

Summoner 881

Chapter 881: How Can You Beat Me Like This (3)

Yao Man burst into laughter. "Although you're a double-element summoner, the fire element and the wind element are nothing in front of the lightning element!" After saying that, Yao Man waved her wand again! "Lightning Field!" Instantly, the space around Yun Feng on the ring changed abruptly. Purple elements instantly filled up around her. The silver snakes kept flowing in the air with a faint power that was about to explode!

Yun Feng was completely enveloped, as if she was shrouded in purple. Seeing that, Little Fire turned around and was about to rush down. The Electric Python suddenly swept its tail, which Little Fire avoided. Seeing that, Lan Yi shouted, "Brother Fire! Don't forget that Master has the lightning element too. Let's beat it to the ground first!"

Little Fire was stunned for a moment. Then, it raised its hand and burst into laughter! "Hahaha, you're right! We've all seen Master's ability. This lightning summoner is nothing! Damn snake, I'll skin you alive today!"

Yun Feng was shrouded in the lightning element in the center of the ring. Everyone couldn't help but exclaim when they saw this scene. "She's going to lose! She'll definitely lose if she's surrounded by the lightning element!"

"Although a double-element summoner is powerful, she's more or less at a disadvantage against a lightning element summoner!"

"Indeed. If her expertise in magic is inferior, she won't be able to win."

"That lightning summoner is indeed powerful. He's not to be trifled with..."

Mu Canghai listened to the discussions around and looked at Yun Feng's dilemma at this moment. There was no worry on his cold handsome face at all. Would Yun Feng fail just like that? These people were completely wrong.

"Yun Feng! Are you still not admitting defeat? If you admit defeat voluntarily, I'll consider not letting you end up too badly!" Yao Man looked at Yun Feng, who was completely trapped by the Lightning Field, coldly. There was indescribable joy in her heart and her eyes and words were full of arrogance.

Yun Feng, who was trapped in the Lightning Field, smiled in disdain. There was ridicule in the depths of her black eyes. Did she think such lightning elements could trap her? Seeing Yun Feng's expression, Yao Man couldn't help but feel angry. "Very good! If you don't admit defeat, I'll make you get off this ring!" Yao Man turned her wand and the waves of mental strength gathered on it faintly. It seemed that she was going to launch the most ruthless attack so far. She wanted Yun Feng to lose face!

"Get off the stage!" Yao Man gritted her teeth and said. The lightning element suddenly shot out of the tip of the wand, turning into a dark purple python! "Lightning..." Before Yao Man could finish, the entire ring shook fiercely, even the ground around it!

"What happened?" The crowd panicked. The ground shook. Was there going to be an earthquake?

The girl trapped in the Lightning Field on the ring laughed loudly. Her slender body slowly stood up. Under the pressure of the Lightning Field, she didn't struggle at all, as if the restraint of the Lightning Field on her was nothing at all! Yao Man waited and looked at the girl who stood straight in her Lightning Field. She couldn't help but feel shocked. She immediately waved her wand fiercely and roared!

"Lightning Spear!"

The dark purple lightning element gathered at the tip of the wand immediately turned into a sharp spear, whizzing towards Yun Feng! The audience all gasped. This lightning summoner was too ruthless! If she couldn't dodge this attack, she would be half-dead even if she didn't die!

Yun Feng stood still and didn't move at all, which made the audience anxious. "Damn! Why is she not dodging?"

"F*ck! How do you want her to dodge? Didn't you see that she's trapped in the Lightning Field?"

There seemed to be a storm brewing deep in Yun Feng's black eyes. There was killing intent in Yao Man's move! What a ruthless woman! In such a free arena, nobody would think of killing their opponent. She had no grudge against Yao Man, but she had never thought that this woman would want to kill her!

The mental strength in Yun Feng's body suddenly burst out. The same purple lightning element surged out of the wand and quickly formed an arc barrier around Yun Feng, breaking Yao Man's Lightning Field in an instant! Sensing that her Lightning Field was broken, Yao Man was shocked. Her Lightning Field was broken forcibly! From the inside!

However, Yao Man still smiled. Even if the Lightning Field was broken, she wouldn't be able to escape the lightning spear! The Lightning Field was meant to restrain Yun Feng. Even if she broke it, she wouldn't be able to dodge in time! A glint of light suddenly burst out of Yao Man's eyes. Yun Feng, you're inferior to me! You'll lose in my hands after all!

Everyone thought that Yun Feng couldn't dodge anymore. Mu Canghai suddenly clenched his fists and his black and gray eyes stared at the ring firmly. Yun Feng wouldn't lose!

"Hiss, hiss, hiss..." The sound of friction suddenly echoed. Yao Man's face suddenly turned pale and her body swayed a few times. Impossible, impossible! The thing next to her... was the lightning element! She was also a lightning-element summoner. How was that possible?

.

Yun Feng stood there straight. The same purple barrier as Yao Man's was around her body. Yao Man's lightning spear was blocked outside and was about to break through this barrier with a strong force and speed. The spear and the barrier started fighting.

The spear tried its best to penetrate the purple shield, making an ear-piercing sound. Behind the shield, Yun Feng stood with a smile at the corners of her mouth and looked at Yao Man, who was dumbfounded. The crowd was silent and shocked when they saw this scene!

“Lightning element... She’s also a lightning element summoner!”

“She’s a multi-element summoner!”

Everybody gazed at Yun Feng passionately. A multi-element summoner was such an enviable existence!

“Lightning element, you’re also of the lightning element!” Yao Man gritted her teeth fiercely and tasted the blood in her mouth. She immediately clenched her fists and the spear that was desperately breaking through the barrier suddenly exerted strength. Yun Feng frowned slightly. The purple barrier around her had already been broken by the spear!

“Swish!” The spear broke through the barrier!

Yao Man’s body was trembling slightly. The anger, unwillingness and humiliation that gathered slowly in her mind kept rolling. Yun Feng was also a lightning-element summoner! How could she be a lightning-element summoner? Even though the barrier was broken, the spear was grabbed by Yun Feng before it got close to Yun Feng’s body.

Her fair hand grabbed the purple spear that was about to pierce towards her firmly. Yun Feng chuckled and gathered her mental strength in her hand. “Crack!” An extremely crisp sound came. Yao Man’s body shook fiercely again and the purple lightning spear was crushed by Yun Feng!

Chapter 882: How Can You Beat Me Like This (4)

“You...” Yao Man looked at this scene in shock. Her lightning element was crushed by her! That was a Monarch Level elemental attack. How did she do it? She crushed it with just one move!

Yun Feng opened her hand and the lightning element that had turned into dust quickly dissipated. The purple barrier in front of Yun Feng also disappeared instantly. “Yao Man, as I said, don’t underestimate anyone, or you’ll regret it.”

The cold words came and entered Yao Man’s ears forcefully, going straight to the bottom of her heart! Yao Man shivered fiercely and the unwillingness in her heart instantly surged. She waved the wand in her hand again and was about to attack again, but Yun Feng’s body flashed like a ghost at this moment and disappeared from the spot!

Yao Man was shocked! Where was she? What speed was that?

“I’m behind you.” A cold voice sounded. Yao Man’s body immediately froze on the spot. At this moment, Yun Feng’s breath was coming from behind. When... When did she get behind her? Yao Man immediately retreated and was about to attack when Yun Feng disappeared again!

Yun Feng’s speed stunned the summoners who were watching the battle! What kind of speed was that? Even a Monarch Level summoner couldn’t be so fast! That was a physical fitness that only warriors had! A summoner’s body speed was very bad! What was with that multi-element summoner?

Yao Man rubbed her eyes hard and wanted to find Yun Feng, but Yun Feng was moving at a speed that Yao Man couldn’t see clearly like a ghost. Yao Man panicked and kept pointing the wand in her hand in all directions, but Yun Feng was already gone before she attacked!

Torture, this was brutal mental torture!

Yao Man kept turning her body. She didn't know how many times she had turned. She felt that there were countless Yun Fengs around her. She would appear anywhere the next second! Yun Feng looked at Yao Man's panicked expression and couldn't help but sneer in her mind.

"Yao Man, where are you looking?" Yun Feng suddenly appeared. Yao Man's body trembled fiercely. She raised her wand without thinking and the lightning element immediately shot out, hitting Yun Feng's body!

"She hit her!" A shout burst out of the crowd. Yao Man was also extremely surprised, but the next second, her heart completely turned cold. That wasn't Yun Feng. That was an afterimage!

Yao Man was about to collapse. The panic and frustration in her heart kept expanding! Yun Feng burst into laughter and suddenly appeared in front of Yao Man. The two of them were only a fist away! She looked deep into Yao Man's eyes with her clear black eyes, seeing the panic and fear inside!

"You..." Yao Man's breath suddenly tightened. She turned the wand in her hand, but Yun Feng suddenly attacked. Yao Man only felt an intense pain in her chest and abdomen. Then, her entire body flew out instantly and she fell on the ground fiercely!

.....

"Bang!" Yao Man's body fell on the ground of the ring and sank in!

Yun Feng stood not far away and looked at Yao Man, who got up from the ground in a sorry state, as she said coldly, "How can you beat me like this?"

Blood oozed out of the corners of Yao Man's mouth. Her body was severely injured. That wasn't the power of a summoner. That was an attack that belonged to warriors! What was wrong with Yun Feng? Was she a warrior and a summoner? How was that possible?

A miserable cry suddenly came from the sky. Yao Man suddenly raised her neck. The huge Fire Cloud Wolf opened its mouth and bit the two horns on the head of the Electric Python, tearing them apart fiercely. One of them was torn off! The Electric Python twisted its body in pain and let out a wail. The man with a pair of huge wings on his back suddenly inserted his hands into the scales of the Electric Python and scraped off a layer of skin!

The Electric Python twisted its body in pain. Seeing this scene, Yao Man's pretty face suddenly turned pale. The huge body of the Electric Python suddenly fell from the sky and also hit the ring, making a loud bang!

Little Fire and Lan Yi landed from the sky. The two Magic Beasts had a lot of wounds on their bodies. Little Fire spat out the horn it pulled off, and Lan Yi also threw the layer of scales in his hand on the ground. The brutal personality of the Magic Beasts was obvious at this moment!

Everyone was silent!

At this moment, everyone knew very well who won!

Yao Man almost gritted her teeth to pieces. She looked at the Electric Python that was wriggling in pain next to her, then at Yun Feng and the two Magic Beasts next to her. She suddenly reached into her

pocket and a bottle of medicine appeared in her hand. When Yun Feng saw this, her black eyes suddenly darkened!

Yun Feng wasn't unfamiliar with that bottle of potion. As a master-level potion maker, Yun Feng had already learned a lot of potion formulas in the Pharmaceutical Institute, especially the from the notebook left by her master. She only needed to take a look at the potion in Yao Man's hand to know what kind of potion it was. Elemental potion! And it was the potion with the highest concentration. It could forcibly increase the power of the elements in a short period of time and even ignore any barriers!

Yun Feng had already met the potion in the Masang School of Magic. At that time, Kasa directly reached the Commander Level after taking the potion, and Yao Man would reach the Lord Level in a short time after taking it!

Yao Man stood up from the ground and looked at Yun Feng's slightly changed face. She finally found some dignity. She raised her head and drank the potion in her hand. After a while, a huge energy suddenly rose in her body. Yao Man felt that her entire body was boiling like water!

The Electric Python on the ground also changed. A deep purple light completely surrounded its body. The Electric Python suddenly hissed and stood up from the ground again!

"You can't win and you use such a cheating technique. That's all you've got!" Little Fire watched the Electric Python stand up again and its momentum also changed obviously. Suppressed wolf roars suddenly sounded. Lan Yi frowned on the side. "Things are getting tricky. That human used such a technique. Master..."

Yun Feng looked at Yao Man, who had taken the potion, with a cold face. A huge pressure surged out of her body. That was the pressure of the Lord Level! Many people watching the battle couldn't stand it anymore. Some people shouted, "Do you want to die? You took such a powerful potion!"

"This will be interesting!"

Mu Canghai's expression turned cold and he couldn't help but look a bit nervous. He couldn't fight in the arena. Even though he was a bit worried, he still believed... Yun Feng would win!

Chapter 883: I Have an idea. Do You Want It? (1)

"The Lord Level." Yun Feng said mockingly. "She took that potion. It seems that she has to defeat me no matter what. She's not afraid of the consequences." A potion that could increase one's strength in a short period of time certainly had huge consequences. Yao Man's competitiveness eclipsed everything!

"Master, she has already broken through to the Lord Level by force. We may not have a chance of winning if we fight head-on," said Lan Yi extremely calmly. Yun Feng chuckled. "I want to see how far away the peak of the Monarch Level is from the Lord Level."

Little Fire couldn't help but laugh after hearing that, while Lan Yi pulled a long face. Master's personality... Especially after her enthusiasm was aroused, she was truly...

"Master is right. I'll tear that horn off too!"

“Brother Fire...” Lan Yi didn’t know whether to laugh or cry. Yun Feng put away the smile on her face, because Yao Man had already attacked. The dark purple eyes of the Electric Python suddenly glittered and the roar of a beast sounded, shocking the entire sky!

“It’s starting!” Yun Feng shouted in a low voice. Little Fire and Lan Yi immediately faced the Electric Python. Little Fire was extremely excited. Facing the Lord Level Magic Beast, Little Fire burst into laughter. Lan Yi could only shake his head helplessly. The stronger the enemy, the more excited he was. What should he do?

Yao Man stood there awkwardly and felt the energy that suddenly filled her body. Even though she knew it was temporary, the feeling of reaching the Lord Level fascinated her! The enjoyment of this power made her extremely delighted, as if everyone was an ant under her feet!

Yao Man’s face was full of smiles. A feeling of superiority filled her heart. Nobody was her match. Nobody could defeat her, who was at the Lord Level! Yao Man waved the wand in her hand gently and a powerful lightning element attacked Yun Feng. Yun Feng’s body flashed quickly, but her cheek was still injured by the lightning element. A wound appeared and blood flowed out.

Her speed and strength had obviously increased by a level. Yun Feng estimated in her mind. Yao Man burst into laughter. “Too slow! Yun Feng! I see you!” She waved the wand in her hand again and another lightning element attack followed. Yun Feng dodged again and barely avoided it, but Yao Man’s next attack followed her!

She can already keep up with my speed, Yun Feng concluded. Yao Man, who had forcibly entered the Lord Level, saw through her. She couldn’t even see her trajectory just then. However, Yao Man could see her trajectory extremely clearly right now!

Wind elements surged out of the wand in her hand and Yun Feng’s speed suddenly increased a few times. With the help of the wind elements, Yun Feng, who originally had an extraordinary physique, was much faster than before. She could also dodge Yao Man’s attacks. Lightning elements attacked Yun Feng one after another, but they only hit the empty ground!

“Don’t be like a rat. You only know how to run!” Yao Man waved her wand fiercely. Even though she could see Yun Feng’s trajectory clearly, she couldn’t catch Yun Feng’s body when she attacked! A strong sense of anxiety arose in Yao Man’s heart!

The three Magic Beasts in the sky started fighting fiercely again. Little Fire and Lan Yi weren’t as relaxed as before at all. The attack of the Electric Python, which had forcibly broken through to the Lord Level, had completely increased by one level. Little Fire and Lan Yi couldn’t get close at all. The lightning attack of the Electric Python became quite fierce!

.....

“F*ck! I can’t get close at all!” Little Fire dodged an attack and jumped in the air. It wanted to get close, but was blocked by another lightning attack. Lan Yi’s body wasn’t far away, but it was also blocked.

“Brother Fire, it has already reached the Lord Level by force. With my speed, I can only get close to it at most.”

“Do you want me to keep dodging?” Little Fire roared and opened its mouth. A fiery red elemental ball with a hint of darkness appeared. “Boom...” It shot out abruptly. The Electric Python couldn’t react in time and was hit. However, its body only twitched a few times and it roared furiously.

Lan Yi and Little Fire’s hearts couldn’t help but sink when they saw this scene!

“Brother Fire! The only thing we can do right now is to stall for time! Forcefully reaching the Lord Level is a kind of pain for it! It’ll reveal a weakness sooner or later!” Lan Yi dodged an attack as the wings on his back flapped and a third wing appeared!

“That’s the only way! I’ll definitely tear off its other horn!”

The red and green figures turned into two balls of light and rushed inside. The battle between the Magic Beasts in the sky became heated again!

This arena battle made people terrified and made their blood boil. The attack of a multi-element summoner and the sudden advancement to the Lord Level, the excitement of the Magic Beasts in the sky, everything was extremely exciting!

The summoners were fascinated. Everyone’s heart was pounding. It was unknown who would win again! Behind the audience, a tall figure slowly walked over. His black hair covered half of his face and his peach-blossom eyes were shining with a charming luster. The closer he got to Region A, the more disdain and unwillingness on his face. When he approached the ring in Region A, surprise flashed through his peach-blossom eyes!

Mo Changge slowly raised his head and saw Yao Man on the ring from afar. Her superior attitude made the corners of Mo Changge’s mouth curl up in disdain. “Tsk, she’s indeed using such a dirty trick. The person she’s fighting with is truly unlucky.”

The battle on the ring was going very fast. Mo Changge vaguely saw that the person Yao Man was fighting with seemed to be a girl. After watching for a while, Mo Changge couldn’t help but feel impressed. Yao Man used a special method to fight with someone at the Lord Level for so long. That girl wasn’t an ordinary person.

“How rare, how rare.” Mo Changge stood at the back and whispered. His mind, which didn’t want to stay here at first, also calmed down slowly. He was interested to see who could win this battle.

With the help of the wind element, Yun Feng’s speed increased a lot on the ring. Even though she could avoid Yao Man’s attack, this wasn’t a long-term solution! There was indeed a gap between the peak of the Monarch Level and the Lord Level. Even though the gap was huge, she didn’t believe that she couldn’t break through!

Yao Man’s attack speed couldn’t stop Yun Feng at all. Even though it didn’t take long for the elements to fuse, Yun Feng didn’t want to use it right now. It would certainly be best if she could deal with Yao Man in another way! She slowly narrowed her black eyes. Yun Feng suddenly thought of her advantage, an advantage that nobody could compare to! This body that had been modified by the Array of Life!

Even if a summoner had entered the Lord Level and their physique had been improved, they were still weak compared to warriors. Yao Man's weakness was close combat! Using pure strength to win at close range was her only breakthrough at the moment!

After making up her mind, Yun Feng's trajectory suddenly changed. She kept dodging Yao Man's attacks and approached her at the same time! Yao Man also noticed what Yun Feng was thinking and burst into laughter! "You think the same move will still work? Impossible!"

The attacks of the lightning elements came fiercely and forced Yun Feng to keep retreating. There was a smile at the corners of Yun Feng's mouth as she suddenly raised the wand in her hand. Huge bright fire elements jumped out of the wand and turned into a ferocious fire wolf!

"She can even simulate elements!"

"Seriously? U e was bone-piercing coldness in the depths of her black eyes. Qian Shaoyao couldn't help but shiver. "Xia Qing... Something happened to her..."

Yun Feng's expression suddenly changed. Little Fire, who was fighting with the Electric Python in the sky, heard this and a burst of anger surged in its wolf eyes. It turned around and ran straight over. Lan Yi couldn't help but shout loudly when he saw this, "Brother Fire!"

The two Magic Beasts immediately gave up fighting with the Electric Python. Little Fire dashed to Qian Shaoyao. "What did you say? Something happened to that girl?"

Qian Shaoyao was shocked by the Fire Cloud Wolf that suddenly rushed over and was so scared that she fell silent. Seeing that Qian Shaoyao didn't say anything, Little Fire immediately jumped up and disappeared. Yun Feng was about to leave when Yao Man, who was suddenly ignored on the ring, suddenly shouted, "Yun Feng! What do you mean?"

This sudden scene attracted the attention of many people. Mo Changge, who was standing far away and hearing Yao Man's shout, suddenly brightened. Yun Feng? Yun Feng! His gaze suddenly drifted to the slim girl. Even though she had changed, Mo Changge had never forgotten her face! It was really her!

Yun Feng couldn't care less about Yao Man right now, and couldn't be bothered with her at all. Mu Canghai immediately approached her, and Yun Feng only said in a low voice, "Go to Qingqing immediately. I'll be there soon." Mu Canghai nodded and disappeared quickly. Yun Feng's heart raced. Qingqing would be fine. With Qu Lanyi here, how could anything happen to Qingqing?

Lan Yi followed Yun Feng with a solemn look. Xia Qing was the only disciple Yun Feng had taken in at the moment and she was also someone Yun Feng valued very much. Master must be extremely concerned in her mind. Yun Feng was indeed extremely worried, but Yao Man on the ring wouldn't let her go.

"Yun Feng! You can't leave until you finish fighting with me! The winner must be decided between you and me!" Yao Man waved her hand and the Electric Python on the side attacked. The crowd immediately panicked and dodged around. Lan Yi's face darkened. He revealed his griffin form and grabbed the Electric Python fiercely!

The crowd immediately screamed. Qian Shaoyao had already turned pale from fear. Looking at the Electric Python and the giant griffin in the sky, Qian Shaoyao only felt that her heart was about to stop

beating! Cold light flashed in Yun Feng's eyes. The wand disappeared and was replaced by a longsword! The longsword appeared and buzzed!

"That's a Monarch Level weapon?" Mo Changge was stunned when he saw the longsword in Yun Feng's hand. If he was right, that should be a weapon used by warriors! How could Yun Feng, as a summoner, control a weapon used by warriors? It was even at the Monarch Level!

The longsword in Yun Feng's hand buzzed. It hadn't appeared for a long time and seemed a bit dissatisfied. Yun Feng held the longsword tightly and flew up, targeting Yao Man, who kept stopping her from leaving the ring! Yun Feng's body was like the wind. She exerted strength in her hand and the longsword let out a loud hiss!

Yao Man's pupils shrank. She didn't expect Yun Feng to pounce on her so quickly. She waved the wand in her hand abruptly and a beam of lightning element shot out. Yun Feng swept her longsword and the lightning element was shattered in midair! Yao Man was shocked. That was the lightning element of the Lord Level. She shattered it so easily!

Chapter 885: I Have an idea. Do You Want It? (3)

??

Yao Man didn't know that she only broke through to the Lord Level in a short period of time after taking the potion, but the effect of the potion was limited. After the fierce battle just then, the effect of the potion was weakening and Yao Man's attacks weren't as domineering as before!

Yun Feng waved her longsword and was about to slash at Yao Man! "Master..." The Electric Python, which was fighting with Lan Yi in the air, was distracted when it saw this. No matter what Lan Yi did, its huge body stood in front of Yao Man and Yun Feng's longsword cut deep into the python's body!

Yun Feng looked at the python's dark purple eyes with her black eyes. "I won't hurt her. You should know that."

Yun Feng didn't mean to hurt Yao Man. She just wanted Yao Man to stop pestering her!

The Electric Python smiled wryly. Yao Man, who was blocked by it, suddenly shouted angrily, "Bastard! Do you think I'll lose to her? Get lost!"

Yun Feng's black eyes glittered. Yao Man exerted her strength and hit her contracted Magic Beast with the lightning element! The Electric Python twisted its body in pain and rolled to the side, looking like it was in pain. Lan Yi landed from the sky and looked at Yao Man with a gaze as cold as ice. Magic Beasts had their own dignity. Very few summoners knew how to respect their contracted Magic Beasts like Yun Feng did. Yao Man was a typical representative of others. Most summoners used contracted Magic Beasts as tools, and even worse. It was obvious how resistant Magic Beasts were to humans.

"Yun Feng! I won't lose to you!" Yao Man stood there panting. A deep sense of exhaustion surged out of her body. She knew that the effect of the potion was about to end. She wanted to fight Yun Feng now! She didn't believe that she would lose to her!

Yun Feng turned around and was about to leave. Yao Man raised her hand and hit Yun Feng with a lightning element. "You're not allowed to leave! Go and stop her!" Yao Man roared. The Electric Python, which was lying on the ground and bleeding non-stop, slowly got up. It seemed that it wanted to drag its broken body to block Yun Feng. Yun Feng suddenly turned around and the longsword in her hand was already at the tip of Yao Man's nose!

Yao Man's breath tightened and sweat appeared on her face. "W-What are you doing..."

Yun Feng sneered. "It's up to you whether you win or lose. If you stand in my way again, don't blame me for being rude. There's nothing wrong with killing someone on the ring."

Yao Man swallowed. The coldness in Yun Feng's eyes made Yao Man tremble. Yao Man suddenly understood that if she really stopped her, Yun Feng would really kill her! The effect of the potion had already reached the limit. Yao Man bit her lips and didn't dare to say anything. Yun Feng put away her longsword and her body quickly flashed. She grabbed the dazed Qian Shaoyao and Lan Yi on the ground and left quickly, leaving Yao Man and her contracted Magic Beast on the ring in a sorry state.

"How... How should we settle this?" The people responsible for supervising the arena were all dumbfounded. Everyone knew that Yun Feng would win this battle between Yun Feng and Yao Man, but she turned around and left in the end. How should they settle this?

Seeing Yun Feng leave, Mo Changge, who was standing far away, also followed her with a smile at the corners of his mouth. However, he was quite regretful in his mind. If Yun Feng could get rid of Yao Man, she would solve a problem for him. Unfortunately, what a shame.

After Yun Feng left, there were discussions on the arena of Region A. Yao Man stood on the arena and felt that her face was burning as she listened to the discussions below. She was like a clown, being mocked by everyone for overestimating herself! The wound of the Electric Python on the ground was still bleeding. Yao Man glanced at it in disgust and said softly, "Useless!"

"This round... will be considered a tie!" The person in charge of supervising hesitated again and again. He felt that a tie was the best result. Yao Man gritted her teeth fiercely. It was rare for her to look like this. Yun Feng was the first person who made her like this! Yao Man, who had thirty-nine consecutive victories and a tie, wasn't eliminated. Yun Feng was the same.

Hearing this result, the discussions rose again. Most people were on Yun Feng's side, which made Yao Man even angrier.

"Are the judges blind? It's a tie? Everyone knows who won!"

"That's right! Something just happened, or Yun Feng would've won!"

Yao Man glared down fiercely. "Those who aren't convinced, come up!"

Some summoners immediately shut up, but there were also people who went up angrily. However, they were knocked off the stage by Yao Man with one attack. After winning forty times in a row, Yao Man became the first person to qualify in Region A! Yao Man, who got off the ring, didn't feel comfortable at all in her mind! She originally wanted to defeat Yun Feng and win forty rounds in a row, making everyone look at her with envy and admiration! However, even though she had indeed qualified now, she was extremely frustrated in her mind!

It was like farting. She wanted to fart loudly at first, and she had already prepared her strength and timing. However, at the critical moment, the fart lost its sound and came out silently. That was truly frustrating!

Compared to the excitement in Region A, Region C had just become lively, but it was full of the smell of blood. When Yun Feng arrived, she only felt that the crowd had already dispersed, and in the middle of the crowd was Xia Qing, who was lying there silently!

Yun Feng's black eyes narrowed and her body suddenly landed. "Qingqing! Qingqing!" Yun Feng looked at Xia Qing, who was lying there with no color of blood, and only felt that her heart was twisted tightly. Little Fire had already transformed into a human being. There was deep anger in the depths of its pure black eyes!

Qu Lanyi had been holding Xia Qing's hand. "You're here. I've already stabilized Qingqing's condition, but it's still not optimistic."

"What exactly happened?" Yun Feng couldn't help but roar. Mu Shaohua, who had been standing aside with a solemn expression, walked out. "We were assigned to Region C with Xia Qing. Xia Qing had already won thirty rounds in a row. She's truly impressive... However... However..." Mu Shaohua seemed to have thought of something and his voice suddenly trembled.

Qu Lanyi said casually, "Qingqing met that disgusting guy."

"What did you say? He's also in Region C!"

"We weren't supposed to meet him, but..." Qu Lanyi suddenly glanced at Jia Qingyu, who had been silent and pale. Yun Feng immediately glanced at her like a sharp sword. Jia Qingyu shivered and couldn't help but cry.

"I... I don't know either. I just... I just said a few unnecessary words. Who knew that man would go up after hearing that she was your disciple? You... You can't blame me! It's all your fault! You harmed her, not me!"

"Jia Qingyu! Can you be more shameless?" Mu Shaohua suddenly roared. "If you didn't take the initiative to point it out, would those people know? It's all because of you!"

"Why is it my fault? It's not my fault at all! It's all her fault! Who asked Xia Qing to be her student?" Jia Qingyu cried and roared. Mu Shaohua wanted to say something, but Mu Canghai said coldly, "Stop talking!"

Yun Feng's expression was cold and dark as she looked at Xia Qing, who seemed to be lifeless on the ground. Her student was in such a situation because of her. If she weren't Qingqing's teacher, Xia Qing wouldn't have encountered such a thing! If Qu Lanyi hadn't come with her, Qingqing would probably...

Thinking of this, Yun Feng's heart couldn't help but turn cold. Qu Lanyi said, "Don't think too much! Xia Qing has never thought like this. S you so unfamiliar with me? My heart..."

“If you have a solution, tell me quickly!” Little Fire roared furiously, but Mo Changge ignored it. “Yun Feng, do you remember what I said when I left? You didn’t come to find me when you came to the West Continent. How can I stand that? Hm?”

Seeing that Mo Changge wasn’t paying attention to it at all, Little Fire couldn’t help but want to step forward impulsively, but Lan Yi held it back firmly. “Brother Fire, calm down!” said Lan Yi in a low voice. Little Fire’s eyes were full of anger. Looking at Xia Qing’s pale face, it felt a pain in its heart. In the end, it could only let out a wolf howl angrily and stand there. If there was a chance, it wouldn’t just tear that hooded man apart, it would also tear this man with peach-blossom eyes who appeared out of nowhere in front of it!

Mu Shaohua, Qian Shaoyao and Jia Qingyu, who was hiding on the side, didn’t dare to say anything. The person who came was a complete stranger, but this person also brought a kind of aura that spread out slowly and invisibly, making the three of them speechless.

“If you have something to say, just say it. My patience is limited!” Looking at the sad expression of the man in front of her, Yun Feng gritted her teeth so hard that they made creaking sounds. She didn’t have much patience to squander. If he still didn’t want to say it, she didn’t mind punching him away!

“Beautiful roses indeed have thorns...” Mo Changge whispered and glanced at Yun Feng a bit frivolously. At this moment, Yun Feng’s patience was exhausted. She slapped Mo Changge, who was still squatting on the ground just then, suddenly moved back and avoided Yun Feng’s unexpected attack! Yun Feng narrowed her eyes slightly. This man was indeed something.

Chapter 887: The Deal (1)

“Tut-tut, I missed you so much. You really broke my heart.” Mo Changge stood straight and held his smooth chin with his hand. The half of his face that was exposed was extraordinarily handsome. Sadness flowed out of his peach-blossom eyes and every woman would immediately pity him.

Yun Feng only felt that the anger in the bottom of her heart was aroused. It was fine if this man didn’t want to help, but he even did this! “Miss Yun!” An anxious shout was followed by a person in a uniform who was obviously a bit messy. “Miss Yun, I heard that something happened!” Ling ran over. When he saw that Yun Feng was safe and sound, he was suddenly relieved. Yun Feng’s heart felt slightly warm. “I’m not the one who’s in trouble. It’s my student, Xia Qing.”

Ling immediately looked at Xia Qing on the ground. After seeing her, he suddenly frowned. “This is...” Ling was slightly shocked, while Yun Feng’s expression was extremely gloomy. After seeing this, Ling immediately said, “Miss Yun, you should take Miss Xia Qing back to the reception building. We’ll talk about other things later.”

Yun Feng nodded, and so did Qu Lanyi. “Her condition is stable for now.”

Ling suddenly clapped his hands. A few people in the same uniform came out of nowhere and lifted Xia Qing carefully, sending her to Yun Feng’s room. Qu Lanyi immediately followed her. Little Fire also followed Xia Qing quickly. Lan Yi came behind them after receiving Yun Feng’s instruction. Mu Canghai’s eyes glittered as he nodded at Yun Feng and followed her.

“Miss Yun, let’s follow them. Miss Xia Qing isn’t in a good condition.” Ling smiled at Yun Feng. When he was about to leave with Yun Feng, he suddenly found the man standing not far away with a faint smile. Surprise flashed on Ling’s face, then turned into a faint smile. “Young Master Changge, you’re here too?”

Mo Changge sneered and walked over. “Oh? You only saw me now?”

Ling smiled indifferently. “Shouldn’t Young Master Changge be with Miss Yao Man in Region A? Why are you in Region C?”

Mo Changge raised his brows and looked at Ling with an inexplicable meaning in his peach-blossom eyes. “Why did the most responsible receptionist of the Summoning Union leave his job and appear here?”

Ling was still smiling. Mo Changge also replied with a smile. Yun Feng, who was standing in the middle, felt a sudden pressure that made her very uncomfortable. “I’ll go first.” Yun Feng turned around and was about to leave. Mo Changge shouted, “Yun Feng! I can really help her. What do you think?”

A glint of darkness flashed through Ling’s eyes and he didn’t say anything. Yun Feng slowly turned around and looked at Mo Changge coldly. “Then come and negotiate with me when you’re ready to help!”

“Alright! It’s a deal!”

Yun Feng turned around and left quickly. Region C was also lively. Mu Shaohua and the others looked at the two men, who were standing there and looking at each other. They were clearly upset, but they could still smile. They all retreated sensibly. It was better for the three of them to leave as soon as possible.

.....

“Ling, we haven’t seen each other for a long time, right?”

“Yes, it’s been a while since I last saw you, Young Master Changge. You’re still as elegant and handsome as before, wandering among thousands of flowers and playing with many women. You’re so frivolous that it’s admirable.”

“Haha, you’re still the same as before. You have a vicious tongue and a disgusting fake smile.”

“Young Master Changge, you flatter me. Ling isn’t even one ten-thousandth of Young Master Changge.”

“In terms of pretentiousness, I’m far inferior to you.”

Two equally handsome men faced each other with a faint smile on their faces. They looked extremely gentle and polite, but what they said made the people around them tremble in fear. The pressure also became greater and greater. Gradually, the crowd turned around and stayed away from these two men.

“Young Master Changge, you know Miss Yun too?”

Mo Changge raised his brows and suddenly smiled. “There’s finally something you don’t know. Very good. I won this time.”

Ling was still smiling. He pushed the glasses on his nose bridge with his hand. "I wonder if your brother knows that Young Master Changge went to the East Continent on his own?"

Mo Changge's expression froze, and Ling continued smiling. "Do you need me to report to your brother?"

Mo Changge's eyebrows twitched hard, and so did the corners of his mouth. "Compared to that ruffian, you're indeed the one I hate the most."

Ling lowered his head slightly. "It's my honor."

Anger appeared in Mo Changge's peach-blossom eyes. Ling was still smiling. Mo Changge suddenly thought of something and his mood suddenly became better. "You came here in such a hurry. It seems that you care about Yun Feng."

Ling smiled, but there was obviously a hint of coldness. Seeing that Ling didn't refute, Mo Changge became even more interested. "I also care about that Miss Yun. What do you think we should do? Should I ask my brother to tie her up and bring her back? Or should we use this opportunity to get her?"

Ling was still smiling gently. He subconsciously lifted his glasses. When he looked up, the coldness and stiffness he had just then were gone. Mo Changge was very bored and was about to leave. Ling said slowly, "Young Master Changge, if you do this, I believe Miss Yao Man will give you a surprise."

"What..." Mo Changge's entire body was stiff. Looking at the smile on Ling's face, Mo Changge had the urge to destroy it. He really wanted to punch him hard.

"Young Master Changge, didn't you say you have a solution? Then let's go." Ling moved closer. The corners of Mo Changge's mouth twitched and he left with a hint of anger. This damn fox!

Xia Qing was carefully escorted to Yun Feng's room. She was lying on the bed right now. Qu Lanyi was leaning against the chair next to the bed tiredly, while Little Fire was kneeling next to the bed. It stared at Xia Qing nervously, as if Xia Qing would wake up the next second. Lan Yi and Mu Canghai stood aside with thoughtful expressions. The people of the Summoning Union had already left. Yun Feng pushed the door open and entered. Everyone in the room looked up at her.

Yun Feng didn't say anything. She walked to Xia Qing's side. Little Fire wanted to stand up and lean to the side, but Yun Feng stopped it. Yun Feng held Xia Qing's little hand, which was cold. Her mental strength slowly penetrated Xia Qing's body through their clasped hands. Yun Feng's face immediately darkened.

Chapter 888: The Deal (2)

It was indeed as Qu Lanyi said. If he hadn't taken action in time, Xia Qing's body would have been hollowed out by the dark elements in an instant. By then, Xia Qing would also... Thinking of this, Yun Feng couldn't help but exert strength in her hand. If it weren't for her, that man in the hood might not have attacked Qingqing. She was the one who brought this disaster to Xia Qing.

"Qingqing..." Yun Feng called softly. The little girl on the bed was sleeping peacefully. If it weren't for that too pale face and the extremely cold body temperature, she would have seemed to be sound

asleep. Yun Feng slowly caressed Xia Qing's cold little face with her hand. "Qingqing, you're the student I'm most proud of. I've always been proud of you."

Yun Feng had never said this before. If Xia Qing heard it, she might smile happily. She received the best praise. Yun Feng glanced at Xia Qing's finger and suddenly found that Xia Qing's Ring of Contract was gone.

"Her Ring of Contract was probably taken away by that disgusting man by force," said Qu Lanyi casually. He stood up and walked to Yun Feng. "It was very chaotic back then. That man only made a few moves on the stage and Xia Qing was thrown out of the ring. I didn't have time to care about anything else."

"Damn it! Damn it!" Little Fire roared in depression with a painful expression on its face. Yun Feng looked at Xia Qing's empty finger and sneered. "Qingqing, I'll help you get your Ring of Contract back. I'll return everything he put on you!"

The door was pushed open and Mo Changge and Ling walked in. Seeing the two of them, Yun Feng stood up gently. "Let's talk somewhere else."

Ling nodded with a smile, while Mo Changge shrugged indifferently. Qu Lanyi rubbed his forehead and leaned against Yun Feng gently, showing a vague intimacy. Yun Feng knew that he must've consumed a lot of light elements, and his body was already showing signs of exhaustion.

"Let's go to my room," said Mu Canghai coldly. "Thank you." Yun Feng said softly as she held Qu Lanyi's hand. Qu Lanyi chuckled and held Yun Feng's hand. Seeing how intimate the two of them were, Mo Changge couldn't help but look cold. "Where's your room?"

Mu Canghai turned around and walked out. Mo Changge looked at Yun Feng and Qu Lanyi deeply, then turned around and walked out. Ling followed him without saying anything. "Little Fire, Lan Yi, stay here."

"Yes, Master." Little Fire looked at Yun Feng gratefully. What it wanted to do right now was to stay with this girl and not go anywhere. Lan Yi nodded. "Don't worry, Master. With me and Brother Fire here, Qingqing will be fine."

Yun Feng nodded and held Qu Lanyi's hand as they walked out of the room. The room instantly became silent. Lan Yi hid in the corner, while Little Fire kept kneeling by the bed. Its body was as tight as a hard stone. It clenched its hands tightly and put them on its knees, with red marks on its palms.

Little Fire knelt just like that and looked at her with its eyes. It clenched its fists on its knees and didn't touch Xia Qing. Its black eyes were full of crazy suppressed pain and its boy's face was tight, like its body.

"Stupid girl, open your eyes... I'm right next to you." Suddenly, Little Fire said with a hoarse voice and a sense of anger and pain that it was suppressing. "Stupid girl, look at me..."

.....

Nobody in the room replied to him. There was only the hoarse voice that kept circling in the air and the pain that couldn't be hidden no matter what. Lan Yi's slender body was hidden in the shadows. He leaned against the wall and listened to Little Fire mutter as light flashed in his blue eyes.

“Stupid girl, as long as you open your eyes, I’ll take back what I said before.” Little Fire was still talking as it stared at Xia Qing with its black eyes without blinking. “Stupid girl, don’t play dumb with me. You heard me. I know you can hear me.”

“Brother Fire...” Lan Yi finally couldn’t stand it anymore and said indifferently, but Little Fire didn’t seem to hear it. “Stupid girl, I don’t hate you... Did you hear that? I don’t hate you at all.”

Lan Yi closed his thin lips and didn’t say anything else. He finally said that he liked her, but the person on the bed didn’t react at all. She closed her eyes and slept quietly, as if she was immersed in a beautiful dream that only she knew.

In Mu Canghai’s room, the few of them sat down one after another. Qu Lanyi was still leaning against Yun Feng gently. The exhaustion didn’t seem to have subsided. Mo Changge glanced at the two people leaning against each other with his peach-blossom eyes and put on a smile. “It’s truly surprising that such a person came to the Summoners’ Convention.”

“Mo Changge, do you really have a solution?” asked Yun Feng. Mo Changge chuckled. “How comforting. You do remember my name.” He raised his peach-blossom eyes and winked at Yun Feng. Qu Lanyi glanced at him coldly. “If you have a solution, just tell me.”

Mo Changge leaned back lazily. “I’ve always been lazy to meddle in other people’s business. If it weren’t for Yun Feng, what does the life of that little girl have to do with me?”

Yun Feng’s face turned cold. Ling pushed his glasses. “Young Master Changge, just get to the point. It’s not your style to beat around the bush.”

Mo Changge glared at Ling. “Don’t you have anything else to do? Why are you standing here?”

Ling chuckled. “I happen to be very free right now, Young Master Changge.”

“Humph! I do have a way. That little girl’s body is being corroded by the dark elements. It’s actually very simple. You just have to eliminate the dark elements in her body.”

“You think I didn’t think of that? It’s just that the dark elements are too domineering and powerful.” Qu Lanyi glanced at Mo Changge coldly and mockingly. Mo Changge also smiled at Qu Lanyi. “Just because you can’t do anything doesn’t mean I can’t. I have a way to pull the dark elements out of this little girl’s body, but...”

“Tell me your conditions.” Yun Feng finally got to the point. She looked at Mo Changge solemnly, but Mo Changge looked hurt. “It’s too hurtful for you to be so professional. We’re not strangers.”

“We’ve only met a few times,” said Qu Lanyi. Yun Feng frowned unhappily. What were these men doing? “Just tell me!” Yun Feng said unhappily. Seeing that she was unhappy, Mo Changge and Qu Lanyi stopped arguing.

“My condition is very simple. You must qualify for the free arena this time. In the upcoming event, kick Yao Man out! I don’t care what you do!” Mo Changge gritted his teeth as he spoke. He couldn’t wait to tear Yao Man apart with his own hands.

Ling couldn’t help but feel a bit surprised. “Young Master Changge, Miss Yao Man is your...”

ingting jumped for a long time before Sze Lingyun rained on her parade a little. “Ah... I can’t be sure of things just yet. After all, I haven’t confirmed that I’m Zhou Hua’s daughter, and we haven’t confirmed whether Uncle and Zhou Hua have that kind of relationship yet.”

“We have! Listen up...” Wu Pingting explained anxiously. “Yesterday, you heard from my grandfather that Uncle didn’t get married and have children, and instead adopted that ingrate Wu Zongxu, was because he loved this girl, the girl who saved him in the valley. Even though he never said why he was so obsessed with that girl, if that girl was your mother, you can probably guess why. Even though they only had one night, Uncle and your mother did it. After that, Uncle was rescued by Grandpa, and your mother disappeared. Your mother probably went back and realized that she was pregnant with you. And my uncle is a loyal and monogamous man, so he never remarried.”

With that, Wu Pingting looked at Nangong Nuannuan excitedly and asked, “Nuannuan, don’t you think my sister looks very much like a member of my family? You haven’t met my Uncle, but you should have met my aunt. Both of them inherited my grandmother’s looks and look very similar. Don’t you think that Sis looks very similar to my aunt?”

Nangong Nuannuan nodded. “Yes, very similar! Senior Sister and her mother’s auras are very similar, but they only look about half-alike. I wanted to say it when the two of you met yesterday. but I think that Senior Sister and your aunt look really similar.”

“Right, right!” Wu Pingting looked at Sze Lingyun proudly, “Sis, since Nuannuan says so, you must be our Wu family’s child! Let’s go, let’s go! Let’s go home! I want to make everyone in the family take a DNA test with you.”

After saying that, Wu Pingting took out her phone and made a call.

“You know her?” Mu Canghai raised his brows. Mo Changge nodded. “Yes, I do. For him, it shouldn’t be a problem to let that little girl be fine.”

“When will he come?” Yun Feng asked. Mo Changge raised the corners of his mouth. “If he’s fast, that guy will be here in a day or two. But even if he’s slow, that little girl won’t be in any danger with him here. Right? Light-element mage?”

Qu Lanyi put on a fake smile. He was already tired of suppressing the dark elements. If the aid postponed any longer, even he wouldn’t be able to hold on!

“Get him here as quickly as possible.” Yun Feng looked at Mo Changge and said solemnly, “Similarly, I’ll eliminate Yao Man as quickly as possible.”

Mo Changge’s eyes glittered. “Very good! Deal!”

When Mo Changge left, he was indescribably delighted and proud. Yun Feng was also relieved in her mind. There was finally a solution to Xia Qing's situation. Whether or not it succeeded, dark mages were the most familiar with the dark elements and certainly knew how to eliminate them.

Yun Feng, Qu Lanyi and Mu Canghai returned to Yun Feng's room. Seeing Yun Feng come back, Lan Yi called out to her. Little Fire was still kneeling there. Seeing Yun Feng come back, it wanted to get up, but staggered slightly. Yun Feng sighed softly and touched Little Fire's head with her hand. She looked at Xia Qing on the bed with indescribable pain in her heart.

"After she recovers, she should be left alone," said Yun Feng slowly. The few people in the room were a bit surprised. Yun Feng smiled wryly. "Qingqing will face more danger if she stays with me. Besides, I can't take her with me when I do things in the future. I can't always protect her. The best way for her to grow is to let her go far away alone."

Yun Feng looked at Little Fire. "Little Fire, if you're willing to go with Qingqing, I'll..."

"No!" Little Fire quickly interrupted Yun Feng. "I won't leave Master."

Yun Feng sighed softly. "Little Fire, you don't have to restrain yourself because of the contract. I know you like Xia Qing."

Chapter 890: The Deal (4)

Little Fire's black eyes glittered and it shook its head firmly. "I'll follow Master. I won't leave!"

"Master, Brother Fire and I have been through so much with you. We won't leave you," said Lan Yi. Yun Feng smiled helplessly and didn't ask Little Fire to leave anymore. Qu Lanyi smiled. "If Qingqing wants to grow up, she should face all the challenges alone. She has to beat them on her own."

Yun Feng nodded. Thinking of the agreement she made with Mo Changge, her black eyes darkened. "It seems that I have to finish everything quickly in the convention this time."

"Speaking of Mo Changge, aren't you curious about his identity?" Mu Canghai was puzzled, but Yun Feng smiled. "It's very easy to guess his identity. What I'm curious about is something else. Why did he appear on the East Continent? Why did he appear in the relics of the Yun family? What was he looking for there?"

"We'll know about that sooner or later. The most important thing right now is to deal with that hooded man. Fengfeng, this is the first time you've encountered a dark summoner. It'll be great if you can find out more about that person."

Yun Feng sneered. "There's no rush. I'll meet him sooner or later. I'd like to meet a dark summoner too. I'll skin him alive and study him carefully."

"Hey! Have you heard? Yun Feng from Region A!"

"Of course! She's famous in Region A. I heard that she's the fastest person to qualify!"

“More than that! She’s also a multi-element summoner. Those two Magic Beasts are the strongest I’ve ever seen! Right, right, do you know the battle between her and Yao Man?”

“Of course! I was lucky enough to see it in Region A that day. That was wonderful. Even though Yao Man was quite impressive, she’s on a completely different level from Yun Feng. She’s never beaten her even after taking potions!”

“I see. She didn’t even beat Yun Feng after taking the potion? How strong is Yun Feng exactly?”

“Otherwise, how would she be the first person to qualify? There’s probably no one in Thousand Peak City who doesn’t know her right now!”

“I heard that she advanced in less than an hour. Is that true?”

.....

“Of course it’s true. You didn’t see that spectacular scene back then. The other summoners weren’t on the same level at all in front of her. She was very fierce!”

“I’m so jealous of you. Why didn’t I see that?”

“Haha, calm down. Maybe you’ll have a chance in the future! Is there anyone impressive in your area? Tell me!”

“Tsk! Even if there are, they can’t compare to Yun Feng. Which hall is such a powerful summoner from? She’s too damn strong!”

On both sides of the street, people gathered together and discussed excitedly from time to time. The Summoners’ Convention had never lacked heated topics, and Yun Feng was obviously the topic of discussion this year. Whenever people talked about the name Yun Feng, they couldn’t hide their excitement.

“She’s risen to the point where everyone knows about her in just a few days.” Mu Shaohua had heard a lot of whispers along the way. He was full of emotions and shock.

“She should be that Yun Feng.” Qian Shaoyao whispered with excitement on her face. Yun Feng of the East Continent was her idol in her mind. She could only do this and be so outstanding because she had an idol!

Jia Qingyu hadn’t been looking good on the side. She had been criticized by many parties for what happened to Xia Qing, especially the look in Yun Feng’s eyes that day. There was an indescribable fear hidden in the bottom of her heart. Even if she was dissatisfied, she knew that she and Yun Feng weren’t from the same world.

“I wonder how Xia Qing is doing.” Mu Shaohua was a bit depressed when he talked about Xia Qing. It had been a week since Xia Qing’s accident. The three of them couldn’t enter the reception building of the Union at all. Even though they told him their names, Yun Feng obviously didn’t intend to let them in. Mu Shaohua and Qian Shaoyao carried a hint of guilt in their minds, but Jia Qingyu, the culprit, didn’t seem to care.

Mu Shaohua and Qian Shaoyao already hated Jia Qingyu completely in their minds. The people from the Cashya Empire were indeed not good people! Besides, the three warriors of the Red Maple Mercenary Team seemed to have the same attitude and they didn't treat Jia Qingyu nicely either.

At this moment, the three of them were sitting in a restaurant. The three of them had signed up for the free arena, but they were already lucky to win five rounds in a row at their level. Qian Shaoyao and Mu Shaohua lost after only three rounds, and Jia Qingyu was even worse. She didn't win even once, because the first opponent she faced was Xia Qing.

Mu Shaohua and Qian Shaoyao knew clearly in their minds that they were nobodies in such a convention. Even though they had a relatively high status on the East Continent, there was always someone better. This convention broadened their horizons and they understood that there was always someone better.

Even though they lost the qualification to fight in the arena, Mu Shaohua and Qian Shaoyao didn't reject it at all, because they put themselves in the right position. However, Jia Qingyu didn't think so. Being born in the royal family, Jia Qingyu was certainly more ambitious than others. After being knocked down by Xia Qing, she knew that she wasn't as good as Xia Qing, but she still couldn't accept it in her mind. Her words and deeds also became the fuse for Xia Qing's disaster.

During this week, Jia Qingyu was still very scared for the first two days, but she was relieved when Yun Feng didn't come to find her after that. She had lost all her face here, so she certainly wanted to go back early, but Mu Shaohua and Qian Shaoyao didn't. Such a convention was rare. They didn't know when they would be able to participate next time. It would be good if they could learn more. Facing Jia Qingyu's unreasonable request to go back, Mu Shaohua and Qian Shaoyao only said one thing. If she wanted to go back, she could go back by herself. Only then did Jia Qingyu calm down.

"We've been watching the competitions in the various regions these days. A lot of people made it to the next round." Mu Shaohua chatted with Qian Shaoyao and automatically ignored Jia Qingyu. Qian Shaoyao nodded. "There are all kinds of experts that have been hiding themselves."

"Yun Feng is probably the strongest one among them." Mu Shaohua smiled, but Qian Shaoyao was a bit sad. "I only hope that Xia Qing can get better soon."

"Why are you so worried? Isn't Yun Feng her teacher? She won't die!"
