Chapter 8: Real father is rich

Wind, rain and night hurts people as a gift to the anchor Super Rocket X2.

'Fuck, little anchor, look at the screen. '

'6666, I said that Big Brother Ye Huin Ren is a big brother, and the little anchor is about to take off. '

'You? When did you say it, obviously I said it, daddy cowbread! '

'Has taken off, top order father, I'm your dog in the game! '

Wind, rain and night hurts people as a gift to the anchor Super Rocket X5.

.....

Wind, rain and night hurts people as a gift to the anchor Super Rocket X10.

'The starting hand is super, to show respect! '

'I'm vomiting, it's over 10 shots, my salary is gone for half a year. '

'Big guys, big guys, do you still need to hang up the phone? Toe rings are also fine.
,

'Big guy, do you lack a toilet seat? I can do it! '

.....

Cheng Xiyu, who was in a daze and wanted time to pass quickly, suddenly found that the room was almost flooded by barrage.

take a closer look!

The two big eyes are shining, and the pink mouth grows into an O shape.

Wind and rain hurt people at night.

Bai Hao actually brushed himself 10 super fire! ! !

10 rounds of super fire = 20,000 yuan.

60% of the platform is deducted, and there is a 20% tax...

got 6,400 yuan.

Stars lit up in the eyes of the little anchor, who is completely a little money fan.

"Thank you, Brother Ye Hurt, Brother Niubi!"

"Wait for the Shuiyou Bureau, I will assist my eldest brother in the single super god."

Cheng Xiyu's cheeks flushed with excitement.

What five people push and sniper top orders, is that what a person can do?

As a qualified jungler, he hasn't rushed to stabilize the top dan dad.

The PK value of both parties becomes 450,000 vs 2,000,000.

PK time ends here, the little anchor has realized the joy of being a winner for the first time.

"Big Brother Ye Wounds Domineering!"

Although Cheng Xiyu doesn't understand the hints of the big brother, it doesn't mean that he doesn't understand the rules.

The wild big brother like this, comes up with 10 super rockets.

Not to mention her, she is rarely seen on the entire fighting tooth platform.

So I should lick or lick, I just hope that the big brother will not give all kinds of hints.

'It's definitely not, otherwise, I can't ask for it first. '

Cheng Xiyu's live broadcast time is not too short.

Which one of the big buddies didn't call the title first, and then use the title to give all kinds of hints.

If you accept it, you can eat, but if you don't accept it, you won't have to eat. It's so realistic.

After all, the big brother's money was not brought by the wind.

But Qin Yu is!

Seeing the excited smile of the little anchor, Qin Yu was in a good mood.

At this time because of 10 super rockets in a row.

More than 200,000 people swarmed into the live broadcast room in an instant.

But it's useless, most of them come to get free Huya.

is also a unified '666 on the public screen. '

After taking the treasure chest and leaving, the group '666' is deducted to save face to the anchor.

Those who stayed also join in the fun, waiting for another wave of gifts by the way.

Ten thousand big guys have to do it again!

"Hello newcomers, everyone."

"I am an almighty anchor who reverts to everything, and pay attention to the ones I like."

"Thank you again, Brother Ye Hurt."

Cheng Xiyu wanted to take the opportunity to attract a wave of popularity.

There are not many, it would be nice to keep dozens of them!

Welcome Count Dark Night God Emperor into the live broadcast room.

is the eldest brother of the little rabbit's family, and is number one on the weekly list.

'Where did the wild dog come from, don't understand the rules of PK, can't afford to steal the tower? '

' Ask your Xiaobai to come out, do you understand the rules? '

'Stealing the little bunny's tower, the little bunny is so cute, how dare you? '

'Where's your little white brother! Run away? '

At this time, the account of Feng Yuye hurting people is still hanging, but there is no sound.

This made the Dark Night God Sovereign affirm that the other party was illusory.

I don't know which petty kid is impulsive consumption, is being beaten up by parents?

'Little anchor, your eldest brother has spent all his New Year's money, right? '

The Dark Night God Emperor thought of it, and it was another wave of ridicule.

The tourists in the public screen were booing again.

I can't brush money, I'm screaming!

Cheng Xiyu was secretly anxious, and said to her heart: won't you really meet a child, right?

She doesn't want to be on the news, she is the protagonist of the mosaic.

If the wind, rain and night hurt people and still don't speak, contact him when the PK is over.

Give him the share he got.

At this time, Qin Yu, who had just watched the Douya Noble System, just cut into the live broadcast room.

Wind, rain and night hurt people: "New Year's money? Do you need Dad to reward you? '

"Brother Ye Hurt is here, welcome big brother!"

Cheng Xiyu was immediately happy.

Brother's confidence in his words, stabilize!

'Little anchor, elder brother didn't leave, you are too real. '

'The happiness of the rich, you won't understand. '

'Little anchor, lick it, it's up to the big brother to take off. '

'I'm afraid it's impossible to just lick, and I have to bear the weight of my brother! '

The fans of the little anchor's house are active.

There is a big brother who speaks with confidence. If you don't have money, you can say a fart to the other person?

'Boy, it's arrogant, let's have another game! '

'Whoever steals the tower is the grandson. '

The Emperor of Dark Night was so angry that he was actually humiliated by a kid.

Isn't it just 10 shots, he can't afford it?

The big deal is to move a little bit, and then I can make up later.

As long as you bring the little bunny to win PK today...

Tomorrow he will be able to output crazy, and he has been waiting for a long time on this day.

Wind, rain and night hurt people: 'Come on, little anchor, connect. '

"Okay, brother!"

The eldest brother's instructions must be listened to, and Cheng Xiyu resolutely took the initiative to connect the opposite side.

The picture of little bunny reappeared, with a cute expression of surprise!

"Miss sister, it's good to hurt your eldest brother at night."

Welcome the big brother to the rabbit's house anytime, and the little rabbit and his family are welcome to sweep the couch. "

"Well, hello." Cheng Xiyu said nonchalantly.

The little rabbit opposite is obviously a high-end tea artist.

Cheng Xiyu finished speaking decisively and started, implying that both parties had nothing to say.

Do it and it's over.

The Emperor of Dark Night also led people to jump back to the little rabbit's live broadcast room.

As soon as he was about to speak, he saw the bright golden light flashing on the public screen.

Congratulations to the emperor for opening the emperor in the drizzle and silent live broadcast room.

'Fuck, you guys? '

'666, this time I hit the iron plate. UU read www.uukanshu.com for 200,000 yuan, which is exciting. '

'Opposite 2T Xiaohuya open the way, Super Fire should be...coming soon. '

Wind, rain and night hurts people and gave the anchor Drizzle Silent a Super Rocket X1, hurry up and watch~~

Wind and rainy nights hurt people and gave the anchor Drizzle Silent a Super Rocket X2, hurry up and watch~~

.....

Wind, rain and night hurts people and gave the anchor Drizzle Silent a Super Rocket X10.

‘Let’s start in super position to show respect. What kind of emperor is on the opposite side, keep up? ’

‘Let’s start in super position to show respect. What kind of emperor is on the opposite side, keep up? ’

‘Let’s start in super position to show respect. What kind of emperor is on the opposite side, keep up? ’

.....

The suffocated water friend jumped into the little rabbit's live broadcast room, and the public screen was instantly swiped.

"Brother Shenhuang, is your brother here?"

Little Bunny called to Big Brother anxiously.

Let Chao Guan mute?

An unfamiliar new anchor like her will only offend others.

The best thing now is to fight back, even if you can't fight, you have to hold on.

As for the wind and rain to hurt people? ? ?

Little Bunny won't do it as long as it's not crazy.

Xiaobai consumes 240,000 in 10 minutes, the emperor in one second.

That is not only the big brother of the anchor, but also the potential big brother of the platform.

Only when my head is overwhelmed, I will go to trouble with Big Brother.

Called the little bunny of the eldest brother for a long time, and what he saw was the news that the emperor was offline.

"Brother Shenhuang has something to do, our family surrendered in this round."

"Brother Ye Shouren, give me some decoction, the little rabbit hurts..."

Little Bunny started to behave cutely for the wind, rain and night, what kind of shameless face.

It's true when you eat it, and the rich is the father!
