### Chapter 21: Her Beauty Only Belonged to Him

Ye Erruo's body froze. She lifted her head and looked at him seriously. "The only person I want to date is you. Lin Jingxuan followed me secretly!"

Mo Jiangye clutched her chin and took a closer look at her pretty face. His expression was sinister and cold. "Really? I will make him infertile."

Ye Erruo avoided his hands calmly. "Okay."

There was a complicated look in his eyes. He was carefully observing her expression but could not find a trace of doubt. Perhaps Lin Jingxuan really looked for her on his own?

Wrapping herself around his strong waist, Ye Erruo found a comfortable posture and hugged him to sleep.

She would not feel any sympathy towards Lin Jingxuan no matter how Mo Jiangye dealt with him.

In his past life, he died young because of Lin Jingxuan. Because of Lin Jingxuan, she personally experienced the life of her child being drained from her womb. He was helpless and could not save her child. It was all Lin Jingxuan's fault that her family of three lost their lives.

This was a total of three lives. So what if he were to become infertile?

In this life, she not only wanted to change her destiny but also make those who hurt her before pay the price.

In her past life, Lin Jingxuan used her to s\*\*\*\*h away the wealth painstakingly accumulated by Mo Jiangye.

In this life, he certainly would not give up on this even if she did not help him.

Above her head, Mo Jiangye's expression was as capricious as the weather. He was caressing her soft and tender long hair.

Her long hair was beautifully styled. The makeup was very beautiful too and her dress was extremely dazzling. However, her beauty could only belong to him. No one should think of looking at it.

He could not help but tighten his hug, wanting to integrate the woman in his arms into his own bones and blood.

Unknowingly, Ye Erruo fell into a deep slumber. She was not sleeping well and her brows furrowed. It was not sure if she was having a nightmare. Her fingers scratched his shirt and caused wrinkles on them.

“Baby...” She murmured softly in a daze.

Mo Jiangye confirmed what she was talking about after listening to it many times. When she called ‘baby’, the temperature in his surroundings dropped to negative degree Celsius.

Baby!

He knew who this was!

Lin Jingxuan!

Unfortunately, he had once heard her called Lin Jingxuan ‘baby’.

This was such an intimate address, an address that was filled with so much love!

Since she cared so much about that man that she could even dream about him, was she really not worried that he would make this man infertile? Could it be that she thought that he dared not touch him?

He was infuriated and could not wait to shake her awake!

After returning home, Mo Jiangye carried Ye Erruo down the car and dashed directly to the bedroom like Rakkhasa, the demon from hell.

The helper beside him dared not even breathe loudly. She quickly made way. This was the forewarning of young master’s ‘mania’ setting off. When it happened, there could not be any living things near him.

In the bedroom, the lights were still turned off. Mo Jiangye threw the person in his arms onto the soft and huge bed. His cold and slender fingers ripped open her collar violently. His sinister eyes were shining coldly. His eyes were jet black and as deep as a wolf’s. His aura was chilling to the bones!

Ye Erruo was dumbstruck by the throw. When she opened her eyes with a puzzled expression, a scorching and firm body was already bearing down on her viciously. There was a piercing pain in her lips and her breathing was taken away suddenly.

Her natural reflex was to struggle with both her hands but he grabbed them and pinned them on her head. A strong and powerful force that could not be controlled invaded her world, stirring the wind and storm.

“Mo Jiangye!!!”

Her dress had been casually slipped over her body earlier. Now, Mo Jiangye had ripped it off with just a few tugs. She could feel his hot, searing and heavy breathing on her cheeks.

He was rough, impatient and furious!

He was exploding with possessiveness. His body was hurting her like a sharp blade, ravishing her.

“This hurts....”

Before she was prepared to accommodate him, Mo Jiangye had already invaded her insides impatiently.

Chapter 22: Let’s Go Back To The Room. My Smile Is Only Reserved For You

Ye Erruo’s face was stark white. Her body felt as if it was being torn apart. She had convulsions and cramps, her breath trembling.

She dug her fingers into his arms as she gritted her teeth. He must be crazy!!!

Mo Jiangye who felt the same amount of pain lifted her chin, his thin lips on her delicate skin as he asked softly, “Who is your baby?”

“This is painful.” She whimpered and shook her head.

“Who is your baby? Mmm?” He remained motionless, burying his face around her neck, as he waited for her to adjust.

Ye Erruo was at a loss for words.

“Y-you are my baby. No, you call the shots.”

Mo Jiangye’s frown vanished suddenly.

“Who is Lin Jingxuan?” He buried his face in her shoulders as he spoke to her in a husky voice.

“Lin Jingxuan? Who is he? I don’t know him.” Ye Erruo had strong survival instincts.

Although it was obvious that she gave him a perfunctory answer, Mo Jiangye still felt happy about it.

He kissed her soft lips, his fingers wandering down her back.

Very soon, Ye Erruo turned as soft as a pool of water. Pain was replaced by pleasure and it dominated her senses. The room was shrouded in a gentle atmosphere.

Mo Jiangye did not make her stay up for too long. Despite longing to spend more time with her, he helped her to wash up an hour later, drying her hair and carried her downstairs for dinner.

On the other hand, Ye Erruo felt upset at his behavior. He had to do something about his mood swings. She could not tolerate his sudden possessiveness of her and his insatiable desire toward her. It was too terrifying.

Perhaps he could sense the resentment of the person whom he held in his arms, Mo Jiangye reproached himself for losing his control. He softened and gave in. “I will not touch you before your body heals.”

Could his words be trusted?

Ye Erruo sighed. What he said did not matter to her.

“I will make good on my words.”

“Let’s have dinner.”

Seeing that she still refused to believe him, Mo Jiangye frowned but did not say anything else. Instead he brought her downstairs to have dinner.

During dinner, Ye Erruo spoke in a soft voice. "I have a classmates gathering the day after tomorrow."

Mo Jiangye sucked in his breath, raising his head to look at her. He noticed that there was a pleading look on her face.

"Mmm?"

"I have to go!"

He tapped his finger on the table. "Alright."

Ye Erruo breathed a sigh of relief. She was about to smile when he said, "You have to come with me when you return."

"Where?"

"You will know by then."

"Okay!"

"You are not to wear short dresses, put on make-up, or wear high heels to your classmates gathering. You have to keep a one-meter distance from male classmates. You are not allowed to speak in length to male classmates." He gave his orders in a deep voice.

"...I understand."

Seeing that she agreed to his orders, there was a strange glitter in Mo Jiangye's eyes. His devilish lips curled up slightly. The helpers by the side couldn't believe what they had just witnessed.

Their young master was never seen smiling. There was no happiness on his face and the word "joy" did not exist in his world. He was usually cold, detached, expressionless, or sinister and terrifying. There was a rumor that he did not smile at all...

"You should smile more often." Ye Erruo propped her chin and watched him intently by the side.

Mo Jiangye's smile gradually vanished.

Ye Erruo reached out quickly, putting her hands at the two corners of his lips to form a smile. "I like it when you smile."

It looked nice, elegant, graceful and handsome!

He held her hand and gazed deeply into her eyes. "You like it? Let's go back to the room. My smile is only reserved for you."

## Stubborn Love Of A Roguish Scion Chapter 23 – Classmates Gathering

### Chapter 23: Classmates Gathering

He held her hand and gazed deeply into her eyes. "You like it? Let's go back to the room. My smile is only reserved for you."

Ye Erruo rubbed her slightly hot fingers over his thin lips. She suddenly leaned over to kiss his lips deeply, before quickly sitting back down, pretending as if nothing had happened and lowering her head to have dinner.

Mo Jiangye concealed his true emotions. He touched his lips lightly, staring dangerously at the woman who sat next to him.

Suddenly, he grabbed and pulled her into his arms. He placed one hand behind her head, pressing her tightly against him, prying open her teeth to take in her sweetness and softness.

The orange soft lights shone on the top of their heads. They basked in soft and romantic colors. Everything around them seemed to have melted in this deep, beautiful kiss of theirs.

\*

The neon lights were resplendent and there was dancing and singing in the background.

"I wondered who organized the classmates gathering this time."

"Who cares. Let's have a good time today."

"That's right. More importantly, I heard that Ye Erruo will be coming today as well."

"Wow, seriously? Ye Erruo? Ye Erruo who is a kept woman?"

Lee Suran came walking over with a glass of fruit juice. "Of course it's real."

Lee Suran clapped her hands to gather everyone.

“Quiet. Everyone be quiet. There is something that I want to tell all of you and that is our former school belle, Ye Erruo will be attending the gathering as well. Let’s do our best to make the school belle feel welcome.”

“Ye Erruo? Ye Erruo is coming?”

“I heard that she is an impotent old man’s kept woman.”

“There’s more to it. Are you in the group chat? Didn’t you see the photos and videos that Lee Suran sent last time? Lee Suran witnessed Ye Erruo with her a man in the supermarket last time. Although she had a sugar daddy, she is involved in a secret relationship with the old man’s son.”

“Oh! C\*\*p! That disgusting? How is she different from a prostitute?”

The classmates talked amongst themselves and they made harsh and ugly comments about her.

“Have you seen any former school belles who lead a happy and blessed life? The saying is very true, all of them lead a licentious life~”

Suddenly, the door to the private room opened and Gu Feirou walked in with an off-white short dress. She put on a brilliant red lipstick and her alluring makeup made her especially eye-catching.

“W-who is this beauty?”

“Isn’t this Gu Feirou? She has grown prettier after a year.”

“Gu Feirou?”

“Hello!” Gu Feirou put on a brilliant smile and greeted everyone.

“Wa~” The whole room exclaimed in surprise.

“It’s really you!”

“Where is Ye Erruo? Didn’t Ye Erruo come with you?”

“She...”

Speaking of Ye Erruo, Gu Feirou’s smile froze and she felt uncomfortable, looking awkward.

“She should be here soon.”

Everyone could tell from her reply that Gu Feirou could not possibly come with her since she did not follow her bad example of being someone’s kept woman.

With that, everyone had a good impression of Gu Feirou. On the one hand, she was pretty and everyone liked pretty ladies, on the other hand, although she was on good terms with Ye Erruo back then, they had gone their separate ways now. After all, Ye Erruo was a promiscuous lady. Everyone would be shamed by being friends with her!

“Waaa! Gu Feirou, isn’t your dress one of MTR’s newest limited editions? There are only two pieces worldwide. One is long and one is short. The royal princess of the United Kingdom has the long dress. Don’t tell me the short dress is with you? I have seen this dress in the magazine.”

Everyone’s gaze fell onto Gu Feirou’s dress. MTR! It was one of the biggest brands in the industry!

Gu Feirou felt very proud of herself. “Yes, my boyfriend gave it to me. He said that I will only look pretty wearing his brand.”

“Boyfriend? His brand? Gu Feirou, don’t tell me that your boyfriend is from the Lin Teng Corporation...”

“Yes.”

“My goodness!!!”

## **Stubborn Love Of A Roguish Scion Chapter 24 – ‘Lin Teng’ Corporation, Her Boyfriend**

Chapter 24: ‘Lin Teng’ Corporation, Her Boyfriend

Everyone in the room could not help but exclaim in excitement.

The Lin Teng Corporation was a powerful corporation. It called the shots in the business industry and was not to be undermined in the military.

If someone was connected with Lin Teng, they didn’t need to worry about their future.

Everyone in the room looked at Gu Feirou with sparkling eyes. They were all trying to please her.

“Gu Feirou, you are very fortunate to have such a good boyfriend. You have such a good life.”

“That’s right. Come and take a seat. Come over here.”

Gu Feirou walked in her high heels haughtily and took a seat on the soft sofa. The people surrounding her kept praising and flattering her.

“We only heard that the president of ‘Lin Teng’ is a legendary person. But we have never seen him in magazines and he always keeps a low profile. No one knows his name and how he looks. Gu Feirou, tell us, what does Lin Teng’s president look like?”

“Yes, what’s his name?”

“I heard that there are two presidents in Lin Teng,” A classmate said softly.

Gu Feirou shot a glance at the classmate. “Yes, there are two presidents. My boyfriend is Lin Jingxuan, while the other president... he was picked up from somewhere by my boyfriend’s family. The Lin family always treats him as their own child, therefore he is able to work in Lin Teng.”

“Oh. I see.”

“He was picked up from a random street. He will never be able to get the power in the family. Feirou’s boyfriend will head Lin Teng!”

“That’s right.”

“Well, Feirou, I will be doing an internship soon. Do you think I can join Lin Teng...”

“Yes, me too, I will be doing an internship soon.”

“Feirou, my father has a business idea in mind, do you think we can discuss it with Lin Teng?”

Gu Feirou felt very pleased at the way her classmates fawned over her.

“You must know that people who work in Lin Teng have masters and doctoral degrees. Half of the talents in Asia work for them. University graduates like you will not be able to intern at Lin Teng. Unless you have special talents or are exceptionally brilliant, there is no hope of working there.” Lee Suran worked on flattering and pleasing Gu Feirou.

“Am I right, Feirou?”

Gu Feirou nodded lightly. “Yes.”

“Besides, do you think Lin Teng will work with other companies that easily? Many big companies are queuing to work with them and to sign contracts with them. Is your family’s company listed? Is it famous?” Lee Suran continued.

“This, this...”

“It’s a pity that we cannot do internships there.”

“Of course, we have Feirou with us. Her boyfriend calls the shots at Lin Teng. If she puts in a good word for us, it is not entirely impossible for you to do an internship there. Is that so, Sister Feirou?”

“Seriously, Feirou?”

“Is that so?”

The disappointment in her classmates’ eyes was instantly covered with hope.

Gu Feirou circled her arms around her chest, leaning back on the sofa, as she made empty promises. “We are after all classmates. I will bring up your requests to my boyfriend. But I cannot promise that he will agree to them. You have to understand that Lin Teng has high requirements for their employees and business decisions.”

These batch of poor people were thinking of joining Lin Teng and working with Lin Teng. They must be dreaming.

“Ah!!! We love Sister Feirou.”

“Great. It is our fortune to have such a good classmate like Sister Feirou. We can bask in her glory!!”

“Hahaha, Sister Feirou, let me toast you.”

“But, you must keep this a secret for me. You must not let others know about my boyfriend and what he does. This is to be kept in the private room. I want to have a simple life.”

“Oh, we understand. No problem.”

“We will definitely keep it a secret.”

“Sister Feirou, you are our lucky star.”

All of the classmates were thrilled! They had totally forgotten about Ye Erruo.

## Stubborn Love Of A Roguish Scion Chapter 25 – Outfit Clash

### Chapter 25: Outfit Clash

“Sister Feirou, aren’t your shoes ‘MTR’ as well? They’re beautiful and the diamonds on it are very sparkly.”

“Of course. Sister Feirou must be wearing ‘MTR’ accessories and clothing,” Lee Suran said proudly, sitting closest to Gu Feirou.

The male classmates had left to sing and drink.

The female classmates sat next to Gu Feirou, sizing her up with envy in their eyes.

“Sister Feirou, your bag, shoes and clothes must have cost at least ten million yuan,” One female classmate asked in envy.

“Ten million yuan?” Lee Suran smirked.

“Sister Feirou’s shoes already cost more than ten million yuan.”

All of her classmates were surprised.

“Sister Feirou’s shoes are limited edition. Her bag and bracelets are limited edition as well. I can tell right away whether you have read ‘MTR’ magazine or not.”

“We can’t afford it... One magazine cost a few thousand yuan. The magazine that features the limited edition goods is even more expensive. We can’t afford it.” The classmates shook their heads in dismay.

Lee Suran puffed up her chest, looking proud. “True. The price of one magazine is enough for all of you to buy several new clothes. It just happens that I have a magazine at home. My father gave it to me as my birthday present.”

“I am so envious.”

“Only a beauty like Sister Feirou gets to use those accessories and wear beautiful clothes.”

“One day if I am able to buy one magazine, I will be smiling in my dreams!”

Everyone kept chattering non-stop, envy evident in their voices.

“Sister Feirou’s boyfriend is so powerful. He has helped ‘MTR’ become well-known.”

“That’s right. There are only a few men in this world who are as handsome and rich as Sister Feirou’s boyfriend.”

Gu Feirou had an elegant smile on her face as she sipped her fruit juice quietly, enjoying the envious stares and flatteries of her classmates.

“Sister Feirou, your boyfriend must love you very much.”

“Fairly okay,” she said modestly.

“Aren’t you asking the obvious? Sister Feirou’s boyfriend must have love her dearly!”  
Lee Suran glared at the classmate.

“I am so envious of Sister Feirou!!!”

“Sister Feirou, if we run into any difficulties in the future, you must help us out. We will be very grateful to you.”

“That’s right. We are classmates. If we need your help in the future, Sister Feirou must lend us a helping hand.”

Gu Feirou smiled coldly. They were a bunch of poor people and yet they wanted her to help them! They should be aware of their own status. How dare they ask her for help!

“Come, Sister Feirou, have some snacks. The hotel is famous for this snack.”

Gu Feirou blocked the snacks using her hands. “No thanks.”

Her dog would not even want to eat this kind of cheap snacks!

“Sister Feirou, how about a song?”

“Yes, we must hear a song from the beauty.”

“One song, one song, one song!”

Everyone in the private room was cheering her on.

“Click~”

The door to the private room was pushed open. Ye Erruo came in wearing a long off-white dress that covered her knees. Her thick black lustrous hair and her natural complexion without any makeup made her look especially neat and refreshing. She seemed graceful and elegant like the noble ancient Jiangnan ladies.

Everyone in the private room had their attention on the door.

“Ye Erruo?”

The room turned quiet all of a sudden. Someone had turned off the music as well.

Gu Feirou was the first to come back to her senses. “Ruoruo, you are here?”

“T-their dresses...”

Someone made a comment and everyone looked toward Gu Feirou and Ye Erruo. They could tell that their dresses were of the same design.

Ye Erruo frowned. Outfit clash?? She should not have given her that dress. Several days ago, she still treated her as her closest friend and that was why she gave this dress to her. Now that she saw her in the dress, she felt so disgusted that she felt like vomiting!!

She had given her many dresses. Why did she wear this one out of all of them?
