

Chapter 51: You Are Not Around, I Miss You

Ji Sichen gazed at Ye Erruo deeply. "Even if you did not give me such a high salary, I would still help you."

It was not only because of his debts, it was also because...

Ye Erruo pursed her lips. "Do you agree to it?"

He lifted his glass of fruit juice and touched her glass. "Yes."

"Ye Erruo, do you have a boyfriend?" He asked out of the blue.

"No."

"I understand." He smiled, feeling relieved.

Ye Erruo drank all the fruit juice in the glass before she said, "I don't have a boyfriend, but I have a husband."

Ji Sichen was shocked. He shook his head, he smiled, not believing a single word that she said.

"The favor that I ask of you is to dig out the photos of Gu Feirou before she had plastic surgery. I want you to make it known to everyone. You can tell me if you need any resources. I will try my best to provide them for you." Ye Erruo sucked hard on the straw to eat the fruit pulp.

"Give me three days. I will try my best."

Ye Erruo placed her palms on the table, looking seriously at him. "I believe you."

Her bright eyes were like the biggest and brightest stars in the sky, shining straight into the depths of Ji Sichen's heart. His heart thumped wildly under her gaze.

"Take down my cell phone number. Add me on WeChat. You can contact me anytime." With that, Ye Erruo gave a QR code to Ji Sichen.

"Alright, it's getting late. If there's anything that auntie needs, you can let me know through Wechat. Oh, by the way, this is my name, 'Little Ah Mei'."

Ji Sichen was astonished. "Little Ah Mei"!!! She was the Internet singer who had become popular recently?

"You..."

"Me?" Ye Erruo was puzzled.

"Nothing!" Ji Sichen stifled the excitement inside. He had underestimated her.

Ye Erruo saw the time on her watch by chance. It was already past the time that Bo Yu had given her. She chatted with Ji Sichen for more than one hour, but he did not dash in to get her. It was rare!

"I will go back first. You better go home as well." With that, Ye Erruo left hurriedly.

By the time she came out, Bo Yu was on the car waiting for her.

“Let’s go home.”

Bo Yu gave the chauffeur a glance and he took the same route, driving them back steadily.

Back at home, it was already midnight when Ye Erruo came out from her bath. She turned and tossed on the bed but she could not fall asleep!!! She kept feeling that there was something missing next to her. It was terrifying to develop a habit. She was used to having someone by her side and to sleep nestled in his arms...

Ye Erruo tossed and turned and switched on the phone to send a message, feeling irritated: “Are you asleep?”

There was the sound of a new message!

Mo Jiangye who was in a meeting frowned as he looked at the cell phone. His frown eased as he noticed the sender of the message: “Not yet.”

Ding~

Ye Erruo started a video call suddenly.

Mo Jiangye glanced at the people around him coldly. “Let’s take a break for ten minutes.”

Everyone was stunned. They stared at each other with an unimaginable expression on their faces.
Break!?

After connecting through the video call, Ye Erruo put the cell phone in position and sat upright. She took a close look at the man in the cell phone. Her eyes shone brightly in surprise!

Military uniform!

Badges that were foreign to her were clipped neatly on both sides of the chest area of the dark blue military uniform. He looked even more solemn and stern in military uniform. He was calm and collected but reserved.

“It’s so late, why aren’t you sleeping?”

“Aren’t you awake as well?” Ye Erruo said softly. she knew that he had a few hidden identities. In her previous life, she had overheard him discussing about army and other related matters with Bo Yu...

“I can’t sleep.” Ye Erruo hugged the pillow and blinked her eyes at the man in the video call.

“I miss you.

You are not here. This is only the first night but I can’t fall asleep.” Ye Erruo pouted deliberately and complained to him.

Chapter 52: Ye Erruo Launches A Game Of Seduction In The Middle Of The Night

“You are not here. This is only the first night but I can’t fall asleep.” Ye Erruo pouted deliberately and complained to him.

Mo Jiangye curled his thin lips, a vague smile on his face. He looked at the woman whose hair was in a mess. He could not wait to take her into his arms and ravish her with kisses.

Everyone by the side could not help but be slack-jawed at the smile on his face.

“I want you to hug me, kiss me and to fall asleep in your arms.” There was a devilish grin in her cunning eyes. She did her best in seducing him, even when she did not know where he was. She had no idea that he was still in a meeting late in the night!

Mo Jiangye’s eyes turned deep and unfathomable... His smile became dangerous as he narrowed his long, phoenix eyes.

Ye Erruo sensed that his demeanor had changed and felt great satisfaction at taking her revenge. Since he put her through so many pains and aches during the day, she would make sure that he suffered as well.

She lay lazily on the bed, breathing in the lingering smell of him on the quilt, as she bear hugged the soft quilt, continuing to seduce him, “You won’t be able to hug me for the next two months.”

Her soft voice reached the hall through her cell phone. Many people who were in military uniform like him were seated on the two sides of the red sandalwood square table. There was an embarrassed look on their faces as they stared in disbelief at the man in front of them who was sitting upright and still. Chief Mo had a woman!?!??

Mo Jiangye tapped his slender index finger on the table. He curled his lips into a devilish grin as he remained silent while looking at the woman in the video. Seducing him? She must be dying to be intimate with him!

Over at the other side, Ye Erruo stretched out her fair finger and poked the man’s cheeks through the cell phone. “Hey, you can’t touch me. You have to practice abstinence for two months. You are so pitiful.”

He would make her pay the price for what she said today.

“Why aren’t you saying anything?”

“Continue.”

“Continue? Continue with what?”

“Continue with what you want to say.” He would make her pay for her actions when he returned.

“Ah~” Ye Erruo directed her sparkling and watery eyes at him, before she yawned loudly.

Very soon, Ye Erruo fell asleep in front of the cell phone. It was as if she felt reassured after seeing him.

The room was dimly lit. The orange lamp by the bedside shone its soft lights onto her snow-white cheeks. Mo Jiangye’s heart turned soft at the mesmerizing sight. He felt as if his chest was surrounded by a ball of warm and soft cotton.

“Report!”

Suddenly, there was a loud and resolute voice coming from the door. Mo Jiangye looked up with daggers in his eyes, glaring at the soldier at the door.

“Leave!” He spoke in a deep and warning voice. He exuded a hostile and dangerous aura.

The person who was there to give a report backed out of the room, looking dazed.

Mo Jiangye took the cell phone with him. “The meeting is dismissed!”

Everyone was shocked.

“It was no wonder that Chief Mo wanted to retire. Was he going back home to get married?”

Pa~ A book came flying toward the person that spoke.

“Shut up!”

“That’s frightening. I could not imagine that Chief Mo would be g-gentle?”

A group of people crowded around with disbelief on their faces as they gossiped about Mo Jiangye.

“We will follow Chief Mo to death!”

Chief Mo had been leading them all this time. They needed to follow in his footsteps.

“Hey, we will follow Chief Mo to go back home to get a wife.”

“Report! Orders from Chief Mo!” Suddenly, one man entered the room.

“What?” The noisy room quietened down right away.

“Everyone is to be fully equipped and to cross the mountain which is one kilometer away at your 12 o’clock direction within three days, and come back in the same route. For those who fail to complete the mission on time, Chief Mo will spar with them personally.”

“Damn!!”

“Goodness! Which b*****d talked about him behind his back?”

Whoosh~ The dozens of people in the room disappeared without a trace within three seconds.

Chapter 53: Enchantress Bar

It was near the end of the month, there were two hot topics in the entertainment industry.

First: “Little Ah Di” was going to hold a concert in person.

Second: “Little Ah Mei” shot to fame with one song, “Swaying In The Wind”.

Every Sunday on the platform, “Little Ah Mei” would do a live-stream at “Enchantress” Bar at eight o’clock at night.

Therefore, “Enchantress” Bar would be fully packed every weekend. The crowd was there not only because of “Little Ah Mei’s” powerful vocals, it was also due to her looks...

The secret owner of Enchantress Bar was Ji Sichen. This was Ye Erruo’s and his safe haven and the person who helped them to open the bar was Bo Yu who pulled a long face every day!

Recently, Bo Yu helped Ye Erruo do whatever she wanted immediately. Mo Jiangye had said that as long as she did not try to run away, he must satisfy all her requests.

Since Mo Jiangye had said so, Ye Erruo told Bo Yu to set up a bar for her.

Bo Yu was in a dilemma for days. He did not know whether or not he should tell young master that the woman had opened a bar and that she performed on stage every weekend, ogled by many men. She wore dresses and put on makeup, dressing gorgeously to sing on stage. It was an unbearable sight.

But he hesitated when he was reminded of what the young master said. The woman complained to the young master that he kept a tight watch on her every day such that she had no freedom at all. If she had no freedom, she would feel like escaping. The young master was worried that she would run away, therefore he ordered him not to keep a tight watch on her. If she really ran away, he would have no use of his legs anymore. He also said that there was no need to give him a report of everything that she did.

He really did not understand what the young master was thinking! The woman was given freedom and the young master doted on her. This was unlike his usual style. Given his possessive nature, it was impossible that he would allow other men to leer at his woman.

Bo Yu had no idea that Ye Erruo video called Mo Jiangye every night. She would say all sorts of honeyed words to please him and to play the coquette to seduce him, coming with all kinds of lies to pacify him. Mo Jiangye had fallen head over heels for her.

Open a bar!? Ha! As long as Bo Yu kept quiet about it, Mo Jiangye who was in M City would never know about it.

Since Mo Jiangye had said that she could do whatever that she liked, she used his words to threaten Bo Yu, warning him that if he ratted on her to Mo Jiangye, she would come up with tricks every day to disappear out of his sight.

Bo Yu was in a pickle!

It was another Sunday:

Gu Feirou had come to the Enchantress Bar early in the late afternoon. She could not believe that “Little Ah Mei” was Ye Erruo.

Gu Feirou gripped the wine glass in her hands, standing by the bar table. It was about five o’clock in the afternoon. The bar was almost fully packed. Wines, drinks and fruits platters were constantly being served to different tables. There was no deafening music, instead the bar played slow and soothing music. People were busy chattering, everyone was here for “Little Ah Mei”.

At the backstage, Ye Erruo was biting on a watermelon while she used the computer. Ji Sichen who was next to her was eating watermelon and using the computer as well. They were having a good time playing computer games with each other!!

Bo Yu stood by the side, with a sullen expression on his face, rolled his eyes at Ye Erruo from time to time.

“Xiao Ruo, one of my friends wants to help out over here.”

“Sure. Bring him here. The bar needs more helpers now.” Ye Erruo had all her attention on the computer screen.

“Okay!”

“Alright, enough of the games.” Ye Erruo threw the mouse to a side, twisting her neck. An “important” figure was coming to watch the fun today. She must be well prepared.

“I have done a check on Gu... something... Rou. I have dug up her past.” Ji Sichen gulped down the beer.

“Look.” He threw several photos onto the table.

Ye Erruo took the photos and curled the corner of her lips...

Chapter 54: Gu Feirou Had Done Plastic Surgery, ‘Little Ah Mei’ Shot To Fame~

Ye Erruo took the photos and the corner of her lips curled into a smile. If she had not been through rebirth, she would not have known that Gu Feirou had had plastic surgery. She discovered her secret by chance. So this was how she looked like before the surgery.

Bucktooth, snub nosed, single eyelids, wry mouth, dark complexion... her plastic surgery was a great success.

But one could still see some similarities between the person in the photo and Gu Feirou.

Ye Erruo looked through multiple photos. She and Gu Feirou were orphans. That was why they got along well with each other back then.

Ye Erruo had a cold expression on her face upon seeing the photo where Gu Feirou carried a baby in her arms. She was not fit to cradle such a fragile and small baby! She had used that pair of evil claws to kill the baby inside her!

“You have done a good job. Make these public after her concert at the end of the month. I will make sure that she is very popular.”

Ji Sichen glanced at Ye Erruo, he did not ask about her personal matters.

“What time is it? Why isn’t Little Ah Mei coming out?”

“Come out! Come out!”

“It is ten minutes to eight o’clock.”

People were getting restless in the bar. They had been waiting anxiously for Little Ah Mei.

Time passed by slowly and as it got closer to eight o’clock, the customers grew more and more impatient.

“Shush~”

All of a sudden, all the lights in the bar were turned off and the music was gone.

“It’s eight o’clock. It’s eight o’clock. She is coming.”

The crowd began to get excited.

“Little Ah Mei, Little Ah Mei is coming.”

“Shhh, quiet, quiet, everyone be quiet.”

It was five minute past eight o’clock:

“Why isn’t she here!! The time had passed.”

“Keep quiet!!!” Someone from the crowd shouted angrily.

Whenever Little Ah Mei performed on stage, she asked that everyone kept quiet!

Right then, there was not a single sound in the entire bar.

There were the clear, beautiful notes of the piano.

A white spotlight shone on the middle of the stage. A lady in a pure white long dress, with her long hair draped over her shoulders stood in the middle of the stage quietly. Her bright red lips were flirtatious and seductive. She exuded a special aura that captured the attention of everyone present and the air in the bar seemed to have paused as well.

Her red lips parted slightly, and her unique and penetrating voice could be heard:

“Time has taught me a lesson

A smile with tears is worth it”

Her voice had an ethereal quality to it, it captured the souls of everyone. They held their breath, sitting down slowly to listen to her beautiful voice.

“Breaking ancient shackles

Memories come flooding back. It seemed as if it only happened yesterday

I have taken countless paths

There is happiness and dejection”

She lowered her eyes, her thick eyelashes curled slightly, the soft lights shone on her snow-white skin and slender frame. One could not help but want to protect this woman.

“I walk on this path

I never cower but maintain a smile

Time is running out and leaving me

I long to keep the memories of yesterday

I want to fly. I want to fly farther away

I want the entire world to see it

I'm just different

A unique flower

Flower blossoms not for the end

But for the journey"

Gu Feirou who was by the bar table widened her eyes in shock. The person who was singing was none other than Ye Erruo!!? Little Ah Mei? She was Little Ah Mei!?

There were thunderous applause in the bar!!!

The warm applause shook the whole bar. Whenever Little Ah Mei was here, she would show a different her to them, giving them a surprise.

"Little Ah Mei, Little Ah Mei... ah~!! She is so beautiful."

Ye Erruo pursed her lips, her eyes sparkling in the dark, her smile was infectious, everyone's heart throbbed at her smile. Time was forgotten in the bar.

"Ooo~ such a mesmerizing smile."

Gu Feirou dug her nails into her palm. The person was none other than Ye Erruo. How was it possible that she shot to fame all of a sudden and took over all the major Internet platforms overnight?

No!

Chapter 55: A Reencounter With That Man In The Lobster Shop

No, this was not Ye Erruo. Clearly, she was not like this in the past. She did not know how to sing last time. She was cowardly, ignorant, and philistine. She was definitely not the woman who was now standing on the stage with a domineering stage presence! She could accept the change in Ye Erruo's attitude and temperament but not her turning into the dazzling woman before her eyes!

"Crap! Isn't that Ye Erruo?"

Someone in the crowd said.

Gu Feirou immediately turned and looked at the person beside her who spoke.

"T-that... That was my classmate, Ye Erruo. Little Ah Mei was my classmate. Ah!!"

"The live-stream today will end here. Those who like Little Ah Mei can look for me at the Enchantress Bar, okay?" Having said that, Ye Erruo faced the camera and made a little heart-shaped sign with her hands.

This almost broke the hearts of those who had been glued to their cell phones. Each time there was a live-stream, it was only a duration of one song and only a few minutes!!!

Additionally, each time Little Ah Mei finished singing a song, batches and batches of fans would turn zealous. They would then head to the Enchantress Bar located in S City after hearing about it.

“Little Ah Mei, the live-stream has ended. Can you sing us a solo again?”

“Right, right! Sing us another solo.”

“Sing one more song! One more song!!” The people in the bar could not wait to jump and scream.

“Little Ah Mei, if you don’t want to sing, give us a smile. That will also do. I want to set your photograph as my screensaver.”

“I want to listen to songs.”

“Give us a smile. Give us a smile!!!”

Ye Erruo’s lips curled into a faint smile. That natural smile seemingly possessed magical powers which could dazzle one’s mind and soul.

“Oh! My goodness! I think I’ve fallen in love.”

“Ah! This is my future wife, my future wife!”

“This is the feeling of being in love. Ah!”

A woman by the side was snapping photographs continuously with her cell phone. Her heart was thumping excitedly.

“First, I’d like to thank everyone for liking and supporting Little Ah Mei. Welcome to the Enchantress Bar. Feel free to request any songs today. From now till 10 o’clock, my time is all yours. You can request any songs that you like.” Ye Erruo took over the guitar. She was sitting on a high stool on the stage, looking very casual and relaxed.

“Wow! So, this is the benefit of coming to the Enchantress bar!??”

“I want to listen...”

Very soon, various song requests could be heard coming from the crowd.

One by one, Ye Erruo sang them without fail. However, she was unaware that her college classmate in the crowd was already in awe and shock. Various kinds of ridiculous rumors and gossip were furiously spreading.

In a dark corner, a pair of beautiful and fair hands was gracefully holding and swirling a glass of red wine. Under the lights, his devilish face looked sinister and dangerous. An evil and dark aura emanated from his eyes as he stared at the woman on the stage in a deep and profound manner.

When Ye Erruo, who was singing, looked up and her gaze incidentally collided with that pair of unusually dark eyes. The man lifted his wine glass and curled his lips at Ye Erruo.

That man in the lobster shop?

Ye Erruo furrowed her brows slightly. It was the man who gave her a big lobster at the lobster shop previously. Why was he here?

She shifted her gaze. Suddenly, she saw Gu Feirou, who looked like she could not wait to skin her alive. The curl at the corners of Yan Erruo's lips widened and she slanted her eyes at Gu Feirou provocatively.

Gu Feirou was so furious that she smashed the wine glass in her hands on the bar top!

She did it on purpose. She deliberately concealed her singing skills in the past. She deliberately chose Star Glory Company and came up with a stage name that was similar to hers. She wanted to set herself against her??

She was simply too naive!!!

Soon after, Gu Feirou unlocked her cell phone and silently typed something. It was uncertain who she contacted. Her anger instantly subsided and she calmed down. She even started drinking, seemingly in a good mood.

Ye Erruo, just wait and see!

Chapter 56: Ye Erruo Had a Spat With Mo Jiangye

Ye Erruo, just wait and see!

She would not have a good ending if she were to be at odds with her.

Two hours later, Ye Erruo came down from the stage. "The session will end here today."

"Ah! Wait a minute. Little Ah Mei. Let's have a drink together. I flew the whole day and rushed here all the way from Q City to see you. Make my trip worth it."

"Drink with us! Drink with us!"

"Exactly. Exactly. My total flight journey is about two days and two nights. Accompany us to have a drink."

At this moment, Ji Sichen came out to manage the situation. "Little Ah Mei is only responsible for singing and not drinking."

"Little Ah Mei, don't leave..."

"H-hey..."

Feeling a little unwell, Ye Erruo retreated backstage. She had sung for a long time today. In the past, she only sang live for thirty minutes. Nevertheless, Gu Feirou's face was pale and contorted with anger today. She had wanted to look at it for a while more. As such, she tried singing many songs with varying styles and her throat felt a little uncomfortable.

It was all thanks to Lin Jingxuan that she knew how to sing. She had once heard him commenting casually that he especially liked a girl who could sing well. Hence, she.... Ha!

So, the girl who he fancied and could sing well was none other than Gu Feirou.

At the thought of those two people, Ye Erruo felt extremely agitated and upset. She took a hot bath and headed home, dumping all the matters in the bar to Ji Sichen.

When she arrived home, the cook had just finished preparing supper for her. At the sight of the sumptuous meal, Ye Erruo's earlier bad mood instantly dissipated. As long as she was at home, the cook would prepare many meals for her. At an interval of every few hours, they would send her various kinds of refreshments and delicious snacks.

Only two weeks had passed and she had put on a lot of weight...

Beep.

At midnight everyday, Mo Jiangye would face-time her. This had already become the designated time for the two of them to have a chat.

"Why are you only taking your meal now?"

"It's supper." Ye Erruo finished her last sip of soup before heading upstairs with her cell phone.

"What happened to your voice?" He knitted his brows.

"I sang too much today." She sighed gently.

Mo Jiangye's deep and profound gaze turned sullen. He suddenly asked, "What have you been doing lately?"

"Singing."

"Where were you singing?"

Feeling a little guilty, Ye Erruo's heart jumped.

"I sang at home previously. I'm singing outside now."

"Outside? Where?"

Ye Erruo felt guilty again. "In the music studio of Star Glory Company."

"Uh... Look at me. Don't you think I have put on a lot of weight recently?" She quickly steered away from the topic.

Mo Jiangye was silent. He stared at her with his unfathomable eyes. His expression was gloomy and sullen.

"Ah.... I'm exhausted today. I'm going to bed. Goodnight." She gave a huge yawn.

"Try to hang up the phone if you dare."

"..."

Under Mo Jiangye's threatening gaze, Ye Erruo could only admit to her doings. She knew that she could not hide it for long! Bo Yu, that traitor, was unreliable.

"Uh.... I've been singing in a bar for a few days."

Suddenly, on the other side of the phone, there was a chilling and sullen glint in Mo Jiangye's sharp and cold eyes.

"Bo Yu owns that bar. I always come home immediately after singing." Teary-eyed, she appeared as pitiful as she could.

"That is our own bar. I am only singing there. In this way, I can get more people to know me. Also, I only go there once a week."

"How many people do you want to get to know you?"

"O-of course, the more, the merrier. Didn't you say that no matter what I do, you won't... "

"You're not allowed to go out from tomorrow onwards. Furious, he gave a stern order.

Bar!!? She actually dared to go to a bar!! So many men would be staring at her everyday!!

At thought of it, Mo Jiangye felt uneasy all over. Had he been indulging her too much recently?

Ye Erruo opened her mouth slightly. In the end, she chose to be obedient. "Alright."

When he saw her agree, Mo Jiangye suddenly felt a little regretful.

"I'll sleep first."

Without waiting for his reply, Ye Erruo immediately hung up the phone.

He forbade her from going out? Fine!

If it were in the past, she would retaliate desperately if he were to imprison her. Now...

Chapter 57: She Was Hit By Negative News

The next day, Ye Erruo listened to him obediently and did not go out. There was a separate music room in the house. Ye Erruo brought her laptop with her and stayed in the music room the entire day.

Bo Yu felt very pleased. He should have told his young master earlier! In that case, the woman would not spend so many days fooling around outside.

Today, Ye Erruo was hit by many negative news on the Internet.

#"Little Ah Mei" deliberately rode on the popularity of "Little Ah Di" to become famous?

#"Little Ah Mei" was in fact one of those ladies in the bar who traded sex for money.

#"Little Ah Mei" only cost five hundred yuan per night.

#"Little Ah Mei" was once pregnant and had a miscarriage.

#The face of "Little Ah Mei" without makeup.

A photo that was using Photoshop was on the headlines.

[One look and one can tell this is not Little Ah Mei's face without makeup. Her mouth is too crooked.]

[I won't allow all of you to spread negative news about my wife.]

[Damn, Little Ah Mei is such a b***h. She is a rumored homwrecker and a prostitute. It is no wonder she shot to fame overnight. She must have been forced to follow the hidden rules of the industry.]

[It's so disgusting. How can she call herself as Little Ah Mei and to imitate Ah Di deliberately. She must be crazy about becoming famous? Humph!]

[Given her abilities and she wants to become famous? Ah Di will defeat her anytime]

[Everyone who spoke badly of Ah Mei in the previous posts are ugly people.]

There were a lot of discussion on the Internet. The fans from both sides were in a heated debate. Many people who watched the fun by the side would join in the debate from time to time.

"Ye Erruo, have you seen the news?"

Ye Erruo who was browsing through the Internet replied to Ji Sichen nonchalantly, "Yes."

"Someone is manipulating the Internet Water Army secretly."

Ye Erruo could tell right away who the person was. "It's easy to tell."

"I am dealing with it now. But there are too many Internet Water Army soldiers, I won't be able to clear the negatives news anytime soon. If this continues, it might be difficult to control it."

"Just let it be."

Ye Erruo typed fervently.

Buzz~

The cell phone by her side vibrated. Ye Erruo glanced at the caller display, curled her lips and muted the cell phone.

Shortly after, the help walked in cautiously. "Young Madam?"

Ye Erruo looked up and threw the cell phone to them. "My phone is running out of battery. The charger is in the bedroom. Charge it for me. Also, I am busy now. No one is to disturb me."

The helper looked at the ribs soup, breakfast, lunch, snacks, fruits salad, cake, milk and more on the table. She frowned slightly in confusion. The young madam had cut down on a lot of food today. Apart from the breakfast and lunch, she did not eat any of the snacks. She only ate half of the lunch.

"Young Madam, are you feeling unwell?"

"No, get out now!"

"We will bring them out and bring new servings of food..."

“No need. There is no need to send dinner to me. I can have all of this. Please bring this food away.”

The helper was startled. What was wrong with Young Madam?

After clearing the table according to Ye Erruo’s request, the helper only left behind a plate of fruit salad and a glass of milk on the table.

“Young Madam, you will be hungry at night.”

“No, I won’t. I am on a diet,” She said softly, fixing her gaze on the laptop.

The helper was thunderstruck upon hearing her words. D-diet? Young Madam had finally put on some weight and yet she wanted to go on a diet?

“Young...”

“Bring the food away.” She walked forward to send the helper out of the room, locking the door behind her.

The helper had no choice but to carry a pile of food in her hands, with a miserable look on her face as she stood dazedly outside the room.

Buzz~

The cell phone rang suddenly.

The helper noticed that it was her young master and she answered it right away. “Y-young Master.”

The person on the other end of the phone paused momentarily. “Where is she?”

“Y-young Madam is on a diet.”

“On a diet!?!?” The person on the other end of the phone gave a low snarl. It was so scary that the helper distanced herself from the cell phone. Oh~The cell phone’s battery was at 90%. How could its battery be running low?

“Get her to answer the phone.”

The helper knocked on the door. “Young Madam, Young Master is on the phone.”

Time trickled by and she had waited for a total of five minutes but no one opened the door for her.

Mo Jiangye was speechless.

“Young Master...” The helper felt like weeping but had no tears.

Chapter 58: How Could She Put On Weight Without Eating?

“Young Master...” The helper felt like weeping but had no tears.

Mo Jiangye pursed his cold lips. Did she intend to keep on ignoring him?

“Young Madam only had breakfast and she didn’t have much for lunch. She doesn’t intend to have dinner today. Young Master, Young Madam has put on some weight, but she wanted to go on a diet all of a sudden. She refused to eat...”

How could she put on weight without eating? If she did not put on weight, they would not be able to have a pay rise!

“Nonsense!!”

The maid shivered. She was at a loss.

All of a sudden the phone call was disconnected. The helper heaved a sigh of relief and cleared the food away.

In the room, Ye Erruo sucked on a lollipop while she played Internet games with Ji Sichen. She was not perturbed about the negative news on the Internet.

“Ji Sichen, I will not be able to go to the bar for the time being. I will leave the bar in your hands. If it is too tiring to run the bar, hire more people to help you.”

“Sure!”

“I won’t be able to do live-stream for now as well. Since I won’t be able to go to the bar for the next few weekends, all the drinks and wine will be sold at a 50% discount. Please help to take care of the businesses.”

“Did something happen to you?” Ji Sichen asked.

“I have some personal matters. I will go back once I have settled them.”

“I understood.”

After playing for a few more rounds with Ji Sichen, Ye Erruo put on the headphones to listen to music. Yesterday, she went to sleep late in the night and today she woke up early in the morning. She felt drowsy as she carried the laptop in a half awake state back to her bedroom. Her original plan was to sleep in the music room. But now that she had her period, she had no choice but to go back...

When it was dinnertime, there was some rustling outside the door and the next second, the maid took the spare key to open the door to the room. Bo Yu looked solemn as he entered the room.

“Young Madam, it’s time for dinner.”

There was no one in the empty music room. Bo Yu took a few minutes to search the entire music room thoroughly and was certain that Ye Erruo was not in the room. He could feel cold sweat breaking out on his back and his pupils constricted in fright. He kept thinking about what Ye Erruo had said to him. She said that she would disappear if he dared to rat on her to the young master.

“Sir, Young Master is on the phone.”

Bo Yu could feel perspiration on his palms. He took the cell phone from the helper, hesitated briefly, took a deep breath and answered the phone.

“Young Master.”

“Has she taken her meals?”

“No.”

Mo Jiangye said coldly, “Pass the cell phone to her.”

Bo Yu clenched his fists and relaxed it slightly as he said, “We have no idea where Young Madam is. But I will search through the house for her again, Once I find her, I will think of ways to make her eat her food.”

“You have no idea where she is!??” Mo Jiangye questioned him, feeling very agitated by his words.

“She s-should be in the living room.” An anxious Bo Yu ordered the help to do a search. They conducted a thorough search of the Zhuang Ge Residence.

Very soon, Mo Jiangye looked through the computer screen to check what was going on at Zhuang Ge Residence. He noticed that everyone moved about with a look of anxiety. It was as if a disaster had struck.

Crack~ Mo Jiangye broke a good quality fountain pen. There was anger and coldness in his eyes.

“The surveillance cameras.” He barked his orders coldly.

Bo Yu immediately got someone to look at the footage of the surveillance cameras at Zhuang Ge Residence.

A few minutes later, a larger number of helpers and Bo Yu finally found Ye Erruo in her bedroom. Everyone heaved a sigh of relief.

“Young Master, we have found Young Madam. She is in her bedroom.”

“Turn on the camera.”

A lot of cameras were set up at all corners of Zhuang Ge Residence. Although he had set up cameras in their bedroom, he did not turn them on.

“Young Master, Young Madam is sleeping.”

Mo Jiangye took a look at the watch on his wrist to check the time. It was only eight o’clock and she was sleeping?

“Wake her up.”

He did not believe that she would be sleeping when there was such a big commotion.

He could see a large bed from his computer screen. There was a small lump on the middle of the bed.

“Young Madam?” Two employees walked up cautiously to pull at Ye Erruo’s quilt.

A pale beautiful face was revealed.

“Call the doctor!” Mo Jiangye yelled suddenly!

Chapter 59: Dysmenorrhea, Coax And Entice

“Call the doctor!” Mo Jiangye yelled suddenly!

The person on the bed huddled together with a hot water bag placed at her abdomen.

Mo Jiangye took a look at the calendar and knew that she was having her period.

Bo Yu thought that something serious had happened to Ye Erruo. He immediately got their private doctor to make a trip to the residence.

“What did she eat today?”

There was a blue sparkling light on Bo Yu’s walkie-talkie. He listed everything that Ye Erruo had eaten that day.

“Foolish woman!!”

Mo Jiangye could not wait to go through the network to strangle her. Didn’t she know that she must not eat cold stuff before her menses?

She had a cold uterus and her condition was quite serious. She must not eat any cold stuff a few days before and after her period. She could not have cold water, fruits and everything that was cold, otherwise she would have bad menstrual cramps.

As he had seen for himself the terrible pain that she had to go through, he would not allow her to have cold stuff a few days before and after her menses and she had not suffered from dysmenorrhea for a long time. Today, she was dressed in a suspender skirt and the air-conditioner was turned on in the room. She did not finish her meals today, instead she finished a plate of fruits and a glass of cold milk!!

“Brown sugar, eggs, raw ginger. Use them to make ginger soup!” He barked his orders harshly.

The helpers hurried to do according to what he said!

“Turn off the air-conditioner!!!” He yelled angrily. The soldiers who were on guard outside the room were scared stiff, they straightened their backs, standing at attention.

The helper covered Ye Erruo with the quilt and turned off the air-conditioner.

Very soon, hot water bags were being placed one after another on Ye Erruo’s abdomen. She was covered with a thick quilt and the air-conditioner in the room was turned off. Beads of perspiration could be seen on Ye Erruo’s forehead. She felt uncomfortable and was in terrible pain.

The freshly boiled ginger soup was served.

Ye Erruo squinted her eyes, looking at the crowd in her room. It was no wonder she felt so warm!! Which devil switched off the air-conditioner in her room??

“Young Madam, drink this and you will feel much better.” The maid placed the brown sugar ginger soup next to her bed.

“Put it down and leave the room.” Ye Erruo felt warm because of the heat. She felt irritated and annoyed. She felt around with her hands for the remote control, wanting to switch on the air-conditioner in the room.

“Put the remote control down!!” Mo Jiangye said harshly.

Ye Erruo looked up. She seemed to have heard Mo Jiangye’s voice.

“Young Madam, the air-conditioner cannot be switched on for the time being. You should drink this while it’s hot.” The helper took the remote control away from her quickly.

Just then, Ye Erruo stretched out a fair and slender arm from under the quilt. Bo Yu lowered his head, bringing the doctor who just entered the room as well as several helpers out of the room, leaving behind two helpers to take care of Ye Erruo.

“Give the remote control to me.” She frowned. She was already in pain due to her menstrual cramps!

“Young Madam, you have menstrual pain. You can’t turn on the air-conditioner.”

Ye Erruo sighed, she had no choice but to snuggle into the quilt again.

“Young Madam, please have this ginger soup.”

“Put it down. I will drink it later.”

The maid was speechless.

“Make her drink it now!” He clasped his fingers, sitting anxiously in front of the computer, looking worried.

He knew her well. She hated the smell of ginger. He had to force it down her throat.

Ye Erruo lifted the quilt to reveal her head. She was certain that she heard Mo Jiangye’s voice.

“Young Madam, you have to drink ginger tea while it’s hot to be effective. You should drink it now.”

Ye Erruo hid her head inside the quilt again. “Ooo~I can endure the pain. It will be better after a while. All of you should leave now.”

“Ye Erruo, come out and drink the soup.”

Ye Erruo heard his voice and tightened her grip on the quilt. She snuggled herself in the quilt, keeping quiet.

Mo Jiangye rubbed the spot between his eyes. He was reminded of her pale and small face.

“Be good. Drink ginger soup.” He could not help but soften his tone.

Ye Erruo snuggled in the quilt, gritting her teeth. There was no need for her to drink the awful soup. She would feel better after a while.

Seeing that she was ignoring him, Mo Jiangye had no choice but to coax and entice her, “If you drink ginger soup, as long as it is not to the bar, you can continue to go to any places that you like.”

Chapter 60: His Concerns, Her Temper

Seeing that she was ignoring him, Mo Jiangye had no choice but to coax and entice her, "If you drink ginger soup, as long as it is not to the bar, you can continue to go to any places that you like."

Ye Erruo rustled under the covers before she stuck her head out from the quilt. She took the ginger soup and endured the smell to finish everything in one go.

The maid was speechless.

Mo Jiangye heaved a sigh of relief, feeling helpless, but he could not help but dote on her.

She still looked stark white and fragile. His heart ached at the sight of her.

"Rest well and don't leave the bed. Don't turn on the air-conditioner as well. Place the hot water bag on your abdomen," he said tenderly.

Ye Erruo's heart warmed at his words. But she refused to back down. She intended to keep ignoring him. If she wanted to sing, she had to act coquettishly...

"Are you feeling better now?"

"Humph~"

Ye Erruo snorted lightly before she snuggled into the quilt again. She was throwing a temper.

Mo Jiangye was speechless.

"Ye Erruo, talk to me."

There was no reply from the small lump under quilt. The maids looked at each other quietly and left the room. "Young Madam, call us if there's anything you need."

Mo Jiangye endured her antics, his blue veins bulged and his voice was hoarse with a tinge of helplessness. "Do you intend to keep on ignoring me?"

Yes! I will continue ignoring you!

Ye Erruo held the hot water bag to herself, her body convulsed from the cramps, she gripped the bed sheets tightly, leaving creases on them.

"I have already allowed you to go out. What more do you want?"

So what if he agreed to her going out? He might become unhappy the next instant and go back on his words. He once said that she could go anywhere and do anything that she liked. But look what had happened? He went back on his words and had no credibility at all. Besides, she not only wanted to have the right to go out, she wanted to go to the bar...

She huddled under the quilt and was full of resentment.

Mo Jiangye pursed his lips. "Are you throwing a tantrum?"

Humph, no one was throwing a tantrum! She was angry now! Very angry!

“Ye Erruo!!” He called her using a cold and solemn tone.

Ye Erruo acted as if she was a caterpillar wrapped in the quilt. She lay motionless, pretending to be dead.

“Don’t you feel warm? Show your head.”

Seeing that she continued to ignore him, Mo Jiangye wrinkled his brows. “I will count to three and you better come out.”

“One.”

There was no movement in the quilt.

“Two!”

There was still no movement in the quilt.

Just when Mo Jiangye’s expression hardened and he was about to count to three, a small head peeked out from the soft and white quilt quietly.

Mo Jiangye’s eyes turned soft instantly. “Are you still in pain?”

Ye Erruo behaved as if she was deaf. She climbed up from the bed and went to the bathroom directly.

Mo Jiangye had a headache!

Right now, he was hoping that she would voice out her unhappiness to him. He would rather that she created a scene with him and to fight it out with him. Instead, she was treating him like the invisible air. He was going crazy at the way that she had been ignoring him.

Since she could get off the bed, it meant that she was no longer in pain and her complexion was much better now.

The dinner was like nourishing tonics for Ye Erruo. She ate her dinner while she stared at Bo Yu who was by the side. There was resentment in her eyes. Bo Yu could not help but have goosebumps.

Mo Jiangye seemed to be very free today. He was watching her through the computer, staring at each and every single one of her movements.

“What are you looking at?” Mo Jiangye propped his chin with one hand while he stared intently at Ye Erruo.

Ye Erruo refused to talk to him, she fixed her gaze on Bo Yu.

Mo Jiangye knitted his brows, feeling displeased. She had been staring at Bo Yu for more than once!

“Get out!”

Bo Yu felt as if he was being acquitted. After finally receiving his young master’s verbal instructions, he quickly exited the room.

Ye Erruo put down her chopsticks after she was slightly more than half full. Mo Jiangye spoke up again. "Finish the rice in the bowl."

She was eating less rice than before!

Ye Erruo curled the corner of her lips. He had been coming up with all sorts of excuses to talk to her this entire day. She had told the maid that she wanted to go on a diet. Therefore, naturally she had to cut down her food intake. She was around 1.67 meters tall. She used to weigh about 45 to 50 kilograms. But she had put on 7.5 kilograms in half a month!!!

She had a lot of fat around her abdomen. Fortunately, she was still able to maintain her figure. People usually had three meals a day, but the cooks prepared six to seven meals a day for her. She was kept busy with eating. She had to lose all the fat! She had to lose it!
