Chapter 15 Mr. Nine From the Great Ten Gang

Konnor saw her away and lit up a cigarette slowly.

“What a grumpy woman!”

At Dark Dragon Group.

Konnor stood at the door.

He looked at the tablet of the Dark Dragon Group.

Dark Dragon Group was based on Dark Dragon Gang, which was a local gang in Lakebell. It was one of the top three gangs here. So it was powerful here.

As time passed by, Dark Dragon Gang started a company. Yet, the management was the same. They focused on car business, debt collection, money lending, and so on.

Konnor walked in.

In the hall on the first floor sat a long-haired man with tattoos. He was flirting with a young girl at the reception.

They saw a stranger come in.

The big man winked.

A tall man and a short man walked to Konnor. “Bro, what are you doing here?”

“For the debt.” Konnor smiled at them.

The tall and thin man smiled, “Debt collection? Good. We can do that. Let’s go upstairs. I’ll introduce it to you.”

Konnor looked around. “You may have got me wrong. I came to make Jeffery pay the debt.”

The atmosphere became cold.

The long-haired man stood up and walked to him with an ashtray from the counter.

“You look new here. What did you say?”

“I came to make Jeffery pay the debt.”

The man chuckled. “Who is this idiot? Do you know where you are?”

“Yes.”

“How dare you come then? Do you want to die?”

The long-haired man kicked Konnor’s waist.

But Konnor tilted his body to dodge it and then kicked his knees.

The man knelt. Then Konnor hit the man in the face with his knee. The man fell behind with a big bang.

The two men shouted.

They jumped at Konnor.

Konnor kicked them too.

The short man was caught off guard. Konnor grabbed his ear and turned his chin with his finger.

It made him cry in pain.

"Where is Jeffery?"

The short man had fierce eyes. "Shit! Let go..."

Konnor pressed the short man's head and hit him with his knee.

"Where is Jeffery?"

"Let go..."

Konnor stepped on his knee, which made him kneel. Then Konnor kicked his head and knocked him out.

The receptionist was startled.

Konnor took out a candy from the tray on the counter. "Don't worry. I'm a good man. Just tell me where Jeffery..."

"The seventh floor!"

Before he could finish, she answered his question.

The long-haired man tried to stand up when Konnor stepped on his back.

Jeffery was lying in his chair behind his desk. A woman was squatting before him with her head up and down. Jeffery raised the wine glass and took a sip of wine.

Hurried knocks sounded on the door. His right hand, Jacob Escobar, rushed in. “Jeffery, someone broke in!”

Jeffery lost his patience. “Didn’t you see that I was busy? This is my company! Who would break in?”

“He...”

Before he could finish, they heard a bang.

One of their men knocked the door open as he was sent flying. After he landed, he slid to the ground and then hit the desk.

Shocked, Jeffery lost all his passion.

He was mad and took a gun out of his drawer.

“Who dares to break into my territory?”

Something black was sent in.

It fell on the desk.

Jeffery looked at it.

It was a black card.

The card had pierced into the wooden desk.

There were 10 vague figures behind the card.

A red name was on the other side.

Jeffery McKay.

Jeffery saw it.

Then he stood up in shock.

His eyes narrowed.

He shouted in panic.

“Great Ten Gang!”

A horrible gang was named the Great Ten Gang, which was founded by ten big shots.

The initiator was Seth.

In the whole underworld, no one dared to go against the Great Ten Gang.

Jeffery targeted the Great Ten Gang’s business because the Great Ten Gang didn’t have a base in Lakebell and he was powerful in Lakebell.

However, he didn’t expect the Great Ten Gang to come to him so soon.

He took the card out and saw the number.

Jeffery was startled. “Mr. Nine! It’s Mr. Nine!”

Konnor walked in **as** he dusted his suit.

He put on a kind smile at the shocked Jeffery.

“You’re smart. I didn’t expect someone to remember me after years of retreat.”

Seth had some apprentices. Konnor was the ninth one.

He was the only one who had fully acquired Seth’s skills.

People called him Mr. Nine.

He was one of the “Great Ten“.

He was famous for his cruelty.

However, he had disappeared for almost ten years. Many people forgot about him.

Jeffery kicked the woman in front of him away.

He stared in fear at Konnor, who walked in.

Konnor took out a cigarette and a lighter from his pocket. Jeffery hurriedly came over to light up the cigarette for him.

The thick smoke fell on Jeffery’s face.

Jeffery shook on the spot.

Konnor pulled a chair over to sit down and looked at the prostitute who was wiping her mouth. "You are good at having fun."

Jeffery forced a smile. "What can I do for you, Mr. Nine?"

With a cigarette in his mouth, Konnor raised his hand. Then Jeffery put the black card in his palm at once.

Konnor played with his black card. "It's said that you took our goods."

Jeffery shook violently.

"Mr. Nine, just a mistake! It's a mistake!"

Konnor smoked. "How could there be so many mistakes? You should have known this when you did it. I am impressed that you have the guts to take our business."

Jeffery kept shaking as he clenched the gun in his hand.

"Mr. Nine, I can return the goods now."

Konnor played with his black card.

"Black card means death.

"This is the rule. I always follow rules."

With a fierce face, Jeffery raised his hand abruptly and pointed at Konnor's head with

his gun. "Mr. Nine, we're the same! You came here alone. Do you think you can leave alive?"

Jacob took out a knife and pointed it at Konnor.

The black card was turned flexibly in Konnor's hand.

Konnor smiled brightly with the cigarette in his mouth.

"Jeffery, I hate being pointed at by a gun."

"You're dead! **It** doesn't matter!" Jeffery opened his eyes wide and pulled the trigger.

A bang sounded.

At that moment, Konnor's cigarette butt flew out.

It hit Jeffery's wrist.

The heat made him shake.

The gun was moved.

So the bullet flew past his hair.

Konnor jumped up and threw punches at them.

His black card then pierced into Jeffery's forehead.

Blood came out. Jeffery opened his eyes wide and fell.

The sexy woman squatted with her hands on her head, screaming..

Konnor took out the black card.

The red name of Jeffery McKay actually disappeared because of his blood.

Konnor shook off the blood on the card.

He played with the card and looked at Jacob.

“You have two choices.”
