Chapter 555 Do Me A Favor

Lucia froze, was unclear what he meant. Then she heard him speak without haste, "You have seen the man in the portrait more than once."

Lucia reacted suddenly, and then was a little surprised, "... How do you know that?"

The man said carelessly, "Your micro-expressions betrayed you."

Lucia was in shock, and she looked at Darnell again. She took a deep breath, "What if I say I didn't lie?"

Darnell snickered, "It's impossible."

Lucia was speechless and stared at him with some anger.

The man said calmly, "You know, I'm a professional." Then, he took a look at Lucia's somewhat greenish face, curved his lips and asked, "How about, I help you find them?"

Lucia was secretly surprised, watching his serious face, the original discomfort in her heart also dissipated a lot, "Why do you want to help me?"

Darnell pressed out the half-smoked cigarette in his hand in an ashtray, and said softly, "No reason." Subsequently, he looked in the direction of Kylan, "A friend of my friend is also my friend. If you are willing, I will help. Otherwise, just forget what I said." He lifted his leg to walk in the direction of his seat, Lucia's heart tightened and her brain worked rapidly.

Although she was not so familiar with Darnell, he seemed to be sincere concerning his attitude. According to his speculation, he should also be specialized. With his help, the things would go more smoothly. When she thought of this, her throat tightened and she immediately called out, "Darnell, wait a minute."
