

## Chapter 836 Family Order

Several security personnel cautiously advanced, attempting to drive Liam away. However, they were startled by his imposing presence. None dared to initiate an attack.

Disregarding Roberto's words, Liam asked the young man coldly, "Your surname is Murray. What's the relation between Tristan, Nolan, and you?"

The affluent man proudly affirmed, "I'm Klein. Tristan is my uncle, and Nolan is my father. Scared? Too late for that now!"

Liam sneered, "So, you're Nolan's son. Is this how he raised you?"

Initially favoring Nolan, Liam's perception swiftly changed. If Nolan knew the reason, he'd be furious.

Unaware of the gravity of the situation, Klein asked, "That's none of your business."

Klein redirected the conversation, smirking arrogantly. "I'm offering you a chance. Kneel and kowtow thirty times to me. I might consider

showing mercy!"

Liam said coldly, "You're not in a position to address me. Bring your father here. I want to see his reaction to this."

Deriding Liam, Klein jeered, "You're unworthy of meeting my father! You are just a nobody!"

Maintaining a stern demeanor, Liam ceased communication with Klein. He dialed Bowen's number and said icily, "Tell Nolan to be at Oracle Kindergarten within ten minutes. If he fails, I won't hesitate to change who the richest man is in Salem!"

Without waiting for Bowen's response, Liam ended the call.

Klein erupted into laughter, sneering, "What are you pretending to do? Who do you think you are?"

Liam replied coldly, "My name is Liam. You needn't bother remembering it. Nonetheless, it'll soon be etched in your memory."

Remembering something, Klein furrowed his brow after a prolonged contemplation and sneered, "Ah, it's you! Weren't you the former CEO of Kingland Group, the Hoffman family heir? No wonder you're so arrogant!"

In a mocking tone, Klein continued, "But that's all

in the past. The current influential name in Salem is Murray! And you're just a stray dog!"

Nolan, just arriving, heard every word Klein just uttered.

He had fortuitously been attending a nearby property's grand opening, allowing him to rush over promptly.

On his way, Nolan pondered Liam's reason for summoning him. Judging by Bowen's tone, he sensed Liam's displeasure. Klein's words confirmed his suspicions.

Nolan hurried forward and slapped Klein, who was still shouting. "Shut your mouth, you disrespectful brat!"

Klein, oblivious to Nolan's arrival, was shocked and angered. He roared, "Who dares to slap me!"

As Klein spoke, he turned and saw Nolan. His confidence wavered, and his arrogance dissolved. He asked in a quivering voice, "Dad... Why... Why are you here?"

Nolan asked him, "Do you comprehend the trouble you're in, you disrespectful brat? A major one! Didn't you bother to read the family's highest order?"
