Chapter 479 Used

Since Lucia said so, and also mentioned Mark, credibility was naturally there.

Unexpectedly, at that time Mark vowed to guarantee that this matter would be solved, but never thought that it would still be found out by Lucia!

Jeanne stood where she was. Her mind had gone blank.

"Yes, Mark! First, find Mark and tell him about it!" she thought.

Then she immediately turned to open the bathroom door and quickly ran out.

Lucia watched her movements, did not try to stop her, and allowed her to open the door and run out. After that, Lucia followed Jeanne out.

From a distance, she watched Jeanne walk towards the seat in a panic, and her eyes grew even colder.

Now, her task had been completed, the rest was up to August.

Jeanne's face was pale as she walked towards the window seat, where August was sitting, seeing her, August's face changed slightly, and asked, "Jeanne, what's wrong with you? You look so pale."

Jeanne was afraid that he would see the flaw, quickly shook her head and said, "Nothing, I'm just a little dizzy, probably because I didn't rest well..."

After hearing that August raised his head and did a rough sweep around the room. When he saw the figure of Lucia in the distance, he quickly understood what was going on.

He said in a light voice, "Then let's go. I'll send you back, so that you can get some rest."

As soon as Jeanne heard that, she immediately nodded her head.

At this time, she was not in the mood for flowers and romance. She just wanted to go to a safe place where there was no one around and call Mark to tell him about this matter, so that he could quickly think of countermeasures!

August got up and took her away with him.

On the other hand, Lucia sat at the table, looking at the backs of the two leaving together, a little lost in thought.

Lucia wondered if his plans this time would get Jeanne to show her true colors.

"Lucia, what are you thinking about?"

Suddenly, Paul's voice sounded in her ears, and Lucia immediately came back to her senses.

"Nothing."
