

Stubborn Love Of A Roguish Scion Chapter 1 – Forcefully Possessing Her

Chapter 1: Forcefully Possessing Her

A cold and chilling sensation penetrated the depths of Ye Erruo's heart like a sharp, cold blade. It was as if the king of hell had used a sickle to cut off the soul that was connected to her flesh and body.

Child... Her child...

In a thick pool of blood, a thin and frail body was curled up and shivering. The life in the lower part of her body was slowly draining away. At this moment, a couple who was standing not far away was embracing and kissing each other affectionately.

...

It was a gentle and charming scene in the bedroom.

Luxurious floor-to-ceiling curtains were dancing to the breeze. On the floor, shoes, a tie, a belt, lingerie and stockings were messily scattered around.

"My child..." Hot tears flowed out of the corners of the eyes and the person who was dreaming couldn't stop sobbing.

Mo Jiangye was staring at the person in his arms with a strange look in his eyes. His coarse fingers were wiping the tears in the corner of her eyes and he tightened his arms around her waist.

Suddenly, the person sobbing woke up.

A familiar face that she had not seen for a long time came into her wet and blurry view.

"Oo..." She threw herself into the man's arms and hugged his neck tightly with both her hands. Tears dropped from the furry head buried in his arms, as if they were pearls that did not cost money.

Mo Jiangye's strong and muscular body instantly froze. Never did he expect to receive such a response when she woke up.

After some time, Ye Erruo was finally exhausted from the crying. She leaned on his body listlessly. However, the arms around her did not relax. She was hugging him even more tightly. It was only until she recovered her senses later did she realize that something was not quite right.

“Um... ” Her entire body was aching so much that she had the will but lacked the strength to get up. The body that had just crawled up fell back onto the bed again.

“Mo Jiangye!!!” Strong feelings of disbelief could be heard in her hoarse voice.

The surrounding scene and things in the bedroom were so familiar...

Mo Jiangye turned his body and pressed her down. Clutching her chin, he said coldly, “You wish to marry Lin Jingxuan. Let me tell you. Don’t you even dare to think about it!”

He then flashed a devilish smile. “We will go and collect our marriage certificate today!”

He leaned sideways and she could feel his hot and searing breath on her fair skin. “If you dare to abandon me, I will sleep with you until you’re willing to.”

Upon finishing his words and before she could respond, he intruded her world again.

Since he could not get her heart, he would forcefully possess her body and stamp every inch of her skin with his chop.

“Mmm...” In a daze, Ye Erruo could not help but cringe when a hot and searing weight bore down on her upper body. The digital wall clock was in her line of sight. She was overwhelmed with disbelief. It was now five years ago!

Suddenly, his heart ached and he said cruelly, “Ye Erruo, don’t ever think of leaving me forever. You can only be my woman in this life.”

“M-marry?” They were not married yet?

“Of course!”

“You...”

At this moment, Ye Erruo had to believe that Yama, the King of Hell, did not take her life.

Both of them were still alive. The strangest and most unbelievable thing had happened to her. She was reborn. Reborn to five years ago when she was 22 years old.

All of a sudden, the words of her best pal, Gu Feirou, rang in her ears:

“Ye Erruo, there is no harm in me telling you this now. Right from the beginning, the only woman that Jingxuan loves is me. If not for the sake of using of you to kill Mo Jiangye, Jingxuan will not even look at you for once.”

“Dumb-a*s, don’t you understand now? Ah! Mo Jiangye is so meticulous and careful that no one can go near him. However, he has a fatal weakness, which is you, dumb woman! Jingxuan is the rightful heir who should helm the Lin family. On what basis could Mo Jiangye, an illegitimate b****d picked up from the streets, become the head of the family?”

In order to seize the power, the man whom she was ‘deeply in love’ with joined forces with her best friend and deceived her for many years.

In the end, her child was trampled till death. She stupidly helped them poison her husband, the one who was truly forgiving and doted on her. She destroyed her family and lives were lost...

She once fought desperately to defy Mo Jiangye and wanted to leave him. She hated him for forcing her to marry him and had wanted to abort the child she had with him. D**n, this was such a foolish joke!

Seeing that the person below him was in a daze, Mo Jiangye’s eyes dimmed and he conquered her even more forcefully again...

“Mo Jiangye...” Ye Erruo’s face and ears flushed. A strange feeling arose and she felt so shy that her entire body was pink. All of a sudden, too many memories flooded her brain and she fell into a trance again...

Mo Jiangye had told her that they were going to collect the marriage certificate. If she did not remember wrong, she and Lin Jingxuan had wanted to collect their marriage certificate secretly yesterday.

That was also a day that she had long been looking forward to!

However, halfway through the journey, she was taken away by Mo Jiangye. She remembered distinctly that, in her past life, she lost her virginity on the day that he took her home!

On the following day, she was forcefully dragged to collect the marriage certificate with him.

Ye Erruo lowered her head and looked at herself. Her face was flushed crimson and her skin that was as fair as snow was covered densely with red marks.

Mo Jiangye furrowed his brows. She could still be distracted?

He angrily flipped her body and punished her strongly again.
