Chapter 752: Behave

"Okay, I'll forgive you if you spread your legs."

Brandon's breath brushed against her sensitive ear, making her turn red.

The secret garden between her legs instantly became wet.

Without hesitation, Janet wrapped her arms around Brandon's neck and kissed him.

Brandon kissed her back and made her sit up in bed.

With her legs parted, Janet straddled his waist.

The two kissed like there was no tomorrow, the tips of their tongues intertwined in a passionate dance.

Janet moaned slightly, which instantly sparked his desire.

Things were more tempting when the sun went down.

Janet was wearing a silk nightdress, outlining her curvy figure delicately. She sat on Brendan's lean waist, her thin lace

underwear brushing against his pajamas.

Brandon stroked Janet's smooth and tender thigh with one hand and rubbed her breast with the other hand through the thin

fabric.

The two kissed, their breaths intertwined and their bodies hot.

Brandon's fingers finally wandered to Janet's underwear, and he could feel that the fabric had already been soaked through. His fingers tinkered with her labia.

Through the thin fabric, he could feel her slight quiver. Janet threw her head back and moaned, thoroughly enjoying Brandon's touch.

Finally, Brandon took off his pants, revealing the erect cock between his legs. He slapped her buttocks and commanded in a

voice thick with desire, "Sit up on me."

"Are you still mad at me?"

Brandon had already started pulling off Janet's wet underwear, and it had gotten stuck between her thighs. Janet looked up at him with glassy eyes, and he knew that she wanted it, too.

Janet reached out and started stroking Brandon's hot cock.

This wasn't the first time the two had had sex, but she was still a little nervous as she tried to wrap her small hand around the man's thick penis.

Gritting his teeth, Brandon pinched Janet's chin and forced his lips against hers.

At the same time, his hand reached under her nightgown and rubbed her labia.

Soon, a finger slipped into her wet pussy.

Brandon could feel the clear liquid dripping down the back of his hand. He could hardly control himself anymore, but he still managed to keep his voice steady.

"If you behave, I'll consider forgiving you. Just look at how wet you are."

He withdrew his hand from Janet's nether region and held it up in front of her.

The slightly sticky liquid rolled down his finger and formed a clear droplet.

Biting her lips, Janet leaned back and spread her legs out.

Looking at the huge cock in front of her, she slowly lifted herself and guided her pussy to his penis.

The second they touched, she gritted her teeth and slowly sat down on him, receiving his cock in all its glory.

"Hmm... Ahhh...!"

She was only able to swallow half of his long member, but it was enough to satisfy a little of their desire.

Brandon's eyes had been bloodshot because he had been holding himself back.

At this point, he couldn't take it anymore. He held her waist and pulled her towards him quickly.

"Ah!"

Having been caught off guard, Janet couldn't help but scream, her eyes rolling to the back of her head.

"Brandon...Oh, my God..."

Brandon lifted her nightgown above her breasts and rubbed her pink nipples while simultaneously thrusting inside her violently.

Janet couldn't even think straight now, she could only support herself by putting her hands on Brandon's shoulders.

Holding her smooth thighs tightly, Brandon's eyes remained fixed on her. Her curvy breasts bounced as he fucked her.

"Having fun?"

Janet was also bouncing on top of him so that he could go deeper and deeper inside of her.

"Hmm..."

She had already lost her mind.

All she could think about was that she was about to climax soon.

Brandon sensed this as well, and he kept thrusting inside of her as hard as he could.

Soon, Janet's lips parted and her back arched.

Looking at the man under her, she climaxed.

At the same time, Brandon also came.

The two of them savored the moment.

But before Janet could climb off of Brandon, he stopped her by grabbing her waist and then... He started all over again.
