Chapter 507 Asking Joshua To Look For August

Hearing his words, Lucia was amused, she paused and whispered, "You don't have to call me Ms. Mitchell, I should be a few. years older than you. You can call me Lucia from now on."

Zane's eyes lit up and he immediately nodded.

On the way back, Lucia and Zane had a conversation in the car. Only then did she learn that Zane was an orphan whom August had once sponsored. His parents died when he was young, and he stayed in the orphanage for a few years. afterwards, suffering from bullying because of being skinny. August saw him by accident at a charity event and sent him to a martial arts school. After finishing his training, Zane wanted to repay August. That was why he came to August and became his man.

Hearing his story, Lucia was somehow touched. She wanted to find August faster. She felt that the misunderstanding, disconnection, and unhappiness between them had dissipated a lot because of this incident. What's more, she began to learn to understand his difficulties and his plannings from his standpoint. When she thought about it, the decisions August made and the words he said before no longer seemed so unreasonable and ruthless.

Lucia was silent for a moment, sniffled, turned to Zane, and asked, "Do you have any clues? Or anything you think might help. tell me all about it."

Zane was silent for a while. He suddenly thought of something and said, "When Mr. Adams disappeared, we were worried.

Fortunately, we all remained calm with Kylan around, and we have been waiting for the news. Then we saw on the news that. Mr. Adams had passed away and died in an accident. Of course, we all didn't believe it, and we tried to look for him during. this period. However, there was no news about him.

Zane thought for a moment and then said, "At first, we checked the location of Mr. Adams's cell phone signal and found that his final location was at Evergreen Temple, where we searched and found Mr. Adams's cell phone with some blood on it in the corner of the temple's lobby. Nothing else was found."

Listening to Zane's description, Lucia was nervous. Evergreen Temple... Bloodied phone... Combining these words, she imagined a vicious battle. She shuddered to think what August had gone through that night, and where he had gone afterwards. Her face paled a bit as she looked at Zane and continued, "Anything else?"
