glared: "I'm not convinced, come again..."

Yu Ge, who is already ready to go, is not afraid, relying on his professional template of the Holy Light Ranger.

plus the double buff of miracle asylum!

"Little anchor, dare to make times?"

.....

The battle was so dark, blood flowed into rivers.

finally ended with the victory of the Light Ranger.

The food and wine on the table were also wiped out. You must know that fighting is very physically demanding.

The next day.

"Mr. Qin, this is what you want." The butler smiled with a shopping bag.

"Thank you." Take out the bank card and hand it to the other party.

"The restaurant carpet was accidentally soiled last night, and the sheets were burned. You can see the cost!"

The butler looked as usual, still smiling and said: "Anyone will have an accident. May I ask where the sheets are?"

"Bathroom."

"Understand, I will let someone handle it."

"Well, another week of renewal, Miss Cheng will stay here for a while."

The little anchor was too tenacious when fighting, suffered a lot of internal injuries, and was inconvenient to move.

It must be very inconvenient to go back to school now. There is room service to run errands, and Qin Yu can rest assured.

"Okay, I will do it now!"

The butler went to see the restaurant and bathroom first. Red wine was spilled on the carpet everywhere.

The pattern is novel, so that the butler has a better understanding of Mr. Qin's pride.

After all, not everyone is willing to spend more than 50,000 yuan in the best vintage Ou Song dry red to do art!

As for the sheets in the bathroom, it's just a trivial matter.

"When I returned to the room and found that the little anchor was not awake, Qin Yu kissed her on the cheek.

then picked up the phone and sent her a message!

then walked towards the hotel lobby.

He has to catch a plane, go home and report to his mother.

.....

'he's gone. After closing the door, no sound was heard, the little anchor slowly opened his eyes.

put on his nightgown and walked out of the room~www.mtlnovel.com~ it was empty.

Lost and returned to the room, the little anchor sat idly by the bed.

The wandering soul returned to the shell until there was a knock on the door outside.

"Here." The little anchor ran to the door of the room expectantly, and opened it to take a look.

The butler who brought her here stood behind the door last night, "Miss Cheng, I am the butler here..."

"Before Mr. Qin left, he had already paid for the room for a week. In addition, he ordered the hotel to prepare new clothes for you, which should be placed in the bedroom closet at this moment."

"Is there anything else he said?" The little anchor was not interested in these.

What she wants to know is Qin Yu's thoughts, what is she?

"No, but I think you should look at your phone!"

At this moment, if Qin Yu is on the scene, he must give the butler a gold medal for the "Best Assist King".

found the mobile phone to light up the screen, the little anchor's worried face turned into peace.

smiled happily at the corner of his mouth.

'I'll rest in the hotel this week and pay attention to food. '

'I'll report back when I go home to do something, and send me a WeChat account. {Love}'

held the phone in his arms, and the little anchor smiled from ear to ear.

Then he fell on the bed and rolled back and forth, and the housekeeper in the living room had already left quietly.

He has to report to the hotel management and provide intuitive opinions on customer reviews.

Mr. Qin's financial resources are beyond doubt, the Palamela GTS just bought when he arrived at the hotel.

There is also the A: 99999 license plate, all showing its financial and hidden strength.

The hotel should immediately designate it as a top customer, and lay a good foundation for friendship at the beginning.

Perhaps, in the future, he will bring more business and even precious opportunities to the hotel!

So, his reward is gone.

Qin Yu has been able to accept this fact.

If he is a miracle himself, the child of a miracle... represents his child?

In the task that Douya received before, there was a mention of letting the little anchor believe in miracles.

Can that be understood as: Only miracle fanatics are qualified to breed the life sown by him?

Should he praise the system for being considerate, or should he be quietly happy?

Abandoned Capital Airport, drag a trolley to the parking lot.

Far away, Qin Yu saw Li Xiaoli standing beside her car and looking around.

"This woman is crazy, right?" Brother Yu vomited.

Why didn't he see that the other party was a vigorous, resolute and unstoppable temperament?

"Xiao Zhao...No, Manager Zhao, this is Qin Yu, I have something to trouble you..."

Two hours later, Qin Yu saw Zhaoyang at the back door of his community.

"Mr. Qin." Manager Zhao said hello politely.

"Manager Zhao, here are the keys, just as we said before."

Qin Yu gave the car key to the other party, then opened the bag and took out a wad of cash.

"This is 3000, it counts as hard work, don't refuse, I may need to trouble you in the future!"

I'm afraid that the two of them feel that the supercar is too high-profile, so I'll talk about it tomorrow.

After bidding farewell to Zhaoyang, Qin Yu walked home along the driveway.

"Mr. Qin, the other party is gone, as you expected."

Standing in Zhaoyang in the airport parking factory, Li Xiaoli sneered at the distant Li Xiaoli.

This kind of woman also wants to climb high and become a phoenix?

Those who can join the giants are either in the right position, or they are very clever in their brains and methods.

Like Li Xiaoli, a woman with big breasts, no brains, timid, fearful, and plain looking.

Time goes back 10 minutes ago.

Li Xiaoli, who had been standing all morning, squatted on the ground, rubbing her ankles in pain.

"Damn Qin Yu, why hasn't he come yet?"

Looking at the 6cm tall Hengtian, Li Xiaoli said sadly: "I would have stopped wearing it."

If it wasn't for making her figure look perfect, she wouldn't suffer this sin!

On weekdays, men greet her with warmth and courtesy.

When did her Li Xiaoli suffer this grievance?

The more aggrieved Li Xiaoli she took up her shoes, she wanted to smash the front cover of Golden Dragon's car.

"Eh, what did you do?" Li Xiaoli stopped with a loud shout.

I saw a fat middle-aged man, looking at himself with a cold face.

Li Xiaoli said angrily: "What am I doing to care about you? At first glance, it looks like a dumpling."

"I don't care about Laozi?" Shen Zhao took out the key and pressed the unlock button in front of her.

Beep!

Golden Dragon's car lights are on!

Li Xiaoli is stupid!

The key to smashing people and cars in front of people and cars is still a stranger.
its not right!

Li Xiaoli felt that this person was a bit familiar, so she took a closer look.

"Aren't you the manager of the 4S shop?" Li Xiaoli pointed at him in surprise.

At the 4S shop that day, it was this fat guy who said that Qin Yu was the VIP guest of their Lamborghini headquarters.

Zhaoyang showed a stunned look, "Are you Qin Yu's classmate? How about Qin Yu?"

"I don't know, isn't this his car?" Li Xiaoli's heart trembled, and the other party's bad tone was not a good thing.

"Who told you that this is his car, borrowed my car to force it, and throw it at me when it's over."

Zhaoyang's cheeks trembled, and he sneered twice: "I'm looking for him!"

was talking about two young people coming with baseball bats in their hands, "Brother, have you found someone?"

Zhaoyang turned his gaze to Li Xiaoli, and she was so scared that she shook her head quickly: "We are unfamiliar, we are unfamiliar."

hurriedly fled, Li Xiaoli cursed in her heart, 'Qin Yu of the dog day turned out to be a big money. '

.....

The high school group was calm, and Li Xiaoli did as Qin Yu guessed, no more trouble!

Li Xiaoli's mind is easy to guess, revealing Qin Yu's identity will only make her a bigger laughing stock.

This is not good for her. She is wondering how to get back with Wang Hao!

To him, Li Xiaoli is not worried at all, the essence of licking a dog is to panic...

Everything that should be packed is packed, Qin Yu sees it's too early.

Go out with an ID card to get a passport!

The expedited passport takes 5 days, just in time.

It's not early to go home again, and while chatting with the little anchor on WeChat.

Qin Yu reported safety to friends one by one.

'I'm home, remember to eat on time, I'll feel bad when I'm hungry. 'Lan Yue.

'Sister Wanxing, I'm here. 'Li Wanxing.

'Xuan Xuan, I saw your mother, so fierce! 'Wen Yaxuan.

'Here, don't read it! "Jiang Xiaoshan.

In the 206 bedroom, Jiang Xiaoshan, who was lying on the bed, clicked on the WeChat account and smiled gracefully.

Slender fingertips poked on the screen, 'Well, how is the weather in the abandoned city? '

Jiang Xiaoshan is very contradictory personally, she is cold and arrogant, but also realistic and utilitarian.

This aspect has something to do with the environment. Dahudu's drunken fandom has influenced the thinking of generations.

As an old Hudu native, Jiang Xiaoshan was naturally greatly affected.

From the current point of view, Qin Yu is very suitable for her mate selection goal.

You are young, handsome, and rich in money.

The key is that his future has unlimited possibilities, and this is what matters.

How old is he this year?

18 years old, is there anything more valuable than being young?

As for the love with the lazy cat, young and young, no one has a few romances.

Let's go and see, the winner is the one who laughs last!

Even if he can't get a place, Jiang Xiaoshan is confident to become one of the most favored...?

Status is not just a piece of paper without guarantee.

If that thing is really useful, why should mother complain about self-pity, drink alcohol day and night!

The calm heart made waves again. Looking at the unanswered WeChat account, Jiang Xiaoshan fell into self-conjecture again.

.....

Looking at the reply on WeChat, Li Wanxing only has a brief introduction, 'um. '

Wen Yaxuan did not reply, but Lan Yue sent a long list of words filled with happiness.

Then he said that he was going to continue dancing, and the warmth is over!

As for Jiang Xiaoshan, this woman is too arrogant in her heart, she has to hang on for a few more days.

'Take care of yourself and surprise you when I go back! '

Waiting for a few seconds without reply, Qin Yu thought that she must go to dance again, this girl is really desperate.

asked the little anchor if he wanted to play games, and what was ushered in was an expression with his head tilted up with a hammer.

'I want peaches, play with friends! 'Qin Yu.

This woman had tasted it once, and she began to take the initiative to greet Brother Yu's body.

What do you think in broad daylight, don't be ashamed of it!

Opened the live broadcast, and Qin Yu opened the backstage to take a look.

Hundreds of messages are so daunting, so, Brother Yu directly deleted them all.

Go into the live broadcast room of the little anchor, and see that she is not online yet, Qin Yu typed: 'Is the super tube here? '

Brother Yu just gave it a try, after all, the anchor was not online.

I didn't expect it to be super tube.

'What's wrong with my brother, I'm here. 'Supertube 101.

'Talk to the platform and find someone who can call me. 'Wind and rain hurt people at night.

'Okay, my eldest brother will send me a private message on WeChat, and I will ask the supervisor to add you. 'Supertube 101.

Send a WeChat account to the other party, and within 2 minutes, the friend reminder lights up.

Remarks for friend application: 'Head of Douya Platform Operations Department, Xiao He. '

Click to pass, Qin Yu held down the speech button: "Hello Director Xiao, I want to talk to you about drizzle and silent things."

"Hello, Fengyu, don't know what to call?"

"My surname is Qin, so you can call me wind and rain."

After a brief introduction, Qin Yu dialed Director Xiao's number.

"Mr. Qin, haha, listening to your voice is really young and promising!"

"Director Xiao is polite, let's talk about business directly!"

"Okay, Mr. Qin, please say!"

"I believe you know the situation of the little anchor, too, and I! Ready to support her live broadcast career..."

"That's really to congratulate Drizzle for the silent anchor. With your support, you will definitely accomplish a lot."

"The platform also welcomes the development of ambitious and capable anchors. After all, this is a win-win situation."

"On a good platform, the anchor will have a stage for display and development prospects."

There are many high-quality anchors, and the platform will also benefit! "

A sentence or two sets the tone for the platform to be higher than the anchor.

Regardless of your opinion, the platform is more important than your anchor.

Without a platform, you are a little character that nobody cares about.

So ~www.mtlnovel.com~ think before you ask!

"Hehe, Director Xiao is right, but there is something wrong with you."

Although Douya is the only family, there is no other choice.

Large platforms have big advantages, and small platforms have small benefits. "

"Director Xiao should know that I still have a small goal in my fight!"

"It's not a small amount of money to others, but it's nothing to me."

The other party wants to slap him, can Brother Yu listen obediently?

He still has a small goal on his teeth.

But if the other party is too ugly to eat, they treat themselves as leeks!

It's not difficult to cash out and leave!

Regional competition is the annual celebration warm-up, fighting teeth and even the entire live broadcast industry must follow the trend of attracting gold.

As long as Qin Yu is willing to talk, the top trade unions in the fight will be tempted.

Others get 70%, and the anchor needs to post upside down.

Brother Yu is only 70%, or 6.5 Chengdu trip.

As long as the major anchor of the trade union makes Cheng Xiyu a wave of enthusiasm, is this business worthwhile?

With the intensity and attention of the annual festival, 1 achievement starts with a million.

Which union can be unmoved?

"Since the launch of Douya, its appearance has become more and more ugly, and the grievances have deepened. How many big brothers have left the small platform, the goose factory and the fast gunner are all watching."

"Let me mention my conditions first. I am going to set up a union for the small anchor so that she can develop in the anchor industry.

This development is not a trivial matter. "

Qin Yu had a voice, leaving time for the other party to digest.

"Director Xiao, if you know what I want to do, you must be top-notch."

"So, Drizzle is silent to get top-notch treatment, and we can talk about the signing bonus."

Start at the Pinnacle of Life Chapter 50: Hey, come to work

3:7 minutes.

Pure anchors can get 70% of the top.

However, the signing bonus is also a big head, and Qin Yu will naturally not give up.

If the small anchor wants to develop in the live broadcast industry, Qin Yu creates the best stage and opportunity for her.

Besides, the live broadcast industry is developing well, and there are also many choices in the future.

Like the Music Note APP, it's probably a good choice to transfer to the anchor and bring the goods!

.....

In the end, Director Xiao tactfully rejected his proposal.

The best condition he can give is 4:6, no signing fee, and wait for the small anchor to make a result.

To be straightforward, the value you create is not enough.

Tell Qin Yu, that you don't have enough money.

To be fair, the treatment is not bad!

If the small anchor comes to talk by himself, it is impossible to get this kind of contract.

However, the premise of this contract is that Qin Yu will form a union for the small anchor and fully support it.

Such a comparison is nothing.

Qin Yu also didn't accept the other party's conditions, and smiled and turned off the topic to end the conversation.

Negotiating terms with Douya, the purpose is to give the young anchor a career.

instead of turning her into a platformer.

'Ding. '

' Trigger a random task: the future of the little anchor. '

'The second task is a relevance task. The host is asked to lead the small anchor to the peak in the divisional competition after 24 days, and reward 10 million coins. '

'Task 2: To be activated! '

"Hey, come to work." Qin Yu smiled calmly.

intimate.

likes the system.

At this time, the small anchor is already online and is chatting absently with water friends.

What everyone cares most about is why she is staying in a hotel, hasn't she already gone back to Shanghai?

Welcome the emperor to the live broadcast room.

"Welcome to my hurting brother!" The look on the little anchor's face immediately came alive.

'666, the little anchor is real. '

'Why does this beautiful spring look bother? '

'The little anchor has been cast, the appraisal is complete! '

'It's really hurt, is the little anchor seriously injured? '

'No wonder I didn't go out for these two days, because I suffered internal injuries.
{Crying Qiqi}'

'Ancestral traumatic injury cream, specializing in internal and external injuries, my craftsmanship is good! '

"Don't talk nonsense about you dog viewers, I'm not feeling well, so I'll stop outdoors for two days, besides, I'm also a game host, alright!"

Cheng Xiyu pointed upwards: "Look at the classification, the game anchor, do you understand?"

'Understood, did you play a game with your eldest brother last night? '

'How is the battle, is it fierce? '

'Please ask for the seed number, thank you for the red envelope! '

'Big brother's woman, what do you need for instant noodle money? '

"Keep rolling, you dog spectators, are you all floating!"

Cheng Xiyu blushed and vomited: "The room number has been sent to the fan group, first come first served!"

Qin Yu turned a blind eye to the tourists' cheers.

Dog sprays are all urinary, and the more someone cares about him, the more enthusiastic he sprays!

put him aside the dog barking, look for a chance, is it not fragrant to kill the stew?

During the PK match, Largo 996 went online suddenly.

'Brother, also brought a small anchor to play PK. 'La Lago 996.

'Well, how is the cure? 'Wind and rain hurt people at night.

'Brother, let's stop talking here...it's a lot of tears! La Lago 996 is heartbroken.

MD, this time I was really miserable!

Money is second, and the key face cannot be maintained.

This matter has been spread in the live broadcast circle, and the big brothers have to send him private messages if they don't.

asked the most: How is the condition?

The angry La Lago directly closed the private message, mmpd~

My heart is not dead!

'Find a time to talk in private? 'La Lago 996.

'Okay, add on WeChat! Qin Yu sent the letter and WeChat account to the other party.

'Brother, I will pull you into a group, and the brothers inside are waiting for you! '

With the addition of WeChat, Largo pulled him directly into the Big Brother chat group.

'Dear brothers, the one who just came in was the hurt brother. 'Lala.

La Lago 996's group nickname is La La.

'Welcome to hurt brother, brothers, welcome to brush up! 'Happy.

This is Happy Brother, and then I swipe the screen after welcome, and some people say they want to thank him.

'? ? 'Hurt people.

Qin Yu also changed his name to the platform account.

'The poison shell of Little Coco, shit, if it wasn't for being ordered by the wounded brother, I would have suffered that day. '

The speaker was 'sage,' Qin Yu clicked on the list of gods with the mouse, and indeed there was someone called sage time.

followed by another echo, saying that if it hadn't been for him to point.

Wait for Lara and Happy to detect something wrong, and the big buddies who arranged the activities later will have to suffer!

Qin Yu opened the group list and added himself to the group. There were 21 people in total.

This little cocoa is amazing, 1 to 20, it's okay!

'This is the victim group? 'Hurt people.

'.....' Lara.

A series of ellipsis swiped up, and suddenly someone said: 'I'm all sick, right? '

I am the boss, the boss brother on the platform.

The victim is here.

'A little kid who doesn't know the roots, has licked it all, and has no face? '

The boss looked very angry, and he gave everyone a shock when he came up.

'Boss, what do you mean? 'Lala.

'It's all played on the platform, didn't I bring you in at the beginning, no one welcomes you? 'Lala.

'That's because I swiped millions and rushed to the third place on the list of gods. 'I am the boss.

'How much did he brush? 'I am the boss.

'Is it worth your lick? 'I am the boss.

'Boss, you are too much, what is licking?' Happy.

'If it's not for hurting someone and ordering a small cocoa, when you go to the hospital, I'm afraid the cauliflower will be ripe. 'Sage.

'What kind of temper are you playing here? There are too many live broadcasts. Do you really think of yourself as a big brother? 'Cat Lord.

'What's the matter, kicked. 'Quasi Yin Tu.

was kicked after "I am the boss"

Qin Yu didn't say a word from beginning to end, watching the excitement all the way, and by the way PK for the little anchor.

The little anchor is still posting on WeChat, 'Don't use it, the gift from the water friend is enough. '

Qin Yu didn't refuse either, as long as he had enough, he wouldn't use it.

There are thousands of tiger shark wings, just to be clear!

'Eh, I don't plan to play this account anymore, who wants to make it cheaper! Lala ~www.mtlnovel.com~ Larago and Qin Yu's WeChat account mainly want to ask him if he wants to collect his own account.

'Don't let it happen! Largo, are you really afraid of those squirrels? 'Happy.

'It's mainly annoying, this number is too popular, and it's good to change to a trumpet. 'Lala.

It is false to say that it is not uncomfortable, and people are staring at me every day and asking: Are you ill?

Who can stand this?

Qin Yu quit the group and clicked Lala Gexin WeChat, 'Lala wants to retire from the Internet? '

said it is a trumpet, but it means shirk, this is the rhythm of quitting the Internet.

'I have an idea, brother, do you want this number? 'Lala.

'No number, there are people! '

Since Largo can call on so many big brothers to play together, the leadership is naturally no problem.

Qin Yu wants to bring him to his side to be responsible for the operation of the union.

'Are you really going to be a union? '

'Originally, there was only a plan, and the implementation had to wait for the right opportunity, but if the big brothers in the group are interested, they can now support a union. '

By relying on Qin Yu alone, there is no need to worry about funds, but he does not have so much time and energy.

It is necessary to add more than a dozen big brothers in the group, and then pull in their respective support and optimistic anchors.

Any platform of this weight, including Douya, has to face up!

'But my number...'

La Lago is still struggling with face issues.

'Establish a trade union first, and the public announcement number is accepted by the trade union. It not only builds a reputation but also solves your problems! '

'This is a way, let me mention it in the group first and see what everyone means! '

'Okay, it's not urgent! '

The PK on the side of the little anchor is also finished, and the salted fish will continue to lie down.

"Come on, the Water Friends Tournament is on."
