Chapter 589 I Have Other Considerations.

When Lucia realized that Paula was acting like a little girl, she couldn't help but laugh and deliberately teased, "Why are you in such a hurry? It's only been a few days, you know. Even if I want to help you, I still need time, right?"

With her face still blushing, Paula laughed and said, "If you can give it to me as soon as possible, I can settle down with Burton faster.

This way, I'd feel more at ease Don't you think so?"

"Alright, alright, alright. I'll think of a way when I go back today." Lucia didn't know whether to laugh or cry.

She had never seen Paula like this before. It seemed that she was determined to get married to Burton this time. After this incident, she believed that Paula had a wider perspective on life. As long as she was happy, Lucia, being her best friend, wished her well from the bottom of her heart.

After chatting with Paula for a while, she said goodbye to her and left the hospital.

On the way back, she was very focused as she thought about how to help Paula obtain her birth certificate. Before she knew it, she had reached home.

When she entered the house, she saw her mom in the living room, Lucia hesitated for a moment and asked, "Mom, is Paul at home?" "Paul? He's back. I think he's in the study upstairs," Mrs. Mitchell replied casually.

"Okay." Lucia nodded and was about to walk upstairs when Mrs. Mitchell suddenly stepped forward and grabbed her. "Now, you only have eyes for Paul Am I not important anymore? You go to him as soon as you come back!"

Although there was a hint of jealousy in Mrs. Mitchell's words, there was a smile in her eyes. Obviously, she was deliberately making fun of her

"Mom, I have something to discuss with him." Lucia smiled.

"Alright, alright, alright. I won't tease you anymore. Hurry up and go!"

Lucia smiled and walked upstairs. When she reached the door of the study, she stopped hesitantly.

When she entered shortly, how would she ask for Paula's birth certificate? If she asked for it without any valid reason, Paul would definitely be suspicious!

and was just wondering what to do when she suddenly heard muffled voices coming from inside the room. It sounded like Paul was on the phone, but she could
