Chapter 1111: Outnumbered, Complete Victory (3)

1111 Outnumbered, Complete Victory (3)

“W-What’s that... A fishtail?” The few people of the Star Cloud School were immediately dumbfounded. Yaoyao’s complete appearance was unusually enchanting and beautiful. Just looking at her appearance, she was the type that would make all men fascinated. If it weren’t that the Grade 8 warrior was kneeling there in a sorry state, nobody would believe that she did this!

“How dare you attack Xiao Feng? I’ll tear you apart!” There was a thin black line deep in Yaoyao’s blue eyes, which showed even more demonic energy. She slapped her long fishtail fiercely and directly swept the Grade 8 warrior kneeling there into the sky!

“Stop!” The others of the Star Cloud School immediately wanted to get out and save him when they saw this, but it was already too late. Yaoyao’s blue fishtail wrapped the body of the Grade 8 warrior firmly inside. A glint of demonic light flashed through her thin and straight pupils abruptly and everybody only heard the wrapped Grade 8 warrior scream again!

“Ahhhhhhhhh!”

The few people of the Star Cloud School were already trembling when they heard this scream. Everyone from Juxing fell silent after hearing these few earth-shattering screams! The scene was suddenly extremely quiet. Only this scream kept lingering in their ears and kept going back and forth to their brains!

“Pa! Pa!” Drops of red liquid fell from the sky, as if a red rain had started. They landed on the ground and bloomed into beautiful flowers. Yaoyao snorted and immediately swung her fishtail fiercely. The Grade 8 warrior she wrapped fell from the sky fiercely and landed heavily below the platform!

“Ugh!” The body of the Grade 8 warrior twitched a few times and he spurted out a mouthful of blood. He lay there in a sorry state, barely breathing. There were countless holes on the surface of his entire body and blood kept oozing out endlessly! If it weren’t for the protection of the fighting energy of the Grade 8 King, he would have died just then!

“This...” The hearts of the other members of the Star Cloud School tightened. That was a Grade 8 King Level warriors, but he was crushed and couldn’t fight back at all! What was wrong with Feng Yun’s contracted Magic Beasts? Were all three of them so powerful? If that was the case, they wouldn’t be her match even if a few more of them came!

Yaoyao wasn’t an ordinary creature. She had the bloodline of the merfolk and had inherited a part of the ancient power. So what if her opponent was a Grade 8 King warrior?

Little Fire raised its wolf head and laughed crazily when it saw this. The warrior fighting with it inexplicably trembled and the mage fighting with Lan Yi couldn’t help but take half a step back. These few Magic Beasts were too powerful. Where exactly did Feng Yun find them? How exactly did she contract them?

“Capture the leader first! Take down Feng Yun, and the contracted Magic Beasts certainly won’t do anything!” The Grade 9 warrior, who had been the core of the Star Cloud team, suddenly said. The remaining four people immediately adjusted their targets and wanted to make Yun Feng suffer with the joint attacks of the four of them! However, this plan would also fail halfway!

“Who asked you to leave? Your opponent is me!” Little Fire showed its sharp claws unhappily and slashed the air fiercely. The Grade 8 warrior, who wanted to fly in Yun Feng’s direction, turned around awkwardly and narrowly dodged. Little Fire jumped and its wolf body had already blocked his way forward. It opened its mouth abruptly and a fireball formed by fire elements shot out instantly!

“Damn it!” The Grade 8 warrior immediately mobilized his fighting energy as a shield. His body was pushed dozens of meters back by this momentum abruptly. Little Fire rushed forward, separating him completely. The Grade 8 warrior could only fight in frustration and couldn’t get even half a step closer to Yun Feng at all!

Even though the mage who was fighting with Lan Yi didn’t have to move forward, when she was about to swing her hand and attack Yun Feng, wings suddenly appeared on Lan Yi’s back, blocking all the earth-element spells that the earth-element mage threw out!

“I’m your opponent, earth-element mage!” There was a cold smile on the handsome face of Lan Yi. The huge wings on his back suddenly spread out and the griffin tattoo immediately appeared in front of the earth-element mage. The earth-element mage couldn’t help but widen her eyes. “You... You’re...”

Lan Yi flapped his huge wings fiercely and a huge wind rose from the ground, stirring up a cloud of dust. His handsome body also disappeared quickly in the dust! The earth-element mage looked in Yun Feng’s direction and gritted her teeth secretly. She could only protect herself right now!

Seeing that his companions were all trapped, the Grade 9 warrior immediately gritted his teeth. Fine! He was a Grade 9 King. This summoner’s strength was only at Grade 8 of the King Level. Besides, he had taken potions, so he certainly didn’t have to worry! The power of a Grade 9 warrior of the King Level would definitely crack her head open!

“Fireball!” The summoner, who was acting as a mage and standing farthest away, immediately launched an attack. Yun Feng’s black eyes darkened. Right, she had forgotten the guy who was standing at the back. Being at the back, he was certainly the target that her opponents wanted to protect. Since he was the target they wanted to protect, he would be the person that she promised to kill!

“Swish...” Yun Feng’s body suddenly flashed. Her speed shocked the Grade 9 warrior! How... How was that possible? Was this the speed of a summoner?! This was clearly the speed that only warriors had! However, seeing Yun Feng’s target, the Grade 9 warrior immediately shouted, “Retreat quickly!”

Before the summoner figured out what was going on, he only felt a gust of cold wind blowing around him. A black shadow had already flashed in front of him. It was so fast that he didn’t even have time to react. However, the next second, he saw Yun Feng’s smiling face!

“When... When did you?” The summoner of the Star Cloud School looked at Yun Feng in shock. Perhaps because of his survival instinct, he immediately retreated and wanted to turn around to escape. However, Yun Feng smiled coldly and her body quickly approached. She extended her hand and grabbed the target brutally. It was a piece of cake!

“Kid, what are you trying to do?” Leng Jue, who had been watching the battle on the side, couldn’t stand anymore. He noticed the killing intent that flashed through Yun Feng’s eyes just then and knew that she was going to kill the summoner of the Star Cloud School! Feng Yun wanted to kill him. What a ruthless woman! Battle energy surged out of Leng Jue’s body and he was about to attack Yun Feng from the side. However, in an instant, the five elders on the platform attacked at the same time!

“Ugh!” Leng Jue was hit by the five forces and his chest immediately became extremely depressed. He covered his injured area with his hand and didn’t dare to do anything else right away. The five elders stood at a high place with dark and cold expressions. “Leng Jue, since this is a competition, the result certainly isn’t something you can interfere with. Don’t forget where you are.” What the First Elder said made Leng Jue suppress his anger secretly. He had miscalculated. Star Cloud had miscalculated this time!

Chapter 1112: Outnumbered, Complete Victory (4)

1112 Outnumbered, Complete Victory (4)

Leng Jue didn’t dare to do anything else. He wasn’t a match for these five people alone! Besides, this was the Juxing School. He certainly knew that he had to be careful in other people’s territory! If he couldn’t attack, it meant that he had to watch the summoner of the Star Cloud School die just like that!

Yun Feng, who was on the platform, had already grabbed the shoulder of the Star Cloud summoner with one hand firmly and suddenly pulled his body that was about to escape. The summoner of the Star Cloud School didn’t have the power to fight back at all. In a close battle, the summoner, who lost his contracted Magic Beast, could only be slaughtered!

“I’ve already made a promise. I certainly can’t go back on my words!” Yun Feng’s black eyes glittered. She suddenly clenched her fists and smashed them fiercely at the body close to her, hitting the heart in the chest! The summoner of the Star Cloud School had already stopped breathing before he understood the meaning of Yun Feng’s words! His body suddenly twitched and then hung in Yun Feng’s hand, dead!

“Damn it!” A furious shout suddenly came from behind. The Grade 9 warrior had already arrived, but it was already too late. The summoner of the Star Cloud School was already dead! The Grade 9 warrior immediately ignored everything else. With bloodshot eyes, he attacked Yun Feng at an extremely high speed. The fighting energy all over his body erupted to an incomparable level! The effect of the potion was completely activated by him at this moment. A Grade 9 warrior of the King Level would be half a God Level after taking the potion!

“Xiao Feng!” Yaoyao immediately shouted anxiously when she saw this. She swung her fishtail and pounced at Yun Feng. However, the Grade 9 warrior of the King Level was even faster. With violent anger and killing intent, he insisted on killing Yun Feng!

Everyone in the venue held their breath. At this moment, nobody dared to make a sound. At this moment, everyone’s heart was hanging in the sky. Everyone’s eyes were focused on the two figures that were about to clash. A Grade 9 King. Did Feng Yun really have a chance of winning?

“Fire Field!” With a furious shout, the fiery ocean immediately drowned Yun Feng and the Grade 9 warrior. The two of them were wrapped in thick fire elements and nobody knew what exactly happened

inside! The fire was burning fiercely, but everyone's breathing became tighter and tighter. What would the result be? Who would win?

Everybody was nervously waiting for the moment when the answer could be revealed!

"Ahhhh!" Another scream came from the Fire Field this time. The raging fire suddenly rose a bit and a heat wave came. Little Fire was so excited that its body was a bit trembling. Master, its master was indeed so powerful!

Everyone couldn't help but lean forward a lot. They all wanted to open their eyes wide and see what the result would be. Leng Jue stood aside and almost gritted his teeth to pieces. If Feng Yun dared to kill the Grade 9 King, he would definitely not let her have an easy time!

"Whoosh..." Following this sound, the fire elements immediately separated from both sides and completely dissipated in the air. Everyone's curiosity was completely aroused at this moment. A slim figure stood there and the person kneeling on the ground in front of her was the Grade 9 warrior of the Star Cloud School!

Leng Jue widened his eyes in disbelief. This, this, this...

"Feng Yun... Feng Yun! Feng Yun! Feng Yun!" Everyone from the Juxing School shouted desperately at this moment. Their faces all flushed and they shouted extremely excitedly, echoing the hero in their minds, Feng Yun!

The few elders also heaved a sigh of relief in their minds. The Fifth Elder couldn't help but wipe the sweat on his head and listen to the crazy cheers around the venue. Even the public idol, Tian Kui, had never had such a crazy moment!

Yun Feng stood there and turned around. She looked at Leng Jue, whose facial features were almost distorted, with her black eyes and raised her red lips. "Do you still want to continue fighting, Third Elder of the Star Cloud School?"

Leng Jue's face couldn't help but twitch hard a few times. Continue fighting? How would he have the courage to continue fighting? Even though the dead summoner of the Star Cloud School wasn't the trump card of the Star Cloud School, he was still a precious and important asset! What made Leng Jue's heart tremble the most was the Grade 9 warrior, who was kneeling on the ground just like that. That was a Grade 9 King, not to mention a Grade 9 King who had taken potions!

The other people were also entangled with Feng Yun's contracted Magic Beasts. No matter how angry Leng Jue was and how desperate he was, he knew that the Star Cloud School had suffered a double loss this time. Fortunately, they wouldn't return empty-handed. They found out the information of the Juxing School, so it wouldn't be bad for them to go back even though it was miserable.

"I'll remember this score! We'll try again in the friendly contest of the three academies! Let's go!" Leng Jue shouted furiously, which also meant that the Star Cloud School voluntarily admitted defeat. The students of the Juxing School immediately cheered. There were also cheers everywhere!

"Star Cloud, go back quickly!"

"If you dare to provoke us again, we'll kick your asses!"

“Star Cloud, get lost!”

The laughter of the Juxing students was mixed in the boos. Everyone vented their anger fiercely in their minds. They felt like they could hold their heads high. Those people were the ones who underestimated the Juxing students. They were the ones who had nothing better to do and came here to provoke them. This was what they deserved!

One of the young people from the Star Cloud School picked up the summoner’s corpse, while the other carefully helped the Grade 9 warrior, who was kneeling on the ground with an extremely painful expression, up. Leng Jue picked up the Grade 8 King, who was seriously injured by Yaoyao, with one hand. The few young people glanced at Yun Feng fiercely at the same time. The anger and hatred in their hearts could be imagined. Yun Feng smiled gently, but her eyes were extremely sharp. The hearts of the few young people immediately trembled and they looked away. Leng Jue left the scene dejectedly and returned to where he came from with the young people who were dead or injured.

The few people of the Star Cloud School left in defeat. The Juxing students watched with a smile. After the people of the Star Cloud School left, the cheers of the students of the Juxing School sounded again. “Feng Yun! Feng Yun! Feng Yun! Feng Yun!”

There weren’t any other words. There was only long cheers for the name. People who had prejudice against Yun Feng in the past were completely convinced at this moment. If she hadn’t turned the tide this time, people would really look down from Juxing! Feng Yun, good job!

The five elders stood there with a smile on their faces. Hearing the cheers around, the five elders were also gratified in their minds, especially the Fifth Elder. There was an indescribable pride in his mind. This was his disciple!

Yun Feng waved at everyone who was calling out to her, indicating that they could stop. The scene was immediately silent. Everyone was listening to what Yun Feng was going to say, but Yun Feng turned around and cupped her hand in the other in front of the five elders. “Elders, please forgive me for acting on my own. There’s now a grudge between Star Cloud and Juxing because of me. If Star Cloud wants to harm Juxing in the future, it will be because of me!”

“First Elder!” A person suddenly jumped up and stood straight next to Yun Feng. Yun Feng saw that it was Tian Kui.

“First Elder, elders, please listen to me! Today, Feng Yun saved Juxing and turned the tide. Feng Yun is a hero of Juxing! As for the grudge between Star Cloud and Juxing, if Feng Yun is at fault, we’re even more at fault! If it weren’t that we aren’t strong enough, this wouldn’t have happened! If you want to punish her, I should be punished too!”

Yun Feng was a bit surprised. Tian Kui had a good personality. He stepped up at this moment and took all the responsibility on himself. She really felt like he wanted to share the trouble. When the other

disciples heard what Tian Kui said, they certainly couldn't fall behind. They asked to be punished one after another, claiming that they couldn't avoid their responsibility.

The few elders were all quite gratified to see such a scene. The younger generation of the Juxing School didn't shirk their responsibilities at such a time. Instead, they were united. Such spirit was already very rare among the young people. The eyes of the few elders couldn't help but fixate on Yun Feng. This unity probably came from Feng Yun.

The First Elder waved his hand and looked at these young juniors with a smile. "Punish? Why should we punish you?"

"Even though Juxing won back its dignity, it also formed a grudge with the Star Cloud School. In this case, in the future..."

The First Elder shook his head and said earnestly, "Do you think the three academies would coexist in peace without this incident? There will more or less be grudges in the friendly contest between the three academies. The three academies were the same in the past. Besides, the Star Cloud School took the initiative to provoke us this time. What did you do wrong? You were just fighting back. It's reasonable for you to hurt them! This world is full of competitions. It's inevitable that sometimes you win and sometimes you lose."

Yun Feng couldn't help but smile. This First Elder was a straightforward person. Logically speaking, he should also say a few harsh words, but the First Elder didn't even have to do this. However, this was good.

"The ranking contest of the inner campus of the Juxing Continent will continue. Are you ready? We can't interrupt our business because of others."

All the disciples who entered the second round couldn't help but look at Yun Feng. There was probably no need to continue the ranking contest. At least, there was no need to compete for the first place. Yun Feng raised the corners of her mouth as she looked at everyone's gaze. Did they mean...

"First Elder, the first place of the ranking contest has been revealed!" Tian Kui said loudly. The other disciples also nodded. They weren't dissatisfied at all in their minds. Feng Yun fought against the five members of the Star Cloud School alone and won completely. None of them could achieve such a feat! If Feng Yun wasn't the champion, who else could it be?

"Feng Yun! Feng Yun! Feng Yun! Feng Yun!" There were cheers of Feng Yun around again. Yun Feng didn't know whether to laugh or cry. She indeed had the thought of getting the first place, but she didn't intend to get it in such a way. The provocation of the Star Cloud School was completely an interlude. She got the first place just like that?

The five elders all chuckled. Yun Feng shook her head and sighed helplessly. "Elders, Senior Brother Kui was exaggerating. I was just lucky to win just then. If the other members of the Juxing School fought, they might not have lost. I think..."

"Alright, Feng Yun, we certainly know the truth in our minds. With your strength and talent, it's natural for you to be the champion." The Third Elder glanced at Yun Feng. Yun Feng was about to say something else when the Fifth Elder burst into laughter. "Kid, don't decline! Just accept the first place obediently!"

Yun Feng was speechless. Fine, fine. What else could she do after being pushed to this position other than accepting it? Was she going to reject it on purpose? This was good. Yun Feng chuckled and didn't say anything else. Seeing that, Rong Xin burst into laughter. "Congratulations, Junior Sister! You deserve to be the first!"

Yun Feng sat on the throne of the first place of the inner campus. Nobody questioned her. Yun Feng also quit the ranking contest in advance. After the first place appeared, the other few candidates still had to continue the competition. However, without Yun Feng, the students of the Juxing Continent felt that something was missing in the ranking contest.

After repelling Star Cloud's provocation and becoming the champion, Yun Feng basically had nothing to do with the ranking contest anymore. She only needed to be a spectator with nothing to do on the side, but Yun Feng wasn't so free. She still had a lot of things to do. Ever since the day Star Cloud provoked her, Yun Feng had never appeared in front of everyone again. This made the students of Juxing sigh all day long and they only hoped to see their idol. The ranking contest was still being held in full swing, but the explosive scene that day never happened again.

The yard where Yun Feng lived had always been quiet. You Yue didn't enter the top ten, so he certainly didn't have to participate in the ranking contest. The three of them returned here. After saying goodbye to the ranking contest, the noise finally calmed down. You Yue continued to cultivate hard. Once again, he saw Yun Feng's strength clearly, and he couldn't be left too far behind. Even though it was quite difficult to catch up, You Yue didn't have the slightest intention of slacking off.

The three contracted Magic Beasts returned to Yun Feng's Rings of Contract again. After they showed up together that day, the three Magic Beasts had already become the focus of the students of the Juxing School, which made the three Magic Beasts very uncomfortable. The gazes of the humans here were too scorching. In the end, the three Magic Beasts all asked to return to the Rings of Contract. Yun Feng agreed with a smile.

At this moment, Yun Feng was flipping through some information she got from the Fifth Elder about the other two islands on the Central Continent. As a contestant in the Inter-Academy Competition this time, she certainly had to know the other two academies better. She asked for information about the other two islands at the same time. Even though it wasn't very detailed, it was enough for Yun Feng to understand the overall picture.

Yun Feng focused on reading the information in her hand. Qu Lanyi sat next to her and stared at Yun Feng attentively. After reading quietly for a long time, Qu Lanyi reached out and picked up a strand of Yun Feng's black hair, wrapping it around his finger. Yun Feng looked up and smiled casually. "What's wrong? Are you bored?"

Qu Lanyi's beautiful lips slowly curled up. "How can that be? If possible, I'd rather look at you like this every day."

Yun Feng's cheeks were slightly red, but there was a hint of sweetness at the corners of her mouth. Qu Lanyi reached his hand to her slightly red cheek in fascination and caressed it gently. Feeling the smooth touch under his finger, he really wanted to never leave again.

Chapter 1114: A Perfect Ending (2)

1114 A Perfect Ending (2)

“Fengfeng, what exactly did you do that day to make that Grade 9 King kneel in front of you?” Qu Lanyi slowly caressed Yun Feng’s cheek and asked softly. Yun Feng’s face became hotter and hotter under Qu Lanyi’s touch. Her blush couldn’t help but deepen. She couldn’t help but reach out and grab his naughty finger tightly.

“The Fire Essence Origin Life Fluid.” Yun Feng said. Seeing that Qu Lanyi was still a bit confused, she couldn’t help but smile. “This liquid has the effect of corroding fighting energy. Its effect is very obvious.”

Qu Lanyi’s eyes glittered. “Fengfeng, how many treasures do you have? My wife is indeed different.”

Yun Feng raised her red lips. “The effect of the Fire Essence Origin Life Fluid is unique. This is something I met by chance before I went to Masang School of Magic. I met Uncle Flirtatious there...”

Qu Lanyi’s eyebrows suddenly trembled. He extended his long arm and pulled Yun Feng into his arms. He held Yun Feng’s slim waist with one hand and raised her chin with the other. There seemed to be an undercurrent hidden in his pure black eyes. He said in a deep but dangerous voice, “My wife, who did you meet, huh?”

Yun Feng chuckled. “I didn’t meet anyone.” This man was jealous.

Qu Lanyi’s red lips curled up and a wicked smile appeared. “My wife, shouldn’t we be honest with each other? If you lie, you’ll be punished.”

“Qu...” Yun Feng wanted to say something, but all the other words were stuck in her mouth. Their lips were pressed against each other tightly. In a blink, heat spread from the place where they touched! The man’s scorching breath entered her body through her mouth and nose. The smell that belonged to Qu Lanyi kept lingering in the air and then enveloped her fiercely, leaving no gap at all!

This was a passionate kiss. Qu Lanyi kissed her a bit anxiously, as if he were a thirsty person who had finally found a water source. He sucked on her greedily and refused to leave, as if he wanted to suck the last drop of dew dry. Yun Feng only felt that it was a bit difficult to breathe. Her hand couldn’t help but climb to Qu Lanyi’s shoulder and grab his clothes. Her gentle pull attracted the man’s even more scorching attack. Red spots suddenly appeared in her black eyes, like blood. They were so charming and dazzling.

The big hands on her waist couldn’t help but move. They slowly climbed up along the beautiful curve of her body, extending along her back bit by bit. A numbing feeling came from her back. Yun Feng’s body unconsciously softened and she leaned into Qu Lanyi’s body completely. Qu Lanyi’s arms held Yun Feng tightly, not giving her any chance to escape. When the man’s hands were about to open her clothes and finish the conquest, a voice suddenly broke all the spells!

“Feng Yun! What are you doing...” Gong Tianqing’s voice came from outside. Yun Feng immediately woke up and her body stiffened. She then realized that her coat had been taken off at some point! Qu

Lanyi, on the other hand, waved his hand and unleashed a strong force, freezing Gong Tianqing, who was about to push the door open.

"You..." Yun Feng blushed. She didn't know what happened to her just then. She seemed to have fallen into a sweet charm that she couldn't extricate herself from. She didn't know what Qu Lanyi was doing to her at all. She only knew that it was very comfortable... Yun Feng started to tidy up her clothes in a hurry, while Qu Lanyi looked repressed and furious. Anyone would be infuriated if their business was interrupted, especially when he was about to truly enjoy himself! It was already very lenient that he didn't kill anyone!

Although he was suppressing the deep anger on his face, he took over Yun Feng's clothes gently with his big hand and put them on her, before he carried Yun Feng down from his body. Qu Lanyi looked at Yun Feng's red and swollen lips with his black eyes and finally put on a smile. He gently brushed her red and swollen lips with his finger. Very good. She had his aura.

"I'll go out first. We have plenty of time." A deep and slightly hoarse voice sounded in her ears. Yun Feng's face flushed again. Qu Lanyi turned around and pushed the door open. A cool breeze suddenly blew up to ease the heat on Yun Feng's face. Seeing Qu Lanyi come out, Gong Tianqing, who was outside the door, immediately blushed.

"I... Well, I didn't know... Ah, I'm sorry..." Gong Tianqing really didn't know what to say and could only apologize randomly. She knew that the man was Feng Yun's fiancé and he deserved Feng Yun in terms of appearance and temperament. It was normal for something to happen between the two of them at their current age. It seemed that she came at the wrong time.

"Well, why don't I go first? You... You can continue..." After Gong Tianqing said that, Qu Lanyi's expression froze. If this woman really left right now, Fengfeng probably wouldn't let him get close to her for a while.

"Don't worry. You came at the right time," said Qu Lanyi with a fake smile. Gong Tianqing only felt a hint of coldness all over her body. This man... was clearly smiling, but he wasn't really happy. Qu Lanyi didn't say anything else. He turned around and walked out. Gong Tianqing heaved a sigh of relief and stepped into the room. As expected, she detected a lot of ambiguous aura.

"Tianqing, you're here." Yun Feng smiled casually, but the blush on her cheeks and her swollen lips revealed what happened here. Gong Tianqing pursed her lips and smiled. "Yes, I didn't disturb you, did I?"

Looking at Gong Tianqing's teasing gaze, Yun Feng couldn't help but feel startled. Gong Tianqing looked at Yun Feng's dumbfounded expression and couldn't help but smile happily. "What a great show! Haha, alright, I'll stop teasing you. I'm here to talk to you about business this time."

Yun Feng immediately calmed herself down. What exactly was the business she wanted to talk about?

"I've been working hard to improve my strength and cultivation. With the help of your magical Golden Cauldron Fluid, my strength has officially entered the King Level!" Gong Tianqing grinned happily. Yun Feng was also delighted in her mind after hearing that!

"Congratulations, Tianqing!"

Gong Tianqing chuckled. "It's all because of you. Otherwise, I wouldn't have what I have today! Feng Yun, really. Thank you!"

Yun Feng chuckled. "We're friends. Aren't you treating me like an outsider?"

Gong Tianqing chuckled and immediately became serious. "The Star Cloud School must've come to provoke us on purpose this time. Your strength was exposed before the championship. This is a bit disadvantageous." Gong Tianqing had a keen mind. Her ability to see through these things was a bit similar to Yan Ming's, but Yan Ming was more tolerant than her.

Chapter 1115: A Perfect Ending (3)

1115 A Perfect Ending (3)

Yun Feng chuckled in her mind. Exposed? If the appearance of the three contracted Magic Beasts could be considered exposure, then the Star Cloud School would probably never realize that she was a five-element summoner. Yun Feng smiled lightly. "It doesn't matter. It doesn't matter even if I'm exposed. There's still Tian Kui and other people on the Juxing Group. I'm not going to fight alone this time."

"Phew! Luckily, you're not alone. Otherwise, how much pressure would you be under? However, with you here this time, it won't be a problem even if your opponent knows. I believe in you. You'll definitely win!" Gong Tianqing looked at Yun Feng with glittering eyes, full of trust and anticipation for her.

"Alright, I'll do my best!"

Soon, the ranking contest of the inner campus came to an end in the lively atmosphere. Yun Feng was the first, Tian Kui was second, the disciple of the First Elder was third, and the disciple of the Second Elder was fourth. Rong Xin surprisingly ranked fifth for the first time! This could be said to be the first time something like this happened among the Fifth Elder's disciples. The disciples of the Fifth Elder had always been in the top ten, but this time, not only did Yun Feng get the first place, but there was also another top five! The position of the director of the Juxing School also fell on the Fifth Elder's head unexpectedly!

The disciples of the Fifth Elder were all delighted. The Fifth Elder was also very happy. He wasn't happy about the position of the director, but the position of the leading elder. This time, Yun Feng won the first place, so the Fifth Elder was certainly with the team. This met the expectations the Fifth Elder had for Yun Feng back then. The Fifth Elder had been in an extremely good mood these few days.

The Fourth Elder suffered a loss this time. None of his disciples entered the top five. You Bai, who he originally liked, was also removed from Juxing. Even though the Fourth Elder felt that it was a pity, there was nothing he could do. Yun Feng also heard the news. The You family could be said to have suffered a miserable fall this time. You Bai's miserable defeat and dismissal were quite a huge blow to the You family. The master of the You family couldn't meet You Yue after several attempts. This was Juxing, not the You family's own place, where he could go wherever you wanted. In the end, the members of the You family could only go back in frustration. They probably wouldn't be able to rise again.

You Yue heard the news and didn't say anything. He completely expressed that the You family had nothing to do with him. Yun Feng was originally worried, but she was relieved to see You Yue like this. It

was good to get rid of them. The You family was like a vampire right now. Once they got close to him, it would be difficult to get rid of them.

Once the results of the ranking contest were out, the Fifth Elder surprisingly rejected the position of the director and even let the First Elder take on the responsibility. This was beyond everyone's expectation. However, thinking of the personality of the Fifth Elder, they understood. The First Elder didn't refuse and accepted it decisively. After all, the First Elder was more skillful in dealing with people. The Fifth Elder was still a bit inexperienced.

Once the ranking contest of the inner campus ended, the inner campus was closed again. The disciples of the outer campus all left reluctantly. They wanted to see the hero in their minds a few more times, but Yun Feng didn't show up. The disciples of the outer campus could only return with sighs and continue working hard. However, this time, there was an additional goal in their minds, Feng Yun!

It was unprecedented for Rong Xin to reach the fifth place. He originally wanted to share the joy with Yun Feng, but Qu Lanyi stood firmly outside the door. Rong Xin left sensibly. This man wasn't easy to deal with. He wasn't this man's match in terms of strength. It was better to retreat. The Fifth Elder didn't disturb Yun Feng. It had been lively outside these days, but everything was still peaceful with Yun Feng. The days passed quickly and the day of the Inter-Academy Competition was getting closer.

"Junior... Feng Yun! Master asked us to go over!" Rong Xin stood outside Yun Feng's yard and didn't dare to go inside. He could only stand outside and shout. After a while, Yun Feng walked out. Rong Xin chuckled and looked around Yun Feng carefully. Yun Feng was helpless. "Qu Lanyi is inside."

Rong Xin was finally relieved. It couldn't be helped. That man almost looked like he wanted to chop him up every time. Shouldn't light-element mages be kind? Seriously... Why was he so fierce? Yun Feng understood after hearing what Rong Xin said. It seemed that she should prepare to participate in the so-called inter-academy contest.

They came to the entrance of the hall where Yun Feng had come twice. Seeing Yun Feng and Rong Xin walk over, Tian Kui shouted, "Feng Yun, Rong Xin, you're here!"

The other two immediately turned around. Yun Feng smiled. "Senior Brother Kui."

"Now that all five of us are here, let's go in together," said Tian Kui. Yun Feng nodded. The five of them pushed the door open and entered one after another. The five elders were sitting inside. Seeing the five juniors come in, they all nodded in satisfaction. "You're here."

"Elders, we're late." Tian Kui stepped forward and cupped his hand in the other. Yun Feng finally understood that Tian Kui was waiting for her. She raised her brows slightly and stood there without batting an eyelid. Even though she was the champion, she didn't have the habit of being a leader. Besides, Tian Kui had been in the Juxing School for longer than her. He would certainly be the leader this time. She wouldn't and didn't want to steal the limelight.

The First Elder was still sitting in the main seat. The other four elders sat on both sides. The First Elder said with a smile, "I called you here because the day of the championship of the three academies is approaching. We've also received relevant information and want to tell you."

The hearts of the few young people immediately tightened and they looked a bit expectant and nervous. "The competition of the three academies this time will be held at the Huafeng School on Yuelun Island. The Fifth Elder will be the leader. When you get there, listen to the Fifth Elder's instructions. Feng Yun." The First Elder looked at Yun Feng. Yun Feng looked up. "Since you're the first on the rank this time, you'll certainly be the captain of the team."

The other young people all glanced at Yun Feng. Tian Kui stood there without changing his expression, but Yun Feng smiled. "I don't think I'm qualified to be the captain. I'm still young and inexperienced. To be honest, I've only seen few things in the world. There are very good candidates for Juxing. Why don't I recommend one?"

The five elders all snickered in their minds after hearing that. Inexperienced? Never seen the world? Who would say that about themselves? Besides, with this little girl's potential and strength, how could she be someone who hadn't seen the world? Tian Kui was certainly shocked when he heard Yun Feng's recommendation. Logically, she shouldn't be like this.

1116 A Perfect Ending (4)

The Fifth Elder chuckled. "Let's do as this girl says. Tian Kui is indeed a suitable candidate and he has a stable personality. You certainly need someone who can be relied on when you're somewhere else."

The First Elder nodded in satisfaction. "Since Feng Yun has recommended Tian Kui, you should accept the responsibility."

Tian Kui was startled. He looked at Yun Feng deeply. Yun Feng smiled gently. Tian Kui didn't hesitate and immediately cupped his hand in the other. "I won't let you down. I will fulfill my duty! I'll protect all my Juxing companions!"

The five elders chuckled in satisfaction. At this moment, the door was suddenly pushed open and a figure flashed in in a hurry. The sullen potion elder walked in. Before the five elders said anything, he quickly said, "Something happened in the Forbidden Forest!"

The expressions of the five elders immediately changed drastically. Tian Kui suddenly had a bad feeling. He immediately looked at his master, the Third Elder, who was apparently worried too. At this moment, another figure staggered over from outside the door. "Senior Brother Kui, Master! Save Yu Jin, save her!"

"What exactly happened?" The Third Elder was enraged. The person who ran in was the messy Hua Ling. Her hair and clothes were all messed up and there were even spots of blood. Everyone was shocked when they saw this. What exactly happened?

However, Yun Feng keenly caught a name, Yu Jin.

As expected, under the furious roar of the Third Elder, Hua Ling glanced at the Third Elder in fear, then looked at Tian Kui and finally said with a trembling voice, "It's... It's Yu Jin... She... She's been very uncomfortable in her mind after she lost to Yun Feng in the ranking contest. She said..." Hua Ling

glanced at Yun Feng. Yun Feng raised her brows. She certainly knew what Yu Jin said. The key was that Hua Ling couldn't escape responsibility.

"What did she say?" The Third Elder roared furiously again. Hua Ling's entire body trembled. "She... She said it's not a big deal to become a summoner. She can do it too, so she ran to the Forbidden Forest..."

"Bastard!" The Third Elder shouted as the veins on his forehead bulged. How could he accept such a troublesome disciple? She only knew how to cause trouble for him. He was truly blind back then!

"Third brother, now isn't the time to be angry. Where is Yu Jin in the Forbidden Forest right now? If she's in the outermost area..." Before the First Elder could finish, Hua Ling shook her head fiercely and tears seemed to be flowing out of her eyes. "She was in the outermost area at first. I was worried, so I kept following her and told her not to go deeper. However, she didn't listen and insisted on going deeper. I could only stop her. The two of us fought and something happened. Yu Jin... Yu Jin suddenly disappeared!"

"The Forbidden Forest isn't a place you can go to! You should think about how weak you are!" The Third Elder was so angry that his face turned red. Yu Jin was such a troublemaker. It seemed that only confinement could make her calm down for a while!

"Master! It's more important to save Yu Jin right now. If she's entered the depths of the Forbidden Forest, the consequences will be unimaginable," said Tian Kui. He knew that the Third Elder was angry and was afraid that he wouldn't care about Yu Jin's life if he was angry. Even though the Third Elder was angry, Yu Jin was his disciple after all. He couldn't just let her go.

"Fifth Brother, go deal with it with Third Brother." The First Elder said. The Fifth Elder nodded. "Third Brother, the Forbidden Forest isn't an ordinary place, especially in the depths. It's extremely dangerous. If Yu Jin really encounters any trouble, it'll be difficult for you to deal with it alone. Fifth Brother is a summoner. He can help you a lot."

The Third Elder didn't want to trouble anyone at first. After all, it was his disciple who caused the trouble. However, since the First Elder said so, he didn't decline anymore. "Master, I'll go too!" Tian Kui immediately stepped forward. The Third Elder frowned and didn't reject him. "That's for the best."

Hua Ling stepped forward and wanted to say something, but Tian Kui turned around. "Stay here. The anger in Master's heart hasn't subsided."

Hua Ling could only nod. With her strength, she would only be a burden when she entered the Forbidden Forest. Seeing that, Yun Feng also stepped forward. "Since Senior Brother Tian Kui is going, I certainly have to follow him."

"Junior Sister, why are you going with him?" Rong Xin lowered his voice and said. What a joke. Yu Jin had always been a troublemaker. Tian Kui was only going because they were from the same sect. Why did her junior sister have to save that troublemaker?

The Fifth Elder also disagreed. The depths of the Forbidden Forest wasn't an ordinary place. If they encountered any danger and this little girl was injured, it wouldn't be worth it.

Yun Feng chuckled. "Master, elders, it's certainly good to have more helpers. If we really encounter danger, I won't be a burden to you."

The Third Elder's eyes glittered. There was quite a huge grudge between Feng Yun and Yu Jin. Because of Yu Jin's small heart and the miserable ending in the ranking contest, it led to the main incident today. Compared to her, Feng Yun was extremely broad-minded and really had a demeanor. That was right. Only then would she be worthy of her strength and talent.

"If you want to come, then follow me." After saying that, the Third Elder had already strode out. Tian Kui was also surprised that Yun Feng stood up for him. He originally thought that Yun Feng would stay out of it. Seeing that the Third Elder had already gone out, Tian Kui quickly followed him. The Fifth Elder sighed helplessly. Yun Feng smiled and went out with the Fifth Elder. The Fifth Elder asked in a low voice, "What are you thinking? That's the Forbidden Forest. It's very dangerous. You shouldn't go there unless necessary."

Yun Feng pressed her lips and smiled. She didn't care about Yu Jin's life at all. Even if that woman died in the Forbidden Forest, she only had herself to blame. This time, Yun Feng wasn't here to save anyone. This time, her target was the Forbidden Forest! There were a lot of Magic Beasts living in the Forbidden Forest of the Juxing School. She had seen the periphery. And even though she was tempted to go deeper into the Forbidden Forest, she didn't dare to go in easily. This was an opportunity. With the Third Elder and the Fifth Elder traveling with her, she certainly had to explore it.

Five-element Magic Beasts. It was time to fill the two empty spots.

"Master, they've already gone very far." Yun Feng couldn't help but say when she saw that the Fifth Elder wasn't leaving yet. The Fifth Elder burst into laughter and pointed his finger as a blue ring and a green one appeared. "No matter how fast they are, we will catch up."

Chapter 1117: The Lightning Element Appears (1)

1117 The Lightning Element Appears (1)

A beam of green light suddenly flashed out of the Fifth Elder's ring with a huge pressure. Yun Feng couldn't help but look up. This was the first time she saw the Fifth Elder's contracted Magic Beast. The Fifth Elder was a double-element summoner. The Magic Beast he contracted should also be extraordinary.

A loud crane cry tore through the sky. A white crane with a medium-sized body stood there. It rolled its eyes and opened its bright red mouth. "Master."

The Fifth Elder jumped onto the back of the crane. "Kid, you're still not coming up?"

Yun Feng smiled lightly and glanced at the crane again. The crane also looked into Yun Feng's eyes. "Come on up." The crane said. The Fifth Elder was stunned. "Kid, this is the first time it took the initiative to let someone else climb on its back. Apart from me, you're the first."

Yun Feng also jumped and stood on the back of the crane. This feeling was different from standing on Lan Yi's back. Lan Yi's back was wider and smoother. After all, the griffin's body was several times larger than that of the crane. The back of the crane was also curved. If she couldn't keep herself steady, she would easily slip.

“Let’s go!” The Fifth Elder shouted. The crane suddenly spread its wings and its slender feet slowly left the ground, flying towards the Forbidden Forest with the sound of cranes. Looking at the back of the crane as it left, Rong Xin couldn’t help but sigh. “Back then, I couldn’t climb up even if I risked my life. I didn’t expect that guy to take the initiative to let Junior Sister go up...”

The other few young people couldn’t help but smile. They patted Rong Xin’s shoulder with their hands. “This is the difference.” Rong Xin raised the corners of his mouth awkwardly and his shoulders shook. He had already known the difference.

The Third Elder and Tian Kui went all the way to the Forbidden Forest at an extremely high speed. As warriors, they were supposed to be a bit stronger and faster. However, after a while, the two of them heard the cry of a crane behind them. Tian Kui couldn’t help but look behind and see a crane flying over quickly. It would catch up with them soon.

“It’s the contracted Magic Beast of the Fifth Elder!” Tian Kui couldn’t help but exclaim, while the Third Elder chuckled. “That’s the good thing about summoners. They don’t lack transportation tools no matter what.”

The crane soon caught up with the two of them. Seeing that Yun Feng was standing on the back of the crane, the Fifth Elder and Tian Kui were both shocked, but they were soon relieved. Who was Yun Feng? “Third brother, the Forbidden Forest is too large. We should split up!” The Fifth Elder stood on the crane and shouted. The Third Elder immediately stopped and so did the others. The Third Elder looked down at the Forbidden Forest slightly and couldn’t see the end of it. It seemed that they should indeed split up in order to find Yu Jin as soon as possible.

“Alright! You and Feng Yun go that way. Tian Kui and I will go this way! If there’s any problem, let’s contact with the Sound Badge!” After saying that, the Third Elder walked all the way to the right with Tian Kui. The Fifth Elder glanced at the area on the left and was about to fly over on his crane, when Yun Feng said, “Master, wait a moment.”

The Fifth Elder raised his brows. Yun Feng looked around with her black eyes. This Forbidden Forest was probably a bit larger than the Foggy Forest. “Since we’re here to save someone, we must search quickly. The area on the left is very vast. Master and I should split up. It’s more effective.”

“How can we do that? The deeper we go in the Forbidden Forest, the more dangerous it is. Even though you’re a summoner and you have three contracted Magic Beasts, there are many Emperor Level experts lurking deep in the Forbidden Forest. You’re not their match!” The Fifth Elder immediately denied it. If Feng Yun was injured by the few guys lurking inside, his heart would ache to death.

Yun Feng’s heart inexplicably heated up. The Emperor Level? It seemed that the Forbidden Forest was indeed not simple. It was even more valuable to search!

“I’ll be careful. How about contacting Master as soon as I encounter danger? If Yu Jin is here, she’ll be even more dangerous if we don’t split up.”

The Fifth Elder frowned. He wasn’t worried about Feng Yun’s strength. If a disciple of the Juxing School died inside, he wouldn’t feel good either. Indeed, saving people was the most important thing right now. Besides, this girl was so powerful and knew when to advance and retreat.

“Alright, take this. If you encounter any danger, don’t do anything reckless. Contact me, okay?” The Fifth Elder handed Yun Feng a Sound Badge. Yun Feng took it and nodded with a smile. “Don’t worry, Master. I’ll definitely be careful.”

The Fifth Elder nodded. Yun Feng immediately jumped off the back of the crane and disappeared in the Forbidden Forest. The Fifth Elder couldn’t help but sigh softly. The crane, which had been silent, said, “Master, don’t worry. That human isn’t simple.”

The Fifth Elder shook his head. “This girl is certainly not simple, but I’m still a bit worried... Fine, let’s find that Yu Jin first. If Feng Yun is injured because we’re looking for her this time, I will certainly go to third brother!” After the Fifth Elder said that, the crane had already flapped its wings and flew quickly in another direction on the left of the Forbidden Forest.

Yun Feng fell straight into the Forbidden Forest from the sky. The place she landed this time was different from last time. Last time, she was in the outermost area of the Forbidden Forest. Those Magic Beasts were all at the Lord Level. When they saw Yun Feng, they all hid and didn’t even dare to show their heads. However, the moment Yun Feng landed this time, she found that there were already a few oppressive auras in the area around her. They were observing her from the dark with a bit of fear and nervousness.

Three beams of light immediately flashed from Yun Feng’s Ring of Contract. The moment the three Magic Beasts appeared, those hidden auras all disappeared silently. The three contracted Magic Beasts all appeared next to Yun Feng in the human forms. As soon as Little Fire came out, it smelled an unusual aura and immediately roared, “Bastards, you think you can attack my master?”

Yaoyao held Yun Feng’s hand tightly with her little hand and raised her beautiful little face, smiling brightly at Yun Feng. Yaoyao seemed to have grown up. She didn’t jump into Yun Feng’s arms like she used to when she came out. Yun Feng touched the top of Yaoyao’s soft head with a smile. Lan Yi’s handsome face was a bit serious. After observing carefully, he said, “Master, this place doesn’t seem to be peaceful.”

Yun Feng nodded and walked forward slowly with Yaoyao in one hand, while Lan Yi and Little Fire followed on both sides. “This is the depths of the Forbidden Forest of the Juxing School. It certainly won’t be peaceful.”

Chapter 1118: The Lightning Element Appears (2)

1118 The Lightning Element Appears (2)

“This place is full of the aura of Magic Beasts. Even though they’re all weaker than us so far, they’re already at the King Level.” Lan Yi looked around with a serious expression in his blue eyes. He sensitively noticed that many creatures were already staring at them along the way.

“They all don’t care about their lives,” said Little Fire. He put his arms behind his head and his pure black eyes carried the ferocity of a wild beast. The aura of a Grade 8 King Level Magic Beast spread, making many auras retreat without fighting.

“Xiao Feng, why are we here?” Yaoyao asked the key question. Yun Feng chuckled. “I’m here for the Magic Beasts, of course. I’m a summoner. The other two classes have been vacant for too long.”

“Master, do you want to contract with a new Magic Beast here?” Surprise flashed through Lan Yi’s eyes. Yun Feng nodded. “There are good things deep in the Forbidden Forest. It’ll certainly be great if we can get them.”

“I’m just afraid that they’re all good-looking but useless.” Little Fire grunted in disdain. Yun Feng couldn’t help but knock his young and yet mature face. The little boy immediately frowned and rubbed the place where he was knocked. He glanced at Yun Feng a bit aggrievedly.

“Alright! Xiao Feng, you have to contract the most powerful beasts!” Yaoyao shouted happily with a loud voice that immediately spread in the forest. Lan Yi and Little Fire couldn’t help but frown and look at Yaoyao, while Yaoyao blinked innocently. Yun Feng raised the corners of her mouth helplessly. At this moment, the ground suddenly shook violently, almost shaking everyone off the ground. Yun Feng’s black eyes darkened. Very good. A Magic Beast came to her automatically.

“Boom! Boom! Boom! Boom!” The ground kept shaking, as if it was about to explode from the inside. The trees were shaking and rustling. Most of the hidden auras around also ran away in an instant with deep fear. The three contracted Magic Beasts stood around Yun Feng’s body at the same time, surrounding her completely. As the row of trees collapsed, Yun Feng saw the true appearance of the visitor.

It was a brawny man who was only half a head taller than Yun Feng. He had messy hair that seemed to have been unkempt for a long time. He also had a ferocious face. Just looking at him made people terrified. The clothes on his body were extremely tattered. The few pieces of cloth on his chest couldn’t cover his chest at all. There was a huge ball of hair on his chest. It could be said that this was the perfect appearance of a homeless person. He was the most sloppy and messy.

“Seriously...” Lan Yi looked at the Magic Beast in front of him and really didn’t know what to say. This was the first time he had seen a Magic Beast transform into such an appearance.

Yun Feng couldn’t help but frown. How did this Magic Beast become so sloppy? How long had it been since he combed his hair... However, she was vigilant in her mind, because the tremor on the ground came from under his feet. The ground shook fiercely with every step it took.

“Who’s Xiao Feng?” The brawny man, who was covered in messy clothes, stared at the few people in front of him, one after another. His eyes were completely covered by his messy hair, so they couldn’t see what he looked like at all. They could only see two balls of light coming from behind the curtain of hair.

The three contracted Magic Beasts suddenly tightened their bodies. At this moment, an aura was coming from the body of the beast in front of them, making them unable to breathe. The three Magic Beasts sent a telepathic message at the same time, “Master, he’s stronger than us!”

“The Emperor Level!” These words suddenly flashed through Yun Feng’s mind. She didn’t expect to encounter a Magic Beast of the Emperor Level so quickly! However... the appearance of this Magic Beast of the Emperor Level was a bit... astonishing.

“Why are you looking for Xiao Feng?” Yaoyao shouted loudly. The beast in front of her stared at Yaoyao firmly and then burst into laughter with a vicious expression. “Answer my question. Who’s Xiao Feng?” He stomped on the ground and the ground shook fiercely again. A clear crack appeared in front of everyone.

Yun Feng straightened her body. Why did he insist on knowing who Xiao Feng was? And why was he looking for her?

“Master, wait!” Lan Yi said telepathically. “It’s fine if it doesn’t have any thoughts about Master. I’m just afraid that it has thoughts about you! Let the three of us test it first!”

Yun Feng was silent for a while. “Alright. We just need to test him. Don’t fight with him for too long.”

The three contracted Magic Beasts received Yun Feng’s order and looked at each other in unison. In an instant, the wings on Lan Yi’s back appeared. Yaoyao’s complete form and Little Fire’s Magic Beast form also appeared. The three Magic Beasts turned into three beams of light and pounced on the one in front of them respectively. When the man, who was extremely messy, saw the three Magic Beasts show their forms, his eyes immediately turned around and locked onto Yun Feng firmly. His dirty big hand smashed into the air fiercely and Yun Feng keenly caught the subtle sound of friction!

“Zi, zi, zi, zi!”

It was the lightning element! He was a lightning-element Magic Beast! Yun Feng was shocked. She immediately took out her wand and clenched it fiercely. There was no time to think. “Lightning Field!” Purple lightning elements appeared around the wand. At the same time, purple buzzing elements also appeared in the space where the man who was covered in clothes waved his hands!

Yun Feng’s Lightning Field quickly enveloped the three contracted Magic Beasts, while the lightning elements used by the man, which were all over his body, instantly collided with it. The moment the three contracted Magic Beasts were protected, they were all shocked. Lightning element?

“Yaoyao! Master’s Lightning Field can stop him for now. This guy’s strength is above Master’s. When the Lightning Field is broken later, remember to use the water element!” Lan Yi shouted loudly. Then, he turned his eyes. “Brother Fire, I’ll use the wind element to sweep up the water element. It’s up to you!”

Little Fire howled. “That will be the moment I’ve been waiting for!”

“Zi, zi, zi, zi!” The two types of lightning elements collided and let out a buzzing roar. The tiny white snakes kept disappearing and appearing in the collisions. Behind that messy hair, two beams of scorching light stared at Yun Feng’s Lightning Field. He clenched his big hand fiercely and the powerful lightning elements had already broken through Yun Feng’s Lightning Field in an instant!

He was indeed at the Emperor Level! He was so powerful! Yun Feng only felt that her hand was numb. The Lightning Field was already on the verge of collapse and she also felt that the other party didn’t use all his strength at all! It was indeed difficult for a Grade 8 King to fight with an Emperor Level expert! It wasn’t easy for her to last so long!

Chapter 1119: The Lightning Element Appears (3)

1119 The Lightning Element Appears (3)

“Crack!” The Lightning Field was instantly broken through. The man, who was completely messy, suddenly burst into laughter. He waved his hands in the air fiercely and the purple dragon formed by the lightning elements ran straight towards Yun Feng! Yun Feng’s black eyes darkened. Its target was indeed her!

“Attack!” Lan Yi shouted. The pupils deep in Yaoyao’s eyes suddenly turned into thin vertical lines. The water element surged fiercely around her body and turned into a huge water dragon that instantly wrapped around the body of the purple dragon! The moment the lightning element and the water element came into contact, they let out a furious roar at the same time. The water dragon wrapped around the purple dragon’s body firmly and kept squeezing and rubbing. At this moment, a beam of green light followed closely behind, joining the fight and holding the purple dragon’s entire body firmly like a chain. A third wing suddenly appeared on Lan Yi’s back. The three wings spread out completely and the green light also forced the purple dragon to change its direction in an instant, pulling it straight back!

“A three-winged griffin?” The messy man was surprised to see Lan Yi. Looking at the lightning element that was forcibly knocked back, the man couldn’t help but smile. Little Fire jumped up at this moment and added the violent fiery elements in the end. The four elements fused together and squeezed each other crazily. In the end, they turned into a beam of light that went towards the messy man. Yun Feng suddenly jumped up at this moment and waved the wand in her hand, adding her lightning element to it!

“Zi, zi, zi! Buzz, buzz, buzz!” The sound of elements constantly colliding made the man, who was covered in dirty clothes, quickly dodge. Seeing that, Lan Yi immediately became ruthless and used the wind element to change its direction again, rushing towards the man!

The man, who was completely messy, had never thought of this. He could only curse in his mind, and then there was a loud bang!

“Boom!”

“What’s that sound?” The Fifth Elder, the Third Elder and Tian Kui all heard the clear sound even though they were in different places in the Forbidden Forest. The hearts of the three of them trembled. Did something happen, or did someone find Yu Jin and have an intense battle? However, nobody’s Sound Badge sounded. The Third Elder immediately contacted the Fifth Elder. The Fifth Elder was also confused, but his heart raced. Did something happen to Feng Yun? He immediately didn’t care about Yu Jin anymore. The Fifth Elder turned around and rushed towards the place where the loud noise came from just then!

After the loud noise, soil and stones flew and trees collapsed. A deep pit was created on the ground. Yun Feng and the three contracted Magic Beasts looked at the deep pit. After a while, a person crawled out. Yun Feng was shocked in her mind. He wasn’t dead. He only suffered some minor injuries!

The man, who was already a mess, was even dirtier at this moment. Coupled with the dust and soil all over his face, he looked like he had just rolled in mud. Yun Feng looked at him. Was this the Emperor Level? Such an attack just then couldn’t hurt him at all. What kind of defensive ability was this?

“Bah!” The man spat out the sand in his mouth a few times and patted the scattered cloth on his body randomly. The three contracted Magic Beasts surrounded Yun Feng vigilantly. Yun Feng knew that she had no chance of winning if she fought head-on.

“A four-element summoner is truly rare. I’ve never seen anyone like you in my entire life.” Two scorching gazes behind his hair fixed on Yun Feng. Yun Feng frowned slightly. What exactly did this Magic Beast mean?

“Although Magic Beasts say that it’s a humiliation to be contracted by a human, I don’t believe so! After waiting for so many years, you’re the only one who can satisfy me. It seems that it’ll be very difficult for me to find the next one if I miss you. What do you think, human? I agree to let you contract me. You must be so touched that you burst into tears!”

Yun Feng was stunned, and so were the other three contracted Magic Beasts. The man, who was completely messy, burst into laughter. He put his hands on his hips and looked at the sky as he laughed. “Human, are you extremely shocked? You’re lucky that I agreed to let you contract with me! Didn’t see this coming, did you? Hahaha!”

“Bah! This is the first time I’ve seen someone so shameless!” Little Fire couldn’t stand it anymore and cursed fiercely. Lan Yi’s expression was similar. His facial features were almost twisted. He had seen shameless people, but he had never seen someone so shameless...

“Xiao Feng, don’t contract with him.” Yaoyao glanced at him in disdain. Xiao Feng would really demean herself by contracting with him! So what if he was at the Emperor Level? He was an idiot!

The corners of Yun Feng’s mouth moved. This was the first time she had met such a weirdo. The one opposite her was still smiling. It seemed that he was quite satisfied with her. Yun Feng remained silent for a long time. The one opposite her finally stopped laughing crazily and frowned a bit unhappily. “Why? I’m not an ordinary Magic Beast! Other people want to contract with me, but I’m unwilling!” Seeing that Yun Feng was still silent, the man couldn’t help but shout, “Damn it, if I ask you to contract with me, you must accept!”

Yun Feng had indeed thought of contracting one, but she had never thought of contracting such a Magic Beast. Her temples couldn’t help but pound a few times. Had any summoners been forced by a Magic Beast to contract with it? Yun Feng was truly the first one. Meatball excluded. Being forced into this situation by such a Magic Beast, Yun Feng’s mood... was indeed complicated.

“Human! I asked you a question!” The man, who was completely messy, stepped forward fiercely and walked towards Yun Feng. The few pieces of cloth on his body kept shaking. The three contracted Magic Beasts immediately wanted to move, but Yun Feng stopped them. Yun Feng asked the three of them to stay still.

“I can’t.” Yun Feng said briefly. The man couldn’t help but feel startled. Then, he realized that it was indeed the case. This human was only at Grade 8 of the King Level. He was already an Emperor. How could she contract him?

“It would be weird if Master contracted you!” Little Fire roared unhappily. If they became companions with this man, he would really have to roar at the sky in fury!

“Damn it, I forgot about that.” The man suddenly reached out and messed with his hair randomly. An unusual smell came. The corners of Yun Feng’s mouth couldn’t help but twitch a few times. The three contracted Magic Beasts took half a step back calmly and kept a distance from him. The man started to circle on the spot, looking very anxious, as if he was talking to himself.

“Let’s go.” Yun Feng whispered. She didn’t intend to fight with this beast. Even though this lightning-element beast was pretty good, she didn’t have the ability to contract with it right now. Besides, even if she did... it wasn’t easy to control such a weird beast...

Chapter 1120: I Like You (1)

1120 I Like You (1)

“Stop! How dare you abandon me!” The sloppy man suddenly shot a gaze over with incomparable heat and wild anger. There were already faint sounds of lightning in his hand, as if he was unhappy and wanted to fight again. Yun Feng’s face darkened and the three contracted Magic Beasts also looked tense. A Magic Beast of the Emperor Level. As for what grade of the Emperor Level it was, she didn’t know. However, their combined attacks just then couldn’t hurt him, which showed how strong he was.

Yun Feng knew that she wouldn’t get any advantage if she fought it head-on. If she forced this Magic Beast to a corner, she might be in quite a lot of trouble. Being liked by such a Magic Beast, should she be worried or happy?

“It’s not that I don’t want you, but I don’t have the ability to contract you. I can’t force myself to do that.” Yun Feng replied calmly, trying to ease the anger of the other party. The man’s eyes suddenly brightened. “So, you’ve agreed?”

“It’s useless even if I agree. I’m not even...” Before Yun Feng could finish, the man put his hands on his waist again and roared at the sky, “Hahahaha, I knew it. How can you reject me? Who am I? Hahahaha!”

The corners of Yun Feng’s eyes twitched fiercely. She had the urge to roll her eyes. After laughing, the messy man glanced over. “Just because you can’t contract me right now doesn’t mean you can’t in the future! I can wait!”

Damn! I don’t want to wait! Yun Feng couldn’t help but curse in her mind, but her expression didn’t change at all. She could wait. It would take a while before she reached the Emperor Level. Perhaps this Magic Beast would change its mind during this period of time.

“If you can wait, that’s up to you.” Yun Feng said indifferently as she turned around and was about to leave. The man put his hands on his hips and burst into laughter. In the end, his face suddenly became vicious. “Human, if I change my mind in the future, I’ll kill you.”

Yun Feng’s expression immediately turned cold. The man continued, “Because there can only be one person I like! And it’s the only one! If I don’t like you one day, I’ll finish you off with my own hands!”

Yun Feng suddenly curled up her lips with a cold smile. “So, it seems that my life will be in danger if I don’t contract with you?”

“Hahahaha, you can say that. As long as you don’t contract with me, I may fall out with you anytime!”

Yun Feng smiled. The man couldn't help but feel stunned when he saw that. This human could still smile? Hahaha, great! She was quite interesting! "If I change my mind, I'll definitely finish you off with my own hands." Yun Feng's eyes were extremely sharp like a sword. "I still have a lot of things to do, so I can't die."

The two pairs of eyes looked at each other. Neither of them wanted to give in. Even when facing an Emperor Level Magic Beast, Yun Feng wouldn't give in at all! The man laughed loudly and the rags on his body shook a few more times. He was about to say something when his expression changed. "Someone's here!"

The loud cry of a crane suddenly came from the sky not far away. Yun Feng knew that the commotion just then must've attracted the Fifth Elder. He must be rushing over to find out the truth. The messy man looked unhappy. "Damn it, another human came in..."

Another one? Yun Feng sensitively caught the phrase. Had he seen Yu Jin before? "Er Lei, have you seen a young girl wearing the uniform of the Juxing School? She's a bit short and the weapon in her hand is two rings."

"F*ck, what did you call me? Er Lei? How dare you call me Er Lei!"

Little Fire spat again. "Bah! You're lucky he didn't call you idiot."

Lan Yi couldn't help but laugh. Master gave this beast such a name. Er Lei... It really matched his personality and was indeed very appropriate. However... this name was indeed too hilarious.

"Have you seen her?" Yun Feng's tone suddenly rose and was extremely sharp. The man didn't react and immediately nodded. "Yes."

"Very good. Where is she?" Yun Feng asked again. Er Lei was stunned for a moment and realized that he had answered the question just like that. He immediately roared furiously, "Damn it, why should I tell you where she is?"

"Speak!" Yun Feng raised her voice again. This one word trembled Er Lei. "I don't like her. I threw her in the cave."

It seemed that Yu Jin wasn't seriously injured. However, what Er Lei said next was, "I couldn't wait to squeeze that human to death! However, it's beneath my dignity to fight with her, so I threw her into the snake's den. Hahahaha!" After saying that, Er Lei couldn't help but laugh crazily with his hands on his hips. "I really think I'm a genius. Haha!"

A snake's den... Yu Jin must've really suffered a lot, but it seemed that she wouldn't be able to last long. Luckily, the Fifth Elder was here... As Yun Feng thought about this, a crane flew down from the sky. The Fifth Elder quickly jumped off the back of the crane. He couldn't help but heave a sigh of relief when he saw that Yun Feng was safe. However, when he saw that man, his expression suddenly tightened and he pulled Yun Feng behind him.

He didn't expect to encounter an Emperor Level Magic Beast so soon. Also, it was this girl who met it. What was that loud noise just then? However, it was pretty good that this girl wasn't injured at all. What was this Emperor Level Magic Beast thinking?

Seeing that the Fifth Elder pulled Yun Feng to his back, the man's eyes immediately burst into flames.
"Human, get lost!"

The Fifth Elder's expression tightened. The beast's strength was so high! How did this little girl provoke him? Besides, she was still standing right now without being injured at all! The Fifth Elder didn't move aside. He was thinking in his mind about how to escape perfectly. If they really fought, it would probably be very difficult for him to win!

Yun Feng couldn't help but smile when she saw the Fifth Elder frown. She reached out and pulled the Fifth Elder's sleeve. "Master, he's my friend."

W-What? Friend? The Fifth Elder was completely stunned. This Emperor Level Magic Beast was her friend? When did she have such a friend?! The eyes of the messy man glittered and he grunted without complaining. The Fifth Elder looked at Yun Feng in disbelief. "Kid, are you serious?"

Yun Feng nodded. "He's indeed my friend, or I would be safe and sound right now."
