

Chapter 41: Ji Sichen, You Have A Beautiful Smile

Soon, the news that “Little Ah Di” was holding a concert was spread across the Internet.

Ye Erruo ate the watermelon while she browsed the Internet. If she remembered correctly, Gu Feirou shot to fame through this concert.

She curled the corner of her red lips into a mocking smile. Well... she would meet her fans in person. If everyone knew in advance that “Little Ah Di” had gone through plastic surgery, then... haha!

Ye Erruo put the half watermelon that was in her arms to a side, staring blankly at the computer. All of a sudden, her eyes lit up. She was thinking of looking for someone!

Ji Sichen!

He was her senior. They once took part in a school performance together and had some interaction. He was a computing genius. He should be doing his internship now. Three years later, he would be poached by the government to become a very powerful hacker, but he accidentally leaked certain information and was shot... She did not know the details. She only remembered that it was reported on the television.

Perhaps it was better to poach him now and she might be able to save his life.

She logged onto Qi E (1. A Tencent open platform for content and information) which she had not used for ages. She dragged someone out from the list and browsed his recent status. She saw a thread half a year ago with a telephone number in it. She wondered whether it would still get through.

Ye Erruo glanced at the cell phone next to her, deciding to make the call.

The call was connected after more than ten seconds.

“Hello, who is this?”

Ye Erruo’s heart was thumping. She was surprised that the call got through. “Is this Senior Ji Sichen?”

The person on the other end of the phone turned silent briefly before answering, “You are...”

“I am Ye Erruo. Senior, do you still remember that we performed in the school play together?”

“Ye Erruo!!?” There was a sudden excitement on the other end of the phone.

“...Mmm, have you graduated? Where are you working now?”

“Why would you look for me all of a sudden?”

Ye Erruo thought for a while before saying, “I wonder if you are free. Can we arrange to meet? I have a favor to ask of you.”

Ji Sichen agreed right away, “Okay.”

Ye Erruo covered her mouth and smiled. "Great!"

She did not expect that Ji Sichen would agree to her invitation right away. She had yet to tell him what favor she was asking of him.

After chatting for a short while, Ye Erruo hung up the phone, with a bright smile on her face. She looked up, gazing toward the door and had a shock.

"W-what are you doing here?"

Mo Jiangye held a cup of water in his hands, leaning against the door. There was a chilling look in his eyes. Ye Erruo had the shivers from his fierce gaze.

"W-what's wrong?"

"Come here."

Ye Erruo did not put on any shoes and walked barefooted toward him.

Didn't he go out? When did he come back? And he was in his house clothes!

"When did you come back?"

Mo Jiangye looked downward at her, lifting her chin with his cold index finger, forcing her to gaze directly into his eyes. "You have a beautiful smile."

Suddenly he squeezed her chin, pushing her to the adjacent wall, encircling one arm tightly around her waist, as he said coldly, "Who was it!?"

Ye Erruo was stunned. Did he overhear the conversation that she had with Senior Ji? How much of it did he overhear? She did not want to hide it from him. However, she was worried that he would forbid her from contacting Ji Sichen after she told him everything. Given his possessive nature, he would not allow her to have too much contact with the opposite gender. She had similar experiences in her previous life. Any man who got too close to her would vanish for no apparent reason. She had found out about this inadvertently in her previous life.

"A former classmate."

"You are lying!!" His sinister and ruthless figure came closer to her. He pressed himself tightly against her. He lifted her up such that she was forced to step onto his soft slippers.

Chapter 42: If You Like It, I Will Give You Another One

Her soft and tender feet were stepping on his thighs. Instinctively, a trace of gentleness streaked across Mo Jiangye's initially cold and aloof eyes. Ye Erruo's heart felt cozy, as if it was surrounded by a ball of soft and warm cotton.

"I didn't lie. It's really a former classmate," She said in a serious manner.

"Man or woman?"

“... Man... Erm...”

Seeing that Mo Jiangye was narrowing his eyes again, Ye Erruo did a ‘U-turn’. “Woman!”

“Please minimize contact!” Mo Jiangye’s eyes dimmed. It was unsure if he believed her words but he did not continue to pursue the matter. He swept her into his arms with his big hands. He had been applying medication on the wounds on her arm and lips and they had fully healed. He had not touched her for more than half a month.

At night, Ye Erruo brought back all the clothes that she had given to Gu Feirou. The only thing that she had not taken back was the gift from her foster mother.

“Young madam, we’ve searched all over the bedroom that you and young master lived in last time.”

“It’s not in the box on the dressing table?” She had clearly remembered putting it on the dressing table. How could it be missing?

“We’ve searched it, young madam.”

All of a sudden, Ye Erruo did not have any appetite for dinner. The gift from her foster mother was not cheap. It was a necklace. She heard from her foster mother that it was inlaid one by one with beads of crystal, jadeite, jade, diamond, and agate and strung together with silver wire. It was in the shape of a peacock feather and had a mysterious feel to it. Anyone who had seen it was astonished by its beauty.

She dared not wear it normally as it was very precious and expensive. She had been storing it in the dressing table. Besides a few designated cleaners who could enter Mo Jiangye and her bedroom, no one else was permitted to go in.

Could it be that the cleaner accidentally took it out? That was quite unlikely. That necklace had been on the dressing table for a long time. After she and Mo Jiangye moved away, no one was permitted to enter their bedroom. How could it be missing?!!!

“What is happening?” Mo Jiangye, who was beside her, saw her frowning and putting down her utensils.

“I need to make a trip back to the old residence of the Lin family. Go with me. I have left behind a very important item there. Sister Zhang went over to look for it today but could not find it.”

“Finish your meal.”

He filled a bowl with porridge and put it before her calmly.

“We’ll eat it after we come back.”

He grasped her wrist with one hand. “Finish your porridge first.”

Feeling helpless, Ye Erruo anxiously gulped down the porridge in two to three mouthfuls. Seeing that she was on pins and needles, Mo Jiangye agreed to ‘release’ her to the old Lin residence.

Upon reaching the old residence, as per what Sister Zhang said, the necklace was lost. Ye Erruo could not find it despite searching for a long time.

“Oh no... Oh no...”

Ye Erruo sighed helplessly. To her, that necklace was a remembrance gift from her foster mother. However, her foster mother had given her quite a lot of things and that necklace was not the only one. However, it was a sheer pity that it was lost. She felt regretful about it.

“What did you lose?”

“A necklace. I placed it on this dressing table. You’ve seen it before.”

“Since it’s lost, forget it. If you like it, I can buy you another one.”

“Forget it. Since we can’t find it, let’s go back.” She turned around and bumped into the firm and strong chest of the man.

When she suddenly lifted her gaze, her nostrils were filled with that bewitching masculine scent on his body. His slightly protruding adam’s apple was right before her. Over her head was his slightly pointed chin and scorching breaths. All of a sudden, Ye Erruo felt a little dazed. Just as she was wanted to push him away quickly, his big hands secured the back of her neck. He led her body backward and she was pressed against the dressing table.

She widened her big and beautiful eyes and looked up. “Mo... Mmm...”

His slightly cold fingers were brushing against her red lips. He made no attempt to disguise the tenderness and dangerous glint in his eyes.

Suddenly, footsteps could be heard coming from the outside of the door. Just as Ye Erruo turned around, she was shrouded in darkness. He had already sealed her pretty lips without any reservation.

Chapter 43: What My Wife Said Is Right!

Ye Erruo could make neither head nor tail with his sudden kisses. He was as domineering as before. He simply pried open her pearly teeth and barged in. Feeling dizzy and dazed from his kisses, she could not hold her smile as she lifted her head to accommodate him.

He was very satisfied with her obedience. The corners of his lips curled up slightly. His hands were hooked onto her slim and slender waist, squeezing and pinching it continuously.

Lin Jingxuan and Gu Feirou were simply dumbstruck when they wanted to enter the room. Wide-eyed, they stood at the doors and stared at the duo who was kissing intensely inside. They were instantly boiling with anger!

Ye Erruo realized that something was not quite right. She opened her eyes and saw the two people standing at the door. She wanted to break away from Mo Jiangye immediately but Mo Jiangye refused to let her go. He continued to draw in her sweetness, his hands holding tightly onto her restless figure. The more she struggled, the more insistent he was.

Right. He did it on purpose. He had long known that Lin Jingxuan was coming up to the room!

This was such a childish man!

She turned abiding and no longer resisted him. Wrapping her hands around his neck, she responded to him affectionately. It was only when the air in her lungs had almost been drawn out by him that he finally released her.

“We’ve kissed so many times and you have not learned how. How dumb can you get?” His indulging eyes were shining brightly. There was helplessness and pampering in his tone.

His scorching palms pressed onto her waist. He suddenly straightened her and helped her stabilize her footing.

“Ah.” Lin Jingxuan scoffed with laughter.

“Who allowed you to come in?” Mo Jiangye asked coldly. He held Ye Erruo in his arms tightly like a beast that was declaring the ownership of his territory. He glanced sideways at the two people in front of him in a proud and arrogant manner. His chilling eyes were bitter and harsh.

“The two of you seldom come back. It is as difficult as ascending heaven to meet both of you.” The sarcasm in his tone was becoming increasingly obvious.

Ye Erruo fidgeted a little in Mo Jiangye’s arms. Blushing slightly, she tried to maintain her calm as she asked, “Why are you looking for us?”

Lin Jingxuan locked his fingers with that of Gu Feirou, lifted them up and said, “Feirou and I will be engaged next month. This is the invitation card.”

Having said that, Lin Jingxuan took out two invitation cards and placed them on the table.

Mo Jiangye raised his brows. His gaze landed on the Lin Jingxuan and Gu Feirou’s hands, which were tightly locked together. He tugged his lips, feeling puzzled.

Lin Jingxuan was staring at Ye Erruo as if he was seeking revenge. He increased the strength of his grip on Gu Feirou’s hand.

“Xiao Ruo, I’m sorry. I’m the one who wooed Jingxuan. I really love him. Now that you already have Mo Jiangye, you won’t blame me for snatching Jingxuan away, right? He was really suffering during the period that he lost you... Now that you have found happiness, we have decided to give you our blessing. We also hope that you can attend our engagement ceremony next month,” Gu Feirou said, looking aggrieved.

Ye Erruo clutched onto Mo Jiangye’s shirt. Lin Jingxuan mistook the hatred in her eyes as anger. Ha. He knew it. If he were to get married with Rouer, she would definitely be filled with regret.

“Xiao Ruo, I was emotionally unstable and was impolite to you previously. If I have made you feel upset, please don’t take it personally. Gu Feirou will be my wife henceforth,” Lin Jingxuan openly declared.

“So, you want me to give my blessings to both of you, this adulterous couple, and wish you a lifetime of happiness?” She made no attempt to hide her sarcasm.

“Xiao Ruo! You!”

“Me? What about me? Don’t worry, I will bring the firecrackers to your engagement ceremony and give you my blessings.” She gave a fake smile. The two of them were really impatient. They had just fallen out with her and were already appearing together openly so soon? How shameless could they get?!

“Hubby, am I right?” She leaned onto Mo Jiangye in his arms submissively.

All of a sudden, Mo Jiangye’s pupils were glistening. His charming and good-looking thin lips curled up in a noble and elegant manner. “What my wife said is right!”

Chapter 44: He Actually Has Coins With Him?

All of a sudden, Mo Jiangye’s pupils were glistening. His charming and good-looking thin lips curled up in a noble and elegant manner. “What my wife said is right!”

Lin Jingxuan’s face darkened and his expression was ugly. He did not want to stay any longer. He shot a vicious glare at Mo Jiangye. He would take revenge and make Mo Jiangye pay for the injury to his lower body.

This adulterous couple. Just wait and see!!

Pulling Gu Feirou’s hand, Lin Jingxuan turned around and left furiously.

Gu Feirou still had an aggrieved look on her face, as if she was the pathetic one who had been bullied right from the start.

It was only when the two went downstairs that Ye Erruo heaved a sigh of relief. She broke away from Mo Jiangye’s hug and held onto his hand tightly. “Let’s go back.”

He was in a good mood and patted her head gently. “Okay.”

He seemed to have understood the great change in her temperament recently.

“Do you feel hungry?” His deep and low voice rang above her head.

“A little.”

Mo Jiangye looked at the watch on his wrist. It was already past eleven o’clock at night. They could go out for supper.

“Why don’t we go and eat baby lobsters?” Her eyes were shining when she spoke.

Mo Jiangye was silent.

After leaving the old residence of the Lin family, Mo Jiangye brought Ye Erruo to the place that she specified.

Although it was already past eleven o’clock at night, it was still crowded and busy at the place selling baby lobsters. The business was good.

Ye Erruo felt satisfied and contented to have finally eaten the baby lobsters that she had longed for. The gloomy feelings in her heart vanished. Mo Jiangye sat opposite her, peeling the lobsters for her one by

one. Ye Erruo was savoring them, her contended face filled with smiles as she stared at the man opposite her.

Infected by her smile, the corners of Mo Jiangye's lips curled up uncontrollably. The two of them were grinning in a silly manner and it was uncertain what they were smiling about.

When Ye Erruo was finishing the meal, she discovered that many people would order some big lobsters to takeaway. They were live ones and much bigger than the lobsters that they were eating.

"Let's bring some home too," Ye Erruo said.

"We don't sell those. You need to catch them." The boss glanced at Ye Erruo.

"Catch them?"

"There." The boss pointed at a place not far away.

When they looked over, they saw a large pool surrounded by many people. Ye Erruo dragged Mo Jiangye and squeezed into the crowd.

It turned out that it was an upgraded version of the soft toy claw vending machine. It had become a machine for catching lobsters. There were even crabs. As long as one inserted a two yuan coin, they would be able to operate the metal claw to catch the lobsters.

This was much more difficult than catching soft toys...

However, there were always lucky ones who could catch them successfully! In fact, many young couples came here to try.

Ye Erruo found two coins from her bag and threw them into the machine to test how the machine operated. Focusing all her attention, she dropped the claw and lifted it up suddenly. Ye Erruo successfully caught a medium-sized lobster.

"Bring the pail over. Bring the pail over." Ye Erruo was thrilled.

Mo Jiangye quietly carried a pail and stood beside her. His eyes were shining and he was staring at her with an indulging and gentle look.

Very soon, the two of them, especially Mo Jiangye, attracted many gazes from the surrounding crowd. Mo Jiangye was tall, strong-built and had a unique charisma. His bewitching and handsome face had already seduced many young ladies' hearts. As he was standing next to the machine now, there were always people who wanted to go near him.

After three tries, Ye Erruo only managed to catch the lobster during the first try. There was a huge, colorful and beautiful lobster in the pool. Ye Erruo had been eyeing it but failed in her two attempts to catch it.

"I ran out of money. Let's go back." Ye Erruo furrowed her brows.

It was not sure where Mo Jiangye got two coins from. "I have money."

Ye Erruo cast a strange look at him. He actually had coins with him?

Chapter 45: Jealous Rage

“Bring it home if you like it.” Mo Jiangye inserted the coin into the machine.

“It is too big. I can’t catch it.”

Mo Jiangye glanced at the huge lobster in the pool, passed the pail to Ye Erruo and operated the machine himself. Ye Erruo stood obediently by his side. “Do you know how to play it?”

“I don’t know.”

As expected, very soon, his skills proved that he really did not know how to play it!

Once, twice, thrice. Mo Jiangye tried a total of five times but did not catch anything. His face turned increasingly darker. Old Liu, the chauffeur beside him, was holding the coins and peeping at his family’s young master from time to time, for fear that his young master would smash the machine in the fit of anger.

“Let’s leave. Mo Jiangye, this lobster is almost bigger than the claw above it. It’s not easy to catch it.”

Mo Jiangye seemed to be in conflict with that lobster. He was determined to catch it!

“... I don’t like that lobster anymore. I like this one. Catch this one for me,” Ye Erruo pointed to the smallest lobster in the pool and said.

Mo Jiangye glanced at the lobster that she pointed at and immediately switched the target to that small lobster.

“You’ve caught it. You’ve caught it. Lift it up. Lift it up.”

Mo Jiangye curled his lips. He moved the machine in his hands swiftly. Just as he was about to throw the lobster into the pail, the claw above it suddenly twitched and the lobster dropped.

All of a sudden, there was a ravaging storm and devastating downpour in Mo Jiangye’s eyes.

“I don’t like any of the lobsters now. Let’s go home. It’s already past one o’clock.”

Seemingly oblivious to her words, he continued to insert coins into the machine and started to target that huge lobster again.

The people surrounding him immediately retreated to a distance at the sight of his cold and fearsome expression. Well... he did not manage to catch the lobster. Did he need to be like that?

Seeing the coins on the plate diminishing rapidly, Old Liu silently made a call. Otherwise, he believed that his young master would throw him into the machine directly if they ran out of coins later.

“W-wow! You caught it. Such a huge lobster.” There was a sudden commotion in the surrounding.

Ye Erruo yawned and looked up quickly. Initially, she thought that Mo Jiangye had caught it. In the end, that huge lobster that she was eying had been caught by someone opposite them.

Under the devouring gaze of Mo Jiangye, a person opposite them walked over with the huge lobster.

“Our family’s young master said to give the lobster to this lady. It’s late. Go back and rest earlier.” The person who walked over was full of smiles.

Ye Erruo raised her voice. “Your family’s young master?”

That man turned his head slightly and looked over. Ye Erruo followed his line of sight and saw an untamed man with an evil charm sitting opposite them. His narrow and long peach blossom eyes had a tinge of naughtiness in them. The black earrings he wore looked strangely dazzling under the bright lights. Upon meeting Ye Erruo’s gaze, he curled his lips mysteriously in a flirtatious manner. He then turned around and disappeared under from the lights.

After that man put down the huge lobster, he smiled politely and left.

Ye Erruo could feel the sinister face of the man beside her even without looking at him.

Bang!

She saw Mo Jiangye break the machine with one smash!

She knew that she could not accept his lobster.

“We.... ” As soon as she turned her head, all her words were stuck in her throat at the sight of his fierce glare.

He grasped her hand, kicked and overturned the pail on the ground. He then pulled her and left in big strides.

“Slower. Mo Jiangye, slow down a little.” Ye Erruo was running as he yanked her along.

Suddenly, she was pressed against the car. “Who is that man?”

“I don’t know him.”

“Why would he give you a lobster if you don’t know him!?!?”

“I really don’t know him.”

“He even smiled at you!?” Mo Jiangye squinted his pair of dangerous eyes and pressed on.

“I... ”

“When did you two know each other?”

Why was it that he was totally unaware?! That damn man flirted with her in front of him. Did he take him for a dead man?

Chapter 46: In Zhuang Ge Residence, Bo Yu Is Back

Ye Erruo sighed heavily. “I already told you that I don’t know him. Don’t you know the people around me?”

Mo Jiangye cold eyes gazed at her. He seemed to have calmed down a little.

“You’re hurting me.”

Mo Jiangye immediately got up and released his grip on her. “You really don’t know him?”

“I don’t know him... Ah...” She yawned lazily. She was feeling exhausted.

Her body slumped and she immediately leaned onto his arms, speaking dazedly, “Let’s go home and sleep.”

Mo Jiangye hugged her. His big hands stroked her soft, smooth, and long hair. The coldness in his eyes gradually disappeared. He was really muddled. As per her words, he had a very clear idea of who she interacted with.

That man was courting for death. Clearly, he was trying to attract her attention!

“Do you want to continue to feed the mosquitoes here?” She said.

Mo Jiangye lowered his gaze and looked at the person in his arms. He then opened the car door and carried her inside. “You’re not allowed to eat lobsters again.”

Old Liu quietly got into the car, holding the lobster caught by Ye Erruo today.

The car headed home steadily. In the car, Ye Erruo fell into a deep slumber in Mo Jiangye’s arms. He hugged her tightly and drew in the fragrance of her beautiful hair. He could not tolerate her looking at other men and could not endure other men looking at her too.

She was his and must belonged to him only. No one should cast greedy eyes on her. There was Lin Jingxuan in the past. No one knew how much patience he had used to abstain from touching her. No one knew how much his heart ached when he saw her being smitten with that man, smiled at him and being good to him. It was as if his bloody heart had been thrown onto the glass splinters and mangled repeatedly.

Now, she had finally changed. He would not give her another chance to like another man.

“Ahchoo!”

Ye Erruo, who was sleeping in Mo Jiangye’s arms, suddenly sneezed. She looked up dazedly. Upon discovering that they were still in the car, she leaned back into Mo Jiangye’s arms, found a comfortable position and returned to sleep. She was holding onto his arm tightly and pressing her face against his scorching arm, opening her red lips slightly and breathing normally.

All of a sudden, Mo Jiangye’s heart melted into a puddle of water. Now, she was sleeping in his arms obediently. Every morning when she woke up, she would be sleeping in the crook of his arms. During the daily afternoon nap, she would also snuggle into his arms. Every day, he would see her first when he opened his eyes after waking up.

It was as if all the good things in the world were before him. He could hug her fearlessly now. He could kiss her and do the most intimate thing with her... The two of them could become one. He could have meals and shop with her. They were behaving like a happy and young married couple. These were things that he dared not wish nor yearn for in the past. It was like a dream.

She was his. Now, this woman completely belonged to him!

Mo Jiangye covered her with his jacket, adjusted her soft and tender body, and carefully hugged her in his arms. He lowered his gaze and stared at her sleeping without blinking an eye. It was as if he could not have enough of watching her.

“Investigate the background of that man thoroughly.”

Mo Jiangye’s deep and low voice slowly resonated in the car that was initially filled with silence.

“Okay, young master,” Old Liu, who was driving the car, replied.

“When is Bo Yu coming back?”

“He’s already back, young master. He just came back today and is now at the Zhuang Ge Residence.”

“Let him handle this matter.”

“Okay.”

The two were speaking in a low voice. The person in his arms did not seem to be affected. Ye Erruo had been sleeping soundly throughout the return journey to the Zhuang Ge Residence.

“Young master.”

In the Zhuang Ge Residence, Bo Yu could not help but clench both his fists when he saw the woman in the arms of his family’s young master...

Chapter 47: Mo Jiangye Is Leaving

“Young master.”

In the Zhuang Ge Residence, Bo Yu could not help but clench both his fists when he saw the woman in the arms of his family’s young master...

This damn woman ran away again, right?

Young master had to chase and catch her in the middle of the night?

She was a femme fatale. This woman had never made young master worry less. Sooner or later, she would cause harm to young master!

Mo Jiangye cast a cold and sideways glance at him in a warning manner. He carried the person in his arms and ascended the stairs carefully.

Bo Yu’s sharp brows frowned. Young master cared too much about this woman!

...

On the next day, Ye Erruo woke up very early. She had arranged a time and location to meet with Ji Sichen.

Just as she was downstairs, she saw someone whom she was familiar with, Bo Yu. He was Mo Jiangye's right-hand man and had been by his side since he was a child. She had forgotten about this important character as he had been out of sight recently. If she did not remember wrong, Bo Yu's status was not ordinary. In her past life, he was elusive and secretive in his whereabouts, always helping Mo Jiangye with things that seemingly involved arms or gunfire.

"Good morning!" Ye Erruo curled her lips and smiled at Bo Yu, who was downstairs.

Sitting on the sofa, Mo Jiangye lifted his eye and looked at her. He drew his brows together. "Come over here."

Ye Erruo obediently went down and headed straight into Mo Jiangye's arms.

Bo Yu, who was beside them, opened both his eyes wide and stared at Ye Erruo without blinking. He was stiff all over.

"You woke up so early today?"

"The people in Star Glory Company requested me to make a trip to the office today. There is most probably something up." She was telling the truth. The Star Glory Company had really asked her to go over today.

"I will be away for a period of time."

"Where are you going?" Ye Erruo turned her head suddenly and asked.

"M City."

"That far? How long will you be gone?"

Mo Jiangye observed her reaction carefully. She was not as happy as he had expected her to be. There was only reluctance. Suddenly, his mood was lifted for some inexplicable reason.

"Two months."

"Two months!? That long?" She raised her voice.

He raised his brows. "Long?"

"Isn't two months considered long?"

"I won't be at home during these two months. You..." He pinched her chin and looked into her beautiful eyes with a serene and deep gaze.

"You have to miss me!"

"Don't you intend to bring me along?" Ye Erruo asked cautiously. In the past, he could not wait to keep her by his side wherever he went. Yet, he did not intend to bring her along on this occasion?

He caressed her long hair. "Wait for me to come back."

Actually, he wanted to bring her along. However, it was inconvenient and inappropriate for her to go to that place.

“You’re not allowed...”

Not allowed to meet Lin Jingxuan or converse too much with other men. You’re not allowed to take another glance at other men, not allowed to leave the house early and come back late.” Ye Erruo listened to his words, knowing what was good for her.

“I will let Bo Yu stay here. Bring him along wherever you go.” He cast a deep and profound gaze at her.

Ye Erruo revealed a mysterious smile and looked at Bo Yu. “Okay.”

Bo Yu’s entire body felt numb and he felt nervous.

He had a hunch that there was something wrong with this woman!!!

Mo Jiangye reached out his hands and turned her head to face him. From the moment she came downstairs, she had been staring at Bo Yu with a smile on her face. What were her thoughts about Bo Yu?

Ye Erruo moved his hand to one side. “When are you leaving?”

“Noon.”

“Noon today?” Ye Erruo’s eyes lit up. Coincidentally, Mo Jiangye caught her red-handed.

His scorching figure suddenly pressed her against the back of the sofa and both his hands were pressing on the top of her head. “During the time when I am away, don’t do anything that you shouldn’t do.”

For example, with Lin Jingxuan... He was worried. He was really worried!

“You... Oo... ”

Before she could finish her words, Mo Jiangye had already devoured her.

Chapter 48: Hello, Young Master, This Woman Has Stirred Up Trouble Again

On the sofa, Mo Jiangye sucked hard on the woman’s sweetness, reaching his hot palm into her collar. Ye Erruo blushed in embarrassment as she stared at him, but he was oblivious to her stares!

When he woke up this morning, he wanted to have her but seeing that she was sleeping soundly, he resisted the urge to wake her up. To his surprise, she woke up quite early today.

Ye Erruo could tell from the dangerous look in Mo Jiangye’s eyes that the situation was getting out of control.

“Mo Jiangye!” She gave a low snarl, she caught sight of Bo Yu who was by the sofa from time to time, and the embarrassed look on his face.

Suddenly, Mo Jiangye carried her into his arms and walked to the second floor, his burning lips never leaving her for a single second.

“Mo Jiangye, it is not safe for me today. Put me down.”

Put her down! Ha!

He bit her earlobe, speaking in a husky voice, "I am not inside."

Bo Yu who stood by the sofa was dumbstruck. He blinked his eyes in a daze, taking a long time to recover. He had only been away for a month, but everything seemed wrong when he was back...

Bang~!!

The door on the second floor was slammed shut. Bo Yu touched his nose, waiting at the same spot dazedly.

A few hours later, Mo Jiangye came down from the second floor, full of spirit and energy. He looked satiated as he walked lazily down the stairs, while buttoning his black shirt. He exuded a different kind of sexy charm with his lazy and satiated devilish look. It felt as if he was suppressing his sensual passion.

He lifted his hands to look at the watch on his wrist as he pursed his lips. "Send lunch upstairs."

"Sure, Young Master." The maid by the staircase replied respectfully.

"Make sure that Young Madam has three meals a day. If she has grown thinner when I am back, I will dock half a year of salary from your pay. If she has grown plumper, I will reward you with a full year salary."

The helper trembled as she replied to him. "Yes, Young Master."

As long as young madam was willing to eat, they would make sure to feed her well and make her put on weight. She would never lose any weight.

Mo Jiangye directed his cold gaze at Bo Yu. "Look after her!"

Bo Yu straightened his back. "Yes!"

Mo Jiangye got onto his private plane ten minutes later, flying off to M City.

Bo Yu stared at the plane in the air as he asked, "Has the meal being sent up?"

"It has already been sent to the madam."

In the room, Ye Erruo collapsed on the huge bed, her head buried in the pillow. The maid silently placed the meal on the table at the room outside the bedroom.

"Young Madam, do you need us to bring the meal..."

"Place it on the table, all of you can leave."

"Okay."

All of the staff left the room after some rustling.

Ye Erruo sat up suddenly, reaching out toward the cell phone by the side.

"Psst~" She frowned at the aches that she felt all over her body.

She felt pain all over her body, particularly near her waist. It was as if all her bones were being pulled apart and reassembled again. It was painful, sore and swollen. She felt uncomfortable everywhere. There was not a single spot on her body that was well. She was in a miserable state. He was too much!

Buzz~ Her cell phone vibrated.

“Hello, Ye Erruo, I am sorry, something cropped up and I won’t be able to meet you today. Let’s meet another time.” She could hear Ji Sichen’s anxious voice on the other side of the phone.

“What’s the matter? What has happened?”

“My mother had a car accident and there is a lot of bleeding. Alright, I will end the call.”

She could only hear the dial tone.

Car accident? Bleeding?

Ye Erruo frowned. Ji Sichen’s family was not well-to-do. Now that auntie was in a car accident, they must need a huge sum of money.

Ye Erruo stifled the physical discomfort that she felt and went down the stairs. “Bo Yu, can you help me unlock the card that Mo Jiangye froze?”

The card contained the dowry that her foster mother gave her!

Bo Yu stared at Ye Erruo. “I am sorry, Young Madam. I have no right to do that.”

Hello, Young Master, as soon as you left, this woman started stirring up trouble!!!

“You are the one who took away the card to freeze it. Why don’t you have the right to unlock it? Who are you lying to?”

Chapter 49: I Need Money, Will You Give It Or Not?

“You are the one who took away the card to freeze it, why don’t you have the right to unlock it? Who are you lying to?”

Bo Yu said in a serious tone with a cold face. “Young Madam, are you trying to unlock the card while Young Master is away, so as to take the money and run away?”

“Unless it is Young Master’s orders, I will not unlock the card.”

Ye Erruo tried to suppress her anger, looking pitiful. “My friend is sick and needs money urgently. Please help to unlock the card. I am using the money to save a life.”

Bo Yu acted as if he had not heard Ye Erruo’s words. “If Young Madam has nothing else to say, I will take my leave.”

“Wait a minute!”

“???”

Ye Erruo was furious. She took out the cell phone and dialed a number. "Stay put while you unlock the card for me."

Bo Yu pursed his lips, with a mocking look on his face. Was she thinking of pleading with his young master to unlock the card? She must be dreaming.

Ye Erruo was boiling with anger at being unable to unlock the card as well as being bullied by him previously. After the call was connected, she said with resentment, "Mo Jiangye, I need money!"

The person on the other side of the phone paused momentarily. "Why do you need money?"

"My classmate's mother is in a car accident and needs money urgently. Will you give it to me or not?!"

"He~" There was a low, husky smile on the other end of the phone.

"If you don't give it to me, today will be the last time that you are allowed to touch me." She snarled.

"I will give it to you!"

Ye Erruo's eyes lit up. She turned the cell phone to speaker mode. "What did you say!?"

There was an indulging and pampering voice on the other end of the phone. "You can ask for any amount of money from Bo Yu."

Ye Erruo glared at Bo Yu smugly. Did you hear it?! You had to give me as much money as I want.

"Today will not be the last time that I touch you. In the future, there will still be many times that I will be intimate with you, many times..."

Mo Jiangye had yet to finish his sentence and Ye Erruo ended the call, with a blush on her face.

Ye Erruo swiped her bangs to a side and said with a straight face. "Butler Bo, let's go to get the money!"

Bo Yu pursed his lips, staring at Ye Erruo as if she was a monster. "How much do you want?"

The young master had agreed to it! He actually agreed to give her money!?!?

"One million." She did not ask for a lot or too little. That was the total amount of money in her card. Her foster mother bequeathed all the properties to her before she left. All she had to do was to transfer the money out from the card.

There was a puzzled look on Bo Yu's face. One million? Why did she need so much money? Could he really give her this amount of money?

Ye Erruo took the cell phone out to dial Ji Sichen's number.

"Hello?" The person on the other end of the phone was impatient and anxious as he answered the call.

"Ji Sichen, do you need money?" Ye Erruo went straight to the point.

Ye Erruo's words felt like timely rain to Ji Sichen who was overwrought at going around to borrow money.

"I have some cash with me. If auntie needs them, you can tell me."

Ji Sichen gripped the phone. "How much money do you have?"

"One million."

One million? It would be enough to tide over the current crisis!

Ji Sichen was agitated. He was about to ask her to lend him the money when he changed his mind.

"Where did you get so much money?"

"This is all the money that my foster mother left me. I don't need it now, since you need the money urgently, you can use it to resolve your immediate problem."

Ji Sichen found it hard to believe. They were not close friends, why would she lend him so much money?

"Actually, I have a favor to ask of you."

Ji Sichen said in a solemn tone, "I will agree to your request. As long as it is within my means, I will definitely help you."

Ye Erruo smiled. "Thank you very much."

A few minutes later, one million yuan was successfully transferred to Ji Sichen's account.

"Ye Erruo, shall we meet tonight?"

"Sure, when are you free?"

"Nine o'clock," Ji Sichen said.

It was half past eight at night. The weather was hot and Ye Erruo put on a simple dress and was getting ready to go out.

"Young Madam, it's so late, where are you going?" Bo Yu appeared unpredictably behind Ye Erruo shocking her.

Hello, Young Master, this woman is not behaving herself. Why did you give her money?!

Chapter 50: Poach Ji Sichen

"I'm going out for a stroll," Ye Erruo said.

Bo Yu nodded. "Okay, I will drive you around."

"Sure." Ye Erruo smiled calmly at Bo Yu.

Bo Yu shuddered slightly. He had been away for about a month and this woman had become very cunning!

A few minutes later, Ye Erruo sat with a black face in the car, she was flanked by two strong bodyguards on the left and two fierce-looking bodyguards on the right. There was a driver in front and Bo Yu sat on the passenger seat.

As he was worried that Ye Erruo would run away again, Bo Yu would look at her through the rear-view mirror from time to time.

“Bo Yu.”

“Young Madam, is anything the matter?”

“Did you tell Mo Jiangye that I went out?”

“No.” He said with a straight face.

The young master had important things to handle now. He would not disturb him, especially when it was regarding this woman. Once he told him, the young master might return if he found out it was anything that was inappropriate. By then, many important businesses would be delayed.

“That’s good.”

Bo Yu cast Ye Erruo a glance before he said lightly, “If Young Madam does anything that is inappropriate, Young Master will be the first to know.”

Ye Erruo reached the place that she and Ji Sichen would be meeting in no time.

“Don’t keep following me around. Stay far away from me. You will scare my friend off.”

“Male friend? Female friend?” Bo Yu asked.

His tone sounded exactly like his boss’.

“Young Madam, you only have five minutes with your male friends, while you can have all the time you want with your female friends.”

Bo Yu added, “Before Young master left, he instructed us not to hinder you from making friends.”

Ye Erruo gritted her teeth. “Female friend.”

“Sure, Young Madam, I will go with you to ascertain it.”

Ye Erruo clenched her jaw in anger. She could not wait to slap him to death. “Wait outside for me for five minutes!”

Bo Yu nodded. “Sure, Young Madam. Please be fast.”

With that, he took out a timer and started counting down to five minutes.

After Ye Erruo turned to leave in a huff, Bo Yu hesitated before he made up his mind to report to his young master.

“Young Madam wore a middle-length dress and flats to meet a male friend at xxxx cafe at night o’clock at night.” After typing the message, he sent it to Mo Jiangye’s private cell phone.

“Be careful on the way back.” Mo Jiangye replied to the message.

She had mentioned to him about this previously. He chose to believe her. She said that she had her own circle of friends and she did not want him to affect her social life.

There was the sound of a new message.

Bo Yu was dumbstruck after reading the message. 'Be careful on the way back?' That's all? Nothing else? Shouldn't Young Master tell him to take the woman and lock her up at home right away? Or like how he used to do in the past to wait for five minutes?

In the past, his young master never trusted the woman to go out by herself. Her free time was only limited to a few minutes. It was impossible for her to go out at night!!!

Bo Yu hesitated before he replied to the message. "Do I bring Young Madam back after five minutes?"

"Make sure to go back home before eleven o'clock. Keep her safe."

Bo Yu frowned deeply at the message in his cell phone. He looked through the last sentence of the message several times.

...

"Are you telling me to be your private detective?"

Ye Erruo drank the fruit juice as she sat opposite to Ji Sichen, discussing her plans with him. "Senior, what are you doing for your internship now?"

Ji Sichen paused briefly before he said, "I am working at a graphic design company."

Ye Erruo shook her head. Why would one of the future top hackers be doing such a job?

"Be my private assistant. I will pay you. I can give you ten thousand yuan for your monthly salary. After I officially debut, I will give you at least fifty thousand yuan monthly." With that, she showed five fingers to him.

"Auntie might need a lot of money for her surgery and you still need to pay off your debts. If you feel that the pay is too low, you can tell me what is your expected monthly salary."

No matter what, she had to poach him to join her!
