

Start at the Pinnacle of Life

Chapter 7: Wild anchor

Since the merger of the two platforms, Tiger Shark and Yumaru, the new rules have been implemented.

The anchors of the entertainment and game sections have to perform 5 PKs every day.

can't refuse...

Cheng Xiyu accepted, and a nice young lady popped up opposite.

"Hello, Miss Drizzle, I am a little bunny who loves to sing and dance."

"Hello, Miss Rabbit, I am drizzle and silent."

"Miss Sister, shall we follow the process or start directly."

According to the process, they are performing their own talents,

sing, dance, incite the atmosphere of the live room, and cut a wave of fan leeks.

It's much simpler to come directly, whoever has more money will talk.

The little rabbit opposite is the new anchor of the Asia Entertainment Union, focusing on the entertainment sector.

went to Cheng Xiyu, naturally because she was so bullied.

The little anchor who has a weekly flow of less than a thousand.

There is no union and no elder brother to be the backer, so naturally he can bully whatever he wants.

Each union has requirements for PK.

If you lose, the popularity will naturally be deducted, and the follow-up recommendation arrangement will also be postponed.

So I am the new anchor of the union.

usually find a wild anchor like Cheng Xiyu to support the scene.

You can win a game decently without having to swipe too much.

Besides, there is no need to worry about having **** with others.

If there is no small anchor supported by the elder brother, can it turn the sky up?

"Then let's get started!"

Cheng Xiyu is no stranger to PK, she has never won anyway.

It is false to say that I am not uncomfortable.

Can there be any way, the reality is so cold and cruel.

"Then thank you Miss Drizzle."

In the little rabbit live broadcast room, the dark night **** emperor who hangs at the top of the weekly list is the Earl.

is her first elder brother.

Two weeks before and after two weeks, I brushed the little rabbit for forty to fifty thousand.

For a newcomer, it is an uncle who needs to make a confession.

The Emperor of Dark Night is proud of this, and has just received a WeChat from Xiaotu.

If PK has a winning streak today, please invite yourself to dinner tomorrow.

Eating or something is naturally not the point.

you know.....

Dark Night God Emperor has chosen the hotel address for tomorrow night's 'Dinner'.

Seeing the little rabbit still chatting, the Dark Night God Emperor said in his heart: She is too modest.

Like this kind of wild anchor, there is nothing to worry about.

is the Rocket X5 directly.

Full platform banner:

The Emperor of Dark Night gave Little Bunny a rocket, come and watch~~

The Emperor of Dark Night gave Little Bunny a rocket, come and watch~~

.....

.....

.....

Rocket is a virtual gift of fighting teeth, one round of 500 tiger shark wing, 1 tiger shark wing = 1 yuan.

That is 500 yuan per rocket.

Only the super fire of 2,000 yuan per round is on the top line.

5,000 yuan a gold treasure chest and 10,000 yuan a big tiger shark.

'Go straight, tell the other person that there is no habit of rewarding beggars, and tell her not to open her mouth. '

'The beggar's soup and medicine cost, the **** emperor doesn't give it. '

'The little anchor on the opposite side is so angry that he lives on soup and medicine! '

'Haha, the king is domineering, 666. '

Seeing the boss's words, the little rabbit is full of pride.

This kind of being favored by others alone, like a princess, a few women don't like it.

"Miss sister, our eldest brother said, there is no habit of giving medicinal decoction!"

Cheng Xiyu's complexion was a bit ugly.

is not because the opposite anchor said it, but a water friend in the live broadcast room to promote the opposite eldest brother just said.

'Beggar's soup and medicine cost, the fool on the other side shows what superiority. '

'That's right, the gods on the total list dare not say that. '

'Oh, the little anchor is too pitiful, he is not raised by his eldest brother, so he doesn't speak hard! '

'It's no shame to live by decoction, since you have chosen this line, you have to be a bit thicker. '

'Cut, if you want me to say, the poorer the more arrogant. '

'I, poor... can I go to the other side and spray a wave? '

"Thank you, I don't need it."

Cheng Xiyu said coldly, at this time the result of the PK was already obvious.

250,000VS0, that zero is particularly dazzling.

'The opposite is too arrogant to let the little anchor be embarrassed, brothers rush. '

'I support cigarette money for one week. '

'I'm not going to the hair salon this week. '

'666, big guys, big shots, this is really love for the little anchor! '

There are all lucky bags floating in the live broadcast room.

Don't look at the quantity, but a lucky bag only costs 1 yuan, which doesn't add up to much.

probably brushed two or three hundred.

The PK strip pressed down to 1 cm finally looks better.

is actually completely self-comforting.

Actually, it is no different from the previous '1 cm'.

Cheng Xiyu smiled: "Thank you Shuiyou, I will play a few more games when it is over."

She is not happy about the gift, but feels the care of the water friends.

唰~ The Emperor of Dark Night presents Bunny with a super rocket!

A full-screen banner floats by.

Xiaotuer's live broadcast room immediately increased by more than 3,000 people, and the VIP seats also increased by more than 100.

As long as it is a rocket and a super rocket.

will fly across the banner in the full-screen live broadcast room. This is called the big brother card face...

can also drain a wave for the host at the same time, or else just eat the eldest brother?

Drainage, driving other people to consume is also the elder brother's side.

Otherwise, how do those guild accounts operate?

The platform eats all mouths, who still keeps it.

Open your mouth and wait for fart to eat?

'Fuck, it's too much. '

'Hey, the little anchor will end soon, the opposite is too arrogant. '

'The little anchor is terrible! '

In fact, the little rabbit's family has already won.

The water friends are just helping the little anchor to find some face, so that they won't lose too badly.

After all, the other side said, no soup and medicine fee!

But who would have thought that at this point of face, the Dark Night God Emperor would have to regain 1 centimeter.

I didn't leave the slightest face, to be honest, it was a bit too much.

In the little rabbit's live broadcast room, the Emperor of Dark Night is talking.

'Beggars should be beaten obediently, and want to resist, continue to beat them to 1 cm. '

.....

When PK first started, Qin Yu looked quite interesting.

This is obviously a money-trapping activity on the platform.

If it can arouse the contradictions of the big brothers, I will be angry.

anchors, unions, and platforms can all have enough.

can wait for the other side to describe the little anchor as a beggar, and then look at her ugly face.

Qin Yu is a little uncomfortable.

He just watched it. Five rockets cost 2,500 yuan. As for pretending to be father?

Even if you add another super fire, isn't it only 4,500 yuan?

floating, floating.

Brother Yu is floating...

Nearly 4,500 dared to use "only".

If you don't support the little anchor Yibo, Qin Yu feels good to her.

It's not really gluttonous, really...

I just want to simply understand the 90+ quality experience.

'Ding, trigger a random task: Bring a small anchor to win five consecutive championships. UU Reading www.uukanshu.com'

'Little anchor, no one cares. '

'The host fell from the sky in despair, bringing the small anchor to experience the charm of miracles. '

'Random reward: 100 million bucktooth coins, please enjoy the pleasure of brushing money. '

'Mission failed:...The light of miracle blooms, experience points increase by 30. '

Qin Yu clicked on the personal center, and there was 100 million Douya coins in the account.

Is the first reward task okay?

This is a miracle!

In the live broadcast room, there was only the voice of the little bunny.

Cheng Xiyu was silent all the time.

Now that everything is unavoidable, it's unavoidable, and it's easy to be rhythmic.

I didn't see the white prostitutes of Xiaotuer's house, this meeting has already ran to her live broadcast room to refresh the screen.

There are not many people coming, more than 100 tourists.

unified in the live broadcast room, "Is it okay without decoction?" '

The tourists who had come before saw the fun, and they also made a fuss.

You can't do anything with just two or three of the little anchors.

In that case, lie down and laugh at it!

This is the case in the live broadcast industry.

If you have money, you are an uncle, and if you have no money, you are a grandson.

Don't talk about how you are in reality, just charge if you have one, and talk with you for money.

PK has more than 2 minutes remaining.

Qin Yu didn't hesitate anymore, and directly ordered the Super Rocket.

唰唰唰唰.....

The golden banner lights up: Wind and rain hurts people at night, free drizzle and silent anchor Super Rocket X1, come and watch~~

In Little Bunny's live broadcast room, the little Bunny who was blowing water with fans was stunned.

How could it be possible that the little anchor had his eldest brother super hot?

Isn't she just a wild paddling anchor, how can she have a big brother? ? ?
