

## Stubborn Love Of A Roguish Scion Chapter 13 – Ye Erruo Was An Old Man’s Woman?

Chapter 13: Ye Erruo Was An Old Man’s Woman?

Inside the supermarket:

Ye Erruo pushed the shopping cart with one hand, while she held Mo Jiangye’s hand with the other. Mo Jiangye’s gaze never left their entwining hands along the way. She seemed to be holding onto a big boy. He followed closely behind her.

In fact... she did not know how to c\*\*k. The only dish that she knew how to make was dumplings. In her previous life, Lin Jingxuan loved to eat dumplings so she learned how to make all sorts of dumplings.

They were at the vegetables section. Ye Erruo picked and chose from all the vegetables available. In her previous life, they had spent quite a few years together. Although she hated him, she could still remember the food that he used to eat.

Although she did not know how to prepare most of the food he ate, other people would prepare for him.

“Are we eating dumplings?”

“Yes.”

He would eat anything that she prepared!

“Do you want vegetable dumplings or meat dumplings?”

“Both.”

He was not ceremonious with her.

After picking out the vegetables, Ye Erruo brought Mo Jiangye over to the snacks section, arching her brow as she asked him, “Do you want some snacks?”

“Yes.” His gaze rested on her beautiful features. In fact, he only felt like having her right now!

Ye Erruo pursed the corner of her lips. Was he going to say yes to every food that she asked him about?

She released his hands and picked out a variety of snacks.

Mo Jiangye frowned slightly as she let go of his hands. He fixed his gaze on her small hands.

“We will take these for now. Let’s go.”

She used both hands to push the cart and left. Mo Jiangye’s expression darkened further as he took big strides and caught up with her. He pulled her into his embrace, placing his huge hands over hers and pushed the cart with her.

His musky scent wafted toward Ye Erruo. She turned and knocked into his well-built chest.

Mo Jiangye had no expression on his face as he lifted her chin and planted a kiss on the tip of her nose. He then turned her face to look forward. “Walk carefully.”

Ye Erruo was in a daze. The corner of her lips curled slightly and she pushed the shopping cart with him.

There were a lot of couples and married couples in the supermarket. Like them, the men and women pushed the cart together, while discussing what items to buy. They laughed sweetly and whispered softly to each other. They passed by a lot of couples like that.

“Ye... Ye Erruo?”

Lee Suran who was pushing the shopping cart stopped next to them in disbelief.

Ye Erruo raised her head feeling puzzled. She arched her brow in surprise. It was Lee Suran, her university classmate!

“It’s such a coincidence.” She smiled lightly, her gaze resting on Mo Jiangye.

“It’s such a coincidence.”

“You can go first.” She gave an embarrassed smile.

Ye Erruo nodded, as she pushed the shopping cart with Mo Jiangye and left slowly.

“Come on guys, guess who I ran into?” Lee Suran sent messages excitedly to her classmates, as she followed carefully behind Ye Erruo.

“Who?”

“Who is it?”

“I ran into Ye Erruo.”

“Ye Erruo? Wow! Isn’t she a kept woman? Why would she dare to come out in the public?”

“Seriously?”

Lee Suran sent the photos that she secretly took to the group chat. “Not only did I see Ye Erruo, I saw her sugar daddy as well. He is freaking handsome!!!”

“Handsome? Didn’t Gu Feirou say that Ye Erruo is kept by an old man?”

“D\*\*n, that is indeed Ye Erruo.”

Everyone in the group chat reacted strongly to the message.

“Is Ye Erruo in the group chat?”

One of the classmates said sarcastically, “She is one of the top students. She is the cold and aloof goddess. She could not be bothered to join our group chat.”

“Top student? She did not even finish her studies and she managed to find a rich man and quit school.”

“That’s right. She is indeed capable to cozy up to someone powerful with her good looks.”

“I am jealous. The man is dashing.”

Lee Suran typed quickly, “Do you want a video? I will take a video and show all of you.”
