

Summoner 551

Chapter 551: Yaoyao (4)

The leader of the branch hall stiffened and laughed dryly. "You don't have to worry about that. I know what I should and shouldn't do."

Yun Feng didn't say anything else. She held Yaoyao's little hand and turned around to leave, only to find that Yaoyao's ears were already starting to have the shape of fins. Yun Feng said softly, "Yaoyao, you can't change."

Yaoyao's originally excited little face was pulled long after hearing that. The battle of the water element just then made her very excited. It should be said that the sea demons felt friendly when they saw the water element. They liked water.

She looked at Yun Feng a bit aggrievedly and extended her arm. Seeing that, Yun Feng smiled helplessly and bent down to carry Yaoyao in her arms. Yaoyao held Yun Feng's neck and whispered, "Water."

Her voice was soft, but Yun Feng heard her clearly. Perhaps the battle just then made Yaoyao excited. Yun Feng chuckled as the water element slowly covered Yaoyao's body, emitting a faint blue color. Yaoyao smiled in satisfaction and held Yun Feng tighter.

Ming Xuan looked at Yun Feng's back as she left and gnashed her teeth in hatred. She was already extremely certain that the little girl next to Yun Feng must be a water-element Magic Beast. She must be a mermaid born from that egg!

"Master, the little girl next to her is a mermaid! The mermaid hatched from that egg! She probably hasn't been contracted yet. I still have a chance. As long as you're willing..."

"Ming Xuan!" The branch leader suddenly shouted and interrupted Ming Xuan. "Don't provoke her. Forget about that mermaid."

Ming Xuan was stunned. "Master! That's a mermaid! You want me to just let it go? I can't accept it!"

The leader of the branch hall furrowed his brows completely. "She's not someone you can afford to offend! Didn't the battle with her teach you anything?"

Ming Xuan's expression suddenly darkened and she clenched her fists tightly. There was a hint of embarrassment on her cold and arrogant face. "You didn't have the power to resist at all just then. If I hadn't helped, you wouldn't be standing here talking." His tone was cold. Ming Xuan blushed. "That was... that was an accident. I..."

"If she hadn't shown mercy, she could've crushed you to death with one move! Don't mention that mermaid again. Let's just drop this matter!" The branch hall master glanced at Ming Xuan angrily and turned around to leave. Although the fight just then only lasted for a short moment, it made the branch hall master understand that Yun Feng was on the same level as him! Even though Monarch Level people couldn't control the power of space completely, they could still use the power of space to crush a person directly.

The expression of the branch hall master immediately darkened. Where exactly was she from? She wasn't a member of the Bright Moon Hall. If she was an independent cultivator, it would be very beneficial if she was convinced to join the Bright Moon Hall!

Ming Xuan still stood there with a look of unwillingness. She obviously didn't hear what the hall master said. Ming Xuan also understood that she wouldn't be able to get any help from the hall master.

"Damn it!" Ming Xuan cursed fiercely in a low voice. He glanced at the Magic Beast that was lying on the side and seemed to be seriously injured. He stepped forward and kicked it. The Magic Beast let out a scream. "Useless!" Ming Xuan whispered to the Magic Beast and then put the Magic Beast into the Ring of Contract. The fire of greed in her heart was still burning fiercely.

Yun Feng carried Yaoyao back to her room. Along the way, she naturally attracted a lot of curious eyes. Yaoyao had been nestled in Yun Feng's arms, as if she was enjoying herself. There was a smile on her little face the whole time. When they entered the room, Xia Qing saw Yun Feng come back and wanted to go over and talk to Yun Feng happily. Yaoyao, who was nestled in Yun Feng's arms, suddenly raised her head and looked at Xia Qing fiercely. Xia Qing's little face immediately turned pale.

"Yao... Yao, I'm not... I'm not a bad person..." Xia Qing explained with a slight tremble. Little Fire walked up and blocked Xia Qing behind it, then roared at Yaoyao with a hint of brutality flashing in its eyes.

Yun Feng smiled helplessly. She had to change Yaoyao's unfriendly mentality. She put Yaoyao down and touched the top of her head. "Yaoyao, these people are my friends. They're also your friends." She looked at Yun Feng with her watery blue eyes, as if she didn't quite understand.

"Yaoyao, we're friends." Xia Qing stuck his head out from Little Fire's back and looked at the girl in front of him longingly. Even though she was a Magic Beast, she looked like a human right now. Xia Qing really wanted to be friends with her...

"She doesn't understand," said Lan Yi. Qu Lanyi burst into laughter. "Let's put it another way. Yaoyao, we don't mean any harm to Yun Feng. Do you understand?"

Meatball, who was sitting on Little Fire's head, let out a cry and jumped onto Yun Feng's shoulder. Seeing that, Yaoyao's expression immediately became ferocious again. Meatball also showed its sharp teeth unhappily.

"Let's put it another way..." Qu Lanyi looked at Yaoyao thoughtfully. "We won't steal Yun Feng from you. Yun Feng is yours. She should be able to understand that."

Yun Feng's expression froze and she laughed awkwardly. Yaoyao suddenly turned around and looked at Qu Lanyi. The hostility in her eyes was gone. Seeing that, Qu Lanyi immediately understood and smiled rather helplessly. "It seems that I still have a long way to go..."

That night, Xia Qing took a long time to finally make Yaoyao understand that she wouldn't fight with her for Yun Feng. When Xia Qing held Yaoyao's little hand, she smiled brightly. Yaoyao also smiled at Xia Qing. This smile made Xia Qing's eyes turn red all of a sudden.

"Stupid girl, why are you crying?" Little Fire knocked Xia Qing's head. Xia Qing held Yaoyao's little hand tightly. "I'm so happy. Yaoyao smiled at me!"

Little Fire couldn't help but roll its eyes. Lan Yi, who was standing aside, chuckled. Judging from its appearance, Lan Yi and the demon were more like brother and sister, not considering the racial difference. Both of them had blue eyes. The blue patterns on Lan Yi's cheeks were similar to the patterns on the demon fish's tail.

Yaoyao looked at Lan Yi for a long time. Lan Yi walked over and lowered his body so that Yaoyao could look at him in the eye. "What's wrong?" His tone was very gentle. Yaoyao looked at Lan Yi's blue eyes silently and the engraving on one side of his cheek. She slowly extended her little hand and touched it gently.. When her hand touched the blue engraving, the light in Yaoyao's eyes suddenly darkened.

Chapter 552: Yaoyao (5)

Lan Yi seemed to understand something as he touched the top of Yaoyao's head with his big hand. Yaoyao also seemed to accept them gradually. Even though she wasn't very friendly, she wasn't as aggressive as before.

"It's different, isn't it?"

Yaoyao raised her head and finally nodded gently after a while. Looking at the engraving on Lan Yi's face, she was slightly dazed. Lan Yi caught the hint of loneliness in her eyes. She... was alone on this continent.

Yun Feng walked over at this moment. Yaoyao turned around and pounced at Yun Feng. Her body instantly transformed into the original form of a sea demon, and that dazzling sea demon form appeared again. Xia Qing exclaimed loudly when she saw this. Yaoyao was truly too beautiful!

Her fishtail wrapped around Yun Feng's waist, and Yaoyao snuggled into Yun Feng's arms again, as if she was acting cute. Yun Feng touched Yaoyao's fins and looked at Qu Lanyi with her black eyes. "Everyone who accepts the bounty will gather in the branch hall tomorrow. Your good days are coming to an end."

Qu Lanyi chuckled with a hint of teasing in his eyes. "With Fengfeng here, what do I have to worry about?"

Yun Feng raised the corners of her mouth. She had to act together with others who accepted the bounty and lure them to go in the wrong direction. The most important thing was how to hand over a fake Qu Lanyi without being discovered...

The next morning, Yun Feng and the others set off after they were ready. Qu Lanyi put on his mask and followed Yun Feng with an ordinary face. He had cut off his short hair to avoid being hunted. His current appearance was a bit different from when he was adored by the daughter of the leader of the Bright Moon Hall. He wouldn't have been recognized unless she were here.

Yun Feng's team of six was quite a huge lineup. Three of them were transformed Magic Beasts. After the six of them came to the main hall, they found that there were also a lot of people waiting.

Yun Feng roughly estimated that there should be dozens of people. She glanced at Qu Lanyi. He was indeed a big shot. He had attracted so many people to hunt him down. Qu Lanyi chuckled and didn't say anything. He simply winked at Yun Feng. Who would've thought that the person they had been chasing was standing right in front of them?

The leader of the branch hall came very quickly. When he saw Yun Feng, his gaze lingered for a few seconds longer. Yun Feng and the others stood at the back. There were young faces in the group. Little Fire and Yaoyao looked like kids. Together with Xia Qing, the three kids were among them. Although many people were confused, they didn't say anything. In this age, one kid might be a top expert.

There were a total of forty people participating in this bounty operation. They were divided into four groups of ten and searched the area that the branch hall was in charge of. Even though it was just a branch hall, the area it was in charge of was very large. It would be quite difficult to find one person without sending more people.

Yun Feng and her companions were sent with another four people. The four of them looked at Yun Feng's team curiously. After all, they were all young and mostly kids.

Before she introduced herself, another person came. Yun Feng was a bit surprised when she looked around. It was Guardian Ming Xuan?

"Each team needs a member of the branch hall to follow them. After all, this bounty was issued by the main hall, so the branch hall will certainly do its best. I'll follow your team. I'm the guardian of the branch hall, Ming Xuan."

Xia Qing kept her eyes wide open and didn't say anything. Yun Feng had told her to keep her mouth shut as much as possible. Little Fire and Lan Yi only glanced at Ming Xuan and didn't take it seriously. Yaoyao, on the other hand, looked at Ming Xuan with hostility in her eyes. Qu Lanyi glanced at her indifferently and didn't stay for long.

Yun Feng and the others were undoubtedly a bit cold, but the other four people immediately became friendly when they heard that Ming Xuan was a guardian of the branch hall. After learning that Ming Xuan was a Commander Level summoner, there was even more envy in their eyes.

These four people were all at the Commander Level, some high and some low. Even though Ming Xuan had just been promoted to the Commander Level, her identity as a summoner was noble and she was also a guardian. These people naturally had to try their best to establish a relationship with her.

Yun Feng looked at the heated conversation between the four of them and Ming Xuan coldly. Her gaze suddenly fixed on one of the four of them. She sized him up with her black eyes and a smile suddenly appeared in her eyes.

Qu Lanyi lowered her voice slightly. "He looks like me, doesn't he?"

Yun Feng chuckled and nodded without batting an eyelid. She slowly moved her eyes away. They were indeed very similar. In terms of height and body shape, he was very similar to Qu Lanyi. He should be a bit older than Qu Lanyi and could be considered a junior. However, this wasn't important.

Yun Feng wasn't a kind person. Once the people around her, especially the people she cared about, were involved, it didn't matter to her even if she used some despicable means. The title of the son-in-law of the daughter of the Hall Master of the Bright Moon Hall wasn't bad. Yun Feng didn't want his life, she just wanted his cooperation.

The young man, who was trying to get close to Ming Xuan, suddenly shivered. He subconsciously looked back and didn't find anything. He turned his head in confusion and felt uncomfortable in his heart, as if he had been schemed against.

Yun Feng put on a smile. It's you!

There were a total of four groups, with ten people in each group. Each group had one person from the branch hall to follow them. They claimed that they were helping them along the way so that they could directly verify the results when they found anything. In fact, they were monitoring them.

The branch hall of the Bright Moon Hall's territory in Wind Moon City was divided into four parts. The four groups each chose one area. Of course, the people sent by the branch hall were responsible for choosing the area.

Ming Xuan told the others that the other three groups had picked the relatively easy areas, which were some city districts and villages. Yun Feng's group was in the wilderness, which was much more difficult and dangerous than the other groups. What was more important was that one of the groups couldn't help but whisper, "Isn't this the place closest to the Thousand Beast Mountain Range... Why are we so unlucky?"

The others also looked troubled. Everyone knew how dangerous the Ten Thousand Beast Mountain Range was.. The area they were exploring was extremely close to the Ten Thousand Beast Mountain Range. If they accidentally alerted the Magic Beasts in the Ten Thousand Beast Mountain Range, wouldn't they die without a complete corpse?

Chapter 553: Who's Plotting Against Whom? (1)

Ming Xuan chuckled. "There's nothing we can do about that. The other three candidates were too quick. This area was the only place left. However, I believe that as long as we're careful, there shouldn't be any problem with a group operation. Magic Beasts aren't as dangerous as you think."

What she said eased the mood of the few people who were inexplicably worried. After all, it was quite credible to know the situation of the Magic Beast from a summoner. Yun Feng and the others stood aside and didn't say anything. Little Fire and Lan Yi only raised their eyebrows a few times after hearing what Ming Xuan said. Were the Magic Beast not as dangerous as imagined? Only people who had never experienced a truly dangerous Magic Beast could boast so shamelessly.

Yun Feng glanced at Ming Xuan with her black eyes without batting an eyelid. This woman was really good at scheming. It wasn't very convincing that she had no choice but to choose this area. With her identity as a Commander Level summoner and the position of the Hall of Protectors, the other three people probably wouldn't dare to argue with her. She should be the one who volunteered to go to this area.

Yun Feng's eyes darkened and the killing intent in her heart appeared again. This woman still hadn't given up on Yaoyao. She didn't seem to have been taught a lesson yesterday. The corners of her lips curled up slowly. Was she plotting against her? If Ming Xuan did anything unusual during this exploration, she would definitely not show mercy!

Ming Xuan looked at everyone. "Starting tomorrow, we'll set off. We'll go back and prepare the necessary things today. After all, the exploration this time is very difficult. We must be careful." After saying that, she turned around and walked away. The other four people all went back. They were probably still a bit worried in their minds and there was still a cloud of worry between their brows.

"Fengfeng, she did it on purpose," said Qu Lanyi softly. Yun Feng and the others also walked outside. Yaoyao held Yun Feng's hand and refused to let go. Xia Qing followed Yun Feng closely and listened to their conversation quietly.

"Ah, it must be on purpose," replied Yun Feng as she looked at Yaoyao. "The summoner's obsession with Magic Beasts is truly annoying." She sounded a bit self-mocking. Little Fire and Lan Yi both seemed to understand. Indeed, summoners had a natural desire for Magic Beasts, which was caused by their profession.

"Just wait for her to make a move. Finish her off directly." Little Fire roared on the side as the bloodthirsty thought appeared in its mind again. This was the nature of Magic Beasts. No matter how gentle their personality was, there was a kind of brutality hidden in their blood. This was something that melted into their bones.

"It's fine if she doesn't do anything. If she does..." Yun Feng whispered softly as her face darkened. "I'll never spare her!"

They returned to the hotel to rest. Xia Qing suddenly became a bit too quiet. She was usually lively and cute, but she was unusually silent tonight. Little Fire couldn't help but frown after seeing that.

"Stupid girl, why aren't you saying anything?"

Xia Qing still didn't say anything, as if she was thinking about something. Little Fire couldn't help but feel a bit angry after seeing that. Yun Feng walked over at this moment and bent down, touching the top of Xia Qing's head with her hand. "Qingqing, what are you thinking about?"

Xia Qing raised her head slightly with a serious expression that Yun Feng didn't expect. She thought for a while in her mind and held Xia Qing's little hand as she pushed the door open and walked out. The two of them might have to talk alone.

Yaoyao was sitting next to Lan Yi quietly. Among these people, Lan Yi was the second person Yaoyao was willing to get close to. Seeing Yun Feng walk out, Yaoyao wanted to follow her without thinking, but Lan Yi pulled her back. "Master has something to talk to Qingqing about." Lan Yi smiled at Yaoyao. Yaoyao didn't know if she understood what he said, but she sat there quietly and didn't chase after her. Little Fire glanced at her worriedly. What was wrong with that stupid girl?

Meatball jumped off Yun Feng's shoulder and jumped to the top of Little Fire's head. It shouted, as if it was hinting that there was nothing to worry about. Little Fire frowned. Qu Lanyi chuckled. "Qingqing might have realized something." Little Fire looked at Qu Lanyi suspiciously. Realization? What was that stupid girl thinking?

Yun Feng pulled Xia Qing out of the house. There was a large courtyard in the middle of the hotel. The two of them found a quiet corner, but Xia Qing remained silent. Yun Feng stopped and sat on the stone bench.

“Qingqing, do you have anything to say to me?”

Xia Qing looked up at Yun Feng for a while and finally nodded. “Master, am I too weak?”

Yun Feng was stunned for a moment, and then chuckled. “You still have a long way to go. You don’t have to rush.”

Xia Qing pursed her lips and clenched her fists. “I’m not strong enough. Am I... a burden to you right now?”

Yun Feng was stunned. Xia Qing stared at Yun Feng. “I want to be a disciple that you can be proud of! I want to do things for you. I want to help you!”

Yun Feng listened quietly and didn’t say anything. “I only know how vast this world is when I’m with you, and how weak I am! If I keep moving forward slowly like this, I won’t allow myself to be like this even if you allow me to! I want to be someone who can take charge of things on my own. I want to be your pride!” Xia Qing was a bit emotional as she spoke, and her cheeks were slightly red. She had always been an innocent little girl. It was the same when she met Yun Feng. At that time, she simply wanted to protect her mother. But after meeting Yun Feng, her fate changed. Not only did she have such a good teacher, but she also embarked on the path of a summoner!

Xia Qing originally thought she could slowly move forward, because Yun Feng said she had to walk steadily and step by step! However, these days, all she saw were undoubtedly people of a higher level. She became a real burden by her teacher’s side!

She was only at level 2 right now. If other people knew that her teacher’s disciple was only at this level, she would embarrass her teacher! She didn’t want to be like this. She wanted to become a disciple that could make her teacher proud!

People’s minds needed constant polishing. Xia Qing suddenly jumped from her original world to an environment where there were as many experts as trees in a forest and was greatly touched. It also made her realize that she could cultivate on the road of the strong, but she couldn’t slack off. Hard work and diligence were the most important!

Yun Feng smiled in relief. This disciple didn’t let her down after all. Even though she told Xia Qing that she had to make steady and steady progress on the road of cultivation, Xia Qing had indeed been slacking off during this period of time. Yun Feng didn’t say anything because she hoped that Xia Qing could realize the importance of diligence on her own. Talent was one thing, but more importantly, she had to work hard on her own. Yun Feng was the same.. Even though she had astonishing talent, she had never slacked off.

Chapter 554: Who’s Plotting Against Whom? (2)

“Very good.” Yun Feng nodded approvingly and touched Xia Qing’s head. “Since you’ve already made a decision, are you ready?”

Xia Qing’s little face was full of determination. “I’m ready! I want to practice hard and become my teacher’s pride!”

Yun Feng chuckled and flipped her hand abruptly. The dragon-shaped jade pendant appeared in her hand and her expression became serious. This was the first time Yun Feng showed the solemnity of a teacher in front of Xia Qing.

“Xia Qing, you’re my disciple, and I certainly can’t let you fall behind others! You must be fully aware of the upcoming training. I’ll send you to a mysterious area. Even if you study for decades, even if it’s a century, I won’t let you out until you reach the Commander Level! Have you thought it through?”

A glint of light suddenly flashed through Xia Qing’s eyes. She looked at Yun Feng and nodded firmly. “Master, I understand. I’ve already thought about it! I won’t regret it!”

“Alright, don’t let me down.” There was a smile in Yun Feng’s eyes. With a thought, Xia Qing’s body was surrounded by a ball of light and she directly entered the tenth level of the Dragon Palace. Looking at the dragon-shaped jade pendant in the center of her palm, Yun Feng had expectations in her mind. She could more or less feel the joy of being a teacher right now. This disciple wouldn’t let her down.

The others all smiled after knowing that Xia Qing had entered the Dragon Palace for training. Qu Lanyi praised Xia Qing for being a thoughtful little girl as expected of Yun Feng’s apprentice. Lan Yi also agreed with her, but Yaoyao didn’t say anything. On the other hand, a hint of loneliness flashed on Little Fire’s face when it heard that Xia Qing had entered the Dragon Palace and couldn’t come out until the Commander Level.

“That stupid girl will definitely be fine...” Little Fire mumbled. Meatball sat on Little Fire’s head and cried a few times. Little Fire roared in embarrassment, “What nonsense are you talking about? I’m not worried about that stupid girl!”

Meatball put on a cunning look and jumped to Yun Feng’s shoulder. Qu Lanyi chuckled, and Lan Yi also put on a teasing look. Yun Feng raised her brows. “Oh? If you’re not worried, I’ll raise my requirements. How about the Monarch Level?”

“Monarch Level? With that girl’s ability, how long will she have to wait?” Little Fire looked at Yun Feng. When it said this, it suddenly noticed Yun Feng’s expression of understanding. Seeing that everyone else looked like they understood, Little Fire blushed.

“I’m just a little... a little worried...”

The others still looked like they were saying “Oh? Keep pretending”. Little Fire was finally enraged.

“I’m just concerned for her. So what?”

Yun Feng walked over and petted Little Fire’s head. Its fiery red hair was as dazzling as fire. Little Fire didn’t look like a fierce and powerful Fire Cloud Wolf right now. It was just an awkward and cute little boy.

“Little Fire, you’re right to be concerned about Qingqing.”

Little Fire didn’t quite understand and looked at Yun Feng. Yun Feng was amused by her expression and burst into laughter. Little Fire was even a bit dumbfounded. Qu Lanyi also came over and said to Little Fire earnestly, “Your road is harder than mine. Work hard.”

Little Fire's facial features were a bit distorted. "What nonsense are you talking about?" Qu Lanyi couldn't hold back his laughter anymore and ran to the side to laugh. Lan Yi also came over and patted Little Fire's shoulder. "Brother Fire, I support you."

"What on earth are you talking about?" Little Fire roared. Lan Yi couldn't hold back his laughter and moved aside. Yaoyao glanced at Little Fire and looked away, as if it didn't matter. Meatball jumped over. "Nana, nana."

Little Fire blushed furiously. "I don't like that stupid girl!"

"Hahaha..." A burst of laughter came from the room, mixed with a certain embarrassed and angry voice explaining. The more it tried to explain, the less convincing it was. This night passed without him being able to prove his innocence.

The next day, everybody finally let Little Fire go regarding the matter between it and Xia Qing. Little Fire gave up explaining after a whole night, and nobody said anything else. Little Fire was secretly relieved, but it had a weird feeling when it thought of Xia Qing. It liked... It wouldn't like that stupid girl!

Xia Qing was cultivating in the Dragon Palace. Yun Feng only had four companions left. When they arrived at the gathering place, Ming Xuan didn't ask anything. After all, it wasn't surprising that Xia Qing was missing.

"Since everyone is here, let's go. The first person to find it will be rewarded." After Ming Xuan said that, the other four people were a bit excited, but Yun Feng didn't have much reaction. The ten of them set off from the city gate of the Wind Moon City and went straight to the area they were responsible for exploring, the area closest to the Thousand Beast Mountain Range.

The layout of the West Continent was very different from that of the East Continent. Among the four empires on the East Continent, only the Fengyun Empire was close to the Ten Thousand Beast Mountain Range, especially the Foggy Forest in Chunfeng Town, which was directly connected to the Ten Thousand Beast Mountain Range. One could directly enter the Ten Thousand Beast Mountain Range from the Foggy Forest, and the other three empires were more or less separated. However, the West Continent was different.

The three halls on the West Continent were distributed in the shape of thin long lines and formed tiers. There was a large area on the east side of each hall that was close to the Ten Thousand Beast Mountain Range. For the summoners under the three halls' jurisdiction, the opportunities to encounter Magic Beasts were equal.

The Ten Thousand Beast Mountain Range was said to be a forbidden area on the East Continent, but in the West Continent, it was a paradise for summoners to take risks. Summoners enjoyed going in and out of the Ten Thousand Beast Mountain Range. Even though they knew that there were many dangers, they couldn't resist the passion that surged in their hearts because of the Magic Beasts. Especially for summoners who pursued powerful Magic Beasts, they were even crazier.

The group of ten people traveled at the fastest speed. Once they reached the Commander Level, they could stay in the air for a short time. Although the other five people weren't slow, they weren't that fast. At least, in the eyes of Yun Feng who had Monarch Level strength, their speed could be said to be like a snail crawling.

Yun Feng wasn't in a hurry. She followed at the back of the team leisurely. Yaoyao was held in Yun Feng's arms. Qu Lanyi followed Yun Feng with the ordinary face, while Little Fire and Lan Yi followed on the other side.

After walking for about three days, Ming Xuan finally stopped. It seemed that they had arrived at the place they were searching. "The area we're looking for is the Barren Plains, a place where few people go. It's also the area closest to the Ten Thousand Beast Mountain Range. Very few humans come here, but the strong will have a chance to meet them. We should explore together and try not to split up.. After all, this place is full of danger."

Chapter 555: Who's Plotting Against Whom? (3)

Ming Xuan glanced at the others. The four of them quickly echoed, "Whatever Guardian Ming Xuan says, we'll do it!"

"That's right. We'll just follow Guardian Ming Xuan."

Ming Xuan chuckled and looked at Yun Feng. "Yun Feng, you haven't said anything. What do you think?"

Yun Feng smiled. "Since you said so, let's go together."

Ming Xuan nodded. She glanced at Yaoyao and turned her gaze back. "Then let's go forward. We can split up a bit and search carefully! After all, those who are trying to escape won't hide in cities or villages. I think we have a higher chance of finding them!"

Qu Lanyi raised the corners of his mouth. Was there even a need to look? He was right here! The ten of them were scattered on the Barren Plains. There were weeds that were half a knee high everywhere on the Barren Plains. Looking around, there was really nothing here.

Yun Feng certainly wasn't in a hurry to find someone, but she still had to put on an act. "Do you have more of these masks?" Yun Feng asked. Qu Lanyi's eyebrows jumped a few times. "Fengfeng, do you think this is cheap? I stole it from my home. Where did you get the second one?"

Yun Feng frowned slightly. If she didn't have a second mask, how would she be able to create an impostor Qu Lanyi? Qu Lanyi crept closer. Yaoyao was walking with Lan Yi right now. Qu Lanyi finally had a chance to get close to Yun Feng.

"However, I have other things, but they're not as good as the one on my face." Qu Lanyi breathed hot air next to Yun Feng's ears. Yun Feng's body trembled slightly. She was about to dodge, but Qu Lanyi quickly extended his arm and grabbed Yun Feng's waist, pulling her into his arms.

"Let me hug you. I've been holding back for so long..." Qu Lanyi held Yun Feng tightly and felt the soft fragrance in his arms. He had indeed been suffocating these days. He could only watch Yun Feng and couldn't do anything to her. Especially after Yaoyao appeared, he was even more so. The beauty in his heart was right in front of him, but he could only watch. Qu Lanyi indicated that he was under too much pressure as a man.

Yun Feng blushed and didn't struggle, but let Qu Lanyi hold her. This man had been sticking to her since they met. She could see that he was looking more and more like a starving beast.

“Alright, are you done?” Yun Feng said in a low voice. Qu Lanyi mumbled like a spoiled child, “No, of course not!” Yun Feng struggled free from the man’s arm, and Qu Lanyi could only withdraw his hand in frustration. He flipped his hand, and a translucent mask appeared in his hand. “Although it’s not as good as the one I’m wearing, it’s not bad. Normal people wouldn’t be able to tell the difference.”

Yun Feng looked at the item in Qu Lanyi’s hand carefully and couldn’t help but exclaim in her mind. That mask was only a thin layer. It should be as thick as a layer of skin when it was attached to the face. It was truly hard for people to notice. Perhaps this mask was only used once, unlike the one on Qu Lanyi’s face, which could be used countless times and changed countless faces.

The exploration was still going on. Although the Barren Plains was huge, the ten-person team had also finished exploring it in a short time. Everybody expressed that they had found nothing. Ming Xuan said, “In that case, let’s move forward.”

“Master Ming Xuan, are we still going forward?” Someone asked in doubt. Ming Xuan turned around. “Of course we have to go forward. We have to continue exploring.”

“B-But if we go any further, it’ll be...”

Yun Feng looked forward. If she walked further, she would enter the Ten Thousand Beast Mountain Range. Even though it was the outer area, it was still the Ten Thousand Beast Mountain Range.

“The area we’re exploring includes the outermost area of the Ten Thousand Beast Mountain Range. Follow me.” Ming Xuan glanced at the person who spoke and walked forward without looking back. The other four people looked at each other. They were all at the Commander Level. Even though their strength wasn’t bad, they were truly a bit frightened when they entered the Ten Thousand Beast Mountain Range... Ming Xuan was a summoner, but they weren’t!

Yun Feng pursed her lips and followed. The other four people could only brace themselves and follow her. There were ten of them anyway. Even if something happened, it shouldn’t be a big deal... At worst, there would be other people in front of them!

They entered the outermost area of the Ten Thousand Beast Mountain Range with different thoughts in their minds. As soon as they entered, Yun Feng already felt that something was wrong. Little Fire and Lan Yi immediately tensed up and looked around, transmitting telepathically, “Master, it’s too quiet here.”

Yun Feng held Yaoyao’s hand and walked forward. Feeling the overly quiet aura around her, her mental strength quietly surged out to explore the surroundings. No, there wasn’t a single Magic Beast around.

Maybe we haven’t reached the area where Magic Beasts appear, Yun Feng thought in her mind. Looking at Ming Xuan who was leading the way in front, she walked so calmly. Was she familiar with this place?

The other four people followed behind carefully, as if they were ready to run at any moment. Only the sound of footsteps kept echoing in this dark forest, which seemed unusually clear in this quiet space.

The few of them had already advanced a long distance and officially entered the Ten Thousand Beast Mountain Range. Yun Feng frowned fiercely. There was still no aura of a Magic Beast. This was too weird!

“Master, she’s gone!” Little Fire roared. Ming Xuan, who was leading the way, suddenly disappeared. “Where’s Guardian Ming Xuan?” The four people behind asked with a trembling voice when they saw that Ming Xuan had suddenly disappeared. Yun Feng frowned. Before she said anything, a powerful aura was already approaching from afar, getting closer and closer!

This is... Yun Feng widened her eyes. Qu Lanyi was also shocked. Both Little Fire and Lan Yi cursed, “How did we run into it?”

“Prey, hahahaha, prey!” A hoarse and awful roar resounded in the forest. Accompanied by a terrifying pressure, the ground also shook violently. A giant creature was approaching at a high speed!

Yun Feng’s face also became completely gloomy. She wasn’t unfamiliar with this momentum.. When she crossed the Ten Thousand Beast Mountain Range, she had already met it. It was Yu Xiu!

Chapter 556: Who’s Plotting Against Whom? (4)

Following this hoarse and awful roar, a huge creature suddenly appeared. It had a huge body full of toad lumps, a pair of bat wings on its back, and a huge single eye with an orange-yellow pupil. Its fat body carried a pungent smell. When the four people behind saw this, one of them couldn’t help but vomit on the spot.

“What’s this... so disgusting!”

“F*ck, I’m so disgusted!”

The four people following her stepped back continuously. The oppressive aura emitted by Yu Xiu already made their faces pale. After all, they were only at the Commander Level. How would they be able to defeat the powerful Yu Xiu?

Little Fire and Lan Yi were ready for battle at any time. Yaoyao also became impetuous. The black vertical lines in her eyes suddenly lengthened, which was a sign of her anger. Yun Feng stared at Yu Xiu, which was running crazily not far away, and keenly noticed that a figure in the sky quickly disappeared. An extremely faint blue color entered Yun Feng’s eyes.

When the prey in front suddenly disappeared, Yu Xiu let out a furious howl. It was a sound similar to that of an insect fighting to the death, which made their brain hurt. The four Commanders behind them couldn’t resist anymore. One of them vomited blood on the ground and stopped breathing. The other three turned around with pale faces and wanted to run quickly.

“There’s new prey!” Yu Xiu’s terrifying single eye suddenly caught Yun Feng and the others. It opened its mouth and its huge meat tongue shot out abruptly, extending almost a hundred meters!

“Swish...” The meat tongue came at them like lightning. Yun Feng’s eyes darkened as she grabbed Yaoyao and jumped into the air. Qu Lanyi, Little Fire and Lan Yi did the same. Although Yun Feng and the others easily dodged the attack, the four Commanders weren’t so lucky. Even if they wanted to dodge, it was already too late!

“Poof!” The tongue of flesh pierced through a person’s body and the person let out a violent scream. In just one breath, his life had already been taken away! Yu Xiu’s tongue suddenly rolled back and that body was also swept away. Yu Xiu opened its mouth and swallowed the entire body!

“Humans are indeed more delicious.” Yu Xiu chewed her body as a few drops of blood oozed out of the corners of her mouth. The faces of the remaining two people changed. Yu Xiu certainly wouldn’t give up after eating one. Its huge meat tongue attacked again, targeting the remaining two living people!

Yun Feng’s black eyes turned cold as she flipped her hand abruptly. A sharp icicle had already landed, piercing straight at Yu Xiu’s tongue! “How dare you hurt me?” Yu Xiu’s tongue was injured by the icicle. It roared furiously as its body rushed forward, causing the ground to shake.

The remaining two people immediately ran back desperately. Seeing the fat and strong front limbs, Yu Xiu stomped on the ground fiercely. Countless cracks suddenly appeared on the ground, and tree roots and stone thorns appeared on the cracks!

“Ah...” Two screams rose one after another. Their bodies were penetrated by the stone thorns in an instant, and dark red blood slowly dripped on the stone thorns. Little Fire and Lan Yi couldn’t help but feel a bit shocked when they saw this. Yu Xiu was too cruel!

“I’ve dealt with them. It’s your turn now.” Yu Xiu rolled its orange eyes and stared at Yun Feng. It suddenly put on a weird and awful smile. “It’s you...”

Yun Feng slightly raised the corners of her mouth and stood in the air. “It was my mistake not to blow you up.” Yun Feng had to use the elemental fusion energy to get away, but it seemed that this Yu Xiu wasn’t seriously injured. The energy of the fusion of elements was so huge that it couldn’t hurt Yu Xiu. Yun Feng knew in her mind that the situation was getting more and more tricky.

“Hahahaha! You want to kill me, Yu Xiu!” Yu Xiu laughed crazily. The lumps on its body kept secreting mucus, as if it would secrete this liquid whenever it was excited. Its orange eyes suddenly burst out with resentment. “Thanks to you, I’ve rested for a while.”

The elemental fusion energy still caused some damage to Yu Xiu, but the damage wasn’t fatal at all! Yun Feng stood in the air and quickly thought of countermeasures in her mind. Little Fire and Lan Yi had already transformed into their original forms of Magic Beasts at the first moment. Both of them looked at Yu Xiu nervously.

“Today, I’ll eat you to vent the anger in my heart!” Yu Xiu suddenly raised her head and let out an ear-piercing roar. The enormous bat wings on her back spread out abruptly, casting a thick shadow. Her tongue suddenly attacked Yun Feng. Yun Feng quickly threw Yaoyao into Qu Lanyi’s arms, and her body flashed agilely in the air. “Protect Yaoyao!”

Little Fire and Lan Yi both roared and rushed towards Yu Xiu with Yun Feng. Qu Lanyi caught Yaoyao in a panic. Yaoyao was about to rush forward, but Qu Lanyi held her firmly in her arms. The sharp teeth of the sea demon appeared and bit at Qu Lanyi fiercely.

“Hiss...” Qu Lanyi frowned, but didn’t let go. He quickly retreated to a safe distance with Yaoyao in his arms. During this time, Yaoyao had already bitten more than once. Qu Lanyi’s arm was full of wounds caused by the sea demon, but he could only grit his teeth and not let go. He had no choice but to obey his wife’s order.

The tongue of Yu Xiu was as agile as the most flexible weapon. It bounced in the air countless times and had a wide range of attacks. Yun Feng couldn't get close to its body under the attack of the tongue. She couldn't avoid this battle. Since she couldn't avoid it, she must win!

She flipped her hand and held the other wands of the Monarch Level in her hand tightly. She raised her arm slightly and a huge roaring fire element filled the area around the wand. "Fire Arrow!" The huge fire element arrow suddenly flew towards Yu Xiu. The moment it got close to Yu Xiu, it suddenly transformed into countless clones and attacked Yu Xiu like a rain of fire!

The tongue of Yu Xiu suddenly swept towards Yun Feng. Yun Feng flashed and avoided the attack of the tongue. The fire rain hit the body of the Yu Xiu and made sizzling sounds. The stimulating smell on the surface of the body quickly formed a transparent film.. Yun Feng's fire element attack was completely blocked outside of the film!

Chapter 557: Who's Plotting Against Whom? (5)

"Roar..." A furious wolf roared as Little Fire's sharp claws suddenly attacked Yu Xiu. When its sharp claws touched the mucus on Yu Xiu's body, Little Fire was suddenly shocked!

"Master, the mucus on this guy's body is extremely hard!"

Lan Yi suddenly unfolded the two pairs of wings on his back in the air. The picture of a griffin on the wings appeared completely. The appearance of the four wings meant that Lan Yi was going all out!

"Wind Arrow!" Lan Yi roared as his wings shook violently, shooting out huge green wind element energy. Countless green arrows appeared in the sky around Lan Yi, covering the entire sky!

"Go!" With a command, the green sword rain that filled the sky came at Yu Xiu at an extremely fast speed, covering her entire body from the angle of the attack. However, Yu Xiu laughed. "Your attacks are useless against me. Hahaha! You're destined to be my delicious food!"

Under the rain of green arrows, Yu Xiu's body suddenly jumped and the bat wings on its back flapped. Its body had already soared into the sky and its tongue was aimed at Lan Yi in the sky!

Lan Yi immediately flapped its wings when it saw Yu Xiu rushing towards it, but it couldn't keep up with Yu Xiu's speed. Yu Xiu's tongue suddenly curled up Lan Yi's body. Little Fire couldn't help but be shocked. "Lan Yi!"

The body of the griffin was forcefully wrapped up and it was quickly brought into Yu Xiu's mouth. Lan Yi's wings struggled fiercely, but it was useless. A beam of light suddenly flashed from Lan Yi's body. Lan Yi immediately turned into a beam of green light and returned to Yun Feng's side, hiding in the Ring of Contract.

Seeing that the food in its mouth had flown away, Yu Xiu immediately roared furiously and locked its orange eye on Yun Feng. It had decided to eat this human first!

Not caring about Little Fire, Yu Xiu's attacks were all focused on Yun Feng, which was even fiercer than before. Yu Xiu's attack speed suddenly increased by a level, and Yun Feng's dodging speed also increased by a level.

The tongue had already completely turned into a black shadow that kept moving in the air, and Yun Feng's body had also melted into this space, competing with Yu Xiu's speed! Yu Xiu couldn't succeed after many tries, and was already extremely anxious in its mind. Little Fire kept trying to attack with its sharp claws, but it still didn't have any effect.

"How can I break this layer of mucus? Damn it!" Little Fire scratched the surface of Yu Xiu with its sharp claws fiercely. It felt like it had scratched the surface of a hard stone. There were only scratches, but it didn't hurt Yu Xiu at all. Yun Feng's body suddenly froze in the air. She didn't dodge anymore and just stood there.

Little Fire was dazed. "Master, you..." Seeing that Yun Feng was frozen, Qu Lanyi frowned hard. A thought flashed through her mind. Fengfeng might do something earth-shattering again.

Ming Xuan, who had been hiding in the nearby space since she disappeared, was also completely stunned. She had seen everything that happened just then. The miserable deaths of those four people made her break out in cold sweat. She was the one who attracted Yu Xiu. It wasn't the first time she came here. After all, this was the Ten Thousand Beast Mountain Range. As a summoner, she would come here to take a risk, and this was the channel closest to Yu Xiu's territory. The reason why she wanted to attract Yu Xiu was naturally to deal with Yun Feng!

How strong was Yu Xiu? So what if Yun Feng was strong? She didn't expect that she would make the right decision! Ming Xuan also realized that Yun Feng was much stronger than her. Luckily, she didn't take it by force, but used this method instead. Yu Xiu seemed to have met her before, and they were even fighting now! Ming Xuan looked at the battle in front of her anxiously. She hoped that Yun Feng would die in the belly of Yu Xiu, so that the sea demon would be hers! It would be best if both of them were injured. It would be more beneficial for her! The man holding the sea demon didn't seem strong. She could deal with him alone!

Ming Xuan had been hiding in the invisible space. At this moment, she was glad that she had reached the Commander Level. Otherwise, she wouldn't have known how to hide. As she watched, Ming Xuan felt that Yun Feng couldn't hold on any longer. After all, she couldn't cause any harm to Yu Xiu when she fought with it. Ming Xuan sneered. If you had handed over the sea demon back then, you wouldn't have let me use this move!

Seeing that Yun Feng suddenly stood in the air and didn't dodge like she did just then, Ming Xuan was stunned for a moment. In the end, she burst into laughter in her mind. She couldn't hold on anymore. No matter how strong she was, she still fell into the trap in the end. That sea demon was hers!

Seeing that Yun Feng didn't dodge anymore, Yu Xiu rolled its orange eye excitedly. "Be a good girl and become my delicious meal!" Yu Xiu's tongue suddenly stuck out. Yun Feng stood in the air and didn't dodge. Yu Xiu's tongue quickly wrapped around her with laughter. Its meaty tongue pulled back fiercely and opened its mouth. Yun Feng flew straight into Yu Xiu's mouth!

When Ming Xuan, who was hiding in the dimension, saw this, her usually aloof face couldn't help but twist. That woman was dead. She would definitely die this time. Ming Xuan would get what she wanted right away. Hahahaha!

“Master!” Little Fire roared as it dashed forward, but received Yun Feng’s order for it to return to the Ring of Contract in shock. Little Fire turned into a beam of red light and flew towards Yun Feng. Seeing this, Yaoyao, who was being held by Qu Lanyi, suddenly tightened her eyes. Qu Lanyi’s breathing also became tight. He was about to rush forward, but he suddenly stopped. He stood there quietly with Yaoyao in his arms. Seeing that Yun Feng was swallowed by Yu Xiu’s mouth, a smile appeared at the corners of his mouth.

What should he do with Yun Feng? What should he do with this woman who messed around now and then? He should tear off her wings and tie her to his side firmly so that he could feel more at ease.

Qu Lanyi stood in the air and looked at Yu Xiu with his black eyes. In the blink of an eye, he didn’t miss the meaningful smile at the corners of Yun Feng’s mouth.

Yu Xiu swallowed Yun Feng whole into its mouth, and closed its mouth so tightly that there wasn’t even a crack. Its orange-yellow single eye rolled back and forth excitedly, and the tiny black pupil in the middle emitted waves of light. Being able to eat this human being was the happiest thing in Yu Xiu’s life!

At this moment, Yun Feng was standing inside Yu Xiu’s body. When her body entered Yu Xiu’s mouth, a pungent smell came from inside the creature’s stomach. Yun Feng couldn’t help but frown. This disgusting thing had the same smell both inside and outside. If she didn’t have a strong willpower, she would definitely vomit on the spot..

Chapter 558: I Want Your Life (1)

The inside of Yu Xiu’s enormous body was unusually dark. The sound of intestines and stomach constantly moving came. Yun Feng entered a small space above her head and flipped her hand. Bright fire elements appeared in Yun Feng’s palm, allowing her to see the situation inside Yu Xiu’s body clearly.

Transparent mucus was secreted on the walls of flesh underneath her feet and around her, and there was more and more mucus. Yun Feng narrowed her eyes slightly. The mucus was completely different from that on the surface of the body of Yu Xiu. It was a light yellow color, which should be the liquid used to digest food. More and more pale yellow fluids were appearing. Yu Xiu was planning to digest them as quickly as possible. Yun Feng smiled coldly and looked around. Was Yu Xiu’s inside as tough as its outside?

A fire element instantly turned into an arrow and stabbed at the meat wall in Yu Xiu’s body. After the fire element stabbed into the meat wall, it seemed to have stabbed into a soft cloth and sunk in. Then, the meat wall rebounded again and ejected the fire element out of the wall. The meat wall of Yu Xiu was extremely tough, which also allowed it to swallow larger prey. Its body could constantly expand like a snake, and its slender body could swallow an entire cow or an even larger animal.

“It seems that I’ll have to use that move.” Yun Feng mumbled as she felt that the pale yellow mucus was about to pile up under her feet and the pungent smell was coming. Yu Xiu’s feast was about to begin.

Yun Feng smiled and flipped her hands. The wind element and the lightning element appeared in her hands. As soon as they appeared, green and purple light resonated with each other. There was the sound of wind and thunder. Yun Feng’s young face was illuminated.

Magic and blades couldn't hurt Yu Xiu on the outside or inside. In terms of defense, Yu Xiu was one of the most terrifying types of Magic Beasts. However, for Yun Feng, there was no such thing as invincibility!

No matter how perfect someone's defense was, there would still be loopholes and there would be a time when their defense would collapse, like right now!

The outside was as tough as iron armor, but the inside was extremely soft and flexible. The explosive power of the elemental fusion couldn't cause fatal damage from the outside, but from the inside...

The corners of Yun Feng's mouth slowly curled up as her hands suddenly clasped together. The two elements that were constantly roaring were forcefully fused by Yun Feng in a short period of time. After a faint fluctuation came, the fusion of the elements was completed!

Yu Xiu, who had its eyes closed and was about to enjoy the delicious food, suddenly opened its only eye. There was panic and even... fear in that terrifying eye!

"What are you doing? Come out quickly!" Yu Xiu shouted in panic. The energy waves Yun Feng emitted just then had already made Yu Xiu panic. It had felt the terrifying explosion of elements before. Last time, it only survived by relying on its invincible defense, but now, the elemental energy was in its body!

Yu Xiu opened its mouth and its tongue suddenly stirred in its body, looking for Yun Feng and trying to drag her out of its body. However, it made a mistake. How could it forget that this human was different? How could this human let it swallow her obediently?

"What's the rush? I want to stay a while longer..." Yun Feng laughed. She held the mixed elemental energy in one hand and flipped her other hand again. A bright fire element appeared in her hand. This was the third element, the fire element!

As soon as the fire element appeared, it seemed to have sensed something. It didn't seem friendly to the mixed elements at all and seemed even more irritable than usual. It even seemed like it was about to attack. The mixed elements also fought back weakly, and the two types of elements fought against each other. The pupil in Yu Xiu's eye shrank fiercely. That was... That was...

Ming Xuan, who had been hiding in the space, frowned suspiciously when she saw Yu Xiu's appearance. Her over-excitement just then also changed. What exactly happened to Yu Xiu? Shouldn't it have swallowed Yun Feng completely right now? Why did it look like it had run into a ghost? Could it be... that an accident had happened?

Thinking of this, Ming Xuan chuckled dryly. Accident? What accident could there be? That's Yu Xiu! The most powerful and terrifying among the Magic Beasts. Even the strongest powerhouse wouldn't have a high chance of survival if they encountered it, unless they were tough figures at the Lord Level. Yun Feng couldn't have reached that level... Ming Xuan kept consoling herself in her mind. She glanced at Qu Lanyi, who was standing aside. As she saw the relaxed and complacent expression on his face, an uneasy feeling immediately surged in Ming Xuan's heart.

What was wrong with that man? Why didn't he seem worried at all? Was he not concerned about Yun Feng at all?

Qu Lanyi looked quite relaxed on the surface. Yaoyao, who was in his arms, had been wearing a tight expression. The original form of the sea demon was also becoming faintly discernible. Her ears had already gradually turned into the shape of a semi-fin. Her blue eyes stared at Yu Xiu firmly as the water element lingered around her body. Yaoyao was very anxious at this moment. If it weren't for Qu Lanyi who had been holding her down firmly no matter how hard she bit, Yaoyao would probably have entered Yu Xiu's stomach with Yun Feng.

Wasn't Qu Lanyi worried? When Yun Feng was held by the tongue of Yu Xiu, he was certainly anxious. At that moment, Qu Lanyi subconsciously wanted to rush over, even if he had to go into the belly of Yu Xiu with Yun Feng. However, when Qu Lanyi saw Yun Feng's smile, he immediately understood everything.

Qu Lanyi knew Yun Feng well. From Yun Feng's subtle movements and expression, he knew exactly what Yun Feng wanted to do. Knowing that Yun Feng had her own plan, Qu Lanyi could just be a spectator at ease. How could the woman he liked be eaten by this disgusting Magic Beast so easily? If that was the case, Yun Feng wouldn't be Yun Feng anymore!

"Yaoyao, the show is about to begin." Seeing the panic on Yu Xiu's face, Qu Lanyi put on a cheerful smile with delight in his eyes. The show was indeed about to begin!

A terrifying energy pressure came faintly in an instant. This pressure kept rippling on this calm water surface, one wave after another, as if an incomparably huge beast were about to jump out of this water surface!

Chapter 559: I Want Your Life (2)

"Argh! Damn human!" The eye of Yu Xiu suddenly widened, and its pupil shrank into tiny dots, looking even more terrifying and shocking. Yu Xiu suddenly raised its upper body and let out an earth-shattering roar. It could already feel the increasingly terrifying and expanding energy elements in its body. Yu Xiu's tongue stirred even more crazily in its body, and finally reached Yun Feng!

"Pa!" Its tongue quickly wrapped around Yun Feng's body, trying to throw her out of its body. Yun Feng, however, chuckled, and felt a clear pain from her clasped hands. The pain spread from her arms to every part of her body. She opened her hands, and a ball of surging and roaring elemental energy appeared in her hands. The green wind elements were roaring, and the tiny silver snakes were dancing. There were also... bright red flames that were constantly shouting on the surface of the mixed elements!

Yu Xiu had already sensed that things were beyond its expectation. It might die in the hands of this human today! It was Yu Xiu. How could it die just like that? It was such a powerful Magic Beast!

Yu Xiu's tongue pulled Yun Feng out of its body recklessly. It wanted to live. It regretted provoking this human being. She was simply not a human being. It truly regretted pissing her off!

"Swish..." Yu Xiu suddenly opened her mouth wide as her tongue flew out. Yun Feng was also thrown out of Yu Xiu's stomach. However, it was already too late.

Everything seemed to have become silent. Even the sound of breathing and heartbeat had completely disappeared. Yu Xiu's terrified single eye could only see the cold smile at the corners of Yun Feng's mouth and her extremely cold eyes. Yun Feng's red lips opened slightly and Yu Xiu only heard a soft word...

“Explode!”

Its pupil shrank again. Yu Xiu clearly felt a crazy energy in its body breaking out of its shell like a ferocious beast that was ready to attack!

“No...” An extremely distorted roar spread throughout the area. Yun Feng flipped her hand and cut off Yu Xiu’s tongue completely. She stood in the air and watched Yu Xiu’s body expanding continuously. Finally, with a loud bang...

Bam! Blood and flesh splattered!

“W-What?” Ming Xuan, who was hiding in space, was completely shocked. She looked at Yu Xiu, who suddenly self-destructed, and at the pool of flesh on the ground at this moment. That enormous energy almost destroyed the space she was in completely. Ming Xuan’s heart pounded crazily in her chest!

That was Yu Xiu, Yu Xiu! She actually killed an Yu Xiu. She, she...

Ming Xuan, who was sitting in the space, was completely dumbfounded. Some of the blood from Yu Xiu’s explosion splashed on Yun Feng, but she didn’t dodge. There was a strong smell of blood on her body and her young face was stained with blood!

Goddess of Slaughter! She was the Goddess of Slaughter!

Ming Xuan looked at Yun Feng at this moment and finally realized how stupid she was. The branch leader was right. Yun Feng wasn’t someone she could mess with. Even Yu Xiu couldn’t do anything to her and was killed by her instead. What could she do to her? Besides, the energy that made Yu Xiu self-destruct just then was so terrifying that she trembled just thinking about it!

If it hadn’t exploded in Yu Xiu’s body, but in this space... she would’ve been torn apart by the terrifying energy just then!

She wasn’t human. She was definitely not human! Crazy thoughts flashed through Ming Xuan’s mind one after another, but her body was already retreating subconsciously. If she didn’t escape at this moment, she wouldn’t have any chance at all!

After Yu Xiu self-destructed and died, Yun Feng suddenly raised her black eyes and looked somewhere in this space. She put on a wicked smile and squeezed her hand in the air!

“Argh!” A scream sounded as the space where Ming Xuan had been hiding was suddenly shattered. Her body, which was trying to escape quickly, also showed up.

“Are you done watching?” Yun Feng raised her brows gently. Her body flashed and she was already in front of Ming Xuan!

Ming Xuan’s lips were trembling at this moment as she looked at this girl who was covered in blood with a pale face. A strong smell of blood came from Yun Feng’s body, making Ming Xuan’s teeth tremble uncontrollably.

Fear, a fear that came from the bottom of her heart!

"I... I..." Ming Xuan's voice was shaking and she couldn't say a complete sentence. She just kept shaking her head and subconsciously glanced at the pile of meat on the ground. She couldn't help but feel disgusted in her heart.

"It wasn't me..." Ming Xuan said with a trembling voice. Yun Feng chuckled. "Guardian Ming Xuan, you should be more honest."

Ming Xuan's facial features tightened and she stood in the air with difficulty. Ming Xuan suddenly thought of something. She seemed to have forgotten something important under fear just then. She was a guardian of the Bright Moon Hall's branch! Yun Feng wouldn't dare to do anything to her!

Thinking of this, Ming Xuan's fear gradually faded, but she was still nervous. Yun Feng looked at Ming Xuan's change with a hint of interest on her face. Ming Xuan calmed herself down and then said. Her voice had already become much calmer, but there was still a trace of fear.

"It was just an accident. Nobody expected to run into Yu Xiu."

"Oh?" Yun Feng raised her brows and stared at Ming Xuan with her black eyes. That gaze suddenly made Ming Xuan's heart tighten. "What are you doing? Let me tell you, Yun Feng, I'm a guardian of the Bright Moon Branch! A trustworthy subordinate to the branch leader!"

"So what?" Yun Feng's expression suddenly turned cold and the killing intent in her heart rose again. She wouldn't keep this woman alive!

"If you hurt me, the branch of the Bright Moon Hall won't let you go. Even the Bright Moon Hall won't let you off! You must consider the consequences carefully. This is the territory of the Bright Moon Hall. You..." Ming Xuan opened and closed her mouth as she kept speaking aggressively. Yun Feng was a bit impatient after hearing that. Her black eyes suddenly darkened as she waved her hand fiercely. Ming Xuan's body fell from the sky abruptly, making a huge noise. She had already sunk into the ground slightly and she suddenly spat out a mouthful of blood, looking like she was dying.

Yun Feng slowly descended from the sky and looked at Ming Xuan from above. Ming Xuan widened her black eyes slightly.. "Yun Feng... How dare you... The Bright Moon Hall... won't... let you go!"

Chapter 560: I Want Your Life (3)

"Thank you for your reminder. I'll take your life today!" Yun Feng smiled lightly and waved her hand abruptly. The green wind element instantly turned into an arrow and penetrated Ming Xuan's body on the ground. Ming Xuan's body twitched fiercely and she didn't move anymore. Her eyes widened and she died. She still didn't understand why Yun Feng could kill her so easily like an ant without caring about the consequences. She didn't even have a chance to regret it before her soul was destroyed!

A black shadow jumped out of Yun Feng's bracelet. Meatball was stuffed into Yun Feng's bracelet again during the battle just then. Meatball jumped out and shouted in dissatisfaction when it saw Yun Feng covered in blood. Yun Feng smiled, knowing that Meatball was unhappy.

A gentle hand pulled Yun Feng over and slowly caressed her bloody cheek. Qu Lanyi's black eyes were full of affection. Yaoyao, who was in her arms, had already jumped into Yun Feng's arms. Ignoring the bloody smell all over her body, she held her tightly.

Yun Feng glanced at Qu Lanyi's extremely messy arm. There were more than a dozen wounds on it, which were clearly Yaoyao's work. Qu Lanyi smiled. "When will you stop doing this? I will have a heart attack sooner or later."

Yun Feng smiled casually and looked at the chaotic ground at this moment. A bloody smell rose to the sky. There were only corpses on the ground.

In the team of ten people, only Yun Feng and her companions survived. The four Commanders had been killed by Yu Xiu in an instant. Yun Feng looked at the person who was very similar to Qu Lanyi. That person had already been pierced through by the stone thorns on the ground. The fear of death was still lingering on his face.

Yun Feng sized him up carefully and asked Qu Lanyi to take out the mask and slowly put it on the man's face. The mask magically automatically followed the man's facial features and was very precise. When the mask was completely covered, the man's face had already become Qu Lanyi's original face.

"Hm, not bad." Qu Lanyi looked at the face in front of her and nodded in satisfaction. Yun Feng pulled the man's body up from the stone spikes. "Put your clothes on him."

After putting on the clothes Qu Lanyi wore when he was escaping, the person in front of her was already 80-90% similar to Qu Lanyi. The daughter of the Master of the Bright Moon Hall had only met Qu Lanyi once. She wouldn't be able to tell if this person was really Qu Lanyi or not. Yun Feng could report that the task was accomplished by handing over this person.

Yun Feng put the body of the man on the ground into her bracelet. Looking at the gory scene, she reached out and tore Qu Lanyi's clothes. His clothes, which were originally fine, became messy. Qu Lanyi raised his eyebrows. "If you want to see my body, Fengfeng, you don't have to be so rough. But I like it..."

The corners of Yun Feng's mouth moved slightly. She glanced at Qu Lanyi and wiped a lot of blood on his clothes. Qu Lanyi chuckled softly on the side. He looked as messed up as Yun Feng. After doing everything, Yun Feng clapped her hands. "Alright, let's go back."

Qu Lanyi looked at his outfit and complimented in a low voice, "What an accident..."

Yun Feng and Qu Lanyi deliberately slowed down on their journey back. They had already prepared an excuse. After all, the battle with Yu Xiu was real, and Yu Xiu had indeed killed the other people. It sounded quite convincing, including the part of the lie.

After half a month, Yun Feng and Qu Lanyi finally returned to Wind Moon City. They were certainly in a sorry state. After entering Wind Moon City, they went straight to the branch hall. When they entered the branch hall, everyone looked at them in surprise after seeing how untidy they were.

What happened to these two people? How did they end up like this? Under the suspicious gaze of many people, the two of them directly entered the hall. When they saw the branch leader, the calm man couldn't help but feel a bit startled.

Yun Feng put the body of the man who had been disguised as Qu Lanyi on the ground. The leader of the branch hall frowned and looked at the miserable state of Yun Feng and Qu Lanyi. He guessed something.

“Where’s Guardian Ming Xuan?” asked the branch leader in a deep voice. Even though he already had a guess in his mind, he still wanted to hear what these two people had to say.

“Guardian Ming Xuan is dead. We met Yu Xiu on the way,” said Yun Feng in a deep voice. The branch leader’s face suddenly darkened. “Yu Xiu? How could you have met such a Magic Beast so easily?”

Yun Feng also sneered. “I would’ve asked Guardian Ming Xuan the same question. She led the way.”

The branch leader immediately understood what Ming Xuan was thinking. His eyes darkened. This Ming Xuan had already told her not to have any designs on Yun Feng’s merfolk. Why was she still so stubborn?

“So, the others also died in Yu Xiu’s mouth?”

Yun Feng nodded. “You should know how strong the others are. They were all killed in one strike.”

The leader of the branch hall glanced at the person lying on the floor. “This person is the man who has a bounty on his head?”

“That’s right. After careful examination, we found that this is indeed the man with the bounty.” Yun Feng said without panting. Even though she was lying, her expression didn’t change at all.

The leader of the branch hall stood up and walked to the man’s body. He looked at him carefully and found that he indeed had the same face as the man’s portrait. “Where did you find this man?”

“He’s in a hidden corner, very close to the place where we encountered Yu Xiu. If we hadn’t fought with Yu Xiu, we wouldn’t have found him. When we found him, he was already dead.”

The branch leader didn’t say anything after hearing that. He just sat back on the chair and said to the person next to him in a deep voice, “Tell the other teams to come back. The person with the bounty has been found.”

After instructing them, the branch leader asked Yun Feng about the place and the details of the encounter with Yu Xiu, and Yun Feng answered them one by one. The branch leader became more and more sullen after hearing that, because according to what Yun Feng said, Ming Xuan was the one who led the way. The culprit was Ming Xuan, the guardian of his branch.

“Where’s your Magic Beasts?” The leader of the branch hall looked at Yun Feng curiously. At this moment, other than Qu Lanyi, only Yaoyao was standing next to Yun Feng. Yun Feng sneered.. “Of course, they were injured, all thanks to Guardian Ming Xuan.”
