

Their Beautiful Strong Queen

Abused by her biological parents and siblings as a small, River ends up being adopted and raised by her Nonna. She grows up with her one uncle being more like her brother.

She's in college to be a chef so that she can work with her Nonna in the diners that she owns. She's made a new life for herself away from her abusive family with many people who love her.

What happens when an encounter with one man ends with her falling in love with four. Will they still want her when they learn about the scars she carries, but mentally and physically. What will happen when she finds out that her family's not who she thought that they were.

And a family member who was supposed to be actually isn't. Come along for the ride with River while she falls in love and discovers who she actually is.
