Chapter 515 Lucia Looked for Clues on the Mountain

Once, Paul had thought that he had the upper hand because of Paula's car accident, he had thought that through this incident, Lucia would know August's nature and be disappointed in him; he had thought Lucia would choose to stay with him even for Timothy and Janet.

However, It seemed that August could still easily affect Lucia, making her leave Paula who received treatment in a foreign country without hesitation, and go back to find August's whereabouts by herself. How important was August to her? Paul gradually didn't dare to guess. However, he had never been a person who gave up easily. Now that the matter had come to this point, it was absolutely impossible for him to let the woman he loves most go away!

"Mr. Thomas, do you still want to follow?" The driver's voice came. Paul came back to his senses, raised his eyes, and looked at the car in front of him through the window. Unexpectedly, the car had already reached the intersection of the highway in Austos City. After on the expressway, the direction was definitely Evergreen Temple.

Now, even if he didn't follow, Paul was sure that Lucia was definitely going to Evergreen Temple, and was surely to look for August. Or August was hiding there! Paul was taken aback by the conjecture in his heart. Soon, he calmed down and said lightly to the driver, "Keep chasing."

In the meanwhile, he picked up his cell phone and made a call. Soon, a deep voice came from the other end. "Mr. Thomas, any orders?"

Paul said calmly, "Archie, send you a location, and you come to find me immediately." Archie on the other end agreed without hesitation, and then hung up the phone.

Paul didn't know if Archie was nearby. It didn't take long for him to drive over. Paul didn't get out of the car, so he called, Follow the black SUV in front. You must follow it closely. Call me anytime to report their whereabouts." Seeing Archie's car overtake them and follow the SUV closely, Paul directly ordered the driver to turn around.
