Chapter 519 Searched

When August asked this question, everyone fell into silence. Now, no one knew how his location was exposed. August had been safe for more than a month here, but today, something bad happened suddenly. It was suspicious

August frowned, and was lost in thought. He was silent for a long time. Now, he didn't worry about anything else, but the people in the monastery, Mr. Makoto, Jeff, and those young monks...

On the other side, It was in Evergreen Temple. Lucia walked around the monastery, but found nothing. After returning, she winked at Aaron and Zane, and then chatted with Mr. Makoto for a while before she proposed to leave. "Abbot, It's getting late, and the rain just stopped, so we should leave. Thank you for your hospitality." Lucia clasped her hands together like them, and bowed slightly to Mr Makoto.

The abbot smiled slightly, and said in return, 'Okay, let Garnett see you off.' Then he waved his hand and called Garnett. Lucia looked at the little guy in front of her, (feeling inexplicably fond of him, unable to move her eyes away

Garnett looked up at her, blushed again, and led them towards the door, Follow me '

Lucia smiled and was stepping up to follow, but the hunchbacked old monk suddenly stepped forward, walked to the side of the abbot, and said something in a low voice with a serious face.

Lucia turned her head and saw a little nervousness on the abbot's originally gentle and smiling face. Mr. Makoto frowned, and then said something to the old monk. Seeing this scene, she was a little surprised, but she didn't say anything, and just followed the little monk out of the meditation courtyard. Finally, after saying goodbye to the young monk, Lucia, Kylan and Zane left.

a while, Kylan quickly asked,

Originally, she wondered if August might be in this secluded meditation courtyard, but after looking around, there was nothing suspicious, except for the small courtyard. That small courtyard should be a place where ordinary
