Chapter 508 Findings In Evergreen Temple

Lucia froze, obviously not expecting him to react like this.

Joshua smiled, casually dropped the remaining half of his cigarette on the ground and crushed it with his toe, then said unhurriedly, "You may not know that he and I are no longer good friends." As he spoke, he raised his eyes towards her. There was a smile on his face, but his eyes were cold.

Lucia frowned in shock. She didn't know much about what happened between Joshua and August. But before she could tell that the two of them had an extraordinary relationship. Joshua was thought to be August's only good friend. She did not quite believe that the two people broke up.

Seeing Lucia hesitate a little, Joshua raised his eyebrows and said unconcernedly. "Do you want to know why?"

Lucia paused for a moment and nodded, asking, "Didn't you guys have a good relationship before?"

Without hesitation, Joshua replied in a cold voice, "It was in the past, but not now."

Saying that, he was a little impatient. His smile slowly disappeared, leaving his face only cold and expressionless. He continued, "Actually, there is a reason why August and I broke up." He deliberately said so and looked at Lucia meaningfully.

Lucia took a deep breath and asked, "What's the reason?"

Joshua looked at her and said in a cold voice, "Because of you."

Lucia froze, not expecting him to say that. At that moment, the man in front of her suddenly stepped forward and approached her, staring at her in a condescending manner, his eyes full of hostility.
