Chapter 26: MTR Was Specially Created For Her

“Isn’t that the limited edition long dress that was supposed to be with the royal princess from the United Kingdom?”

“D**n, is Ye Erruo wearing an imitation of the dress?”

“There is no imitation of ‘MTR’ goods in the market. No one dare to imitate it...”

The classmates whispered among themselves.

Ye Erruo arched her brows. “MTR” was the brand that Mo Jiangye created specifically for her. How could her dress be an imitation? Humph!

Gu Feirou had a guilty conscience. She stood up immediately. “Xiao Ruo, come over here to take a seat. I thought you would be coming over later.”

Ye Erruo revealed a mysterious smile and walked over.

“Ye Erruo, your dress...”

“Today is our class gathering. Why are you talking about her dress? Xiao Ruo’s dress is very pretty,” Gu Feirou said unhappily.

“Yes, it’s pretty. Hahaha...”

Lee Suran had a fake smile. It must be a coincidence. Ye Erruo’s dress only looked similar to Gu Feirou’s dress. It was not “MTR” or an imitation of “MTR”.

The atmosphere in the private room was awkward. Everyone looked at each other, not knowing what to say.

“Ha, well, Ye Erruo did not even finish her university studies. What are you doing now?” One male student asked pesteringly.

The question piqued the curiosity of all her classmates. They had evil intentions as they stared intently at Ye Erruo, waiting for her answer.

Ye Erruo stroked the strands of hair at the side of her ears. She smiled but kept quiet.

Since she was silent, everyone was all the more certain that she was a kept woman. She must be embarrassed to speak of her indecent job.

“Back then, you were the sought after school belle! Do you have a boyfriend now?” Lee Suran continued to ask.

Ye Erruo glanced at Lee Suran. She had run into her at the supermarket a few days ago.

“Today is the classmates gathering. Why are all of you interested in my private life?”

“Alright. Xiao Ruo is right. Today is our class gathering. Why are all of you concerned about her private life?” Gu Feirou pretended to be the good guy as she blocked the question for her.

All of the classmates, particularly the female classmates looked disdainfully at her. There were some who were jealous of her.

“Ye Erruo, you have a good complexion. How did you maintain it?”

“Perhaps you swallowed a lot of sperm? I heard that sperm is better than cosmetics in maintaining a good complexion.”

“Hahahaha...”

“Poof~”

Everyone laughed mockingly!

“How can you say such things?” Lee Suran berated them, but there was a smile in her eyes.

“C**p, since you are a prostitute, stop pretending to be pure and chaste~”

Ye Erruo had a slight smile on her face, but there was coldness in her eyes. It seemed that Gu Feirou had already mingled well with them. She must have smeared her reputation behind her back.

“Ye Erruo, don’t tell me you really swallow? How does it taste? Share with us.” One of the female classmates laughed with contempt in her eyes.

“What are you talking about!!” Gu Feirou pretended to blush red with embarrassment, feeling furious.

“Well, Sister Feirou, we are only asking out of curiosity.”

“Xiao Ruo, ignore their nonsense. Don’t be angry.” Gu Feirou pretended to be nice.

“Of course not.” She continued to maintain a smile.

“I will go to the washroom,” Gu Feirou said.

“Go ahead.”

Gu Feirou stood up and shot a dirty look at Lee Suran before she left.

It was noisy in the private room. All of the classmates crowded around Ye Erruo.

“Ye Erruo, how much do you charge for a night?” One of the male classmates had too much to drink and he sat down next to her, placing his hands on Ye Erruo’s shoulder, casting lecherous glances at her chest.

The woman was a beauty. She deserved to be the school belle back then!

Ye Erruo shrugged the lecher’s hands off her shoulders.

“Hey, Ye Erruo, you should know what’s good for you.” The male classmate was angry.

The classmates were waiting to see her make a fool of herself. Lee Suran gave a fierce glance at the male classmate.

“What are you doing!!”

The man retracted his hand reluctantly. He would show her who was the boss later.

“Ye Erruo, today is the class gathering. Sing a song for us. I heard that you used to be very good at singing and your specialty is... What is it again??”

“The two-people Rotation? (Errenzhuan or Two-people Rotation is a local folk dance and song from Northeast China. It usually involves two performers, one male and one female. They sing and dance, using folded fans or square-shaped red handkerchiefs, which are twirled along as the songs are performed, during the dancing portion)”

“Poof, hahaha~”

“Two-people Rotation. Sure, let’s have a two-people rotation.” A few classmates cheered.

Ye Erruo smiled coldly. Gu Feirou went to great lengths to ask her out just to make things difficult for her?

“Two-people Rotation?” She repeated softly.

“Come on. We have prepared everything for you.”

They had already prepared bright red handkerchiefs and dark red headbands.

“Come on, sing a song for us.”

Ye Erruo looked coldly at the props. “Why do I have to sing for all of you?”

Lee Suran was stunned. She cast a glance at the female classmate next to her, who spoke right away, “Ye Erruo, don’t think that we don’t know. You are the kept woman of an impotent old man and you have a secret relationship with the son of your sugar daddy. Since we are classmates, why can’t you sing for us? Compared to the things you have done, it is not shameful to sing. Humph!”

Ye Erruo raised her head to look at the classmate. “Kept woman?”

“I see. You don’t dare to admit what you have done.”

“No one does the Two-people Rotation in KTV. Wang Fang, all of you are too much. Erruo, you can sing any song that you like. This is your punishment.”

Hey, Liu Yang, I know that you had a secret crush on Ye Erruo back then in university. Do you still like her now?”

“Shut up. Wang Fang, what nonsense are you talking about? You know that Ye Erruo is not good at singing but you make things difficult for her. Don’t you think you are being too much?”

Ye Erruo stood up slowly. “Let’s have a singing competition. How about that?”

The classmates were stunned. “What? How do we compete with each other?”

“Those who want to can join in the contest. We will play music randomly. Everyone has to sing for at least 20 seconds for each song. If you sing something wrong or don’t know the song, you have to drink an entire carton of beer. How about that?” Ye Erruo pursed her lips, smiling brilliantly.

“Ye Erruo, are you serious!?”

“Of course, you...”

She swept her gaze over everyone before she spoke coldly, “Everyone can participate.”

“Ye Erruo, you are crazy!!” Liu Yang was anxious.

“Sure, it’s decided. Ye Erruo, don’t you regret it later.”

Ye Erruo was flirting with death. How dare she pretend to be tough with them. Given her poor singing skills, it was already good enough if she could sing one song. They knew her well. Back then, she was the school belle based on her looks. She had no talents.

“Who is participating?”

“Me!”

“Me as well.”

Very soon, Lee Suran formed a team of ten with other female classmates, while the men whistled, watching the fun by the side.

They believed the ten of them would be able to defeat her!!

“The number of songs will be set at one hundred. We have to finish singing one hundred songs. Whoever cannot sing the song or remembers it wrong will have to drink one carton of beer. Ten of you are one team and that will be ten cartons. After one hundred songs, the loser will take the punishment. What do you think?” Ye Erruo said calmly.

Sure, Ye Erruo, that’s what you said.”

“Mmm, we will drink beers as punishment. Six bottles for one carton.”

“Ten bottles for a carton.” They were certain that Ye Erruo would definitely lose.

Chapter 28: Singing and Drinking Beers

“Ten bottles for a carton.” They were certain that Ye Erruo would definitely lose.

Ye Erruo smirked. “Sure, ten bottles for a carton.”

“Come, let’s sign an agreement. By then, those who aren’t able to finish their beer…”
Lee Suran had a suggestion.

“Those who aren’t able to finish their beer have to pay ten thousand yuan to the others for every unfinished bottle to clear their debt. How about that?” Wang Fang said arrogantly.

“Are you sure?” Ye Erruo arched her brows.

“Of course!” All she would have to do was sleep twice with her sugar daddy to clear her debts.

“Okay.” Ye Erruo pursed her lips.

Very soon, they drafted a simple agreement. The classmates who were watching the fun became excited and the atmosphere became heated.

They would make sure to make her suffer for it. Back then, everyone was unhappy that she was selected as the school belle. Today, they could finally get to her.

The music sounded, Ye Erruo and Lee Suran’s team began their contest. There was a pair of devilish eyes from the corner that kept staring at Ye Erruo. He cast lecherous stares at her. His gaze fixed on her with a vulgar smile on his face.

Gu Feirou came back just when Ye Erruo and Lee Suran’s team were in the midst of their contest.

She nodded toward the vulgar man at the corner. His smile brightened.

The songs at the end were more dated and it was more difficult to sing them. But when it was her turn, Ye Erruo could sing them perfectly and she had a unique voice. Lee Suran and her team were furious. They thought that she was bad at singing!!

Gu Feirou was shocked as well. Since when could she sing so well??

An hour and a half later, all of the one hundred songs were played. Lee Suran and her team felt thirsty after singing continuously. They kept drinking water to ease their throats.

Very soon, the service staff brought many cartons of beer into the room.

“I have made mistakes for two songs and I don’t know how to sing five songs. I have to drink a total of seven cartons of beer. For the songs that you have made mistakes for and don’t know how to sing and if I remember correctly, it is a total of 20 songs. Each of you has to drink 20 cartons of beers,” Ye Erruo said with a smile.

Lee Suran and her team turned pale. They thought that even if they made mistakes or did not know the songs, their number of songs would be fewer than Ye Erruo’s. By then, they could use the number of cartons that they had to drink to cancel with Ye Erruo’s, and they would not need to drink any beer at all, in the end...

Ye Erruo said nicely, “It’s too much for each of you to drink 20 cartons of beer. How about you cancel off with mine? Since we are classmates, one carton of mine can be equivalent to 10 cartons of yours. Seven cartons will be equivalent to 70 cartons. The ten of you will each have seven fewer cartons to drink. Everyone only needs to drink 13 cartons each.”

Lee Suran and her team were silent.

The b***h had the same idea as them!

“Initially, the ten of you had to drink a total of 200 cartons of beer. Now all of you only need to drink a total of 130 cartons. It has been reduced by 70 cartons. Since you are classmates, you can decide if you want to divide them equally, some have more while some have less, or some may not drink any at all. You can decide for yourselves.”

Ye Erruo explained to them and gave them a gentle reminder. “You must finish all the beers, if not you have to pay ten thousand yuan for each bottle of beer.”

“Ye Erruo, you are a b***h!!”

“Don’t be in a hurry to scold me. Just start drinking. All of the classmates are witnesses and we signed an agreement. You are the one who set the rules.”

“You!!”

They were shooting themselves in the foot!!

Lee Suran looked anxiously at Gu Feirou, and she understood and regained her composure the next instant.

“Ye Erruo, there is no need to reduce the number of cartons for us. Let’s drink them together,” Lee Suran said through gritted teeth. She had to make sure that Ye Erruo drank with them.

Chapter 29: Did You Have A Good Time Sleeping With Lin Jingxuan?

“Oh~” Ye Erruo nodded silently, not missing the eye contact between the two of them.

Although Gu Feirou was sitting at an inconspicuous corner, she could sense where she was right away.

Ten people brought out the beers angrily. Since it did not concern them, the other classmates had fun watching them by the side.

“Open all the lids and bring them over,” Lee Suran said.

The other classmates opened the lids of the beer bottle by bottle, lining them up on the table.

“There is no need to open mine,” Ye Erruo said.

She leaned against the sofa, drinking the water to soothe her throat. She was thinking to watch the fun while they drank the beers.

“We must drink them together. Ye Erruo, you have to finish seven cartons of beer tonight! Don’t think of going back on your words.”

“You can rest assured that I will follow the rules.” She had a devilish smile on her face.

“Drink!” Lee Suran placed the open beer in front of Ye Erruo.

“I have an allergy to alcohol. Therefore, you can go ahead and drink them.”

“Ye Erruo, are you thinking of going back on your words and not drinking them!!??”

“One bottle of beer is ten thousand yuan. One carton is one hundred thousand yuan. Seven boxes are only worth seven hundred thousand yuan.”

There were 20 boxes of beer. She did not believe that they would not be bloated after finishing them!! After they started to drink the beers, they would surely think of canceling her seven cartons of beer.

“You!!!” Lee Suran was furious. Did she intend to pay for them?

“Mmm, of course, you can choose not to drink. We just have to go according to the rules.”

“Ha!” Lee Suran smiled in anger.

“You are indeed a b***h and a kept woman, you are very rich.”

Ye Erruo sneered, “I hope that you will watch your behavior.”

“Give us the money first. Seven hundred thousand yuan in cash. Otherwise, we will not drink the beer.”

“Yes, give us the money first, otherwise, we won’t drink beer.”

Seven hundred thousand yuan was not a small amount. They believed that a kept woman would not be able to come up with seven hundred thousand yuan at once.

There was a cold glitter in Ye Erruo’s eyes. “Are all of you going back on your word?”

“No one is going back on their words. But who knows if you are bluffing? You might refuse to drink but you still need to pay the money. Do you take us for fools?”

“We want cash! It has to be cash!” Wang Fang stressed.

They had to see the money for themselves.

“Seven hundred thousand yuan. If she can come up with this money, she must have a pretty strong sugar daddy...”

“I wonder where she got this money from.”

“She could spread her legs and get it.”

The other classmates looked at Ye Erruo and whispered among themselves.

Ye Erruo pursed her lips, a cold expression on her face. “You can drink as you wish. But I have something to do, I have to make a move first. Don’t call me next time when there is a similar class gathering which aims to make things difficult for me, otherwise...”

There was a scary look on her face. “You will definitely regret it. Gu Feirou, I remember that I have several dresses at your place. Go back to tidy up and I will send someone to get them tomorrow. Oh, that includes the dress that you are wearing now. Remember to wash it clean! I will get everything that I left at your place back tomorrow.”

Everyone followed Ye Erruo's line of sight to rest on Gu Feirou who had turned stark white. She sat in shock at a corner, feeling utterly embarrassed as everyone landed their gazes on her.

She had yet to recover herself from what Ye Erruo had just said, widening her eyes in shock.

W-was this person in front of her Ye Erruo?

Why would she treat her that way?

Ye Erruo stood up and walked toward her, a smile on her face, taking the bag in front of her with both hands and throwing it into the dustbin. "I will take this bag back first."

"And..." She lifted her chin with her hands.

"Gu Feirou, did you have a good time sleeping with Lin Jingxuan?"

Gu Feirou was scared stiff. "Y-you knew about it?"

Pa-!! Ye Erruo slapped her face.

She had not taken a sip of beer since she entered the private room. She knew that there was something about the beer. However, there was a burning sensation inside her. She did not touch any of the beer at all! Could it be due to the plain water??

She had attended the class reunion in her previous life...
