

## Chapter 920 What's In The Water

---

After clearing up the false stories spread by Lenny, the top executives from Joy International Media, led by Edward, left the Pearl company.

Lenny, exposed by the executives, felt utterly embarrassed.

Meanwhile, Patty was seething with anger. She turned to Julie and accused her, "Julie, you're supposed to be my best friend. How could you treat my brother like that? You've crossed a line!"

With that, Patty grabbed Lenny's hand, ready to storm out of the office.

Julie, however, just watched them. She had found out about Patty's true color.

It dawned on her that Patty's friendship with her was just a ruse to help her brother Lenny.

Their bond wasn't real at all.

Just as Patty was dragging Lenny out, Liam suddenly yelled, "Stop! You can't just walk out like that!"

Lenny, hearing Liam, shook with fear, remembering his earlier scheme with Baxter.

Lenny, hearing Liam, shook with fear, remembering his earlier scheme with Baxter.

Patty, clueless about the scheme, turned around and snapped at Liam, "Liam, you're out of line! Why can't we leave? Do you think you run the place?"

Ignoring Liam's scolding, she continued to pull Lenny towards the exit.

Liam watched them leave, his expression turning frosty, and then called out firmly, "Carsen!"

Carsen immediately sprang into action, taking control of Lenny.

Liam, picking up the water cup from Julie's desk, walked over to Lenny and confronted him, "Who put something in this water? What's in it? Lenny, I know

something in this water? What's in it? Lenny, I know it's you. What are you up to?"

Lenny's body shook with fear.

Baxter was also on edge, worried his secret would come out.

Despite this, Lenny defiantly retorted, "Liam! What's this about? What's wrong with this water? How's that related to me? I came here to help, and this is how you repay me? Now, you're trying to frame me!"

Hearing her brother's outrage, Patty jumped in, scolding, "Liam! You've gone too far! My brother does everything, doesn't he? Why is it always him you blame? You are a total jerk!"

Patty's harsh words angered Liam. He had had enough of Patty, seeing her as nothing more than a fake friend to Julie. In a swift motion, he slapped her.

A red mark formed on Patty's cheek.

"Shut up! For every extra word you utter, I'll give you a slap!" Liam said.

Patty's hand flew to her cheek after Liam's slap, tears brimming in her eyes. She glanced at Liam, his face set in a firm expression, and a wave of fear washed over her, silencing any further insults.

Liam then turned to Lenny. Despite Liam's intense stare, Lenny remained stubbornly silent.

Liam, suspecting the water had been tampered with, wanted a confession from Lenny's own lips.

With a frown, Liam issued a warning. "So, you won't speak up, huh? Fine! I'll make you and your sister each
