Chapter 522 Get Caught

The agreed meeting place was the Starlight Center. There was a shopping mall and also many restaurants around. Most

importantly, it was very close to Paul's company.

Lucia waited for nearly ten minutes at the open cafe on the first floor. Before Paul arrived, she looked down at the time

and was hesitating about whether to call Paul. However, at that moment, someone covered her eyes with warm palms. Then, she heard a man's gentle voice, "Guess who I am."

Lucia smiled as she pulled his hand away and said, "How childish you are." While she was talking, she suddenly felt a hot

sensation on her cheek. After kissing her, Paul loosens her. Lucia looked up and saw Paul looking at her with a smile.

Lucia felt her cheeks turning red and replied, "Childish."

"Is that so?" Paul saw her reaction and held her hand with a chuckle. He pulled her up and said casually, "Have you

heard? A man will only show his childish side in front of the woman he loves."

Lucia didn't know how to respond to his words. She rolled her eyes at him and walked forward. "All right, it's getting

late. Let's hurry up and go shopping..." Paul followed her steps with a smile, and said, "Okay, by your lead!" At the same time, their lovey-dovey scene was captured by surveillance cameras and the content of the video was

transmitted to the equipment somewhere. A man sitting in front of the table stared at the computer screen and

unconsciously clenched his fists. One of his subordinates reported to him, "A few days ago, Lucia went to the Lion group

in person. According to our spies in the company, she went straight into Bishop's office. They talked in private, and we
