

Chapter 494 Kiss Merrick Secretly

Peter sat in his chair, clearly in a bad mood as he watched the video on his phone. He muttered to himself, "It's all over now. Melly's just toying with us."

When Keira returned to Peter's office after Melissa had left, she was visibly upset.

She balled up her fists and glared at her father.

"Dad, I'm starting to wonder if I'm even your real daughter. How could you do this to me for someone else?"

"Keira, please let me explain. I never expected Melly to record that video."

Peter sounded regretful, but he struggled to find the right words to explain himself.

"I don't want to hear it. I don't want to hear it!"

Keira covered her ears and refused to listen to her father's explanation.

"Dad, I'm so disappointed in you!"

Meanwhile, Melissa had left the hospital and was feeling relaxed. She wasn't sad at all. As she gazed at the building where she had worked for so long, she smiled and revealed her pearly whites.

She knew that Peter had probably seen the video by now.

A Maserati pulled up beside her.

Aloys then rolled down the window and said, "Congratulations on your decision, Melissa."

Melissa smiled and responded, "Thank you, Aloys. Thank you for coming

Melissa smiled and responded, "Thank you, Aloys. Thank you for coming to pick me up."

"We all know what you did. The media is talking about you. I think this could be the perfect opportunity for you to enter the Carter family of Tinton."

Aloys got out of the car and opened the passenger door for Melissa.

Melissa grinned and replied, "Yes, as long as I can work for the Carter family, it'll be easy for me to get the antidote. But I'm still worried about Leilany, so I can't leave just yet."

"I'll take care of Leilany for you. After all... It's not easy for you to see Leilany right now."

Melissa forced a bitter smile. "Aloys, I can't hide anything from you. But I don't blame Leilany's mother. After all, Leilany was in a car accident. Every mother would be worried about their own child."

Melissa let out a deep sigh and climbed into the car.

As the vehicle drove away, a woman wearing a large cap emerged from around the corner.

She approached the hospital gate and watched as the Maserati disappeared into the distance.

She wore a strange expression on her face and tightly clutched her phone, which played a video.

"Mommy! You're amazing! You're a real hero, even better than Ultraman!"

As soon as Melissa returned home, Lindsey ran over to her. It was clear that she had seen the news. Merrick stood off to the side, gazing at his mother with admiration.

"Lindsey, I'm not a big hero. I was just doing my best. After all, I'm a doctor, and it's my duty to do this," Melissa said.

Lindsey continued, "Mommy, I want to become a doctor like you in the future. I want to help others."

"I believe you can."

Melissa kissed Lindsey's forehead, and then turned to Merrick, attempting to kiss him. But he quickly dodged away, blushing.

"Mommy, I am a boy, and I don't want that..." Merrick stammered.

Melissa pressed her lips together. "What are you afraid of? You're my child, and I just want to show you some affection."
