Chapter 485 The video was exposed

After returning to the eighth from the tenth floor, Lucia sat in the ward and looked at Paula who was lying on the bed She finally was relieved.

She might be found by Merlin if he didn't get a phone call.

The Kelly family's conversation she just overheard in the corner on the tenth floor flashed through her mind over and over again.

At that moment, someone opened the ward door. A clear female voice came. "Lucia, I'm sorry. I'm late. Something happened suddenly."

Hearing that, Lucia turned her head. She saw Mandy come into the ward and smiled at her, saying softly, "It's okay."

Mandy had previously promised Lucia to escort Paula with her to receive treatment abroad. Yesterday, she came over three days earlier to get familiar with Paula's condition.

After the Basic testing, Mandy sat down and chatted with Lucia. Because they were good friends, they got a lot of common topics. After chatting with Mandy for a while, Lucia felt much better.

"Can you still remember Derick Wilkerson from our school before? His nickname was 'little fatty', but now he was completely different from what he was before. I saw his picture on my Moments today. Let me show you..

Mandy was outgoing. They could chat for a long time when they were talking about the things that happened at school before.

Lucia smiled. "Really? I am a little curious."

Mandy took out her cell phone and browsed her Moments. After a while, she showed the picture to Lucia.

Lucia smiled. "He is indeed much more handsome. But, how did you get his number?"

Mandy laughed and winked at Lucia, saying mysteriously, "It's a secret."
