

Submit to the Boss He Rules the Boardroom and the Bedroom

Chapter 432

Chapter 432 Bad Idea

The driver glanced at her somewhat strangely. He didn't say anything, but still stepped on the gas.

Then, the driver frequently looked at Lucia several times through the car's rearview mirror, with defensiveness in his eyes, and thought she was some kind of bad guy.

Sensing the driver's gaze, Lucia took a deep breath and hurriedly put on an indignant look, "Sir, I'm not going to lie, that's my best friend in front of me, I suspect that she's secretly meeting with my boyfriend, that's why I'm following her..."

Hearing those words, the driver then dispelled his suspicions and even comforted Lucia a few times. He stepped on the gas and followed the taxi in front of him at just the right distance.

The taxi drove along two streets in the city center and finally stopped in front of Starlight Plaza. Lucia watched

Tamzin get out of the car and immediately paid the driver before she followed Tamzin.

Lucia was wearing a hat and had deliberately changed her clothes, so even if Tamzin saw her, she wouldn't probably be able to recognize her, not to mention that at the moment, Tamzin was so excited that she was obviously planning to meet someone.

Lucia followed her at just the right distance and watched her walk into a cafe in Starlight Plaza and headed to the second floor.

She deliberately paused for a while before walking up the stairs.

The second floor was filled with table seats. It was not only inconvenient to find someone, but also easy to be exposed to. Lucia stood at the top of the stairs, and was hesitant to go forward. She suddenly saw the figure reflected in the glass and she suddenly stopped where she was.

The woman sitting across from Tamzin not far away was beautifully dressed, and glamorous. It was no one other than Jeanne.

Lucia looked like she was frozen and couldn't move. She looked in that direction and felt the urge to walk over.

"I didn't expect it to be her," she thought.

A few moments later, Lucia came back to her senses and immediately went downstairs. She walked to the front desk, and indeed saw a computer screen next to her with the surveillance video displayed on it.

With a sweep of her eyes, Lucia immediately determined the location.

It really was Jeanne! Tamzin sat across from her with an attentive smile on her face.

Lucia couldn't tell what Jeanne said. Jeanne looked around and took out a card from her bag and placed it on the table.

Tamzin immediately took the card with both hands.

As expected, just as Lucia had expected, it was indeed someone who was causing trouble deliberately! What she didn't expect was that that person was Jeanne!

What good would this do her?

By doing this, Jeanne extended Lucia's work schedule, she and August would meet more often and for a longer time.

What was the point of her doing this?

Meanwhile, Jeanne on the second floor of the cafe looked at the fawning woman in front of her, and a flash of disgust grew in her eyes.

She said impatiently, "Keep your mouth shut, understand?"

Tamzin nodded her head. "I understand!"

Jeanne coldly snorted, not wanting to say a word more.

She didn't expect that August not only met with Lucia again and again, but also signed a contract with her to shoot a short public welfare film.

When she found out about this, she was so angry that she felt her lungs were about to explode, so she deliberately interfered in order to mess up the short film shot by Lucia, so that August could see that Lucia was not capable of doing the job!

Jeanne raised her head, glanced at Tamzin, and impatience grew in her eyes. "Alright, you can go now." "Alright, then I won't bother you, Ms. Kelly. Maybe we can work together when there's a chance in the future," said Tamzin as she smiled and stood up. Who knew that as soon as she turned around and saw the woman standing next to her, the expression on her face suddenly froze.

"Ms. Mitchell..."

Lucia looked at Tamzin with cold eyes and snorted coldly. "Where are you going in such a hurry?"

Jeanne, who was sitting opposite Tamzin also did not expect Lucia to suddenly appear. She frowned, pursed her lips and looked coldly at Lucia.

Lucia stretched out her hand and directly pulled out the bank card from Tamzin's hand, looking at her with a cold smile. "I wonder how much is in this card? It's amazing that you betrayed your job just like that." Tamzin was too guilty to say anything. Jeanne's face was a little dark, but nothing else was unusual. She

glanced at Lucia with contempt and said coldly, "I don't understand what you're talking about. Meeting you here ruined my day."

With that, she stood up and picked up her handbag to leave.

Lucia quickly took out her cell phone, aimed it at Jeanne, Tamzin and the bank card and quickly took pictures. She then threw the bank card onto the table and said coldly, "Jeanne, if August knew what you did, what would he do?"

As soon as August was mentioned, Jeanne's face instantly turned a little paler.

She looked at Lucia alarmingly. "What do you want?"

"Do you know how much traffic and revenue this short film can bring to Lion Group if it is successful? And now, you deliberately sabotaged it, do you think, he will be happy?"

Lucia's few words instantly made Jeanne at a loss for words. "You..."

Tamzin, who was standing next to them looked at the two women and said, "You two fight it out, I'll be leaving now."

Saying that, she reached out and grabbed the bank card on the table, turned and ran away.

At that moment, only Lucia and Jeanne, were left in a silent confrontation.

Lucia took a deep breath, paused for a moment, suddenly pulled the corner of her lips and said slowly, "Let me guess, what did you do this for."

"You deliberately created difficulties for me to shoot the short film, just to make August feel that I am not capable enough, and therefore disgust me and hate me, is that right?"

Jeanne's face changed, but she still said stubbornly, "What are you talking about? I haven't done anything!" "Jeanne, I warned you last time on grandma's birthday, if I wanted to do anything I would have done it long ago, the reason why I haven't done it is because I'm not interested in August. Originally I planned to finish my work and leave as soon as possible, so

that I will no longer have anything to do with August, but because of your stupid behavior, which prolonged my work period, then I will have to stay with August even longer. " Lucia snorted coldly and viciously added, "You're digging a hole for yourself and matchmaking the two of us. You're not so selfish after all."

Jeanne was slightly stunned, her face was pale and a little ugly. "You crazy woman!"

Lucia smiled, shook the phone in her hand and said, "Besides, if I show those photos to August, what will he think?"

She had really done a beautiful job of going for wool and coming home shorn.

Jeanne was instantly furious, "Lucia, you won't dare!"

"Oh, really? As long as I move my fingers, I can send these photos to him."

Jeanne began to panic. She looked at the phone in Lucia's hand, and by now, she also realized her own stupidity this time.

She gritted her teeth, a trace of ruthlessness flashed at the bottom of her eyes, and suddenly reached out her hand, grabbed the phone in Lucia's hand, and viciously slammed it towards the ground.

There was a loud thud and the phone split in three. The entire screen as shattered.

Lucia also did not expect Jeanne to do this, she was stunned for a moment, and looked at the phone on the ground whilst lost in thought. Jeanne, who was standing in front of her suddenly shouted, "Crazy woman! I'll kill you!"

Lucia looked up and saw Jeanne's hand coming for her face. She subconsciously dodged to the side, but she was still a little too late. Jeanne's long nails scraped against her cheek, immediately, a red mark appeared on her face.

Jeanne seemed to feel that it was not enough. She gritted her teeth, walked over and raised her hand to slap Lucia again.

Lucia was completely confused by Jeanne's bombardment. It was too late for her to dodge, so she could only close her eyes and wait for the slap to land on her face.

At that moment, a figure next to her suddenly stepped forward in front of her.
