Chapter 721: There's Still a Long Way to Go (1)

Yun Feng walked all the way to the depths of the Foggy Forest. There wasn't a single Magic Beast along the way. When her body disappeared in the central area of the Foggy Forest, these low-level Magic Beasts in the outermost area finally dared to stick their heads out. Everyone had an anxious thought in their minds. Where... did they see this person before?

In the deepest part of the Foggy Forest, an old man was sitting there leisurely. There was also a golden-haired young man who looked frustrated and obviously couldn't sit still next to him. The young man's golden eyes were flashing with extreme impatience and his feet hit the ground every time. The old man looked relaxed. The two of them didn't say anything and just faced each other silently.

"Old man! Are you done? Say something!" The golden-haired young man couldn't stand it anymore. He wondered if he should punch him directly. The old man chuckled, as if he couldn't be anxious.

"Jin, don't be hasty."

The golden-haired young man was a bit frustrated. His golden hair was glittering. At this moment, the facial features of the two of them became serious. An aura that wasn't concealed at all suddenly approached from the outside. It was a bit arrogant, and so direct!

A black shadow suddenly rushed over. "My lord, a powerhouse suddenly entered the Foggy Forest and is approaching here. Should we..."

Ah Jin laughed with a hint of excitement on his rough but heroic face. The old man glanced at Ah Jin speechlessly and waved his hand. "No need. We'll welcome her ourselves."

The person who came to report almost fell on the ground. "M-Master, you're going to welcome her in person..." He stammered. The old man stood up with a smile. Ah Jin had already rushed out excitedly. The man who came to report only felt that his head was about to explode. Who exactly was this person? These two masters came to greet him in person!

"Tell those guys to behave themselves. Provocation won't end well. I won't clean up their mess for them," said the old man slowly. The man who came to report was stunned again. Then, he immediately said "yes" and disappeared with a gust of wind.

"Old man, do you think it's that girl?" Jin whispered excitedly as he walked out. The old man walked steadily on the side. "If it is, so what?"

Jin chuckled with viciousness in his golden eyes. "That girl talked to me like that last time. I certainly have to get back at her!"

The old man smiled helplessly again. "When can you stop? It's indeed a bit of a loss for you to have the wind element."

Jin's face turned cold. "Humph! Don't compare me to that guy!"

The old man chuckled and didn't say anything else. The two of them walked out from the deepest part of the Foggy Forest, while Yun Feng kept going in from the outside. She crossed the central area and

entered the inner area. Her ancestor once warned her that there were some auras hidden deep in the Foggy Forest that couldn't be ignored. When Yun Feng stepped into the inner area, the space around her swayed and a few figures had already flashed in front of her.

Yun Feng glanced over with her black eyes. Five Commander Level Magic Beasts stood in front of her and all transformed into human form. Yun Feng stood at the edge of the inner area and didn't go further.

"Human! This isn't a place you can step into! I'll give you a chance. Get out!"

Yun Feng was expressionless. This time, nobody could stop her! "Move!" Yun Feng only said two words. The five Commander Level Magic Beasts were obviously enraged by her arrogance.

"Human! If you dare to take another step forward, you'll never be able to return!"

Yun Feng chuckled. She wasn't here to cause trouble today. She was here to find someone. As long as she saw the person she wanted to see, she would leave. She didn't want any unnecessary killing, but it didn't include those who came to her voluntarily for trouble.

It was one thing not to attack, but it was another thing to be forced to attack.

"I'm just here to find someone. I don't want to cause any trouble." Yun Feng said in a low voice. She wasn't afraid that she wouldn't be able to beat them. After all, she was here to find a Magic Beast. It was a bit embarrassing for her to break in like this. She was here to ask for an answer, so she certainly had to be polite.

"How arrogant! Say that again. Leave immediately!"

Yun Feng frowned slightly. They wouldn't listen? Yun Feng had patience, but she didn't have any left at all right now. She had used up all of it! She suddenly raised her hand and a Monarch Level wand appeared in her hand. The few people who stood in her way all held their breath. "I'll say it again. Get out of my way. Don't make me attack you."

How could the five Magic Beasts accept such provocation? They all roared furiously and were about to fight. A figure quickly flew over and stood between them. The five Magic Beasts were stunned for a moment and calmed down. "My lord?"

Yun Feng looked at the black-robed man who suddenly appeared with her black eyes. The black-robed man turned around indifferently and sized Yun Feng up. "Madam, please come with me. The two lords welcome you."

Yun Feng put away her wand after hearing that. "Thank you for leading the way." Her tone was a bit cold but extremely polite. The black-robed man nodded and walked in the front. The five people who were blocking the way made way in a daze, watching the black-robed man walk past with Yun Feng and go inside.

After the two of them disappeared, the five of them were speechless. They were crazy! They were crazy! Humans couldn't enter the inner area of the Foggy Forest. Anyone who entered would die! And now, a human was invited to enter!

Yun Feng followed the black-robed man all the way. The deeper they went into the Foggy Forest, the more Yun Feng understood the importance of the ancestor's warning. If it weren't for the black-robed man leading the way in front, Yun Feng wouldn't have been able to go deeper with her current strength, let alone fighting fiercely. The deeper they went, the more powerful the obscure aura was. The Magic Beasts on the surface had already turned into human forms. They were all shocked to see Yun Feng here, and the aura hiding in the dark made Yun Feng fearful. The two of them had already walked a long distance. The deeper they went, the stronger the aura. Yun Feng thought in her mind that even she couldn't come and go freely in this area.

The black-robed man led the way expressionlessly along the way. Even though he didn't say anything, the doubts in his mind never stopped. He still couldn't understand why his Lord asked him to pick her up in person! The black-robed man turned around slightly. Yun Feng, who followed him behind, was also expressionless along the way, but her Monarch Level aura had already been restrained. The black-robed man frowned slightly. Who exactly was this human?

Chapter 722: There's Still a Long Way to Go (2) Translations

They continued moving forward. The black-robed man led Yun Feng deeper and deeper. The Foggy Forest was much vaster than Yun Feng thought. They didn't stop along the way and kept going forward, as if there was no end at all. When Yun Feng thought they had to walk a long distance, the black-robed man suddenly stopped. The two of them had arrived in a quiet area at this moment. There were vines all around, forming an independent space.

Yun Feng narrowed her black eyes slightly and became vigilant again. The man in black robe said respectfully to the front, "My lord, I've brought her here." After saying that, the man in black robe disappeared into thin air. Yun Feng stood there alone and looked ahead with her black eyes. Two people were sitting in front of her, looking at her with different expressions.

"Kid, you're quite bold." Jin sat there with one arm on his knee and sized Yun Feng up with his golden eyes. Yun Feng stood there and didn't say anything. She wasn't in the mood to argue with him right now.

Seeing that Yun Feng didn't say anything, Jin seemed to be very happy. "You wanted to break in? You'd probably die halfway."

Yun Feng's eyebrows jumped a few times, but she still remained silent. The old man said helplessly, "Kid, what do you want to know? Just ask."

Yun Feng raised her black eyes and glanced at the wise and shrewd old man in front of her. "You seem to know everything? You knew I was coming for you."

Jin raised his brows. His golden eyes glittered and he seemed to be smiling. The old man chuckled. "It's not surprising that you know. Ask your question."

Yun Feng's black eyes darkened. There were too many questions in her mind that she needed answers to. The old man in front of her seemed to have seen through everything, as if he knew everything. However, Yun Feng knew that he would naturally answer what he could and wouldn't answer what he couldn't no matter how many times she asked.

“You’re also a Fantastical Beast?” Yun Feng went straight to the point. Jin was stunned for a moment and then burst into laughter. The old man’s expression also froze for a moment. “Kid, I’m not answering this question.”

Yun Feng frowned. Was he not? If he wasn’t a Fantastical Beast, who was he? How would he be able to move with Ah Jin, who was a Fantastical Beast? “Do you know him?” Yun Feng flipped her hand and the Finger Spiritual Jade appeared in her hand. The old man couldn’t help but feel a bit surprised when he saw this. Yun Feng pressed her finger on the Finger Spiritual Jade and the unique aura she absorbed immediately came out. In a blink, Ah Jin’s face immediately turned ashen.

“Where have you seen him?” Ah Jin’s handsome face was cold and a hidden anger suddenly burst out. The old man waved his embroidered robe gently to suppress that threatening momentum. Ah Jin flashed in front of Yun Feng. “Where is he?”

Yun Feng looked up with a cold expression. She didn’t back down because of Ah Jin’s sudden outburst of momentum. “Who is he?”

“Kid, I’m asking you where he is!” The momentum that was forcibly suppressed by the old man burst out again. That familiar pressure came right at Yun Feng’s face and directly pressed against her body. The tip of her tongue was bitten and Yun Feng didn’t give in at all!

“Who is he?”

“Ah Jin!” The old man shouted. Ah Jin finally calmed down. “Are you really not afraid of death?” He narrowed his golden eyes. A dangerous light glittered in Ah Jin’s eyes. Yun Feng’s expression didn’t change at all. Her black eyes were as calm as water and extremely clear. There wasn’t the slightest fear in them!

“Why did you meet him?” The old man asked instead of answering. Ah Jin had already walked back and sat down with an extremely sullen expression.

Yun Feng raised her brows. “You didn’t answer my question. Who is he?”

The old man was stunned. He was a bit surprised that Yun Feng was so persistent. Both parties were silent for a long time. In the end, the old man sighed helplessly. “With your current strength, so what if you know? There are some things you’ll know when you need to know.”

Yun Feng’s black eyes glittered. What he said wasn’t unreasonable. Even though she had already reached the final stage of the Monarch Level right now, facing the endless road ahead, Yun Feng only knew that she wasn’t strong enough. The appearance of that strange man in black robe seemed to reveal something. For the first time, Yun Feng felt that the things she had to face in the future would be extremely heavy. If she stopped here, she would lose everything she valued!

Looking at Yun Feng’s pondering expression, the old man said, “I can’t tell you who that person is right now. That person is related to us and... the Yun family.”

The blood in Yun Feng’s body suddenly froze! The old man stared at Yun Feng with his wise eyes. “It’s useless even if you know more. No matter what that person stole, you don’t have to worry. There won’t be any danger.”

What he said made Yun Feng's heart, which had been tense, finally heave a sigh of relief. The wisp of soul left by the ancestor was forcibly extracted from her body. Yun Feng was anxious because she was afraid that that person would do something. Even though she didn't know if what the old man said was true or not, Yun Feng felt that it was very credible and her heart also calmed down gradually.

"Kid, I knew you were different when you entered the Foggy Forest." The old man looked at Yun Feng deeply. "This world is much more complicated than you think. This continent is so vast and contains so many secrets that you can't imagine. The Yun family is certainly one of them."

Yun Feng's black eyes tightened. Ah Jin next to her looked at the old man in surprise, as if he was surprised that the old man said so much. In the end, he frowned slightly and sat aside with an even more serious look. The anger that suddenly ignited just then also gradually extinguished.

"Kid, I'm very gratified that you're talented, determined and stubborn." The old man smiled. "But you must understand that you can't do anything right now. I can tell you that you're still too weak, too weak."

Yun Feng clenched her fists and didn't say anything. The old man sighed again. "Do what you should do step by step. One day, you'll get the answers you want to know."

Yun Feng slowly raised her head. The old man's eyes seemed to be covered with a layer of mist, so Yun Feng couldn't see them clearly. Ah Jin held his chin and snorted in disdain. "You're just being pretentious." The old man glanced at Ah Jin helplessly. "Kid, are you satisfied with my answer?"

Yun Feng fell silent and reexamined herself again. Many things were indeed as the old man said. With her current strength, it was useless even if she knew. She still had a long way to go and there were still a lot of things she had to do. Yun Feng's surging heart slowly calmed down. There were too many things she had to do next. She couldn't see far enough on the road ahead. She could only walk forward step by step. She would get close to the end, wouldn't she?

Chapter 723: There's Still a Long Way to Go (3)

Yun Feng slowly turned around. She didn't need answers anymore.

"Wait!" Seeing that she was about to leave, Ah Jin immediately said, "Kid, where is he?" Ah Jin asked again patiently. Yun Feng said, "That person built the Helian family and has been hiding in the body of the Helian family's leader in Hualian City."

Ah Jin's golden eyes glittered. "Damn it. It's hidden in a human body!"

"I fought with him a bit before I came. He's already escaped." Yun Feng said indifferently as she turned around and looked at the old man. "When will Meatball wake up?"

The old man was stunned. Yun Feng's black eyes darkened. "When exactly will she wake up?"

"I let it sleep back then because I felt that it was different from ordinary Magic Beasts. I was afraid that something might happen. It will wake up in a few days." What the old man said made Yun Feng feel relieved. It was great that Meatball was fine.

"Goodbye." Yun Feng turned around and was about to leave. The old man frowned slightly. "Kid, is Meatball its name?"

Yun Feng paused. "No, its name isn't Meatball. I just made it up."

"Can you tell me its real name?" The old man asked tentatively. Ah Jin looked up at the old man, wondering what was wrong with this old guy today. Why did he have so many questions? Was there anything special about that Magic Beast that was as fat as a ball?

Yun Feng thought for a moment. "Na Xie. Its name is Na Xie." Yun Feng's body flashed and she had already disappeared from this space. She didn't see the shocked look of the old man when he heard this name at all. And Ah Jin on the side, the arm holding his chin suddenly missed and he almost fell on the ground.

"Old man!" Jin roared with a tense expression. The old man frowned and stood there with inexplicable emotions surging in his wise eyes. "Isn't that just a lie? How can it really exist?" Jin roared. The old man didn't say anything for a long time. In the end, he glanced at Jin.

"It's not made up. It's just been circulating for so long that nobody believes it."

Ah Jin's breath tightened and his golden pupils shrank fiercely! "If it's true, how can it be in that form? It..." Ah Jin suddenly remembered Meatball's sharp teeth piercing into his body back then and he trembled!

"Jin, the one you're looking for has already escaped. You should go back." The old man looked into the distance with his black eyes, thinking about something. Jin was still in a state of shock. He finally came back to himself. "What about you?"

The old man chuckled. "I'm not going back yet, but let me remind you that we can't tell if it's the one."

Jin was stunned. "Even you... can't see through it?"

A glint of light suddenly flashed through the old man's wise eyes as he smiled meaningfully. "There are some things that even I can't see through. If it's really that, it's even less likely for me to see it through."

Ah Jin's golden eyes darkened. "Got it." He turned around and was about to leave when the old man's voice sounded again. "Aren't you going to the Dragons to greet them?"

Ah Jin roared in frustration, "Who wants to greet those dragon brats? I feel annoyed just looking at them!" The old man didn't say anything else. A beam of golden light suddenly enveloped Ah Jin's entire body. The old man raised his hand and a crack suddenly appeared in the space next to him. The golden light entered the crack and a pair of strange wings with golden luster could be vaguely seen. Then, they completely disappeared.

Yun Feng came all the way out of the deepest part of the Foggy Forest. Those hidden auras were restless and Yun Feng was also tense along the way. When she came in, someone led the way, but when she went out, she was alone. Even though she was very nervous along the way, nothing unusual happened. Even though the animals were restless, they didn't do anything in the end. Yun Feng left the Foggy Forest without any obstructions and went straight to Hualian City.

It was already dawn when she arrived in Hualian City. Bathed in the warm sunlight, it was as if everything that happened last night was a dream. Yun Feng went straight to the Helian family's mansion. When she arrived, Murong Yuntian was standing in the middle of the yard.

“What’s wrong?” Yun Feng landed from the sky and asked in a low voice. Murong Yuntian turned around and suddenly felt that there was something different about Yun Feng. She seemed to be emitting a different kind of temperament, which was more stable and calm than before.

“After we came back last night, all the servants of the Helian family disappeared, and the few ladies and children of the Helian family died on the spot, just like the master of the Helian family,” said Murong Yuntian in a deep voice. Yun Feng frowned. Among the corpses in front of her eyes were Lady Helian and Helian Fu. It could be said that the members of the Helian family were completely dead overnight.

“I think the families that are connected to the Helian family by marriage will have the same situation. Deal with this place first. I’ll go back to Mu City first.”

Murong Yuntian nodded. This matter was too strange. Yun Feng immediately rushed back to Mu City. As soon as she arrived, she heard the strange news that the members of the Helian family, who had an arranged marriage with other families, had all died mysteriously last night. The cause of death was almost the same. This matter caused a sensation and made the Fengyun Empire a bit anxious. The Helian family rose abruptly and died mysteriously overnight. Anyone would be a bit terrified.

Yun Feng first went to see her sullen father and brother after she came back. The two of them were finally relieved to see Yun Feng return safely. Yun Feng immediately told them what happened last night one by one, ignoring the soul power of her ancestor that had been stolen. She didn’t miss anything else.

Yun Jing and Yun Sheng couldn’t come back to themselves for a long time after hearing that. Their heads were a bit swollen. Who exactly was this strange man in a black robe? Yun Jing’s handsome face was solemn and gloomy. “There are a lot of doubts about the rise of the Helian family. I didn’t expect the truth to be like this.”

“It’s not bad for him to disappear. If Feng didn’t force him to show his true form, the Fengyun Empire would be swallowed by him sooner or later!” Yun Sheng also looked very serious. Yun Feng sat on the side and didn’t say anything. It wasn’t just the Fengyun Empire. Perhaps the East Continent would be swallowed sooner or later.

That black-robed man was the target of the Fantastical Beast and he... had ulterior motives towards the Yun family!

“The disappearance of the Helian family is a relief for the swallowed families. Feng, thank you for your hard work.” Yun Jing looked at his daughter in relief. Yun Feng smiled. “Father, there are some things I need to do. Someone told me on the West Continent that the president of the Magic Union I’m looking for has appeared on the East Continent.”

Chapter 724: There’s Still a Long Way to Go (4) Translations

Yun Sheng became anxious after hearing that. Yun Feng was looking for the president of the Magic Union to find a way to resurrect Mu Canghai! Yun Feng’s black eyes darkened slightly. “He appeared in the gods’ relics. I think he’s still there.”

Yun Jing and Yun Sheng were both shocked to hear that! The gods’ relics! That was the Yun Palace!

“Are we leaving right away?” asked Yun Sheng. Yun Feng smiled. “I’ve promised Xiaojin for a long time, but I haven’t had any clue. I must find him this time.”

Yun Sheng held his breath and petted Yun Feng. "Feng, I'm useless..."

"Brother, no need to say that. I am supposed to do this. Mu Canghai only died because of me..."

Yun Sheng only felt heartbroken. More and more burdens were on his sister's shoulders. How much could he bear for her? Seeing that Yun Sheng was a bit depressed, Yun Feng knew what her brother was thinking. "Brother, with you and father on the East Continent, I don't have to worry about anything. You've helped me a lot, really."

Looking into Yun Sheng's heart with his clear black eyes, Yun Jing's heart trembled. Yun Feng smiled. "I'm just going home this time. Don't be so nervous. I'll give Xiaojin a surprise when I find a way to resurrect her."

Yun Sheng nodded and held his sister in his arms. Yun Feng smiled. "I'll go right now. I'll be back soon." Yun Feng walked out of the door and took a deep breath. She glanced around and saw Qu Lanyi.

"You're leaving again?" Qu Lanyi raised his brows and asked, as if he was a bit angry. Yun Feng smiled lightly. "Has Meatball woken up?" Qu Lanyi frowned slightly. "Not yet. It's still asleep." Yun Feng nodded. The old man said that it should be a few more days.

Qu Lanyi was alone. Yaoyao and Meatball should be together. Yun Feng turned around and walked to her room, but Qu Lanyi suddenly grabbed her arm. "What happened?" Qu Lanyi's deep voice sounded. He held Yun Feng's wrist tightly. Yun Feng chuckled. "Nothing."

"Yun Feng!" Qu Lanyi was a bit anxious. He couldn't help but sound a bit serious. Yun Feng was still smiling casually. Qu Lanyi frowned hard. How long had it been? Why was this woman covered in an extremely hard shell?

"You don't even want to tell me?" Qu Lanyi continued to ask. Yun Feng's black eyes suddenly darkened. Some unknown things surged from the bottom of her heart, making her a bit breathless. The soul power of her ancestor, the appearance of the Fantastical Beast, the strange man in black robe, and the road that led to nowhere... Yun Feng took a deep breath. "I'm really fine."

"You're lying!" Qu Lanyi immediately denied it. Yun Feng suddenly felt a bit angry and her black eyes were cold. "Let go."

Qu Lanyi narrowed his eyes and suddenly smiled. He tightened his grip. "Let go? I've never thought about letting go since the day I treated you as my woman!"

Yun Feng's breath tightened. Qu Lanyi's handsome face melted into the warm sunlight, making him look extraordinarily handsome. Qu Lanyi's black eyes glittered and he mumbled, "Didn't I say that you still have me?"

The wall that had just been erected collapsed with a bang and the pressure that filled the sky in her heart immediately eased. Yun Feng suddenly felt that the burden on her shoulders loosened. This man held up the sky for her with a smile.

Yun Feng's red lips curled up. She lowered her eyes and chuckled. Qu Lanyi slowly loosened his hand and smiled. "When are you leaving?"

Yun Feng turned around. "Wait for me. In a minute."

Yun Feng and Qu Lanyi left Mu City on the same day. Meatball was still asleep. Yun Feng directly put it in the bracelet, so that it could come out after it woke up. Yun Jing and Yun Sheng thought that Yun Feng would leave the next day at the earliest. When Mu Xiaojin came with her son, Yun Feng and Qu Lanyi had already left. Yun Luochen looked at them and couldn't help but smile helplessly.

"Xiao Feng, why did you leave so quickly?" Mu Xiaojin was a bit sad. Yun Qingchen, who was in her arms, didn't seem to like Yun Feng's sudden departure either. He pouted and cried. Mu Xiaojin finally stopped him from crying after comforting him for a long time.

Holding Yaoyao in her arms, Yun Feng and Qu Lanyi rushed to the gods' relics at an extremely high speed. Unlike the first time they came here, Yun Feng's journey was smooth and unimpeded. Perhaps because she had obtained the Yun family's token, she automatically skipped the trial she went through earlier. After entering the gods' relics, the two of them directly came to the huge city area back then. There were four different areas with quite a lot of ancient houses. Yun Feng observed carefully this time. It turned out the word "Yun" was everywhere.

Yaoyao followed Yun Feng closely and kept moving forward holding her hand. She was unusually silent along the way. Her blue eyes looked around with a hint of awe, while Qu Lanyi looked nervous. Yun Feng guessed that the President of the Magic Union should still be here. Then... where would he be?

"That's the place further ahead," said Qu Lanyi in a low voice. His voice echoed slightly. This space was especially empty. Yun Feng nodded. If she walked further, she would reach the familiar square. The door that only the Yun family could open was there.

The three of them continued moving forward. After taking one step, Yun Feng picked Yaoyao up and held her in her arms. The next second, Qu Lanyi and Yun Feng's bodies flashed to the sides like lightning, as fast as shadows! The ground where the two of them stood just then suddenly caved in!

"Crack!" This dent caused the ground to crack into countless small pieces. Some small pieces of stones flew away and rolled on the ground!

Yun Feng and Qu Lanyi leaned against the houses on both sides and looked at the shattered road in the middle with a solemn expression. Qu Lanyi looked at Yun Feng from the opposite side and nodded at her. He raised his arm gently and a wisp of light elements appeared in his palm, jumping quickly to the road in the middle. Before the light elements moved, a fierce wind came and the light elements dissipated in an instant!

Yun Feng sneered and shouted, "It's truly surprising that the president of the Magic Union is here!"

The cold voice kept echoing and expanding in this space, but there was no response. Yun Feng snorted and continued shouting, "President, do you have something you want here? Perhaps I can show you the way?"

Chapter 725: Yao Guang Appears (1)

Silence, suffocating silence. Yun Feng and Qu Lanyi didn't do anything. The sound of clothes dragging on the ground sounded, as if someone was walking on the ground in a long robe. The sound of friction was gradually approaching. Yun Feng pursed her lips and put Yaoyao down in her arms, hinting that she

should stay here and not move. Yaoyao nodded obediently. Then, Yun Feng had already walked out from the side. Qu Lanyi was about to come out too when Yun Feng gave him a reassuring look.

Yun Feng walked out from the side with a faint smile on her face. She raised her black eyes and saw the person who appeared in front of her. He was wearing a black robe that wrapped around his entire body. Even his face was covered in shadows. The two of them looked at each other and didn't say anything. Yun Feng stood there with a calm gaze.

The body wrapped in the black robe moved. A slender arm slowly extended. Yun Feng saw an overly fair hand and something seemed to have flashed on the back of the hand. It was so fast that she couldn't see it clearly at all. The hand slowly lifted the hood on the head. There was elegance in the slow movement. The slender and fair fingers reflected this even more. When the hood was taken off, the face hidden under the black shadow was completely revealed.

His skin was too fair, and his black hair was slightly long. There were traces of age on his handsome facial features. This was a slightly old face, but it gave people a feeling that it was much more than that. His black eyes were deep and there was a smile at the corners of his mouth. This smile carried a sense of arrogance from the inside.

This was a man who was used to sitting on the top. Yun Feng smiled slightly as the man sized Yun Feng up slightly with his eyes. "Yun Feng?" There was a coldness in his voice, a kind of noble coldness that couldn't be approached.

"Yes, I'm Yun Feng." If it were someone else, they might have already bowed unconsciously, but Yun Feng was different. Even though the man in front of her didn't emit any pressure, Yun Feng could vaguely feel the level of strength buried deep in this body. He was the president of the Magic Union on the West Continent, the only dark-element mage at the Lord Level that she knew so far!

The man raised his eyebrows gently, as if he was quite interested. "It's hard not to know your name after coming to the East Continent."

Yun Feng smiled. The man in front of her was a Lord Level expert. With her current level, she certainly had to be careful. "How did you know I was here?" The man asked casually as a pressure pressed towards Yun Feng. Yun Feng smiled. "Of course, it's because someone told me. President, you should know how anxious the Magic Union on the West Continent is to find you."

The man chuckled and gently swung his black robe. "Do you want anything from me?"

Yun Feng was slightly stunned. The man in front of her didn't seem to be so easy to talk to. "Yes, I do need your help, President."

"Oh." The man raised his eyebrows again and sized Yun Feng up with interest. "Tell me. What's the matter?"

"I want to ask, President, can the dead be resurrected?"

The man's expression froze, and then the corners of his mouth curled up. "Everyone knows that the dead can't be resurrected, but... for a dark mage, it's certainly a different story."

Yun Feng's eyes brightened. It was as her ancestor said! It seemed that the hope of resurrecting Mu Canghai was on this person! "Then... how can we resurrect the dead?"

The man didn't say anything else. Yun Feng also suppressed her mind and waited for the answer reluctantly. She couldn't be anxious. She had no idea what the personality of the man in front of her was at all. She was the one who needed a favor right now. If she didn't care about anything else, she would easily lose it here!

"You want to know?" The man asked softly. Yun Feng looked up. "Yes, I do."

The man suddenly chuckled. "There's a price to pay for resurrecting the dead. A price you can't imagine."

"What kind of price?"

The man looked past Yun Feng into the distance. "It depends on who you're going to resurrect. Family, lover, friend. Naturally, the price you have to pay is different."

Yun Feng frowned. "What do you mean?"

The man suddenly raised his hand. Yun Feng didn't have time to react at all. She only felt a stream of black air flow out of the man's body and hit a wall directly. Yun Feng's body trembled. That was where Qu Lanyi was!

"Light-element brat, it's not a good habit to eavesdrop." The man's deep voice came out. Broken bricks lay on the ground. After a cloud of dust, Qu Lanyi's body was already leaning against another wall in a sorry state, but his limbs were stiff, as if he was restrained by an invisible force.

"Senior!" Yun Feng sweated. The man made a move. Qu Lanyi grunted awkwardly and was nailed to the wall. The man glanced at Yun Feng, who said, "He's my companion."

"Oh?" The man retracted his arm and his body was under the black robe again, leaving only his pale face. Qu Lanyi was nailed to the wall. He only felt that his body was on fire. Damn you, old man!

The man only seemed to have noticed Qu Lanyi and didn't know about Yaoyao's existence. Yun Feng felt a bit shocked. They were obviously too weak in front of the Lord Level! They didn't even have the power to fight back!

"Who is he to you?" asked the man. Yun Feng frowned. "A companion."

"A companion?" The man repeated with interest. He raised his black robe, and Qu Lanyi's body had already come down from the wall. He staggered and knelt on the ground, coughing awkwardly. "Don't you need something from me?" The man looked at Yun Feng. His gaze made Yun Feng uncomfortable.

Yun Feng looked at those black eyes for a long time. "Senior, please resurrect someone for me."

Qu Lanyi was stunned and looked at Yun Feng in confusion. He didn't know anything about Mu Canghai. Ever since he met Yun Feng, Mu Canghai had already disappeared from this world. Mu Xiaojin rarely mentioned him. Qu Lanyi didn't know why Yun Feng wanted to find the president of the Magic Union. Now, he finally understood that she wanted to resurrect the dead.

"It's possible to resurrect him." The man was surprisingly easy-going, but Yun Feng felt that a huge trap was waiting for her to jump into. "No matter who you resurrect, you have to pay the price. He'll be the price." The man's arm shook slightly. Qu Lanyi only felt that his body, which had just taken a breath, was pulled by a fierce force and nailed to a wall again!

Chapter 726: Yao Guang Appears (2)

"Hm!" Qu Lanyi grunted. She raised her head and stared at the man with her black eyes. "Old man... Just wait!"

The man didn't care what Qu Lanyi said. He looked at Yun Feng. "What do you think, Yun Feng? A life for a life. It's very fair."

Very fair? Yun Feng only felt that this man was simply taking advantage of her! He was... going too far! She suppressed the faint anger in her mind. "Senior, can I pay another price?"

The man raised his almost invisible eyebrows. "Yes. Just give me your own life."

"Bastard! Yun Feng, don't listen to his nonsense!" Qu Lanyi suddenly roared. His body was nailed there. He struggled hard, but it was useless. "There's no price to pay for resurrection. As long as I'm here, there's no need to pay the price!"

"You know it very well." The man slowly narrowed his eyes and looked at Qu Lanyi unhappily. Qu Lanyi raised his handsome face and said with a smile, "Old man, don't forget which element I belong to!"

The man seemed to be enraged by what he said. His black robe suddenly moved and a cold voice sounded. "Senior, how about we make a deal?"

The man was stunned, but Qu Lanyi smiled even more. He knew very well that Yun Feng wouldn't be the one to suffer a loss if she made a deal with anyone! "A deal?" The man raised his brows suspiciously. Yun Feng nodded. "Senior, you must've come here for more than curiosity. Didn't you notice anything?"

Yun Feng seemed to be implying something. The man's eyes suddenly turned cold. Yun Feng continued, "Senior, have you been to the square ahead?" She pointed in front of her. The man's eyebrows jumped a few times. Yun Feng continued, "Senior, have you seen that door?" The man's eyebrows jumped a few more times. A hint of cunningness flashed through the girl's clear black eyes. "I'm sure you've seen the words engraved on that door."

The man's face was stiff. Yun Feng was right about that. The man waved his hand, and Qu Lanyi relaxed again. Qu Lanyi moved his painful body with his arms and walked over. Faint light elements played a role in his injured area.

"Can you open that door?" The man's voice was cold. Yun Feng's black eyes glittered. "I don't know if you can open it, but you can try. If I don't try, you won't even have a chance."

The man snorted coldly and walked forward. Qu Lanyi stood next to Yun Feng and whispered, "Are you sure he's the person you're looking for?"

Yun Feng looked cold and serious as nervousness rose in her heart. "He has the dark element and he is at the Lord Level. He fits the description well. If it's not him, who else can it be? Even if he's not the president, as long as he has a way to revive someone else, he'll be the person I'm looking for!"

Qu Lanyi frowned. "Who are you going to resurrect? Someone from the Yun family?"

Yun Feng was stunned. Qu Lanyi really didn't know about Mu Canghai. It wasn't appropriate for her to say anything right now. Yun Feng chuckled. "This person... is very important. Let's talk about this later. Let's go." Yun Feng didn't dare to return to Yaoyao's side. The man didn't seem to be purposefully avoiding mentioning Yaoyao. He really didn't notice her. It was good to let her hide there, just in case.

Yun Feng and Qu Lanyi kept walking forward and soon arrived at the square. The inconspicuous door was there, and the word "Yun" engraved on it was extremely clear. The man stood at the door and Yun Feng walked over. "Senior, have you agreed to make a deal with me?"

The man snorted coldly. "If I find what I want, you'll certainly get what you want."

Qu Lanyi's expression changed and looked a bit gloomy. Yun Feng nodded. "Senior, you're a powerhouse. I'll certainly keep my promise." The man's face twitched fiercely. Yun Feng walked to the door with a smile and was about to reach out to touch it. The man in black robe shouted and stopped. Then, the black robe on his body wrapped around Yun Feng's arm. Yun Feng was mocking in her mind and her hand had already touched the door.

"Swish!" A dazzling light enveloped Yun Feng's body. In the next moment, Yun Feng had already been sucked into the door. The man couldn't help but feel delighted when he saw this scene. He was also sucked in just like that!

When she opened her eyes again, she had already reached the ruins she saw last time and skipped all the trials last time. It should be said that Yun Feng could enter and leave this place as easily as opening the door and closing the door. This gods' relics, which was full of danger, was quite safe for Yun Feng.

When the man opened his eyes and saw the devastated and withered scene, he seemed to be a bit excited. His eyes began to search around and his body had already flashed through this space like lightning. It could be seen how anxious he was in his mind. Yun Feng stood there silently and looked at the man's anxious posture as he searched with a cold gaze. Wariness kept rising in her heart. She certainly had to be prepared to bring him here. How would Yun Feng let him control her?

After weighing the mental strength in her spiritual space, Yun Feng couldn't help but feel a bit nervous. The battle with the Fantastical Beast, Ah Jin, almost shattered her body. After she finally recovered, she had recovered more than half of her mental strength, but then that weird man in black robe appeared. After the battle, Yun Feng's mental strength was truly pitiful right now. The recovery of mental strength couldn't be done overnight. If she really had to fight this man head-on right now, she would have to fight with her life.

Nothing, nothing, nothing!

The man searched this space crazily. His eyes went from the initial excitement and anticipation to the anxiousness and anger now! He suddenly saw a platform. The man pounced over and stood in front of the platform, staring at the empty platform firmly. Suddenly, he extended his arm and Yun Feng's entire body had already been sucked over forcefully!

"Where's the thing on it?" The man asked coldly. Yun Feng glanced at it and was also a bit confused. "Should there be something on it?"

The man was startled and looked at Yun Feng carefully. In the end, he threw her down impatiently and stood there, as if he was thinking about something. Yun Feng stood up from the ground and lowered her eyes. There were raging waves in the depths of her black eyes. The thing that was originally on the platform was the Yun family's token!

Was this man looking for the Yun family's token?

"Senior, do you know where this is?" Yun Feng asked in a low voice. The man was standing there with his back facing her. "Don't you know?"

Chapter 727: Yao Guang Appears (3)

Yun Feng flipped her hand and the Yun family badge with a faint luster appeared in her hand. Yun Feng slowly raised her little face. "Senior, is this what you're looking for?"

The man turned around a bit impatiently. When he saw the token in Yun Feng's hand, his expression completely changed! Yun Feng didn't miss that flash of excitement! "Little girl, give it to me!" The man stood in front of the platform and said to Yun Feng loudly. Yun Feng chuckled and held the token in her hand tightly. "Do you see the words on it clearly? Why do I have to give this token to you?" Yun Feng's tone was no longer polite. The man in front of her was coveting something from the Yun family!

The man narrowed his eyes fiercely. "Don't do this the hard way!"

Yun Feng burst into laughter and put the token into her storage bracelet abruptly. The man's eyes darkened. "It seems that I can only let you die."

The space Yun Feng was in suddenly shook violently. The corners of the man's mouth slowly curled up. "Kid, you don't even have the strength to struggle. Give that thing to me obediently! I'll let you live!"

Yun Feng felt the suffocating pressure in the space. She pulled her red lips with a hint of evilness. "Do you think too highly of yourself?"

The man was startled and didn't quite understand what Yun Feng meant. "You're truly arrogant! I'll let you die knowing that!" Terrifying pressure came from the sky and thick black elements roared. There seemed to be countless ferocious mouths hidden in them that wanted to tear Yun Feng's body apart instantly!

Looking at Yun Feng, who was surrounded by the dark elements and had no way out, the man put on a smile proudly. "You're overestimating yourself." However, as soon as he said that, the man frowned slightly. Then he frowned more badly... "Boom!" The thick black elements exploded with a bang and a series of heart-wrenching demonic cries spread around, making people terrified!

"Who's the one overestimating himself?" The hoarse and rather unpleasant voice spoke. After the thick black color faded, the short body wrapped in the black robe, the extremely ferocious young face, and the gray white eyes that were glittering with bone-piercing killing intent!

"Senior Yao Guang!" Yun Feng looked at Yao Guang who appeared in front of her in shock. Yao Guang's little body floated in front of Yun Feng and he stared at the man on the platform with his gray eyes. "Kid, why didn't you ask me to come out if you have such delicious food?"

Yun Feng was startled. Delicious? What did it mean? The man on the platform frowned. Who was this person who suddenly appeared? He seemed to be on par with himself?

Yao Guang licked his dry lips. "It's time to replenish my energy after sleeping for so long."

Yun Feng chuckled. Even though she didn't quite understand how Yao Guang came out, it seemed that she had the upper hand at the moment. Who else could Yao Guang be referring to other than the man in front of her? "If you say so, Senior Yao Guang, please don't hold back." She smiled very evilly as she looked at the man in front of her. "But I'll have to ask you to wait, Senior Yao Guang."

Yao Guang grunted. "Fine. Just be quick, kid."

"You think you can retreat safely with a helper? You've underestimated me!" The man stood on the platform and slowly walked down. With every step, thick black elements kept surging out of his body and broken screams came faintly, making Yun Feng feel a trace of pain when she heard them.

"Give me that thing obediently!"

"It's fine if you covet other people's things, but you're shamelessly robbing them right now. Aren't you afraid that you'll disgrace your identity?"

"Humph! Do you think that thing belongs to the Yun family? It belongs to whoever takes it!" As soon as the man said that, he attacked again and thick dark elements surged towards Yun Feng like ink.

"Devour!" The man's voice sounded as the elements roared like a Magic Beast. Yao Guang's gray eyes glittered and he opened his mouth, sucking in all the thick dark elements!

"What?" The man was completely dumbfounded when he saw this scene. Yun Feng was also a bit shocked. After Yao Guang sucked all the dark elements into his mouth, he stuck out his tongue and licked his lips in dissatisfaction. "Why? Is that all?"

"Who are you?" The man's expression changed drastically. He suddenly clenched his fist in the air. The space instantly distorted and was already on the verge of collapse. Yao Guang smiled. His weird laughter made Yun Feng's scalp tingle. "You want to compete with me in the power of space?" The black robe wrapped around Yao Guang's body suddenly rose as an invisible air current swept towards the space the man controlled. The man's face turned pale, as if he was resisting something. His clenched fist kept shaking and he finally let go!

Yun Feng also saw a corner of the body under the black robe when the black robe was lifted up!

Yao Guang stood in the sky and slowly turned around after breaking the man's space power. He looked at Yun Feng with his gray eyes and said in a hoarse and unpleasant voice, "Did you see that?" Yun Feng's scalp was numb again. She couldn't figure out Yao Guang's personality. When he entered the Dragon Palace to tease Yun Feng back then, she almost lost her life. At this moment, she wasn't sure if Yao Guang was a friend or a foe.

"How is that possible..." The man was shocked. The space control ability of the Lord Level was destroyed just like that. Had this weird kid reached that level? This... This... The man knew that he wouldn't be able to get anything right now, so he immediately wanted to run away. When Yun Feng saw this, she thought, Oh no! The man's body had already disappeared like a black vortex!

“Damn it!” Yun Feng watched the man disappear just like that and only felt that all her previous efforts were in vain. Whether that person was the president of the Magic Union or not, he was a dark mage at the Lord Level after all! He could resurrect Mu Canghai! Before dealing with him, she hadn’t figured out a way to resurrect Mu Canghai!

“Damn it, do I have to start from the beginning again?” Yun Feng cursed softly. All the clues were gone again, but she knew something else. Someone was looking for the Yun family’s Commander Jade!

“Kid, what are you talking about?” Yao Guang stood in the air and looked at Yun Feng’s miserable face. Yun Feng whispered in frustration, “I didn’t learn from him how to resurrect the dead. We have to start from the beginning!”

Yao Guang raised his brows. “Resurrect?”

Yun Feng didn’t have time to care about what Yao Guang was saying anymore. “Yes, but it’s a slim chance right now.”

Chapter 728: Yao Guang Appears (4)

“Who are you trying to resurrect?” Yao Guang’s voice startled Yun Feng. She raised her head subconsciously. “Senior Yao Guang, is it possible that...”

Yao Guang smiled weirdly, with glittering gray eyes. “You want to know?”

Yun Feng’s eyes darkened. “There’s no need to trouble you, Senior. There’s always a way out.”

“How boring.” Yao Guang grunted. Suddenly, he flashed and stood in front of Yun Feng. Yun Feng looked up at him. “Senior Yao Guang, is there anything else?”

Yao Guang’s hoarse and unpleasant laughter suddenly sounded. The same expression when she first saw him appeared on his young face. “Kid, did you see that?” Yun Feng’s black eyes turned cold. “What do you mean?” Yao Guang stared at Yun Feng with his gray eyes and laughed again. The black robe on Yao Guang’s body suddenly rose. Yun Feng had no choice but to look!

“What exactly are you doing?” Yun Feng retreated as the black robe wrapped around Yao Guang’s body again. Her gray eyes emitted scorching light, as if she wanted to burn everything Yun Feng had! “Kid, I said you’ll see it one day.”

Yun Feng frowned hard. Why did one day have to be today?

The black robe rose again and the short body was already gone. The entire space was shaking and the ground kept shaking. The debris of the ruins shattered again! The vortex-like energy fluctuation finally stopped and a shadow completely enveloped Yun Feng’s head!

“If you can’t beat me, you’ll die!” A hoarse voice sounded and Yun Feng’s black eyes completely darkened!

A shadow enveloped Yun Feng’s body. Yun Feng really wanted to know what Yao Guang’s original form was, but she didn’t want to find it out at this moment! Yun Feng raised her black eyes and slowly looked up. Half of Yao Guang’s body was still there, but his lower body had already undergone a huge change!

Its huge body was like a mountain and its extremely huge head occupied most of it. Its huge mouth was inserted on it, as if everything in front of its eyes would be swallowed up if it opened its mouth. And underneath the crack of the mouth was a pair of gray eyes that were emitting scorching heat!

Half of Yao Guang's body was in the middle of his head, as if the other half of his body had melted into the enormous creature. Yao Guang's hoarse and unpleasant laughter suddenly sounded in this space, making Yun Feng extremely pale.

Yun Feng knew her current situation clearly. There wasn't much mental strength left in her spiritual space at all. If it weren't for Yao Guang, that black-robed man might have severely injured her just then! She truly didn't expect that Yao Guang would go crazy again after the dark-element mage left!

Yun Feng remembered that when she first met Yao Guang, his weird and unpredictable personality gave her a headache! Especially now! If she couldn't beat him, she would die. How could she possibly win right now?

Seeing that Yun Feng wasn't doing anything, Yao Guang was rather angry. "Yun Feng! Did you hear what I said?"

Yun Feng's black eyes suddenly brightened and she smiled with her red lips. She looked at Yao Guang in such a form with her black eyes and had no intention of attacking at all. "Senior Yao Guang knows my current situation, but you still forced me to attack. You just want to beat me." What Yun Feng said made Yao Guang startled. His huge mouth opened and closed slightly, creating a strong air current. His gray eyes also rolled a few times.

"Kid, I know you're good with words! Don't try to get away with it!" Yao Guang roared furiously as he opened his mouth wide. Yun Feng knew that this guy had never played by the rules! He wouldn't listen to her at all! She dodged agilely as she opened and closed her mouth. Yun Feng kept dodging in the air as she shouted.

"Senior Yao Guang, you forced me to attack you. What do you want?"

After Yun Feng shouted this, Yao Guang suddenly stopped attacking. Yun Feng also stabilized herself and stood in the sky. The eyes under the big mouth rolled a few times and suddenly shot out a beam of scorching light. "Kid, you're quite smart."

Yun Feng smiled. She had finally hit the nail on the head. "I don't know why Senior Yao Guang is in the Dragon Palace, but I do know that you can't leave casually. It can be said that you're imprisoned in another way."

Yao Guang's face darkened, and viciousness burst out of his gray eyes. Yun Feng smiled gently. "Master left the Dragon Palace to me, so I'll certainly inherit everything it has. Senior Yao Guang, you've been planning to fight with me for... freedom."

Yao Guang narrowed his eyes and didn't say anything. Yun Feng was right. He had been locked up here by that old fart for countless years and lost his freedom. It was impossible for him to leave! Seeing Yao Guang's expression, Yun Feng was even more certain of what she was thinking.

“I’ll be free after killing you.” Yao Guang’s hoarse and unpleasant voice came. Yun Feng chuckled. “No, if this method really works, Senior Yao Guang would’ve done it already. I guess, if I die, Senior Yao Guang might really be locked up forever.”

Its huge mouth suddenly opened and a wave of flames like waves pounced at Yun Feng. Yun Feng stood there steadily and didn’t dodge at all. She didn’t care if she would disappear the next second! The huge flames suddenly stopped a few centimeters in front of Yun Feng and finally disappeared.

“Little girl, you’re indeed smart.” Yao Guang smiled evilly as he rolled his huge gray eyes, as if he was plotting something. Yun Feng was also plotting.

“Senior Yao Guang, I’ll make a deal with you. The gain of this deal is your freedom.” Yun Feng’s red lips opened gently. Yao Guang was apparently stunned. He was thinking about how he could make Yun Feng let him go, but he had never thought that this little girl would offer it herself!

“What’s the deal?” asked Yao Guang suspiciously. Yun Feng’s eyes glittered. “Senior Yao Guang, you must know how to resurrect the dead.”

Yao Guang was startled for a moment, and then burst into laughter. “Yes, I do. What do you want?”

Yun Feng lowered her black eyes and took a deep breath. Then, she raised her head and looked at that high and mighty young face, staring straight at those gray eyes. “Help me resurrect Mu Canghai and I’ll give you back your freedom.” If Yao Guang knew how to resurrect someone, why did she have to go so far to find the president of the Magic Union?

Yao Guang frowned and then snorted. “Humph! Do you think it’s so easy to resurrect the dead? Do you think you can find all the materials you need? If you can’t find them in a few centuries, do I have to waste a few centuries with you?”

Chapter 729: Yao Guang’s Plan (1)

Yun Feng chuckled. Her smile was a bit mischievous and even a bit shameless. “This is your only choice, or you’ll be stuck with me!”

Yao Guang’s eyes were full of anger. Yun Feng stood there indifferently. Yao Guang thought for a moment and was no longer angry. “I have plenty of time to waste on you. As for the resurrection, just find someone else.”

Yun Feng’s smile froze for a moment. What a person who wouldn’t suffer any loss. It wasn’t easy to plot against an old man with a weird temper. Mu Canghai’s resurrection wasn’t urgent, but she couldn’t let it drag on either. This was a scar in Yun Feng’s heart and also in Mu Xiaojin’s heart. She promised Mu Xiaojin that she would bring Mu Canghai back.

“I won’t take advantage of you, but you shouldn’t take advantage of me either! Five years. If he can’t be resurrected in five years for my reasons, I’ll give you your freedom.”

“Are you serious?” Yao Guang was excited. A tornado blew and the giant body disappeared. The short body wrapped in the black robe appeared again. He stared at Yun Feng with his gray eyes, as if he was afraid that she would go back on her words.

"I'm serious," said Yun Feng casually. Yao Guang burst into laughter excitedly. His laughter was quite unpleasant, which made Yun Feng's ears numb. After laughing, Yao Guang flashed in the air and came to Yun Feng. "Kid, just wait to set me free five years later!"

Yun Feng smiled. "Then I look forward to it. Senior Yao Guang, can you tell me how to resurrect him now?"

Yao Guang nodded in satisfaction. "You only need to prepare things for resurrection. It's useless even if I tell you everything else. As long as you prepare the things, I'll certainly bring the person you want to be resurrected back to life!"

"What do you need?"

Yao Guang suddenly put on a creepy smile. "Listen up. First of all, you need the remaining consciousness of the dead person. Secondly, you need the Spirit Gathering Grass and the Fusion Fluid. These three are the most basic things. Without any of them, you won't be able to resurrect the target successfully. If you want the resurrected person to be strong, you need to prepare some high-level Magic Beast Crystals." Yao Guang's gray eyes glittered. "If you want the resurrected person to be at the Commander Level, you must prepare Monarch Level Magic Beast Crystals, and so on."

Yun Feng's eyebrows jumped a few times. "How many cores do you need?"

"Five."

Yun Feng nodded and thought about the three basic things Yao Guang mentioned just then. Mu Canghai had the ashes left behind, so she finally had the remaining consciousness. "What are the Spirit Gathering Grass and the Fusion Fluid?" Yun Feng asked in confusion. Yao Guang burst into laughter. "I'm only responsible for telling you these things. I don't care about the rest. Whether you can find them or not will depend on your ability."

Yun Feng's black eyes glittered. What a cunning old man! "Got it. In five years, I'll definitely find everything I need!"

"Then I'll wait," said Yao Guang hoarsely. Then, he disappeared into the void. Yao Guang had just returned to the Dragon Palace when an ancient voice echoed. "Yao Guang, why haven't you changed your bad intentions?"

Yao Guang smiled indifferently. "It's none of my business. She said so herself."

The ancient voice sounded again. "As far as I know, the method of resurrection doesn't require the Fusion Fluid. This Fusion Fluid is extremely difficult to find..."

"Old man, what are you talking about?" Yao Guang roared impatiently. The ancient voice sighed helplessly. "What are you going to do after you get your freedom?"

Yao Guang chuckled, with weird light flashing in his gray eyes. "What do I want to do? Of course, I want to do what I've always wanted to do. If I don't have a chance to kill that old fart, I'll kill this little girl who inherited this place."

After Yun Feng came out of the ruins, Qu Lanyi sized her up anxiously. Yun Feng smiled. She found that Yaoyao had also come out. She stood next to Qu Lanyi and looked at her worriedly. "Where's that dark

mage?" Qu Lanyi looked behind Yun Feng worriedly. Yun Feng smiled and explained what happened inside briefly. Qu Lanyi's face immediately darkened.

"That man can't possibly be the president of the Magic Union. He's another troublemaker who snoops on the Yun family..." Qu Lanyi said in a low voice and then asked, "Do you have any idea about the things needed for the resurrection?"

Yun Feng was stunned. "You don't know about the Spirit Gathering Grass and the Fusion Fluid?"

Qu Lanyi smiled helplessly. "Do you really think I know everything?"

Yun Feng sighed helplessly. The two of them were sitting on the ground and hadn't gone out yet. Yaoyao sat on the side obediently and didn't say anything. Suddenly, Yun Feng thought of something. She flipped her wrist and the notebook left by her master appeared in her hand. Qu Lanyi was quite surprised. "This was... left by your master?"

Yun Feng nodded as she opened the notebook with her hand. She skipped the part of geography and directly flipped to the back. Yun Feng didn't have much hope that this would be mentioned here, but beyond Yun Feng's expectation, her master seemed to have dabbled in potions and herbs as well. There were indeed records at the back!

Yun Feng was overjoyed. She immediately started searching carefully. The things written about herbs and medicine weren't very detailed and comprehensive. They were just a rough summary, but Yun Feng benefited a lot. Her master was truly an impressive person. He had such a wide range of knowledge! There were many potions that Yun Feng had never heard of. Finally, Yun Feng found one of the things she was looking for, the Fusion Fluid.

The Fusion Fluid was the highest-level potion. Usually, only those who had reached the master level in the field of potions could make it. The success rate was only 1%. The function of the Fusion Fluid wasn't quite certain. Because the Fusion Fluid was too rare, its usage wasn't very clear at this moment.

The corners of Yun Feng's mouth immediately twitched when she saw such a description. The success rate was only one percent. A master-level figure, the highest-level potion! Where could she find it? And this unknown function. Yun Feng suddenly thought of something and couldn't help but sneer. Yao Guang was indeed a smart old guy. He tricked her! What was the difference between the unknown function and uselessness? Yao Guang added it on purpose so that she couldn't find it!

Yun Feng put the Fusion Fluid aside and continued to search for the next target. Finally, she found the description of the Spirit Gathering Grass in the category of herbs. There were only a few sentences, but they immediately gave Yun Feng a headache.

Chapter 730: Yao Guang's Plan (2)

Spirit Gathering Grass was used for gathering spirit energy. Because of its special function, it usually grew in places with abundant spirit energy. It was said that there was such a grass at the bottom of the Endless Ocean. Humans only got it a few times.

The Endless Ocean... Yun Feng read the description of the Spirit Gathering Grass. One of them was the Fusion Fluid that might not be able to be made, and the other was the Spirit Gathering Grass growing at

the bottom of the Endless Ocean! Either one of them was a headache! It wasn't easy to resurrect the dead. Yun Feng wouldn't have put in so much effort on these two things unless she had no choice!

"Which one do you plan to find first?" Seeing such descriptions, Qu Lanyi put on a solemn face. Yun Feng raised the corners of her mouth. Both of them were rather hopeless. It didn't matter which one she searched for first. Yun Feng put away her master's notes and thought carefully.

"Only people who have reached the master level in the field of potions can make the Fusion Fluid. It's unlikely that such a thing will appear in the Auction House. I can only let the master-level pharmacists make it themselves. As for the herbs needed, it shouldn't be a problem. Even though the success rate is only one percent, it'll still succeed."

Qu Lanyi nodded. It should be easier to find the people who could make it. Yun Feng continued, "As for the bottom of the Endless Ocean..." Yun Feng looked at Yaoyao. "When we have leads for the Fusion Fluid, we'll go to the Endless Ocean immediately. We'll go there sooner or later."

Qu Lanyi was stunned. He subconsciously looked at Yaoyao and nodded. Yun Feng stood up and patted her clothes. "I'll have to deal with the pharmacists next..."

Pharmacists were a unique profession in this world. The threshold of being a pharmacist was very low. Almost everyone had the possibility of becoming a pharmacist. However, it was a very difficult thing to become an outstanding pharmacist, or even keep advancing levels. The production of potions was quite complicated and the process of making potions had always been a process that required perfection. There were also advantages and disadvantages of potions. Nobody cared about low-quality potions. Even if you made them, nobody would buy them. To be precise, only outstanding pharmacists could have the last laugh in this industry.

The ability of pharmacists to make money was also extraordinary, especially those famous big shots in the pharmaceutical world. A bottle of potions could casually cost a sky-high price, not to mention there were also some high-difficulty potions, which were good ways to make money. The reputation and status of pharmacists were highly valued. If having a summoner represented a kind of glory, having an outstanding pharmacist was a bargaining chip to continue the glory.

Yun Feng left the gods' relics and returned to Mu City with Qu Lanyi and Yaoyao. The matter of the Helian family had been spreading like wildfire. Now, it was gradually calm. The marriage arrangement between Murong Yuntian and Helian Fu was naturally canceled. While Yun Feng was gone, Murong Yuntian had already returned to the capital. He came to the Mu family to say goodbye, but he didn't see Yun Feng.

Once Yun Feng came back, the members of the Yun family and the Mu family all gathered around. Mu Xiaojin, in particular, seemed to be still in the mood from when she was pregnant. She was always emotional. Seeing Yun Feng come back, she couldn't help but cry with red eyes again. Yun Feng smiled helplessly. Mu Xiaojin was holding Little Qingchen in her arms. Seeing her aunt come back, he immediately jumped and asked Yun Feng to carry him. Mu Xiaojin immediately put Yun Qingchen in Yun Feng's arms. Seeing that Yun Feng was still a bit flustered, she burst into laughter.

Yun Feng briefly explained the matter. Yun Jing and Yun Sheng both looked gloomy. The identity of that dark mage was unknown, but his intention of spying on the Yun family was obvious. This also proved

that someone was spying on the Yun family! Was there another secret about the Yun family's Command Jade?

"Feng, the person who wanted to steal the jade pendant has already run away. Now that he knows that you have the jade pendant, will he cause any trouble for you?" Yun Sheng said earnestly. Yun Jing nodded. "Sheng, you're right. Keep the token here."

Yun Feng immediately denied it after hearing that. "Father, brother, wouldn't it bring trouble to the Yun family if we leave it here? Besides, there's also Qingchen. It's better to leave it with me."

"But..." The sullen father wanted to say something else, but Yun Feng said, "Father, don't worry. With my current strength, it'll be difficult for anyone to steal it. Even though I don't have the power to resist them, I still have the ability to escape."

Yun Sheng couldn't help but feel relieved after hearing this. It couldn't be better if his precious sister knew to run away. Yun Sheng had always been worried that Yun Feng would fight to the death and not run away when she met an enemy with her stubborn personality. Now that he heard that, he was much more relieved.

Yun Qingchen, who was in Yun Feng's arms, had been moving restlessly and was very interested in Yun Feng. Yun Feng could only hug him with a wry smile, fearing that she would drop him accidentally. "Luochen, it seems that you'll have to stay on the East Continent for a while. I'll come back for you when I leave. Little Fire and Lan Yi are on the West Continent. It's fine."

Yun Luochen nodded. He had been worried about the situation on the West Continent, but he couldn't contact them for some reason. What Yun Feng said calmed Yun Luochen down and he could cultivate in peace. Speaking of Mu Canghai's situation, these people certainly didn't know what the Spirit Gathering Grass and the Fusion Fluid were. Yun Feng only said casually that they weren't anything precious, but she needed to find a pharmacist. The Yun family didn't have much contact with pharmacists. Yun Feng thought that it seemed that she had to go to the capital. The most effective and direct way was naturally the Shang family and the De family.

Mu Xiaojin was certainly happy to know that she could resurrect Mu Canghai. Yun Sheng held Mu Xiaojin in his arms, and Mu Xiaojin's eyes turned red again. They talked for a while longer. Yun Feng planned to go to the capital. When she handed her nephew back to her mother, Mu Xiaojin grabbed Yun Feng's sleeve.

"Xiao Feng..." Mu Xiaojin called out to her. Yun Feng looked at her with a smile. "Xiaojin, Mu Canghai will definitely come back. Trust me."

Mu Xiaojin nodded fiercely. "Is it difficult to get those things you mentioned? Are you going to a dangerous place? If so, you don't have to do it. It doesn't matter if my brother can't come back!"

Yun Feng chuckled and squeezed Mu Xiaojin's cheeks, feeling warm in her heart. "Those things aren't as difficult as you think. You can get them easily with some means."

"Really?" Mu Xiaojin asked suspiciously. She always felt that there would be danger whenever Yun Feng said it was safe. She didn't want Yun Feng to take risks. If her brother's resurrection required Yun Feng to take risks, Mu Xiaojin would rather Mu Canghai stay away from this world.
