### Chapter 495 The phone Is Gone

lel you feel hell

These vvords exploded in Augusts mind. Hts body tensed up and his ears rang. He looked at the thugs gathenng around him, but he could nol control his body to fight back The only thing he could do was to vviggle shghtly on the ground like a worm Al that moment, he íelt unprecedented humiliation and despair.

Then, everyone's fists. feet, cold iron sticks, and even daggers all íell. For some reason, the pain in his body seemed to be magnified. Each hit was unbearable íor him. August had gone through a lot of traming and suífered a lot of injunes. There were also a lot of scars on his body. Slowly, his skin and ílesh became thicker and thicker, and his tolerance to pam was constantly increasing. But now, for some reason, his body seemed to be poisoned. and the pain was so intense that it was unbearable to him.

Could it be the eífect of the liquid injected by Denko just now?

He didnt even have a chance tothink careíully. The pain in his body grevv more and more intense. He felt dizzy and almost íainted.

Aíter an unknown penod of time, his body was completely drenched in cold water. In a daze, he vaguely heard the conversation betwveen Denko and ðishop.

'We should just kill him!"

'What's the rush, Mr. Denko? Isn't it too easy for him to die?" That's Bishops voice.

"VVhat do you think? There will be trouble if we keep him alive!"

"He made us go through so much pain. My legs and your íingers. It would be too easy íor him to die like that."

Bishop snorted coldly and said slovvly, 'In my opinion, we should throw him into the mountain and leave him to the wolves. Novv his legs are broken, but his mind is still clear. It's the most interesting to lel him íeel the last despair."

The man's suggestion was extremely VÍCIOUS. It made August feel cold all over as if the blood in her body was about to be frozen.

How much Bishop hated him for Corning up with such a ruthless move!

Mr. Denko was silent for a moment. In the end, he sneered and expressed his agreement, "Bishop, this is indeed a good idea!"
