

# Start at the Pinnacle of Life

## Chapter 9: What a miracle!

---

Wind and rain hurts people at night: 'I don't have the habit of rewarding beggars. Little bunny, so cute. With tears, two big bowls. '

2 seconds later, the little rabbit's live broadcast room was swiped again.

'There is no habit of rewarding beggars. Little bunny, so cute. With tears, two big bowls. '

'There is no habit of rewarding beggars. Little bunny, so cute. With tears, two big bowls. '

'There is no habit of rewarding beggars. Little bunny, so cute. With tears, two big bowls. '

.....

The little rabbit fell into autism.

The development of the situation does not follow the script at all, and the two poles are reversed.

No money, say Jill!

Cheng Xiyu was still thin-skinned, and said awkwardly: "Our eldest brother speaks straightforwardly, and he is very nice."

Wind and rain hurts people at night: "How am I, you know?" '

'666, my own anchors are all miserable, my eldest brother has a real temperament.  
,

'Is this not a normal operation? Is that your eldest brother? '

'Ah~ the chariot rolls on the face, the little anchor must stand it up! '

'I can't stand it. The eldest brother is so handsome, rich, and humorous. The anchor sister, I'm the thief 6, I'm good at sharing injuries. '

Qin Yu smiled and typed while watching the words kneeling and licking on the public screen.

Wind, rain and night hurt people: "Little anchor, do you believe in miracles? '

Cheng Xiyu gave a startled expression and nodded quickly.

"Believe that it is my miracle to hurt my brother at night."

Since I believe...

'Then, here comes a miracle! '

Congratulations to the emperor for renewing the emperor's fee in the drizzle and silent live broadcast room.

Congratulations on the renewal of Emperor X1 in the drizzle and silent live broadcast room.

Congratulations to the wind, rain and night hurting others in the drizzle and silent live broadcast room to renew Emperor X2.

Congratulations on the renewal of Emperor X3 in the drizzle and silent live broadcast room.

.....

.....

Congratulations on the renewal of Emperor X10 in the drizzle and silent live broadcast room.

'I'm split...the first opening is 200,000, the renewal is 100,000, and the 1.2 million is gone. '

'Before opening Noble, he also brushed 10 super fires, 1.22 million. A suite, woo woo...the moat is inhumane! '

'The little anchor is really about to take off. The popularity is over 8 million, and the big brother is awesome. '

'Big Brother Niu Batch + Mobile. '

'Big Brother Niu Batch + Tee. '

'Is there no toilet flushing at Brother's house?'

'Little brother, I can do the three links, I can learn. '

The emperor of fighting teeth, first opened 200 thousand fighting teeth coins and returned 18 tiger shark wings.

The renewal fee is 100,000 bucktooth coins for January, and the return ratio is still 100,000 tiger shark wings.

minus the 10 super fires that the emperor had previously activated.

There are now 1.16 million tiger shark wings on the .

The wind, rain and night hurt people at this time, in the entertainment sector...

Do not!

is a walking hormone in the eyes of the entire platform anchor.

There is a deadly temptation all over his body!

Wind, rain and night hurt people: 'Go on, take you to fly tonight. '

'There is revenge for revenge, there is resentment for grievance, just point it. '

'666, can you just order it? '

'Little anchor, order a little cocoa, remember how she stepped on you. '

'Beat up the tea master, this revenge must be avenged. '

'You're up to me, the little anchor, what are you afraid of? '

In front of the computer, Qin Yu looking at the phone is also curious.

How will the little anchor choose?

"Don't make a fuss, thank you again, Brother Ye Shangren, we are done randomly."

Cheng Xiyu doesn't know how to listen to dog spectators, so she ran to find someone to avenge her.

Like what they said earlier, 'Little Cocoa. '

is now one of the cards in the entertainment sector of Douya.

There are more than a dozen eldest brothers on the weekly list, and the number one on the list is more than 200,000.

This is only a week.

If you PK with the opponent, plus the water friends' booing.

Who knows how much it will cost in the end?

Besides, Cheng Xiyu thought clearly.

The other party has a union, if the union intervenes.

Take advantage of the situation and step on the night to hurt eldest brother, and increase the popularity of Cocoa.

Isn't it spending money to make wedding dresses for her?

Although the chances are very small, she is more worried that doing so will affect the impression of Yewon.

People who have prevailed and arrogant and domineering at a time often do not end well.

It's hard to get the support of elder brother, Cheng Xiyu will not regard eldest brother as a triumphant son.

‘Little anchor, please give me a little cocoa. ’

‘Looking for me, Sao Ye just waved! ’

‘Is my baby unworthy? The little anchor gave me an order for him, and the eldest brother said what he wanted. ’

Cheng Xiyu didn't even see it, the ghost would order these anchors to PK.

Forget the little cocoa, the other ones are all the most top-notch noodles.

The signing fee alone is tens of millions, which is not too big to watch the excitement.

Cheng Xiyu ignored the water friends who swiped the screen, and the corners of her mouth raised slightly when she watched the lighted screen.

"Come on, we are connected to..."

Little Coco is the cutest!

I'm riding a horse...

The mentality collapsed!

The platform is deliberately messing up, aren't you afraid that the big brother will quit the network after finishing this brush?

‘Haha, ape shit! ’

‘Random? This is very spiritual. ’

‘Puff, I’m on the screen with a mouthful of joy, the system is awesome! ’

'The wounding man is still there, who do you call the Lord? '

'The single father, it's me, it's me, I'm your dog in the game! '

The jungler of the last game is still calling the top dad, wanting to take the opportunity to hug his thighs.

Wind and rain hurts people at night: "Is there a story? '

"Ahem, Miss Drizzle, it's been a long time since we saw each other, I'll give her respect."

As soon as the little Coco on the opposite side connected, he immediately backed up and stood up.

with a strange expression that can't help but smile.

"Hello." Reach out and don't hit the smiley man.

No matter how unhappy, Cheng Xiyu can only hold back this meeting.

On the public screen, love and hatred about drizzle and silence and cocoa are spreading.

simply put.

When Dynasty Entertainment signed Xiao Ke Ke and Drizzle Silently, they can be said to be 'sisters of the same school. '

In the beginning, drizzle and silent development are better than small cocoa.

People are beautiful, they speak ethereal and nice.

Singing and dancing are not so good though. UU reading [www.uukanshu.com](http://www.uukanshu.com)

But Sheng is good at playing games and has a straightforward personality...

After several recommendations from the union, the drizzle and silent rain quickly attracted many older brothers.

At that time, Xiao Keke had a mouthful of "Sister Drizzle" every day, I don't know how cordial it was.

But it didn't take long for the drizzle to greet the eldest brother's hint.

After choosing to ignore.

Little Coco, who is often taken care of by the connection, began to contact the big brothers overtly and secretly.

Drizzle silently saw nothing in his eyes.

After all, Big Brother doesn't just look at one person on the platform.

It is good for the union to hold one more person.

Unexpectedly, Coco stopped broadcasting for a week.

When        came up again, he tried his best to suppress the drizzle without any sound.

not only took all her elder brother away, but even talked directly.

If anyone gives her a gift, don't play with yourself.

stop broadcasting for a week, don't find yourself to play...

goods, fine goods!

This incident caused quite a stir in the Dynasty Trade Union at that time.

The end result was a drizzle and silent retreat, and Coco took off.

'Big brother hurting, this green tea has a strong taste, so I'm afraid that seafood is poisonous. '

'It's more than poisonous. It's been stopped for a week and it's on top. You taste, fine taste...'

'I'm afraid you didn't have a party together? Sea, land and air? '

'Multiplayer sports? '

At this time, Qin Yu was looking at Xiao Keke's information.

Scanning system:

塘心:

Age: 25.

Yan value: 77.

Body: 82.

Freshness: 63.

[Rotten seafood often affects the quality of seawater, please keep your eyes open and carefully screen the host. ]
