Chapter 533 Paying Her Debt

Mandy's face was bruised, her eyes were swollen severely, and her mouth was still oozing blood. As the bodyguard had reported just now, she had bit her tongue to kill herself. Now, her mouth was gagged with a ball of cloth to prevent her from biting herself again.

Lucia realized she could not speak like this, so she took a deep breath, approached her, and then stretched out to pull the gag out of her mouth. Mandy coughed so violently that tears welled up in her eyes. Then, she stared at Lucia with red eyes. She used to be friendly and joyful when facing her, but now, the look in her eyes was hostile.

Lucia's heart sank before she asked, "Mandy, how could it be you?"

How could she be Bishop's woman? In Lucia's eyes, Bishop and Mandy were complete strangers to each other! Moreover,

Mandy had helped her not long ago! Lucia guessed maybe Mandy did not know the relationship between her and Bishop.

Mandy snorted with disdain in her eyes, "Lucia, haven't you known the truth by now?"

Hearing this, Lucia froze in place, speechless.

Mandy sneered disdainfully, "You are stupid!"

Looking at her, Lucia found it hard to accept reality. Her good friend who had chatted and laughed with her not long ago

had suddenly turned into a cold stranger. And her real identity had indeed shocked Lucia.

Suddenly, something flashed across her mind. Immediately, she realized something and widened her eyes in
