

Chapter 936 Why Did You Come In Person

Upon hearing Ethan's words, Floyd stood frozen, a mask of disbelief draped across his face.

Initially brushing it off as a jest, Floyd hastily apologized, "Director, this joke of yours isn't funny at all. You... "

Ethan's visage turned glacial, halting Floyd's words in a harsh interruption.

"Who do you think you are? Do you think I have the time to joke with you? Are you trying to teach me how to do things? Get lost!"

Witnessing Ethan's genuine ire, Floyd shuddered in immediate fear. Acknowledging he had spoken out of turn and inadvertently offended someone of significance, Floyd's heart quivered with apprehension. He drew back, his countenance revealing a palpable fear.

Observing Floyd, Ethan snorted. "Summon all officers from the Pineview District Sub-Bureau! I don't need to tell you what to do, right? Handle this adeptly, and the Sub-Bureau Chief position will be yours!"

Floyd was ecstatic, grasping this unforeseen opportunity.

This realization prompted enthusiastic nods from Floyd. He immediately assembled the sub-bureau officers, declaring, "Baldwin, chief of Pineview District Sub-Bureau, has taken bribes and misused his power. Ethan from the General Bureau has investigated this! Follow me; let's bring Baldwin to the station for interrogation!"

The officers buzzed with discussion upon hearing Floyd's statement.

After all, Baldwin's arrest was no trivial affair.

As Floyd's words reached Ethan's ears, a slight smile played on his lips, a quiet acknowledgment of Floyd's perceived competence.

Halting the discussions, Ethan decisively declared, "I've confirmed the target location! It's at Villa Number One! Let's move and apprehend Baldwin!"

Inside the villa, both Liam and Baldwin were watching the time.

It was inching closer to the ten-minute mark Liam had forewarned.

Baldwin's face contorted with mockery and disdain as he said, "Liam, your alleged prowess was nothing but a charade. It's nearly ten minutes. Where is your force?"

Liam sneered in response but chose to remain silent.

Suddenly, a formidable contingent of police materialized at the villa's entrance.

At its helm stood Deputy Chief Floyd of Pineview District.

Baldwin's face flickered with a trace of joy at Floyd's arrival. Having experienced Liam's daunting power earlier, the sight of the team offered Baldwin a palpable sense of relief.

Baldwin swiftly advanced, draping his arm around Floyd's shoulder, taunting Liam, "My men arrived swifter than yours! You're speechless now, right? Floyd, instruct our men to escort Liam away!"

Baldwin, after his words, felt assured, already envisioning Liam's impending arrest.

However, Floyd, seemingly oblivious, stood unmoved.

Frowning, Baldwin called out to Floyd again, but Floyd disregarded him, dislodging Baldwin's arm from his shoulder.

Baldwin's expression shifted at this defiance.

Floyd, daring to disobey his directives, rattled Baldwin.

As Baldwin braced to express his displeasure, a faint cough interrupted him.

Turning around, Baldwin found Ethan, the Chief of the General Bureau, behind him.

Spotting Ethan, Baldwin's demeanor immediately shifted, attempting to flatter Ethan. "Chief Hewitt, why did you come in person?"
