

Stubborn Love Of A Roguish Scion Chapter 14 – Negative News About Ye Erruo

Chapter 14: Negative News About Ye Erruo

Ye Erruo had no idea that she had a very bad reputation among her classmates and the person who spread the rumor was her closest friend—Gu Feirou.

Erruo was cold and detached during her university days. She was anti-social and she seldom mixed with her classmates. Due to her good looks, she was known as the aloof and detached goddess in school.

She did not complete her studies and suddenly quit school. There were many rumors saying that she was a kept woman and the man was old, ugly and impotent. As he was old, he wanted a companion and he ended up with Ye Erruo...

“Look, this is her sugar daddy.” Lee Suran snuck around and took a video of them.

“He is not old at all!”

“D**n, could it be that Ye Erruo has h****d up with the son of her sugar daddy?”

“It’s possible. Gu Feirou is her best friend. Last time she let it slip that Ye Erruo was an old man’s companion!”

“His son is very eye-catching.”

“Ye Erruo has strong taste. She sleeps with her sugar daddy and has a secret relationship with his son.”

A man was weighing on top of Gu Feirou as she looked at the messages in the group chat. She had a brilliant idea when she clicked the photos in the group chat.

“Bro-Brother Xuan, stop now. I-I have something to show you.” She took a deep breath, one hand on his hair and another hand on her cell phone.

Lin Jingxuan would not let her go. He was not satisfied yet. He could not bear to let her leave.

“Look, who is this?”

Lin Jingxuan who was caught in desire glanced sideways and he grabbed Gu Feirou’s wrist suddenly. “Ye Erruo?”

“And Mo Jiangye. They were shopping in the supermarket.”

The main point was...

They seemed so intimate with each other!

In the past, Ye Erruo would object strongly when Mo Jiangye hugged her, let alone touch her slightly.

Lin Jingxuan's passion seemed to be doused out instantly. He no longer felt like continuing anymore.

"Why are they being so intimate with each other?" He frowned, leaving his battlefield.

Gu Feirou stared intently at the photo. What was Ye Erruo up to?

"She will come out tomorrow and I will ask her about it. She is just a fool. She will not be able to come up with anything. She will be fine after I pacify her. Alright, let's sleep." With that, he took the quilt and pushed her onto the bed to rest.

Gu Feirou felt upset. "Pacify?" Her man had to pacify some other woman. She felt indignant.

D**n!

She could feel the anger boiling inside her.

"Brother Xuan..." She caressed his chest, speaking in a soft and tender voice.

She had wanted to say something else but she realized that the man next to her was fast asleep. She looked through the messages on her cell phone feeling upset. She realized that everyone was praising Mo Jiangye for being exceptional.

Exceptional?

Gu Feirou gritted her teeth. She knew that Lin Jingxuan could not be compared to Mo Jiangye. Lin Jingxuan was inferior to him in terms of looks and temperament but Lin Jingxuan was the real descendant of the Lin family. All their money and properties should belong to him. Mo Jiangye was merely a child that was picked up by the Lin family from somewhere else and he was difficult to get along with. It took her great pains to make Lin Jingxuan like her. She would never allow her belongings to end up with someone else.

Therefore, one day she would take everything back from Mo Jiangye.

By then, she wanted every classmate in her group chat to open their eyes wide and to see that Mo Jiangye was just a nobody. When he no longer had any authority in the Lin family, he would be reduced to nothing.
