Qin Yu returned her mobile phone to check the time to go to the driveway: "I have left beforehand."

He made an appointment with steamed buns for dinner, and it was too late.

"Boss, didn't you mean to take me around?"

Cheng Xiyu's heart was cold for a while, she still pointed to the boss's car to pull the popularity!

"If you have an appointment for dinner, make an appointment again!" Qin Yu got into the car and ignited.

"How to contact? No contact information is left." Cheng Xiyu smiled helplessly.

Think about it, why do people support themselves for no reason?

"The fate is wonderful!"

Qin Yu stretched out his fingers and turned the steering wheel to leave.

'Big guy is gone, unmoved by beauty, real man. '

'Puff, God's fate, wonderful 233...'

'It seems that you have no relationship with the boss, so please be your little anchor! '

'If you can lack beautiful women around the big brother, you can see it is a group of dicks. '

'The key fairy is here, come on, first flush the sign. '

The little anchor took a deep breath and adjusted his mentality.

"Let's continue, the famous Big Wild Goose Pagoda is in front..."

Wang Mapo opposite the north gate, Qin Yu parked the car on the side of the road.

Pedestrian's attention salute, he is used to it.

"Brother Yu, Niubi."

"This is the golden dragon, a real cow."

Tang He, because of his round and white face, was affectionately called a bun.

The other is Gao Bo, who is proficient in physical therapy.

So there is an appropriate nickname, 'Doctor. '

"Brother Yu, you are a big cow this time."

Gao Bo gave a thumbs up and looked at the Lamborghini on the side of the road with envy.

Qin Yu casually threw the key to him: "Open twice?"

Gao Bo waved his hand again and again, and put the key back to him.

"I just got my driver's license and I am practicing in a luxury car with millions of dollars. You are not afraid of me."

"It looks like you two did your homework!"

"Brother Yu, you have hooked up with the little anchor now."

"Boss, you can find two people to help me send them to the hotel next door, it costs 100 hard work per person."

Qin Yu took out 200 yuan, not at all distressed.

The boss took it straight away.

called a guy to take Tang He and Gao Bo to the hotel together.

After opening a good room, Qin Yu called their parents.

"Auntie, Tang He (Gao Bo) drank too much today, I will arrange it at the hotel, don't worry!"

"Then trouble you, Xiao Qin."

"It's okay, how many years we have been classmates, don't worry, everything is arranged."

From junior high school to high school, more than six years.

Rounding is to make it smaller.

Knowing that there is nothing wrong, the parents of the two families are at ease.

This is the advantage of boys, if girls...

Qin Yu is gone!

Coming to the side of the road, Qin Yu sat in the car and turned on the phone, intending to call for a price.

I heard that women are very expensive these days, but I don't know if it's true.

Qin Yu didn't think of anything else, but simply wanted to learn more.

"Boss!" A soft and aggrieved voice came.

Looking back, isn't this a small anchor?

"Why are you here?"

Qin Yuxin said: Didn't you follow yourself?

Brother Yu, the annual income is tens of millions, swelling!

"I."

Cheng Xiyu lowered his head aggrieved and annoyed, UU read www.uukanshu.com viciously: "I let the driver cheated."

"Huh?" Qin Yu was full of question marks.

It turned out that the little anchor knew that the performance would only be available at 8 o'clock, and watched there were 2 hours left, so he decided to go elsewhere first.

Datang Furong Garden is not far away, take a taxi and leave.

This time there is a problem.

stopped a taxi, the little anchor fell asleep in the car, and when he opened his eyes again, the car was speeding along the second ring road.

After opening the navigation record, the driver's eldest brother took him around half a waste city.

"I asked the driver to stop, otherwise I would report it, and the other party would throw me on the side of the road, and they would have seen you."

The little anchor looked at him grievously. If he didn't wake up suddenly, he would have to lose out today.

When I opened my eyes, the numbers on the meter jumped to 200+.

How much can she earn in one day? ?

"Ha, you, you are really a naive man." Qin Yu really persuaded her.

This is also doing outdoor tourism live broadcast, not afraid of being sold.

"I'm not afraid, the live broadcast is on!"

Cheng Xiyu shook the phone triumphantly, just to see the barrage above.

'It's over, the little anchor takes out. '

'It's fate, it's so wonderful. '

'It seems that the billions of output tonight can't escape. '

'Send a thousand miles? The happiness of the rich... the curtain is over. '

Cheng Xiyu said angrily: "Bah, the anchor is about to go down, kneel down!"

After speaking, he stopped watching the screen and turned off the live broadcast.

'Fuck, is it so direct? '

'At this time, the scenery on the car is unlimited. '

'I want to watch paid programs. '

'I'm sorry, but this show is temporarily closed to the poor. '
