

Summoner 591

Chapter 591: Whoever Stands In My Way Shall Die (1)

“Ouyang Shanshan! If you remain silent, nobody will think you’re mute!” The young man roared fiercely with a layer of dark clouds covering his face. He flipped his hand and held a longsword that was emitting cold light in his hand. The body of the sword was inlaid with a specially-shaped mold. The mold looked like a coiling dragon that twisted around the sword. The tip of the sword was a ferocious dragon head!

“Swish!” The tip of the longsword suddenly pointed at Yun Feng, and a stream of air surged towards her again. Yun Feng swung the longsword in her hand abruptly, and the sword hummed. The air flow was cut in half!

The young man gritted his teeth fiercely. “Yun Feng, is it? You made me lose face today. If I don’t beat you to the ground, I will change my name!”

comment

“Hahaha, I’ll wait and see how you beat her to the ground!” The girl suddenly retreated to the side with the intention of fanning the flames. Yun Feng’s black eyes narrowed and the sword in her hand seemed to have sensed that there was a strong enemy on the other side. It hummed again!

“Take this!” With a furious shout, the young man’s body had already disappeared from his original position. Yun Feng’s body instantly tightened. Yaoyao in her arms had already been casually thrown into the bracelet space by Yun Feng, Her mental strength instantly surged out of her body and covered this space!

There was none! There was no trace of the young man in the range of Yun Feng’s mental strength detection. This Monarch Level opponent indeed had some skills!

“Ha!” A deep and furious shout suddenly came from behind Yun Feng’s back. A longsword with a faint dragon’s roar slashed out from the space, aiming at Yun Feng’s back!

“Try this!” Xiao Lingyu roared furiously as he increased the strength of the longsword in his hand again. The longsword entered Yun Feng’s body at a lightning speed!

Xiao Lingyu watched the longsword stab into Yun Feng’s body and the corners of his mouth curled up proudly. However, in the next moment, his expression changed! There was no sound of the longsword piercing into her body, no blood, and not even the feeling that his sword had touched anything!

Yun Feng’s body suddenly distorted in a short period of time and then disappeared! An afterimage. This was just an afterimage of Yun Feng!

The expression of the young girl who was watching the battle in the sky suddenly turned cold. Xiao Lingyu was a Monarch Level warrior! Even if this woman was a Monarch Level summoner, how could

she compare to a Monarch Level warrior in terms of speed and strength? If she was a summoner, what was

with her speed and strength?

Xiao Lingyu was obviously stunned too. Looking at the afterimage that was stabbed by the sword, he was a bit dumbfounded. He was probably as shocked as Ouyang Shanshan!

“Youlll die if you’re distracted.” A cold voice suddenly came from Xiao Lingyu’s side. Xiao Lingyu subconsciously turned around abruptly and swung the longsword in his hand, hitting Yun Feng after her sudden appearance. The swords in their hands clashed at this moment!

A deep dragon roar accompanied by a humming sword whistle!

“Damn!” Xiao Lingyu cursed in his mind. He only felt an incredible power suppression coming from Yun Feng’s longsword. That wasn’t the effect of using fighting energy or even combat techniques. As a warrior, Xiao Lingyu knew clearly that this was pure power from her body!

“Buzz...” After the swords in their hands reached the peak of the confrontation, they suddenly separated. The moment they separated, an obscure energy wave spread out from the area where they were fighting!

Ouyang Shanshan suddenly waved her hand, and the barrier formed by the fire elements enveloped her, barely blocking the spread of the energy wave. Ouyang Shanshan stared at Yun Feng, her heart trembling. A summoner had such power! What kind of freak was that woman?

“Who are you?” Xiao Lingyu stood somewhere in the sky, and the web between his thumb and index finger was numb. It was the result of the power contest with Yun Feng just then! Other people might not know, but Xiao Lingyu knew clearly that he used 70% of his strength in the fight just then. 70% of the strength of a Monarch Level warrior was only on par with hers!

Yun Feng stood on the other side, and her hand was also painful from the shock. She didn’t have any fighting energy inside her body at all. She could only use the strength of her body to fight with Xiao Lingyu just then. However, it was impossible for her to defeat the man in front of her with this pure energy!

The utilization of her fighting energy and the outburst of her combat techniques were at the Monarch Level. Yun Feng, who didn’t have any fighting energy at all, didn’t have any chance of winning with her physical strength!

Yun Feng put away the longsword in her hand. Xiao Lingyu could be considered an equal opponent. Yun Feng also knew that he didn’t use his full strength, but he already made her feel exhausted when he didn’t use his full strength. Without magic, she couldn’t win!

The longsword disappeared. When she held the wand in her hand, Xiao Lingyu and Ouyang Shanshan’s faces darkened. Yun Feng suddenly waved the wand in her hand!

“Hiss...” A clear sound of tongue flicking sounded, which made people feel cold all over their bodies. A giant ice blue python appeared next to Yun Feng. The giant python opened its eyes abruptly with a ferocious look and a dark blue vertical line in its pupils. The giant python opened its mouth and let out a

snake-like roar!

“Magic Simulation!” Ouyang Shanshan’s heart skipped a beat when she saw this scene. Feeling the magic waves from the ice blue python, Ouyang Shanshan became cold. Monarch Level mage, a real Monarch Level mage!

“Get out of my way, Xiao Lingyu!” Ouyang Shanshan shouted furiously as Xiao Lingyu’s body suddenly flashed from the side. A wand appeared in Ouyang Shanshan’s hand and she waved it too...

“Roar.” A furious roar sounded. Violent fire elements surged out of Ouyang Shanshan’s wand and quickly gathered around her. A fiery red lion appeared!

A python against a lion; water element against fire element!

A trace of distorted fluctuation suddenly appeared in a hidden space. Black elements spread quietly and a figure suddenly reappeared in this space. He looked at the situation in the sky and chuckled.

“Luckily, I didn’t miss the best part.” The thick black elements enveloped his body again and the person who just appeared disappeared silently again.

The fierce battle in the sky was still going on. Ouyang Shanshan and Xiao Lingyu stood aside, both of them looking a bit pale. Yun Feng looked at the two people opposite her.. That summoner also made a move, which meant that she was fighting against two people!

Chapter 592: Whoever Stands In My Way Shall Die (2)

Thinking of this, Yun Feng’s expression couldn’t help but turn cold. She knew clearly that this wasn’t a spar or a fair competition. This was a fight, a real battle! Since it was a battle, there was no such thing as bullying others with more people and there was no such thing as fairness. The only result was that one of the two parties would die!

“Kill her!” Ouyang Shanshan whispered as a hint of killing intent flashed through her eyes. Xiao Lingyu was stunned. ‘Kill her? That’s.” Ouyang Shanshan suddenly turned around and growled at Xiao Lingyu.

“You and I are both young geniuses. Some of the others are considered geniuses too. However, there’s no need for so many geniuses in this world, especially her, who’s an opponent!”

Xiao Lingyu understood after hearing this. Yun Feng’s talent was above theirs. After all, as a summoner, why did she have such strange physical strength? It would be fine if she was alone. They could rope her in, but she already belonged to another family. Once the Yan family had her, their future development would be unstoppable!

“Alright, kill her!” Xiao Lingyu’s expression suddenly turned vicious and a strong killing intent surged out. His momentum also changed from the suppressed aura just then to a full outburst!

Yun Feng narrowed her black eyes slightly. It seemed that the two people on the opposite side were going to fight for real? There were geniuses in this world, but the great geniuses who couldn’t be tamed would be killed! Especially so for people like Yun Feng. If they let her grow, her future would be nothing

but promising!

‘One against two. Even if she’s a rare genius, she won’t have any chance of winning!’ Ouyang Shanshan whispered as she waved the wand in her hand. The lion next to her suddenly let out a furious roar as its fiery red body pounced towards Yun Feng. Yun Feng also waved the wand in her hand fiercely as the giant ice-blue snake next to her rushed forward!

“Roar...” “Hiss...”

The bodies of the two giant beasts collided fiercely, and balls of mist kept appearing on the bodies of the two giant beasts that were fighting. The giant ice blue snake and the fiery red lion were biting each other. In the battle between the water element and the fire element, it was unknown who would win!
At

the same time, Xiao Lingyu held the long sword in his hand and attacked Yun Feng from another direction in the space!

A faint dragon roar sounded. Yun Feng turned her head slightly and her body had already dodged first. A beam of silver light struck where she was just now. The silver light in the sky fell on the ground and a huge crack appeared on the ground!

“Fireball!” With a shout, the huge, bright fire element had already floated in front of Yun Feng! Yun Feng’s black eyes darkened. Dodge? It was too late!

Ouyang Shanshan put on a smile and said softly, “Explode!” The enormous fireball exploded in front of Yun Feng!

“Boom...” With a loud noise, the bright red energy of the giant fireball exploded instantly. The fire elements were scattered in all directions and the powerful elemental energy also spread out abruptly. Yun Feng was in the center of the fireball’s attack range. When this explosion occurred, she would either die

or be seriously injured!

“It’s over.” Ouyang Shanshan looked at the place where the fireball exploded coldly. Xiao Lingyu also smiled coldly in the air. However, their eyes widened in the next second!

After the loud explosion of the fireball, the two of them thought they would see Yun Feng’s miserable appearance after being severely injured. After all, the power of the explosion of such a high-concentration fireball was magnificent! Even someone at the Monarch Level wouldn’t be able to withstand a

Monarch Level magic attack! However, what was that?

At the place where the fire element exploded, the bright red color disappeared and the shield formed by the earth element appeared in front of the two of them. Ouyang Shanshan’s pupils shrank. Earth element! She was a double-element mage?!

Xiao Lingyu was still shocked as he stood in the air. After the shield of the earth element disappeared, a scene that made both of them even more shocked appeared! Yun Feng’s entire body was wrapped

firmly by a pair of huge wings. When the earth element disappeared, the wings suddenly spread wide and a

ferocious griffin appeared in front of their eyes!

“Master, are you alright?” asked Lan Yi as he looked at Yun Feng, whom he had protected just then. Yun Feng chuckled. ‘I’m fine. This little fireball can’t hurt me.” Even without Lan Yi’s protection just then, the protection of the earth element was enough to block the attack of the fire element. Yun Feng’s black eyes were cold, Since these two people wanted to kill her, she wouldn’t show mercy anymore!

She waved the wand in her hand again. The giant ice blue python, which was fighting with the lion formed by the fire element, suddenly hissed. Its ice blue body quickly wrapped around the lion’s body, and the lion roared furiously. Flames also burst out instantly. The body of the giant ice blue python instantly emitted white mist under the burning fire element. Yun Feng’s black eyes darkened. The eyes of the giant ice blue python also turned cold abruptly. Under Ouyang Shanshan and Xiao Lingyu’s astonished gaze, it instantly froze! Then, several ice thorns suddenly appeared on the surface of the giant

python’s body and stabbed into the lion’s body!

“Roar.” The lion howled in pain. The body that was formed by the fire elements instantly disappeared like the most beautiful fireworks. The fire elements scattered everywhere and covered the sky.

“No, that’s impossible.” Ouyang Shanshan watched as her fire lion was stabbed and exploded. The fire elements that were flying around fluttered in front of her eyes. The ice blue python that had already frozen into an ice sculpture also disappeared abruptly. The water elements scattered in this space like mist in an instant.

“You wanted to blow me up with a fireball? Ouyang Shanshan, did you underestimate me, or did you overestimate yourself?” Yun Feng put on a smile. Lan Yi looked at Xiao Lingyu, who was standing on the other side, with coldness on his handsome face. “Some humans are truly despicable. Two against one.

They don’t know shame at all.”

Xiao Lingyu and Ouyang Shanshan looked awful. ‘Cut the crap!” Ouyang Shanshan roared and pointed her wand at Yun Feng, “Don’t think you’re so great just because you’re a three-element mage. Don’t think you can beat us with a wind-element Magic Beast!”

Ouyang Shanshan touched the red Ring of Contract on her finger and shouted loudly, ‘Come out!” A beam of bright red light flashed out of the Ring of Contract. Ouyang Shanshan was very glad that she didn’t cancel the contract with the Magic Beast.. She originally wanted to cancel the contract and contract

with that Fire Cloud Wolf instead, but it had become her lifesaver now!

Chapter 593: Whoever Stands In My Way Shall Die (3)

The red light faded, and a huge ferocious beast appeared next to Ouyang Shanshan. It was a red male lion with red manes, just like the creature that fire element simulated earlier. Its eyes seemed to be burning with raging flames!

A Flame Lion! Yun Feng already knew what this Magic Beast was the moment she saw it. The Flame Lion was one of the most powerful and aggressive species among the fire-element Magic Beasts. Compared to the Cloud Wolf, the Flame Lion was more aggressive and its personality was more brutal!

“Roar.” The Flame Lion opened its mouth and roared. Ouyang Shanshan pointed the wand in her hand at Yun Feng. “Kill her!” A glint of light flashed through the Flame Lion’s eyes as a deep and hoarse voice came out slowly. “You’ve finally chosen an opponent that makes me excited.”

Yun Feng narrowed her black eyes. The Flame Lion fixed its eyes on Yun Feng. “Human, you’ve made me more excited than I’ve ever been. Let me see how capable you are!” The Flame Lion jumped forward abruptly and Yun Feng rose to the sky. However, Xiao Lingyu suddenly swung his sword at her!

What a despicable sneak attack!

Before Xiao Lingyu’s sword got close to Yun Feng, it had already been blown away by a powerful energy current. Xiao Lingyu’s vision became blurry. When his vision became clear, he suddenly felt a sense of danger in his heart.

Lan Yi spread its wings and the tiny arrows formed by the wind element had already rained down! The rain that filled the sky gave Xiao Lingyu no chance to dodge!

“Ding, ding, ding!” The longsword in Xiao Lingyu’s hand waved and turned into many shadows. The tiny arrows formed by the wind elements were blocked by the defense of the longsword. Although Xiao Lingyu wasn’t injured at all, his movements were firmly restrained!

Lan Yi was holding Xiao Lingyu back, while Yun Feng was still fighting with outnumbering opponents. The Flame Lion’s attacks were fast and fierce, and Yun Feng couldn’t fight it head-on at all. Ouyang Shanshan’s magic attacks left Yun Feng no choice but to dodge, dodge, and dodge again!

The fierce explosions of the fire elements constantly filled Yun Feng’s surroundings. The high temperature of the fire elements also slowly radiated in this space. The Flame Lion’s low roar kept sounding. People who had been watching the battle for a long time below kept nodding and cheering for this

exciting show.

“Yun Feng is indeed very powerful, but I didn’t expect that... she has the strength of a warrior too. Interesting..” Yan Che looked at the situation where Yun Feng was facing a human and a beast alone with a delighted look on his face. “Will she win or not? Haha, I’m really looking forward to seeing the result.”

“Boom...” “Roar...”

There was the sound of explosions and the furious roar of the Flame Lion. Yun Feng kept flying in the air. The Flame Lion’s sharp claws scratched Yun Feng’s afterimage time and time again, but Ouyang Shanshan’s fireballs didn’t hit Yun Feng even once!

“You’re really good at dodging!” Ouyang Shanshan looked at Yun Feng, who was moving agilely in the air, angrily. She had to admit that even though she had the advantage right now, even though she had a very powerful Flame Lion by her side, she still couldn’t do anything to Yun Feng!

“Dont jump around like a monkey! You coward!” Ouyang Shanshan sneered. Yun Feng burst into laughter, and her voice echoed in the sky. ‘Ouyang Shanshan, goading me won’t work. Save it!’”

Ouyang Shanshan blushed and bit her lips. “Flame Lion! Finish her off!”

Yun Feng kept dodging and knew that it wouldn’t work if she kept going. She needed a chance to counterattack!

“Human, do you only know how to dodge?” The Flame Lion’s hoarse voice came as its huge claws lunged at Yun Feng with high temperature. Yun Feng’s black eyes darkened and she turned around. She stepped on a certain spot in the air with the tip of her foot and flew to the side in a straight line. The Flame

Lion roared impatiently and stopped moving. However, the light in its burning eyes suddenly brightened!

The Flame Lion slapped its claws in the air fiercely and its body was suddenly surrounded by flames. The fire that was burning in its eyes became brighter and brighter. The Flame Lion suddenly dashed forward and its speed was more than doubled!

Yun Feng sensitively detected the increase in the speed of the Magic Beast. A ball of high temperature pounced on her from behind and the Flame Lion was still approaching her! Yun Feng’s heart sank. She suddenly turned around and faced the Flame Lion directly!

The lion was dazed for a moment. Excitement flashed through its eyes. The Flame Lion roared and smashed its huge claw at Yun Feng with high-temperature flames. Yun Feng became anxious. If she couldn’t dodge, she would fight back!

“Boom!”

Yun Feng’s palm had already hit the Flame Lion’s huge claw. Over such a short distance, there was no time to use magic or consider!

Clear and intense heat came from the Flame Lion’s giant claw and invaded Yun Feng’s body in an instant. Yun Feng felt like her body was on fire. The Flame Lion narrowed its eyes. Yun Feng held the Flame Lion’s giant claw firmly with a faint smile on her face!

“You’re still smiling?” The Flame Lion’s hoarse voice sounded. Yun Feng chuckled. The burning sensation inside her body became stronger, but the smile on her face didn’t diminish. “I haven’t lost yet, have I?”

The Flame Lion was stunned. Ouyang Shanshan’s voice suddenly sounded and a bright arrow of fire also arrived instantly. “Yun Feng, die! Fire Arrow!”

Yun Feng frowned hard. Damn it!

“Roar...” Another roar came. The Flame Lion was even more shocked. The Fire Arrow that came out of nowhere was completely destroyed by a figure in the middle. That figure directly rushed towards Yun Feng and grabbed at the Flame Lion with a glittering claw. The Flame Lion quickly dodged aside and

looked at the Magic Beast that came out of nowhere!

“How dare you hurt my master? Get past me first!”

“Fire Cloud Wolf!” Ouyang Shanshan looked at this beautiful and huge Fire Cloud Wolf and her eyes suddenly brightened. This was the Fire Cloud Wolf she wanted, this was it!

“Why are you here?” Yun Feng frowned. Little Fire roared and pounced at the Flame Lion with its sharp claws. The Flame Lion fought back, unwilling to give in.. The two giant ferocious beasts trembled and roared continuously!

Chapter 594: Whoever Stands In My Way Shall Die (4)

“Someone wants to hurt my master. How can I stay back?” Little Fire roared. It opened its mouth and threw out the fire element it gathered. The Flame Lion narrowed its eyes and dodged Little Fire’s elemental attack.

Ouyang Shanshan’s black eyes widened again after hearing what Little Fire said. Master? That Magic Beast said Master... Could it be.. Yun Feng burst into laughter with indescribable joy in her heart. This was the loyalty of the Magic Beast that she contracted. Even though it might be due to the contract, in

Yun Feng’s mind, they were partners that she could entrust her life to! Nobody would abandon each other. Nobody would leave anyone alone! They were together! They were one team!

They weren’t a master and servants, but friends!

“Ouyang Shanshan!” Yun Feng shouted as her body suddenly tore through the air. Ouyang Shanshan stepped back in panic, but Yun Feng had already reached her!

“What are you doing?” Ouyang Shanshan roared, and her body couldn’t help but tremble at this moment. Looking at the smiling girl in front of her, Ouyang Shanshan felt that her heart suddenly tightened. “Let me tell you! I’m the Young Lady of the Ouyang family, one of the top five families! If you dare to

hurt me, the Yan family won’t have a good life!”

Yun Feng burst into laughter again. Ouyang Shanshan was scared by her laughter. ‘W-Why are you laughing.’”

Yun Feng stopped laughing. Her beautiful face was covered in a layer of ice, and her black eyes were surging with bone-piercing coldness! “There’s no one in this world that I, Yun Feng, dare not to hurt.” Yun Feng gently turned her hand up, and the purple lightning element appeared in her palm. Ouyang, Shanshan’s face turned pale, and she suddenly screamed in shock, ‘Lightning element! You’re a five-element element!’”

The lightning element in her hand buzzed and turned into a long silver snake in Yun Feng’s hand. Ouyang Shanshan’s pupils shrank fiercely. “No, no, you can’t..”

“Pfft... The long silver snake instantly entered Ouyang Shanshan’s body. Ouyang Shanshan’s unwilling expression immediately froze on her face. How could she... How could she... kill her? She was from a first-rate family!

Ouyang Shanshan looked at Yun Feng unwillingly as her body fell to the ground with a bang, There was a huge wound on her chest that was pierced by the lightning element. Her body twitched a few times and she couldn’t move anymore.

“You really killed Ouyang Shanshan?” Xiao Lingyu, who was fighting with Lan Yi not far away, gasped when he saw this scene. Ouyang Shanshan was a member of the Ouyang family. How could she do that when she knew her identity?

Xiao Lingyu’s heart suddenly trembled. He had to get out of here! He had to run back! If Ouyang Shanshan died in her hands, how would he be any different? If he had known that she was someone he couldn’t mess with, he wouldn’t have come at all. He had already thought that his behavior with Ouyang

Shanshan was too childish. Besides, it seemed that this Fire Cloud Wolf was Yun Feng’s Magic Beast. Xiao Lingyu instantly felt that he and Ouyang Shanshan were the most ridiculous clowns in the world!

Xiao Lingyu didn’t want to fight anymore. He immediately turned around and found an opening to escape desperately. The speed of his escape was so fast that even Lan Yi was a bit startled.

“Master, he ran away!” Lan Yi got up and was about to chase after her, but Yun Feng shook her head. Once Ouyang Shanshan died, the Flame Lion’s contract was automatically canceled. Facing Little Fire’s powerful attack, it kept retreating and finally shouted, “Stop fighting! That human is dead! I surrender!”

Little Fire had just stopped attacking when the Flame Lion turned around and ran away as quickly as Xiao Lingyu, disappearing without a trace. Yun Feng couldn’t help but sneer when she saw that. Ouyang Shanshan was quite pitiful. After she died, no one took revenge for her. They all ran for their lives.

Looking at Ouyang Shanshan’s dead body on the ground, Yun Feng knew that trouble was coming for her. The Ouyang family was one of the five first-rate families. Since Ouyang Shanshan was a summoner, her status in the family shouldn’t be low either. So what if the Ouyang family knew about Ouyang

Shanshan’s death? They would certainly target the Yan family, no, Yun Feng.

Thinking of this, Yun Feng suddenly smiled. The smile at the corners of her mouth became bigger and bigger, which surprised Yan Che, who had been hiding on the side, “The consequences are so severe, but you’re still smiling?” Yan Che blinked his eyes and looked at Yun Feng, who was laughing loudly in

the sky. “Is she really a freak?”

Yun Feng stood in the air and gazed at the tall city wall in front of her. Her road was destined to be full of thorns and there would be a lot of people wishing that she were dead. However, would she cower like that?

No!

Yun Feng burst into laughter. She took a deep breath and roared in the direction of Canglan City, “Whoever stands in my way shall die!” Her voice was like an eagle, piercing through the heavy clouds and reaching the sky!

Yun Feng's voice penetrated the clouds and went straight to Canglan City. Xiao Lingyu, who was desperately running back in the sky, staggered and almost fell from the sky. Whoever stands in my way will die! Xiao Lingyu couldn't help but break out in a cold sweat. Ouyang Shanshan was already dead! He sped up again. "Swoosh... Xiao Lingyu instantly ran back to his family in Canglan City.

"Hah." He kept panting heavily. His clothes were already soaked in cold sweat. Xiao Lingyu sat on the ground, panting. The scene of Ouyang Shanshan's death replayed in his mind. He recalled Yun Feng's merciless action and her cold face that was full of killing intent. They shouldn't have provoked her.

Ouyang Shanshan was trying to get herself killed! Thinking of this, Xiao Ling was relieved in her mind. As long as he was back, she wouldn't be afraid of anything!

"Lingyu, who made the bold declaration just then? And why are you in such a mess?" A rough voice came. Xiao Lingyu raised his head. He hadn't realized that he was in such a mess yet. His face was pale, and his eyes were full of fear. He sat on the ground and panted like an ox. The person who spoke couldn't

help but frown with displeasure on his face.

"What are you doing? Are you terrified? Get up!"

Xiao Lingyu smiled wryly in his mind. He wanted to get up too, but he had been running back desperately. He didn't have much strength left and could only sit on the ground like this.

"Lingyu? Why are you sitting on the ground? As an elite of the Xiao family, you've never been in such a sorry state. How rare!" A teasing voice came, followed by a few young people. Xiao Lingyu rolled his eyes at them angrily. These were the children of the uncles of the Xiao family. Those uncles had been coveting the position of the Xiao family's master for a long time.

Chapter 595: I Can Only Look Up To You (1)

"Humph!" Xiao Lingyu snorted coldly and stood up with difficulty, holding the wall. The few young people all chuckled when they saw this. "What happened to you? Didn't Ouyang Shanshan leave with you? With your strength, you shouldn't be in such a sorry state even if you encountered a strong enemy!"

Xiao Lingyu's heart couldn't help but tremble again when he thought of Yun Feng. He looked up at the sullen man in front of him. "Father, we met someone extraordinary. If I hadn't run fast, I probably couldn't have come back. Also, Ouyang Shanshan is already dead."

The other young people couldn't help but gasp after hearing that. Even the head of the Xiao family was slightly stunned. Ouyang Shanshan was dead? She was the star of the younger generation that the Ouyang family was proud of. She died just like that?

The head of the Xiao family frowned and pondered. Ouyang Shanshan's death was a huge blow to the Ouyang family. It wasn't a bad thing that Ouyang Shanshan was dead. The five families had been on par for many years and nobody could take advantage of the others. However, once their strength was

off-balance, it would be a new opportunity.

“Was it the person you met just then who made the declaration?” Master Xiao asked in a deep voice. Xiao Lingyu immediately nodded. Someone came to visit before he could tell them the details.

“Master Xiao, did you hear that voice just then?” An extremely deep voice came. After saying that, a few figures rushed over. Xiao Lingyu saw that it was the masters of the other three families!

The other members of the younger generation of the Xiao family all retreated. Xiao Lingyu was about to turn around and leave, when a voice stopped him. “Xiao Lingyu, where’s my daughter, Ouyang Shanshan?”

Xiao Lingyu’s body trembled slightly. The Master of the Xiao family couldn’t help but look awful. “Ouyang Tian, what’s the meaning of this? What does your daughter’s whereabouts have to do with Lingyu?”

Ouyang Tian looked awful too. “How is it none of Xiao Lingyu’s business? They went out together. Now that he’s back, my daughter, Ouyang Shanshan, is nowhere to be found. If I don’t ask him, who should I ask?”

The masters of the other three families all stood aside and looked like they were watching a good show. The relationship between the Xiao family and the Ouyang family had always been good, and the children of the two families often interacted with each other. However, this time, they seemed to be having a fight.

This matter involved the younger generation of their family. Neither of them, as a parent, would naturally not let it go easily.

Xiao Lingyu took a deep breath and took two steps forward. “Uncle Ouyang, Shanshan... is dead.” After saying that, Ouyang Tian’s face darkened. The other three Family Heads were also shocked.

“He’s dead?” Ouyang Tian said in a gloomy tone as he stared at Xiao Lingyu. Xiao Lingyu was so frightened by his vicious gaze that he took a few steps back. The head of the Xiao family shouted furiously, “Ouyang Tian! Lingyu has nothing to do with Ouyang Shanshan’s death! Even if he had attacked her,

could he have killed her at all?”

The anger on Ouyang Tian’s face subsided slightly. That was true. Ouyang Shanshan was quite strong. Even if Xiao Lingyu had attacked her, the chances of his winning weren’t very high. After all, she was a summoner. How could she be taken down so easily?

“Could it be... that voice just then...” Ouyang Tian’s face turned completely cold. He gritted his teeth and the veins on his neck also bulged. How dare anyone kill his beloved daughter, Ouyang Shanshan? That person must be tired of living!

“That’s right!” Xiao Lingyu immediately followed up and described what happened just then in detail, completely omitting the fact that he and Ouyang Shanshan were the ones who took the initiative to attack. He described Yun Feng’s self-defense as a provocation. According to him, he and Ouyang

Shanshan originally didn't want to talk to this person, but this person suddenly attacked. He should have given it his all, but he didn't expect this person to be a strong multi-element summoner! Ouyang Shanshan couldn't beat her, and he had to fight with his life to escape.

Ouyang Tianyue's face became darker and darker as he listened. After Xiao Lingyu said that, Ouyang Tian said gloomily, "You didn't care about Ouyang Shanshan at all and you escaped alone, right?"

The head of the Xiao family's face darkened when he heard this. Xiao Lingyu laughed dryly. "Uncle Ouyang, I couldn't do anything at that time. Besides, Shanshan had always been powerful, so I was not worried at all. After all, I'm not as strong as her."

Ouyang Tian remained silent with a sullen face. After a while, he asked, "Yun Feng... Yun Feng from the Yan family?"

Xiao Lingyu nodded and didn't say anything else. A faint aura pressed him down, making it difficult for him to breathe. The Xiao Family's master waved his hand abruptly, and Xiao Lingyu felt his breathing become a bit smoother.

"Humph!" Ouyang Tian grunted abruptly. He flicked his sleeve and was about to leave with a sullen expression. Seeing that, the head of the Xiao family immediately said, "Brother Ouyang, what are you doing;

Ouyang Tian didn't stop walking. He roared without looking back, "Of course, I'll skin that bastard, pull out her tendons, and cut her into pieces! If she had the guts to kill my beloved daughter, Ouyang Shanshan, then she should have the courage to accept my anger! I'll exterminate the Yan family!"

The leaders of the other two families chuckled and didn't say anything. The Xiao family's leader's face darkened. "Brother Ouyang, are you giving the Hall Master a reason to get rid of you?"

Ouyang Tian's body stiffened and he suddenly stopped. The other two Family Heads also said, "Yes, Brother Xiao is right."

Ouyang Tian stood there with a gloomy face and the fury in his heart surged. The outstanding descendant of the Ouyang family was dead! She died just like that! She would never come home again! How much effort would the Ouyang family have to spend to nurture another Ouyang Shanshan?

Even though the Ouyang family had other outstanding children, they weren't as talented as Ouyang Shanshan. Ouyang Shanshan's death was undoubtedly a huge blow to the Ouyang family!

Someone destroyed his family's future, so he had to take revenge! Someone killed his daughter, so he certainly wanted that family to be annihilated! The anger in Ouyang Tian's heart soared, but what the Xiao family's head said just then forced his rationality back.

"Brother Ouyang, it's not that you don't know the purpose of expanding the roster of guardians of the Main Hall this time. The Hall Master is happy to see the current situation. You can say that Yun Fen is exactly what the Hall Master needs. If you touch the Yan family at this moment, the Hall Master will certainly have a good reason to eliminate you." The master of the Xiao family kept a straight face. "It's very painful to lose one's beloved daughter, but right now, you can only calm down."

Ouyang Tian clenched his fists tightly. Seeing him like this, the leader of the Xiao family sighed. "I know the anger and resentment in your heart.. You can take revenge for this, but not right now, but during the screening contest!"

Chapter 596: I Can Only Look Up To You (2)

Ouyang Yun's body trembled slightly as viciousness flashed through his eyes. That's right! In the screening contest, nobody cared who lived or died. If Yun Feng died up there, even the Hall Master would have nothing to say!

"Brother Ouyang, do you understand" said the Xiao family's master earnestly. Ouyang Tian snorted again and turned his head slightly. "Don't think that the Xiao family can get away with this! You must be responsible for my daughter's death! Goodbye!" Ouyang Tian then quickly left. The Xiao family's master stood there with a darkened face. The other two family masters also left immediately.

After everyone left, the master of the Xiao family glanced at Xiao Lingyu gloomily. Xiao Lingyu moved his lips and didn't dare to say anything. "You did a good job. It's good that Ouyang Shanshan is dead. It's beneficial for us." The master of the Xiao family slowly put on a smile that was extremely gloomy.

"Yun Feng, this person isn't afraid of death. The four families are going to deal with you together. I'd like to see how many lives you have!"

When Yun Feng returned to Canglan City from the sky, she clearly felt that the atmosphere in the city had suddenly become serious. Some experts looked even more nervous. It should be the result of her rather shocking voice just then. After all, it required a lot of courage to shout like that. Yun Feng's voice was full of energy. Even the leaders of the first-rate families had lingering fears, let alone others.

As soon as she returned to the small yard where the Yan family was, Yun Feng was dragged out by a black shadow. She didn't have time to react. Lan Yi and Little Fire landed in the yard. Meatball sat on Little Fire's head and yawned. Yan Ming, who had been waiting in the yard, couldn't help but laugh when he saw Yun Feng being dragged away.

"What's wrong, Brother Yan? Are you worried about Yun Feng?" A cheeky voice sounded, and Yan Che appeared out of nowhere. Yan Ming chuckled. "No, but there are others who should feel worried for her. Brother Yan, are you enjoying the drama?"

Yan Che was stunned. He touched his hair with his hand. "Haha, I'm fine. Let me tell you..."

Yan Ming waved his hand and stopped Yan Che. He then stood up and flicked his clothes. "Brother Yan, you're on your own. If Brother Qu finds out, be careful."

Yan Che took a deep breath. Yan Ming was still smiling, Yan Che suddenly thought of something and rolled his eyes. "Yan Ming, do you know what Yun Feng did just now?"

Yan Ming replied with an "oh". It was obvious that he didn't care. Yan Che laughed. "She killed Ouyang Shanshan, who seemed to be..."

“Ouyang Shanshan?!” Yan Ming’s voice suddenly became heavy and his face also darkened. Yan Che smiled even more happily when he saw this. This kid has been so arrogant. You’re going to have a headache!

“She seems to be from a first-rate family. You’re in trouble now.” Yan Che laughed, but didn’t see Yan Ming’s worried face. Yan Ming stood there in silence for a while and suddenly laughed. Yan Che blinked a few times. “Why are you laughing? Shouldn’t you be having a headache right now? That’s a member of a first-rate family. This first-rate family definitely won’t let the Yan family off! You... You’re still laughing?”

Yan Ming burst into laughter, as if he was very happy. “Of course I do. I’m glad that Ouyang Shanshan died.”

Yan Che looked at the smile at the corners of Yan Ming’s mouth and suddenly shivered. He took a few steps back. “You’re also a weirdo. I thought I was weird enough, but I found that you and Yun Feng are even more weird than me!”

Yan Ming chuckled and walked out with his sleeves gently swinging. Yan Che shouted loudly when he saw that, “Hey! Where are you going?”

Yan Ming replied without looking back. He had already disappeared from the yard. “Brother Yan, you don’t have to ask. You won’t understand even if I tell you.”

Yan Che’s face turned red. Yan Ming was obviously mocking him for his lack of intelligence. Yan Che looked at Little Fire, Lan Yi and Meatball indignantly. All three of them looked away at the same time. Yan Che was so angry that he yelled, “Freaks! They’re all freaks!”

At the same time, Yun Feng’s wrist was grabbed firmly by a hand and she was instantly dragged into a room. The door was opened, she was dragged in and the door was closed again.

Qu Lanyi sized her up from head to toe with a pair of worried eyes. The white light elements immediately invaded her body. “Are you hurt?” Qu Lanyi’s voice trembled anxiously. When he found that Yun Feng’s hand was injured, Qu Lanyi immediately became gloomy. Yun Feng chuckled. “I’m fine. These

wounds are nothing.”

A pair of arms was put on her shoulder. The next second, Yun Feng was dragged into a warm embrace, and his arms surrounded Yun Feng. Yun Feng heard Qu Lanyi’s pounding heart.

“Who hurt you?” Qu Lanyi held Yun Feng tightly, hoping to melt her into his body. Yun Feng put on a smile and put her arms around Qu Lanyi’s body gently. She took a deep breath. “I’m fine. Those who hurt me have either run away or died.”

Qu Lanyi’s eyes turned cold, “They have run away? Where did they go?”

Yun Feng raised her head and looked at Qu Lanyi’s perfect facial features from below. Qu Lanyi lowered his head slightly and their eyes intertwined. “Don’t let yourself get hurt. If I’m not with you, who will take care of you...”

Yun Feng frowned. "Not with me? Where are you going?"

Qu Lanyi's eyes glittered. He caressed Yun Feng's shiny black hair with a gentle look. "I'm not going anywhere. I'll protect you."

Yun Feng felt a bit awkward because of what Qu Lanyi said. What did he mean by that? Would he leave her one day? Would he? Yun Feng grabbed Qu Lanyi's clothes and held her tightly in her hand. Qu Lanyi chuckled and held her even more tightly, breathing into her neck.

"Fengfeng, if I disappear one day, will you come to find me?"

Yun Feng was startled. She didn't say anything for a while. Qu Lanyi didn't say anything either. They breathed quietly and their hearts were racing.

"If you're gone, I'll have peace and quiet," said Yun Feng in a low voice. Hearing that, Qu Lanyi let out a few muffled laughs from the depths of his chest and slowly folded his arms. Their bodies were pressed together intimately without any gap..

Chapter 597: I Can Only Look Up To You (3)

"If that's the case, I won't let you have peace and quiet even if I have to die." Qu Lanyi lowered his eyes and looked at the girl in his arms at this moment. His eyes moved slightly. "Fengfeng, shouldn't our relationship take a step forward?"

Yun Feng suddenly raised her head, and Qu Lanyi put on a charming smile again. He quickly put his fingers on Yun Feng's neck and caressed it gently. He held the back of Yun Feng's head with her slender fingers and pressed his lips down slowly. A part of the man's body made Yun Feng completely blush.

"You dog!" With the furious shout, Yun Feng blushed. She punched Qu Lanyi's chest fiercely. Qu Lanyi grunted and coughed awkwardly, but he still refused to let go of Yun Feng.

"Just kidding, just kidding..."

Yun Feng blushed and was a bit flustered in her mind. Seeing how embarrassed Yun Feng was, Qu Lanyi burst into laughter. He held Yun Feng's face and pressed his lips against hers without hesitation. A loud kiss landed on Yun Feng's red lips, making her blush even more.

"Bastard!" Yun Feng suddenly pushed Qu Lanyi away. She flipped her hand and summoned the fire element. Qu Lanyi quickly jumped away and dodged awkwardly while begging for mercy. The door was pushed open. Yan Che had just entered the room when a fireball flew towards him.

Yan Che dodged and coughed. "Cough, cough! Get out. Someone wants to see you!" Yan Che looked at Yun Feng. Yun Feng frowned slightly. Had the Ouyang family come to her?

Qu Lanyi's smiling face suddenly became serious. "Let's go out and take a look." Yun Feng nodded. When she walked to the Main Hall, she saw Yan Ming talking happily with a man. Seeing Yun Feng, Yan Ming's eyes brightened. "You're here."

Yun Feng nodded. The man, who was chatting happily with Yan Ming, sized Yun Feng up with great interest. "So, this is Young Master Yan's fiancée. Indeed, seeing is believing."

"Haha, you flatter me, my lord." Yan Ming was very polite and humble. The man chuckled. "There's no time like the present. Come to the Main Hall with me. Young Master Yan, that's why you sought me, right?"

Yan Ming smiled very elegantly. Yun Feng raised her eyebrows slightly. What should she say to Yan Ming? He was truly making use of her completely without missing anything. She thought that Yan Ming already wanted to make an impression on the Hall Master. Yun Feng suddenly thought of the woman who once coveted Qu Lanyi. If Yan Ming could get close to that woman, it would be easier, but Yan Ming probably wouldn't do that.

Yan Ming didn't go to the Main Hall with the man right away. Instead, he declined the offer and said that he would visit the Main Hall in person tomorrow. The man then left with a smile. The Yan family's status had already risen. Even the people from the Main Hall were polite.

After the man left, Yun Feng said, "If you want to get close to the Hall Master, isn't it better to take down his precious daughter?"

Yan Ming glanced at Yun Feng and chuckled. "That's a good idea." Yun Feng was a bit surprised. "I thought you're too proud to use that method."

Yan Ming burst into laughter with an unfathomable expression on his delicate facial features. "As long as I can achieve the goal I want, I don't mind how I achieve it."

Yun Feng narrowed her black eyes slightly. Yan Ming chuckled. "However, I'm not interested in the Hall Master's precious daughter. I don't just want to befriend the Hall Master either."

"Even though your strength hasn't reached the level of the experts yet, your mind is as sophisticated as theirs." Yun Feng commented. Yan Ming laughed. "Thank you for thinking so highly of me. I'm just a nobody."

Yun Feng put on a smile. Yan Tianhao would regret that he hadn't paid attention to this illegitimate son a few years earlier. If Yan Ming had been valued a bit earlier, the Yan family wouldn't be what it was today. Yan Ming was capable and cunning, He indeed had the potential for the position of the family's master, perhaps somewhere even higher.

At this moment, Yun Feng had already foreseen Yan Ming's future. Many years later, this unintentional encounter between Yun Feng and him would make him an overlord on the West Continent.

The next day, Yan Ming visited the Main Hall with Yun Feng just as he said. Outsiders were usually not allowed to enter the Main Hall, especially those from second-rate families. However, the Yan family was an exception. Although the news of Ouyang Shanshan's death didn't spread like wildfire, everyone who should know about it, including the Main Hall Master, knew about it.

As soon as she entered the Main Hall, Yun Feng saw a familiar person. Hao Cheng, whom she had met before, was also one of guardians of the Main Hall. The Hao family was one of the top families too.

“Miss Yun, you’re here.” Hao Cheng greeted Yun Feng courteously when he saw her. Yan Ming looked at Yun Feng in surprise. Hao Cheng was a guardian of the Main Hall. He was one of the most important people here, yet he was so polite to Yun Feng?

“Lord Hao, how have you been?” Yun Feng greeted him. Hao Cheng chuckled. “You’re too kind, Miss Yun. This way, please.” Hao Cheng completely ignored Yan Ming. Yan Ming wasn’t embarrassed at all. This person was extraordinarily adaptable. Yun Feng followed behind Lord Hao, while Yan Ming followed at the side. Right now, he had completely become an accessory.

Under Hao Cheng’s lead, the two of them walked deeper into the Main Hall. Along the way, they attracted a lot of gazes. People were scrutinizing her angrily and confusedly. There were people from first-rate families everywhere in the Main Hall. Naturally, some of them were from the Ouyang family.

Hao Cheng led Yun Feng to a place. “Miss Yun, please wait here for a moment. The Master will come later.” After saying that, Hao Cheng bowed to Yun Feng courteously and left. Yun Feng and Yan Ming couldn’t help but feel a bit confused in their minds. They decided to take things as they came.

“You’re Yun Feng!” A furious shout came from the door after a while. A young man ran in aggressively and stared at Yun Feng with bloodshot eyes. “You killed Shanshan?”

Yun Feng raised her brows. Yan Ming looked at the young man. “You are...”

“Get lost!” The young man roared as he stared at Yun Feng. “You killed Shanshan?” The young man’s breathing was rapid and full of resentment. Yun Feng’s black eyes glittered. “That’s right. I killed her. She deserved to die!”

“You...” The young man’s breath tightened. How could she feel justified when she had killed someone? “I will take revenge for Shanshan!” The young man shouted as he stabbed Yun Feng with the longsword in his hand. Yun Feng sneered... Did this mere Commander want to take revenge?

Chapter 598: I Can Only Look Up To You (4)

She suddenly extended her hand forward and the space around the young man instantly distorted. The young man’s eyes were red and he still rushed forward without caring about his life. Yun Feng clenched her fist!

“Wait!” Another voice came. The space that Yun Feng controlled was opened by a stream of air. Yun Feng raised her brows and looked over. A few young men rushed over anxiously. The young man in the lead immediately grabbed the person who wanted to take revenge recklessly.

“Take him back!” The young man said to the few people behind him. That impulsive young man was immediately taken away, but he still shouted, “Brother, she killed Shanshan. Don’t you feel sorry for her? Revenge, revenge!”

The sounds of revenge gradually faded away. The young man stood on the spot with an awful expression as he looked at Yun Feng. “You killed my sister, Ouyang Shanshan. Just because the Ouyang family doesn’t do anything to you doesn’t mean we’ll let you go.”

Yun Feng narrowed her eyes after hearing this. "Ouyang Shanshan deserved to die."

The young man clenched his fists hard after hearing this. He was obviously trying to control the anger in his heart. "If you hadn't provoked her, how would my sister have died? The Ouyang family will remember the grudge between us forever!"

Yun Feng smiled. The big families were indeed good at twisting facts. If Ouyang Shanshan and Xiao Lingyu hadn't taken the initiative to attack and even kill her, how would she have possibly attacked them? If someone wanted to kill her, should she just stand there and let them kill her? It was pointless to

talk to these big families. Since the truth was so twisted, she couldn't be bothered to explain. It was unnecessary to explain anything at all!

"Then keep it in mind. I'll wait," said Yun Feng casually. The young man tightened his face and left without saying anything else. At this moment, Yan Ming said softly, "Why didn't you explain?"

Yun Feng glanced at him indifferently. "There's no need for me to explain anything. These people can think whatever they want. If they want revenge, just come."

Yan Ming looked at Yun Feng thoughtfully and didn't say anything. "Haha, Yun Feng, my young friend, I've finally met you!" A loud and clear voice sounded. Yun Feng and Yan Ming both looked towards the entrance of the yard. A rough man with a bit of stubble on his face walked in with a very strong body. Seeing Yun Feng's happy look, he should be the master of the Main Hall.

"Humph!" A soft snort came from behind the man. Yun Feng saw the daughter of the so-called Hall Master looking at her with disdain. Even though she didn't say anything, Yun Feng knew from the way her mouth moved that she wasn't saying anything good.

"It's my honor to meet Zhan Li's daughter." The man burst into laughter. What he said made Yan Ming slightly shocked. Zhan Li's daughter? Who was Zhan Li? It seemed that his fiancée had a great background.

"Hall Master, you must be joking."

The Hall Master's black eyes suddenly darkened. "Zhan Li is someone who never jokes. Yun Feng, don't try to make excuses. Why? Are you looking down on the Bright Moon Hall?"

Hearing this, Yun Feng suddenly burst into laughter and narrowed her black eyes. "Hall Master, are you looking down on me?"

Yan Ming's expression tightened. She didn't flinch at all in front of the Hall Master. Yan Ming gazed at the girl in front of him. The girl's straight back and strong words made Yan Ming feel shocked in his heart. Yun Feng, what heights can you reach? He might only be able to look up to her in this life!

Hearing what Yun Feng said, the Bright Moon Hall's Master suddenly burst into laughter. "You're indeed fearless. You're so young, yet you're so courageous and bold!" The Bright Moon Hall's Master was very satisfied. Yun Feng chuckled and didn't say anything else.

“Yun Feng, you’re shown enough respect to me by coming here today. Let’s go. I’ll take you to the others.” After saying that, the Hall Master turned around and walked out. Even though he was a bit afraid of Yun Feng’s identity, the Hall Master’s dignity was still there. He wasn’t asking for her opinion just

then. He was telling her to follow his instructions.

Yun Feng followed him, and Yan Ming followed her with a smile. However, the Hall Master’s daughter, Yuehua, stopped. Seeing that, Yun Feng asked Yan Ming to go first. She then stopped

“Flirtatious woman, you’ve got a fiancé in just a few days?” The daughter of the leader said sarcastically as she flipped her hair. “If you don’t want that man, he will be mine!”

Yun Feng sneered. “I’ve never seen someone as shameless as you. He already said that and you still want to pester him. How thick must a person’s skin be for them to behave like you?”

The daughter of the hall master flushed because of what she said. “You... What right do you have to say that about me? I won’t give up on that man! Humph!” The daughter of the hall master twisted her body and walked forward. Yun Feng’s face was slightly cold. She couldn’t reveal this fiancée identity in

the current situation. She had to hold on until the end of the selection no matter what. If this troublesome woman was still making a move on Qu Lanyi, she wouldn’t care even if she was exposed!

The noises of an annoying fly wouldn’t disappear until it was swatted to death!

Yuehua was only just saying. When she knew that Yun Feng was Zhan Li’s daughter, she certainly didn’t dare to have any thoughts about Qu Lanyi. Yun Feng also looked like a fake fiancée. She and her father certainly knew in their minds and didn’t want to expose her. However, in order to make Yun Feng

feel bad, the daughter of the Hall Master had to provoke her just to show off and gain the upper hand.

Yuehua, who was walking in the front, secretly looked back at Yun Feng. When she saw Yun Feng’s slightly gloomy face, she raised the corners of her mouth proudly. In terms of strength, she wasn’t Yun Feng’s match at all. However, she would find every opportunity to make things difficult for Yun Feng.

She was truly angry in her heart and had nowhere to vent it.

Her father, who doted on her so much, couldn’t do anything to Yun Feng and even scolded her not to provoke her again. Of course, Yuehua couldn’t take this lying down. If it were in the past, her father would’ve settled it for her. However, this time, her father’s attitude was different. Yuehua didn’t know

who Zhan Li was or what his identity was, but she knew that her father was a bit afraid of Zhan Li.

Yuehua didn’t believe that Yun Feng was Zhan Li’s daughter. They didn’t look alike at all and they didn’t even have the same surname. If they were really father and daughter, she would be an illegitimate child!

The Hall Master kept walking forward, with wind blowing under his feet. Yan Ming followed behind with a calm expression, keeping a certain distance from him. The Hall Master suddenly turned around and looked at Yan Ming.. “You’re Yan Ming of the Yan family?”

Chapter 599: The Contest Begins (1)

Yan Ming chuckled after hearing that. "Yes, I am Yan Ming."

The leader of the Bright Moon Hall looked at Yan Ming thoughtfully and said coldly, "Don't think that I don't know the truth about the relationship between you and Yun Feng."

Yan Ming was stunned for a moment, and then chuckled. He wasn't nervous at all when the Hall Master exposed him in front of his face. "The Hall Master is truly smart. I knew I couldn't keep it a secret from you."

The Hall Master snorted and said coldly again, "I'm not exposing you because you'll certainly be useful. Don't let me down."

Yan Ming lowered his head slightly with a respectful and obedient look. "I won't let you down, Hall Master."

The Hall Master didn't say anything else. He walked up the stairs with big steps. Yan Ming lifted his clothes and followed him with a faint smile at the corners of his mouth. There was a hint of strong confidence on his slightly raised face. He knew that the opportunity to make a difference was about to come.

'When Yun Feng walked to the stairs, she saw four men waiting there. Yun Feng didn't know any of them, but these four men looked like they knew her. One of them had obvious muscles all over his body and the muscles in his jaw were constantly loosening, The veins on his neck were protruding. Yun Feng knew that he must be the master of the Ouyang family, Ouyang Shanshan's father.

There was a smile at the corners of her mouth. Yun Feng walked over and the Hall Master said to the four men, "This is Yun Feng, my young friend. You all want to get to know her, right? Yun Feng, these four people are the masters of the four first-rate families, Xiao Fan, Ouyang Tian, Xue Lin and Zhong Qing."

Yun Feng glanced at the four of them with a smile. "Greetings, Masters. I'm Yun Feng."

"Yun Feng, I've heard so much about you." Xue Lin said with a smile as he glanced at Ouyang Tian. Ouyang Tian's face immediately turned much paler and he looked at Yun Feng with fire in his eyes. If he were somewhere else, if he hadn't had to consider the overall situation, if he hadn't had to take care of the Ouyang family, Ouyang Tian would have already made a move!

"That's right. She attacked fearlessly in Canglan City. I wonder where she got her courage," said Zhong Qing in a low voice with an obvious smile. Yun Feng chuckled after hearing that.

"Someone certainly gave her the courage. Since they were stirring up trouble, how could I back off?"

Ouyang Tian couldn't help but tremble. Xiao Fan, who was next to him, immediately said, "Hall Master, did you ask us to come here just to meet Yun Feng? It seems that she must have a very important place in your heart."

After hearing that, the Hall Master burst into laughter and looked at Ouyang Tian. "Ouyang, why aren't you saying anything? I brought Yun Feng here. You should at least give me some respect!"

There was obvious oppression in his tone. The Hall Master seemed to be happy to see Ouyang Tian struggle. He forced him to speak. Ouyang Tian took a deep breath and the veins on his neck bulged. "Yun Feng, I've seen you."

Yun Feng chuckled. "You're too kind, Master Ouyang. I'm just a junior. It's my honor to meet you."

Ouyang Tian's breathing became rough and he clenched his fists tightly. The Hall Master burst into laughter with a delighted look. Xiao Fan's eyes darkened. "It seems that the Hall Master has a candidate for the guardian position?"

The Hall Master narrowed his eyes after hearing this and glanced at Xiao Fan with a sharp gaze. "I certainly have my candidate for the guardian position." Seeing this, Xiao Fan didn't say anything else. The Lord glanced at the four of them. "Alright, you can go now. Regarding the competition for the guardian position, you can be a bit more generous. It will be good for you if you give others a chance."

The faces of the four of them couldn't help but darken when they heard that. There was obvious dissatisfaction in what the Hall Master said. No one would want to be restrained as the Hall Master. This position required absolute power! The four of them retreated with different expressions. It was obvious what the Hall Master meant. Why did he add a new guardian position, and not draft one directly from the four families? He was telling the four families that he was extremely dissatisfied with the current situation and wanted to change it!

As the four family masters walked back, Ouyang Tian couldn't hold it any longer. He swung his fist fiercely in the air and a towering tree in the Bright Moon Hall suddenly fell to the ground! This shocked quite a lot of people, but when they saw that it was the four of them who did this, they naturally didn't dare to say anything or approach.

"Damn it! That little bastard can still smile! I'm so angry!" Ouyang Tian roared with red eyes. The other three people all looked rather gloomy. The Hall Master clearly meant to be friendly with Yun Feng just then. Even if the Yan family couldn't get the guardian position, their status would also rise.

"There's something I thought the Lord would tell us directly, but he hasn't said anything yet." Xue Lin said in a deep voice. The other three looked at him in confusion. Xue Lin glanced at them. "Do you know Yun Feng's identity?"

"What other identity does that little bastard have? Is she someone we can't touch?" Ouyang Tian roared, while Xue Lin's expression became even gloomier. Ouyang Tian couldn't help but feel his throat a bit dry when he saw this. Xiao Fan's heart also sank when he saw Xue Lin's face. Was Yun Feng really someone they couldn't touch?

"Why are you keeping us in suspense? Just tell us!" Zhong Qing urged. Xue Lin moved his lips. "She's Zhan Li's daughter."

“What?” Ouyang Tian shouted with his eyes wide open, as if he didn’t believe that at all. Xiao Fan’s face also turned cold in an instant. Zhong Qing smiled awkwardly. “Where did you get this information? Don’t tell me you really believed it when the Yan family told you it?”

“If that bastard is Zhan Li’s daughter, I’ll say my name backwards!” Ouyang Tian said in disdain. Xiao Fan also looked at Xue Lin in disbelief. “Xue Lin, the credibility of this news is really low.”

Xue Lin sneered coldly with a look of ignorance. “This news is absolutely true. Zhan Li said it himself. How can it be fake? Ouyang Tian, prepare to say your name backwards.”

Ouyang Tian’s stunned expression froze. Xiao Fan was the first person to accept the news. “Zhan Li said it himself... But this matter is too strange. Even their surnames are different. Besides, if they’re father and daughter, they look really.

Chapter 600: The Contest Begins (2)

“We don’t need to know whether or not she is his biological daughter. We just need to know that she’s Zhan Li’s daughter,” said Zhong Qing in a deep voice. The expressions of the few of them darkened again. Zhan Li’s daughter. That Zhan Li was a figure that even the Hall Master was afraid of. If she was his daughter, they really... couldn’t touch her.

“Did my daughter die for nothing?” Ouyang Tian roared furiously. He was unwilling and furious in his mind. Was this matter over just like that? Was his Ouyang family so easily bullied?

“What else can you do about this? Do you want to provoke Zhan Li?” said Xiao Fan. Ouyang Tian’s face suddenly stiffened. Zhan Li, this man who had always been alone and had unpredictable strength, nobody knew his background. They only knew that his strength and ability were terrifying!

“Brother Ouyang, as I said, don’t do anything in private. If you’re really angry, just put it on this election. As long as you kill Yun Feng in the arena during the competition, what can Zhan Li do?” Xiao Fan sneered. Ouyang Tian smiled coldly. That’s right. If there was any grudge, just wait and resolve it in the competition!

“Then, Brother Ouyang, let’s see how your family deals with Yun Feng.” The masters of the other two families both smiled. Ouyang Tian looked at the other three people with a bad expression. If such a thing hadn’t happened to the Ouyang family, he wouldn’t have forced himself to do this! However,

Ouyang Shanshan’s death was too great a blow. The Ouyang family had to take revenge! If they didn’t take revenge, wouldn’t the Ouyang family be despised by everyone?

“Humph!” Ouyang Tian flicked his sleeve and left. The other three people looked at his back thoughtfully. “Ouyang Shanshan’s death made this old guy completely furious.”

“Anyone would be like that. Such a young and outstanding descendant died just like that. Who can pretend that nothing happened? Let’s just watch the show this time. Isn’t the Hall Master also waiting to watch the show?” said Zhong Qing slowly. The other two people nodded. The Ouyang family was truly

unlucky.

After the four of them left, Yun Feng followed the Hall Master into the Main Hall. Yuehua sat aside casually. It was obvious that the Hall Master doted on her daughter and didn't avoid anything.

"Yun Feng, how confident are you in winning this position?" The Hall Master didn't beat around the bush and directly said. Yun Feng raised her brows in surprise. "Hall Master, you're asking a very interesting question. I can't say how confident I am, After all, the other families aren't easy to deal with."

The Hall Master burst into laughter. "Yun Feng, don't be so humble. You're a powerhouse too. How can the descendants of those families be your match?"

Yuehua looked at Yun Feng angrily on the side. Her Seven Cloud Whip had been destroyed by her last time!

"I'm not being humble. It's the truth. You can't underestimate anyone." Yun Feng said indifferently. The Hall Master looked at Yun Feng deeply. It was truly rare to have such a calm mind at such a young age. She was indeed Zhan Li's daughter.

"Yun Feng, even if you get the guardian position, I won't dare to let you have it. Zhan Li won't agree, haha!"

Yun Feng smiled. Uncle Zhan seemed to be quite influential on the West Continent. Even the Hall Master treated him so specially. "Right, Yun Feng." The Hall Master changed the topic. "Do you know what your father is busy with right now?"

Yun Feng chuckled. "Uncle Zhan was only joking when he said that I was his daughter. You don't have to take him seriously. As for what Uncle Zhan is doing, I don't know at all. You asked the wrong person."

The Hall Master chuckled. It didn't matter whether Yun Feng and Zhan Li were truly father and daughter. As long as Zhan Li said so, they were! "I didn't expect you to be so close to the Yan family, Yun Feng. This is truly unexpected."

"It was my honor to know Yun Feng," said Yan Ming on the side. Yuehua snorted in disdain and the Hall Master chuckled. "You're absolutely right. Yun Feng is the Yan family's benefactor."

Yun Feng smiled helplessly on the side. She only wanted the body-tempering solution back then. Who would have thought that the Yan family would be pushed to such a height?

"I'm optimistic about the Yan family in this competition. The Yan family won't let me down in the future."

Yan Ming nodded and bowed to the Hall Master. "Don't worry, Hall Master. The Yan family won't let you down."

Yun Feng sat on the side. It seemed that the Yan family's road was going up. Even if they couldn't get the guardian spot, the Hall Master would still treat the Yan family differently. Yan Ming's ambitions would also be inflated. Yun Feng glanced at Yan Ming. She really couldn't predict where he would go.

The day of the contest was coming soon. There were a total of fourteen families that participated in the contest. The Yue family, where the Hall Master was from, didn't participate in the contest. The other four first-rate families and the ten second-rate families amounted to a total of fourteen families.

The first-rate families had the privilege to directly advance to the final selection. The first step of the contest was for the second-rate families to compete with each other and send out four winners to compete with the four first-rate families respectively. They would take the form of one-on-one matches and half of the candidates would be eliminated in one round. Four winners would be sent out in four rounds of competition. Then, the four winners that qualified would fight again in two rounds. They would send out two winners to compete in the finals.

In other words, this contest was all one-on-one duels, and all the winners would be decided in one go. The method of drawing lots was completely based on luck. If you got a weak family, you would be lucky. If you got a strong family, you could only blame it on your bad luck. If you wanted to qualify for the next round, your strength was part of it and your luck also played an important role.

Every family could only send one person for the contest, and they couldn't change the candidate halfway. The first-rate families undoubtedly had a lot of advantages when only one person was picked. In other words, the first-rate families fought fewer battles than the second-rate families. For the people of the second-rate families who participated in the election, they suffered a lot.

The rest time after a battle was very short. They wouldn't be able to recover much in just one day. The second-rate families were facing the first-rate families who had never fought and were full of energy. Considering the strength of the first-rate families, it would be difficult for them to beat the first-rate families!

The second-rate families didn't dare to disagree with this rule. After all, it was already good enough for them to participate in the contest.

The second-rate families would draw lots in advance. The competition for the second-rate families was very harsh. The ten families would be divided into five groups, one on one. However, only four winners would be chosen. A new rule was added in the competition between the second-rate families.

The victory didn't only require a defeat, but also the time cost.. The candidate who won with the longest time would be automatically eliminated!
