

## Summoner 931

### Chapter 931: Easy Task (1)

“How can I let you out?” Yun Feng asked in a low voice. The creature that the wooden stake was restraining seemed to be stunned. After a while of silence, it finally burst into laughter. “Hahahaha, hahahahaha! I can finally... finally get out!”

“Time is tight. How can I let you out?” Yun Feng suddenly stopped it from laughing and frowned. She stared at the thick fog with her black eyes. If possible, she wanted to leave it behind and didn’t want to let it out right now, but she couldn’t worry about so much in the current situation!

“Put your hand on the wooden stake and say ‘open’ in your heart.” There was an uncontrollable enthusiasm in the voice. Yun Feng nodded and stood in front of the wooden stake. “Promise me something and I’ll let you out.”

“Humph! Just tell me what you want!”

Yun Feng pursed her lips and slowly put her fair hand on the wooden stake. “Beat the guy outside until he can’t fight back!”

“Hahaha, I thought you asked for something hard! No problem!”

Yun Feng chuckled. “Since I can let you out, I believe I can lock you up again. Don’t go back on your words.”

After a moment of silence, the creature behind the wooden stake finally snorted in disdain. “With your current strength, you can’t do anything to me. However, according to the deal, I’ll help you. Open the seal quickly! It’s time for me to move!”

“Haha, alright! It’s a deal!” Yun Feng put her hand on the wooden stake and her mental strength surged out of her body, quickly spreading to the entire wooden stake. When it reached the red base, the red color seemed to have melted. The blood-like red color slowly climbed up and formed a strange pattern on the wooden stake with Yun Feng’s mental strength!

Looking at this strange scene in front of her eyes, Yun Feng was a bit surprised, and the guy trapped in the wooden stake was also silent. When the red patterns covered the entire wooden stake, Yun Feng felt that something was held in her hand. With a slight twist, she could open everything!

Yun Feng slowly turned her hand clockwise and opened her red lips gently. “Open the seal!”

“Crack, crack, crack!” Countless wooden stakes that rose from the ground instantly sank into the ground, and the wooden stake in front of Yun Feng with red patterns was the same. After all the wooden stakes disappeared, the fog inside also gradually dispersed. A sharp claw took a step forward. Yun Feng looked up and a pair of pure black eyes lit up in the fog!

“Kid, I didn’t know you hid yourself so well.” Yun Feng whispered and smiled lightly. “Alright, it’s time to go out!”

Yun Feng suddenly opened her eyes. A beam of light flashed through the ancient ring, and a powerful and heavy aura surged out of the ring! “Fengfeng, this is...” Qu Lanyi looked at the ancient ring on Yun Feng’s finger with indescribable surprise in his eyes. Yun Feng’s lips curled up, and a huge body wrapped in heavy fog appeared from the ring!

“She indeed has a backup plan...” The man in the hood immediately felt a bit uneasy when he saw the huge fog. However, the negative emotions of this giant beast had already been completely drawn out by his dark elements. It had endless killing intent towards the summoner. No matter what, it would kill Yun Feng! Thinking of this, the man in the hood couldn’t help but smile. As long as Yun Feng died, he would definitely get everything she had!

“No matter what you do, it’s useless!” The hooded man shouted coldly and activated the dark elements again. The giant beast under him suddenly let out furious roars and raised its huge front claws. Little Fire, Lan Yi and Yaoyao narrowly dodged. The speed and power of this giant beast were already something they couldn’t resist!

“Damn it!” Little Fire was a bit irritable when it saw that its attack could only cause light damage to the giant beast. Lan Yi was about to say something, but the extremely irritable giant beast struggled furiously and the spatial crack suddenly fell apart again!

“Hahaha, let me add fuel to the fire!” The man in the hood suddenly extended his pale arm and the black Ring of Contract appeared again! Surrounded by thick black elements, his contracted Magic Beasts appeared! They were the undead from last time!

Yaoyao’s black pupils suddenly narrowed. She swung her fishtail and the dark blue water element immediately enveloped the undead. She didn’t expect that the water element would immediately be broken!

“Its power has increased. Little sea demon, even though your water element is powerful, the power I got after merging with this giant beast is also extraordinary!”

The appearance of the contracted Magic Beasts of the undead made the battle even more chaotic. The clones of the undead also appeared right after. Three clones, three undead! Little Fire, Lan Yi and Yaoyao were immediately entangled by the three undead and the battle fell into a stalemate!

“Kid, you want me to deal with that disgusting guy?” The huge figure wrapped in thick fog said. Yun Feng nodded. “It’s indeed disgusting. It’s time for you to do something.”

“Humph! Even though I don’t know who the other one is, it seems that its negative emotions have been completely aroused. I can feel a rather strong anger. It’s targeting you!”

“Are you here to help or to add insult to injury?” Qu Lanyi stood next to Yun Feng and looked at the thick fog. Even though he didn’t know what was inside, judging from that ring, it couldn’t be ordinary at all!

“Kid! It’s not your place to tell me what to do! Little girl, I only agreed to help you beat it up. I won’t interfere with anything else after this. Take care of yourself!”

“Don’t worry. I remember the deal clearly in my mind.”

“Hahaha, alright! Kid, come up!”

Yun Feng was stunned. Go up? The huge body wrapped in thick fog arched slightly. It seemed that it was going to fight! “Come up! Don’t make me say it again!”

Qu Lanyi held Yun Feng’s hand tightly and was a bit worried. Yun Feng shook her head. “Don’t worry. I’ll be fine. I had an agreement with it.”

“As long as you cut that disgusting man from the giant beast, I’ll destroy him with means!” Brutality flashed in Qu Lanyi’s eyes. Yun Feng sneered. “Remember, keep him alive.” Yun Feng’s body moved and she had already jumped into the thick fog. She stepped on an unusually smooth scale. Her body was covered in thick fog. Yun Feng still hadn’t seen what this thing looked like.

## **Chapter 932: Easy Task (2)**

“Kid over there! You must protect this space well. If it collapses, none of you will be able to get out alive!” The heavy fog suddenly got up and went towards the giant beast. Mu Canghai immediately looked cold and his gray eyes glittered! He wouldn’t let anything happen to her!

The three contracted Magic Beasts saw that Yun Feng was standing in a ball of thick fog, which was going towards the hooded man. The three Magic Beasts were a bit panicked, but the undead’s persistence made them unable to escape at all!

“Let your contracted Magic Beasts play aside quietly!” The creature in the fog suddenly shouted in a low voice, while Yun Feng smiled awkwardly and sent a telepathic message to the three of them. At the same time, the man in the hood immediately burst into laughter crazily when he saw Yun Feng stepping on a huge fog!

“Hahahaha, Yun Feng, let’s see which one of us is stronger!”

“A dark summoner?” The huge fog carried Yun Feng closer and closer to the hooded man. Yun Feng listened to the hooded man’s crazy laughter with disgust on her face. “That’s right. Can you tell me why you want me to go with you this time?”

“Nobody dares to stand on my back! Kid, if it weren’t for... Hm! Fine, I only agreed to beat the other one down. I didn’t promise you to attack that dark summoner!”

Yun Feng narrowed her black eyes. “I asked you to come with me to create an opportunity for you. Remember, you only have one chance. Let’s see if you can seize it!”

What?! Before Yun Feng could digest what he said, she only felt that the thick fog in front of her eyes immediately dispersed. The hooded man and that giant beast were right in front of her!

The corners of the hooded man’s mouth curled up and an excited smile hung at the corners of his mouth with endless evil! He looked at Yun Feng through the hood with a scorching gaze. Even though he didn’t know what was wrapped in the thick fog, he was sure that he wanted this thing!

Excitement, greed and desire!

The giant beast that had merged with the man in the hood suddenly roared. When it noticed Yun Feng's aura, it was even more furious. Its black eyes were filled with bone-piercing viciousness. Its entire body was trying its best to jump out of the spatial crack, but the thick fog that carried Yun Feng had already pounced over instantly and walked right into the trap!

"I'm going to attack!" With a deep roar, a powerful aura spread out. The thick fog suddenly opened like a ferocious mouth and quickly swallowed the giant beast, the man in the hood, and even that space!

The three contracted Magic Beasts couldn't help but feel a bit dumbfounded when they saw this scene, but they didn't have time to be distracted. They tried their best to continue fighting with the undead. Right now, the only thing they could help Yun Feng with was dealing with these three undead! When Mu Canghai saw this scene, his gray eyes suddenly flashed and a drop of blood flowed out of his eyes. It could be seen that a huge change happened in that space!

Bright red blood dripped down Mu Canghai's eyes drop by drop. Mu Canghai stood there the whole time and didn't do anything. He stared at that area firmly! Qu Lanyi couldn't help but curse softly when he saw this. His black eyes instantly turned bloody red!

Mu Canghai was stunned. He turned around and couldn't help but look at Qu Lanyi next to him. The pressure in the space was inexplicably reduced. Could it be him? Qu Lanyi looked at Mu Canghai with his bloodshot eyes impolitely. "You can't be the only hero."

Mu Canghai was stunned. He looked at Qu Lanyi's blood-red eyes thoughtfully and suddenly chuckled. He turned around and continued staring ahead. There was no longer any blood left, because Qu Lanyi helped him reduce a lot of the space pressure.

"Qu Lanyi, who exactly are you?" Mu Canghai's cold voice came. Qu Lanyi curled his lips and smiled. "I'm who I should be."

"You didn't even tell Yun Feng?"

Qu Lanyi was silent for a while and snorted. "You don't have to worry about it. Just stabilize this space first!"

Mu Canghai didn't say anything else. There were indeed some things that he shouldn't care about, but he couldn't let go when it involved Yun Feng. Forget it. They should wait until the current matter was over safely! If they didn't protect this space well, none of them would be able to get out alive!

Outside the space that was swallowed by the fog, the people didn't know what was going on inside. There was a heavy fog inside that covered the sky and the earth and they couldn't see anything. Half of the man's body was exposed. Looking at the endless fog in front of his eyes, he couldn't help but feel a bit panicked.

"Yun Feng! You coward, come out!" The man in the hood shouted with a slightly crazy voice. His hoarse voice echoed in the heavy fog. Nobody replied to him. The giant beast under him also became irritable and uneasy. There was only the sound of the giant beast's body sliding.

"You think I can't do anything with the fog? You've underestimated me!" The man in the hood smiled evilly with an indescribable evilness. Dark elements immediately surged out fiercely and directly penetrated the body of the giant beast!

“Roar, roar, roar!” The giant beast let out a furious roar as its body moved abruptly. The thick fog seemed to be cut open, but it quickly closed again! The man in the hood couldn’t help but feel frustrated. “Humph! The members of the Yun family are just so-so. They’re all cowards. They’re all hiding in their turtle shells and can’t come out.”

“What did you say about the Yun family?” A cold and gentle voice suddenly sounded. The man in the hood suddenly felt his heart burning. He immediately turned around and saw the girl standing in front of him clearly with burning eyes!

Before the man in the hood did anything, Yun Feng had already jumped to the opposite side of the man in the hood. The man in the hood smiled weirdly and raised his pale arm abruptly. Two streams of black elements surged out of his body and pounced straight at Yun Feng. It looked like they were going to invade Yun Feng’s body!

She was his. Everything she had was his! Thinking of this, the hooded man’s fingers trembled. The enthusiasm in his heart was surging crazily. He wanted to take everything from her!

Yun Feng had no chance of dodging at all. The two streams of dark elements invaded her body directly! The black jade pendant that had been stuck to Yun Feng’s neck emitted a tiny beam of dark light. The two streams of dark elements were quickly absorbed by the black jade pendant! Sensing the movement of the black jade pendant, the corners of Yun Feng’s mouth also curled up slowly. The man in the hood was thinking about Yun Feng’s various states after being swallowed by his dark elements, but he didn’t expect Yun Feng to be fine in front of him!

### **Chapter 933: Easy Task (3)**

That was impossible! Dark elements surged out of the man’s body crazily again. The dark elements rushed towards Yun Feng like dancing ribbons and instantly entered her body!

“You can’t escape this time!” The hoarse voice of the man in the hood sounded, but the smile at the corners of Yun Feng’s mouth was even more obvious!

All the dark elements of the man in the hood were absorbed by the black jade pendant on Yun Feng’s neck. Yun Feng also felt the restless aura of the black jade pendant. There was an extremely greedy and even hungry aura slowly emitting from it! Yun Feng knew what it needed. She slowly took off the jade pendant with her finger. When the man in the hood saw this black jade pendant, his expression changed drastically!

“How did you get this?” The man’s voice was hoarse, as if it was squeezed out from the depths of his throat. “You have this!” The man’s scorching gaze glanced over again. Yun Feng held the black jade pendant in her hand tightly as she glanced over the patterns of the skeleton dragon on its back one by one.

“That thing isn’t something you can have!” The man in the hood stared at Yun Feng’s hand with scorching eyes. She even had this. What exactly was going on? Why did the Yun family have this?

Yun Feng sneered. “If I don’t deserve to have it, nor do you!” Holding the black jade pendant tightly, Yun Feng suddenly slapped it down and pressed it against the head of the giant beast under her feet!

“What?” The man in the hood roared when he saw what Yun Feng did! The moment the black jade pendant touched the beast’s head, an aura that had been suppressed for a long time spread slowly and invaded the beast’s body! The beast roared crazily with an extremely miserable voice!

“Hahaha, little girl, well done!” A laugh sounded in the thick fog. Yun Feng only saw a few beams of light coming. Then, the giant beast under her let out an even more painful sound and the black color in its eyes gradually faded!

The body of the hooded man wrapped in the robe trembled slightly. He clearly felt that the dark elements that penetrated the body of the giant beast were being swallowed crazily by the black jade pendant! His dark elements!

“Stop! Stop!” The man in the hood suddenly roared. The mage’s magic elements didn’t come out of thin air. They also contained his own mental strength! The man in the hood could control this giant beast by relying on the huge amount of dark elements that seeped into the giant beast’s body. This huge amount of dark elements contained his own mental strength! He didn’t have time to retract his mental strength at all right now and it had already been swallowed!

Yun Feng’s red lips carried a smile. Looking at the hooded man’s almost distorted face and hearing his crazy roars, feeling the black jade pendant in her hand swallowing crazily, her heart was burning with enthusiasm! “This time, I’ll make sure you don’t even have the strength to escape! This time, I’ll make you stay here forever!”

“Argh!” As the black jade pendant surged out again and swallowed the energy fiercely, the hooded man’s body cramped crazily. Half of the body that had already been embedded in the giant beast was being forced out and the giant beast under his control seemed to have regained its original consciousness!

Mental strength surged out of Yun Feng’s body and poured into the black jade pendant. After the black jade pendant absorbed Yun Feng’s mental strength, it suddenly let out a buzzing sound! The hooded man’s entire body had already left the giant beast’s body forcibly at this moment. His body that was as dry as firewood was like a skeleton!

The body of the man in the hood immediately floated forward. His speed was far faster than Yun Feng imagined!

“It’s mine!” Yun Feng only heard the hoarse and passionate voice of the man in the hood. The entire body of the man in the hood turned into black mist and pounced at Yun Feng’s hand! However, the moment the man in the hood got close, the black jade pendant suddenly shook and an ancient roar came from the jade pendant!

“Argh!” The man in the hood screamed as his body was instantly sent flying! Although Yun Feng was shocked in her mind, she immediately flew and chased after him. This time, she wouldn’t let him have any chance to escape!

“What exactly happened?” Qu Lanyi and Mu Canghai, who were on the periphery, were both shocked. The power from the roar just then made both of them feel uneasy, especially Qu Lanyi. He stared ahead with his blood-red eyes. Suddenly, a figure wrapped in black elements flew out of the fog and turned around to escape!

Qu Lanyi's blood-red eyes immediately turned black. Mu Canghai couldn't help but grunt. "Hang in there! He can't have any chance to escape this time!"

Mu Canghai nodded. Qu Lanyi had already flown forward and waved his hand. "Light Field!" Violent light elements flew out of Qu Lanyi's palm. The retreating figure was completely blocked by the Light Field. His body, which was emitting dark elements, was completely trapped in the Light Field!

"Don't even think about escaping this time!" A cold and furious shout came! Yun Feng's body came out of the thick fog and there was already a dazzling ball of elements in her hand. Different elements overlapped on the surface, looking extremely dazzling!

"Argh!" A scream tore through the sky! This time, Yun Feng's attack didn't miss! It hit the top of the man's chest and the elemental ball was sent into his body without any mistake!

The man in the hood screamed. His mental strength was already weak, and now that he was being pushed into such a fierce fusion of elements, his body couldn't take it anymore. The dark elements surged in to resist, but it was useless! Yun Feng put on a smile and pressed her hand on the man's chest. "I'll hold back. I'll leave you alive! Explode!" As Yun Feng gave the order, the fused elements exploded in the man's body!

"Ahhhh!" Another miserable sound came. The body of the man in the hood twisted completely. Elements fused in his body and kept exploding. Powerful mental strength invaded all over his limbs! The robe of the man in the hood was completely torn, revealing his body that was only skin and bones! And his cheek that was half covered by the hood!

Those snake-like eyes stared at Yun Feng firmly as the pale skin all over his body rolled up! The man in the hood smiled weirdly with his dry lips. "You want to catch me? It's not that easy..." A hoarse voice suddenly sounded. The next second, thick dark elements instantly enveloped his body. Yun Feng's eyes suddenly darkened!

#### **Chapter 934: Easy Task (4)**

"You want to kill yourself? You'll have to see if I agree!" Yun Feng shouted as she immediately took out a bottle of medicine. She grabbed the chin of the hooded man with her hand and forced him to drink it!

"Hm..." The man in the hood didn't expect to be filled with a bottle of potion. The dark elements immediately shrank back into his body. "Yun Feng, you..." The man in the hood wanted to say something, but Yun Feng sneered. "There will be a time when I let you talk." She grabbed the man in the hood's head fiercely!

"What?" His pupils even widened abruptly! The man in the hood felt Yun Feng's mental strength invade his body in disbelief! How did she know? How did she know? No, impossible!

"As expected... Come out!" Yun Feng suddenly narrowed her eyes and her mental strength instantly invaded. She found something and exerted her strength! The most dense dark elements were directly extracted from the body of the hooded man by Yun Feng's mental strength!

A wail from the depths of the soul sounded. The dark elements that were forcibly taken out rolled in the air and wanted to escape again. Yun Feng sneered and grabbed the air fiercely! The thickest dark elements were sealed in the distorted space!

That body which was nothing more than a bag of bones fell to the ground. Yun Feng looked at the dark elements struggling in the sealed space coldly. It was unimaginably dense! "It's indeed a shell. You're the actual form."

Without the control of the dark elements, the giant beast suddenly let out a scream, as if it had suffered a fatal blow. Its huge body fell to the ground! At this moment, the thick fog that completely enveloped this space dispersed quietly. The giant beast's body fell on the ground and didn't move at all!

"Master!" Little Fire, Lan Yi and Yaoyao saw Yun Feng and immediately rushed over, but the undead followed. The contract between the hooded man and them had already disappeared the moment Yun Feng pulled out his original body, but the undead, who had lost their contract, attacked again instinctively! The three contracted Magic Beasts were immediately entangled again!

"Humph! You can't even deal with those brats!" With a disdainful snort, a huge body wrapped in fog rushed over. The three contracted Magic Beasts instantly dodged and the three undead were completely covered in the fog! After that, the sound of meat rubbing came. The three contracted Magic Beasts couldn't help but shiver!

"What exactly is that..." Little Fire looked at the thick fog in a daze and coldness had already risen in its heart. Lan Yi looked at it thoughtfully. "No matter what it is, we don't have the ability to fight back at all right now..."

"Humph! You're quite self-aware." The huge body wrapped in thick fog turned around, as if it was sizing up the three Magic Beasts secretly. "This little girl is not bad. She has such a lineup of Magic Beasts."

The hooded man had already been controlled, and the giant beast fell. The space had also stabilized. Mu Canghai, who was trying his best to stabilize the space, finally took a deep breath. His eyes, which had been bleeding, finally eased.

"Senior!" Yun Feng clenched her fist and held the dark elements in her hand. She clenched her fists tightly! "Thank you for your help, Senior!"

"Kid, I've already done what I promised you. We'll meet again! As for that ring, hahahaha, keep it. I believe it'll be useful to you in the future!"

Yun Feng looked at the ancient ring on her finger in surprise. Before she could say anything, the thick fog disappeared just like that! It directly left this sealed space. What kind of ability was that? Yun Feng was greatly shocked in her mind!

Qu Lanyi rushed to her and examined her carefully. After confirming that Yun Feng was fine, he looked at the ball in Yun Feng's hand. "Oh? This is his original body?"

Yun Feng looked at the struggling ball in her hand coldly. "This time, it's impossible for him to escape!" She clenched her fists tightly and the struggling dark element shouted crazily, "Let go! Let go!"

Qu Lanyi suddenly smiled. Light elements appeared in his palm and pounced on the dense dark elements! When the two types of elements touched, green smoke rose, accompanied by a scream like a pig being slaughtered!

“Ahhhh! Let me go!”

Qu Lanyi and Yun Feng looked at each other and smiled. Very good. It seemed that she would have an answer to everything she wanted to know!

“Yun Feng! Let me go! Argh! Argh! Argh!” Screams came from Yun Feng’s hand. The mass of pure black elements kept twisting in Yun Feng’s hand. Yun Feng held it firmly with her fingers. She only felt that the hoarse voice of the man in the hood was very annoying. Qu Lanyi sneered and took the mass of black elements. He flipped his hand and the light elements immediately enveloped the mass of darkness firmly. Green smoke came out of the man’s body and sizzling sounds kept coming. The man in the hood screamed again!

“Let me go! Ahhhh!”

Qu Lanyi used the light elements to form a barrier that restrained the hooded man’s original body. After the deep pain of the soul, the hooded man had learned to be smart. There was nowhere for him to run. Even if he wanted to run, where could he go when he was surrounded by the light elements? His original body shrank back as much as possible and tried not to touch the light elements around. Yun Feng glanced at the hooded man coldly and took out a bottle, stuffing the hooded man’s original body inside. Green smoke rose again after the light elements were squeezed!

“Ahhhhhh!” The man in the hood screamed like a pig being slaughtered, but Yun Feng closed the bottle. Yun Feng put the bottle into her bracelet and finally calmed down.

“What a noisy guy.” Qu Lanyi commented in disgust. Yun Feng smiled. The hooded man was already in her control. Even though she had a lot of things to ask him, she didn’t have to worry about not having a chance anymore. What she had to do right now was to deal with this giant beast in front of her!

The giant beast sealed in this space was already lying on the ground. Half of its huge body was exposed and the other half was buried in the spatial crack. Looking at the deep wound below the giant beast’s neck, Yun Feng raised the corners of her mouth and couldn’t help but glance at the ancient ring on her little finger. The guy who lived here was indeed not simple and he was really ruthless. He really beat the giant beast down.

The space that had been constantly shaking just then had completely stabilized now. However, the situation of this huge beast fainting on the ground gave Yun Feng a headache. The few of them stood high in the sky and looked down at the unconscious giant beast on the ground from below. Qu Lanyi frowned. “Fengfeng, which element does it have?”

### **Chapter 935: The Yun Family That Was Targeted (1)**

Yun Feng raised the corners of her mouth slightly. She had already tested with her mental strength, but the result was a bit unexpected. This giant beast wasn’t one of the five elements she could sense. “It doesn’t have any of the five elements I know.”

Qu Lanyi was shocked. "It can't be light or dark!"

The three contracted Magic Beasts looked at this giant beast thoughtfully. Yaoyao's body had already turned into the form of a little girl again. Yaoyao pounced forward into Yun Feng's arms and looked at the giant beast with her blue eyes with unexplainable emotions.

"Xiao Feng, help it."

Yun Feng looked at Yaoyao in surprise. Help? Help this giant beast? Little Fire and Lan Yi also flew over in unison. "Master, even though we don't know its background, we can feel a kind of emotion. This emotion... is full of indescribable sorrow and desire." Lan Yi's blue eyes glittered a few times. Even Little Fire looked a bit sad.

Yun Feng remained silent. As a human being, she certainly couldn't understand the subtle emotions of Magic Beasts, but since the three contracted Magic Beasts said so, this giant beast might really need her help. Holding Yaoyao in her arms, Yun Feng, Little Fire and Lan Yi descended from the sky together. Qu Lanyi wanted to follow them, but Yun Feng waved her hand. This giant beast didn't have any power to fight back anymore. Even if it could move, it wouldn't be a threat.

After Yun Feng landed with Yaoyao in her arms, Yaoyao withdrew from Yun Feng's arms. Her little fishtail swayed a few times and her body had already slid in front of the giant beast. The giant beast's huge head lay outside and it looked like it was in quite a lot of pain. Yun Feng also approached slowly. When she walked in front of the giant beast, its closed eyes suddenly opened.

"Don't be afraid. Xiao Feng can help you." Yaoyao put her little hand on the giant beast's head and kept mumbling, as if she was sending some kind of message. The giant beast's eyes slowly rolled a few times and finally fixed on Yun Feng. Yun Feng could clearly see her reflection in those eyes.

"What can I help you with?" Yun Feng took a few steps closer and asked in a low voice. The giant beast's eyes widened abruptly, as if it was provoked. Its head struggled a few times, as if it wanted to stand up, making quite a lot of noise.

"Don't worry. I don't have any other thoughts about you. If you really need my help, just tell me," said Yun Feng casually. The giant beast obviously didn't trust her. Little Fire grunted in disdain. "Master is a person of her word! Believe it or not!"

"You can believe what Xiao Feng said. Xiao Feng won't lie!" Yaoyao smiled sweetly with absolute trust in Yun Feng's words. Yun Feng's heart couldn't help but warm. It wasn't easy to get the complete trust of a Magic Beast. This precious trust could be said to be a rare treasure.

The giant beast didn't say anything. After rolling its eyes a few times, it seemed to be thinking. When it fixed its eyes on Yun Feng again, it seemed to see something. Its eyes suddenly flashed a few times and its huge jaw slowly opened. Yun Feng only heard an extremely illusory voice floating over, as if it would disappear when a gust of wind blew.

"Take me back."

Yun Feng frowned. Back? "You want me to take you back? Where?"

The giant beast rolled its eyes a few more times and slowly closed them, as if it had exhausted its strength. However, its entire body suddenly emitted a beam of light. The giant beast's body was completely enveloped in the light. Even the other half of its body that was stuck in the spatial crack was completely covered!

"Swish..." The light instantly flew up and went straight for Yun Feng!

What? Yun Feng was so shocked by this sudden scene that she didn't know what to do. The three contracted Magic Beasts didn't expect such a thing to happen. If this giant beast had any ill intentions for Yun Feng, they would never allow it!

This ball of light rushed over crazily. Its target wasn't Yun Feng, but the ancient ring on Yun Feng's hand! Yun Feng looked at the light in surprise. When it arrived in front of her, it quickly turned around and entered the ring! Then, a voice sounded in her mind!

"Human, this is my last strength. Take me back."

After this voice sounded, no matter how Yun Feng called out to it, the giant beast didn't respond at all. Yun Feng knew that it was fine, because a faint aura existed in the ring. The giant beast might have fallen asleep again.

"Master! Are you alright?" Little Fire and Lan Yi quickly rushed over, fearing that something would happen to Yun Feng. Yaoyao, on the other hand, pounced forward and hugged Yun Feng's neck tightly with her hands. Her fishtail quickly wrapped around Yun Feng's waist. "Xiao Feng, please be alright!"

Yun Feng smiled. Seeing that, Qu Lanyi and Mu Canghai immediately rushed over. "Fengfeng, what's going on?" asked Qu Lanyi anxiously as he sized Yun Feng up. Yun Feng smiled and noticed Mu Canghai's solemn expression. "I'm fine, but..."

After Yun Feng finished talking about the matter, everyone was shocked. However, the three Magic Beasts were very happy. Little Fire stretched its body. The battle with the undead just then made it crazy and its body and bones were also extremely sore.

"Even though it's not tamed, it'll definitely be beneficial to Master in the future!"

Lan Yi smiled and nodded. "Master, even though we don't know the identity of this giant beast, it must be something extraordinary."

Yaoyao was also happy. "Congratulations, Xiao Feng!"

Yun Feng smiled wryly. She wasn't as optimistic as these three contracted Magic Beasts. This giant beast entered this ring forcibly and this ring was stuck firmly on her little finger. It was impossible for her to pull it out! It wasn't a big deal to help this giant beast, but to take it back? Yun Feng was confused right now about where to take it.

"It's natural that this giant beast belongs to you. The Summoning Union originally had the same intention when they sent you in, but their wishful thinking is going to fail." Qu Lanyi smiled mischievously. Yun Feng also understood in her mind. The Summoning Union didn't have the ability to subdue this giant beast, so they wanted to subdue it with the ability of Yun Feng and the others. There

were a lot of risks and exaggerations mentioned before, or Yun Feng and the others wouldn't have been so peaceful after they came here.

### **Chapter 936: The Yun Family That Was Targeted (2)**

The Summoning Union released such a huge bait because they hoped that the summoners could subdue it. As long as this summoner was recruited by the Summoning Union, the Summoning Union would certainly benefit. Even though the giant beast indeed belonged to Yun Feng, it wasn't contracted at all. It was really a bit complicated, but no matter what, this giant beast indeed belonged to Yun Feng.

Yun Feng looked at the space that was about to be torn apart. This was in line with what the Summoning Union said back then. The other four summoners were already dead and she was the only one left right now. Since the matter had already been resolved, this space was the safest and most private. It wouldn't be too late to go out after dealing with some things here.

"We don't have to rush out," said Mu Canghai as he looked around. "This space has completely stabilized. There's no danger at all."

Yun Feng nodded. She flipped her hand and the small bottle containing the hooded man's original body appeared in her hand. The three contracted Magic Beasts couldn't help but feel disgusted when they saw this. Mu Canghai also frowned. "What exactly is this guy..."

Qu Lanyi snorted coldly. "The human body was just a shell for him. He turned the dark element like this. It's another kind of achievement."

Yun Feng opened the bottle in her hand, and the hooded man's screams immediately came from inside. The light elements were also squeezed in by Yun Feng forcibly. There was nowhere for the hooded man to hide in this narrow bottle! A puff of green smoke came out of the bottle, and the hooded man roared crazily! "Let me out! Let me out!"

Yun Feng looked at the green smoke floating out coldly. The fact that he had the strength to shout proved that his injuries weren't very serious. "As long as you answer my question, I'll let you out."

The inside of the bottle immediately roared, "I'll tell you! I'll tell you whatever you ask!"

Yun Feng flipped her hand, turning the bottle upside down. Another puff of green smoke came out. The man in the hood poured out with the circle of light elements that enveloped him and left the inside of the bottle. The man in the hood immediately curled up and left the light elements that kept making him suffer. He was finally a bit better.

Yun Feng looked at the small ball of thick black color in front of her eyes. She could clearly see the body of the man in the hood. That evil face didn't have any evilness at this moment. "Tell me, where did my ancestor's soul go?"

The man in the hood laughed hoarsely. "Your ancestor's soul? Are you talking about Yun Lan?"

Fury flashed in Yun Feng's black eyes. Qu Lanyi immediately moved his finger and compressed the light elements. The man in the hood immediately screamed, "Argh! I'll talk! I'll talk!"

Qu Lanyi said coldly, "Just answer my question. You don't have the right to say no right now!"

The light elements bounced off again. The man in the hood immediately curled up again and sounded much more sincere. "I don't know."

Yun Feng was immediately enraged! She grabbed the hooded man and the light elements around him with her hand fiercely! Green smoke rose and he screamed continuously!

"You don't know?" Yun Feng exerted strength with her fingers and squeezed the light element onto the hooded man's body. The hooded man screamed in pain and struggled crazily! "I really don't know! It's true!"

"You're still not telling?" Yun Feng gritted her teeth and exerted her strength again. Green smoke rose again and sizzling sounds came!

"I'll talk, I'll talk!" The original body struggled crazily and the thick black color faded a bit! The man in the hood was even weaker and his voice also trembled. "I really don't know where your ancestor's soul has been taken to! He and I split up and did things under different people. I don't know where he was taken at all!"

Yun Feng narrowed her black eyes slightly and pondered how credible what he said was. The man in the hood was afraid that Yun Feng would tighten her fingers again. He was almost tortured to death by the light elements! He didn't want to die yet! "I'm telling the truth!"

"What's the purpose of taking the soul of my ancestor?"

"This... This is even more impossible for me to know... Ah!" The man in the hood screamed again. Yun Feng clenched her fists again with merciless coldness in her black eyes! "Are you going to tell me or not?"

The man in the hood screamed and struggled pointlessly again. "Stop! I'll talk! I'll talk!"

Yun Feng loosened her fingers again. The people next to her didn't say anything. It was obvious that Yun Feng's cold side surprised them. Once the Yun family was involved, Yun Feng didn't have to hide her heartless side anymore! If anyone touched the Yun family, she would definitely not let them get away with it!

The man in the hood was panting. It seemed that he had become weaker after the torture. "I'm just following orders. As for the purpose... The higher-ups didn't tell me much at all."

"Then spit out everything you know!"

"I'll talk!" The man in the hood shivered and immediately said, "I can only say... some people in the Yun family are very useful, whether they're human or soul."

Yun Feng squeezed her fingers again out of anger! The man in the hood screamed again. "I've told you everything I know!"

"Fengfeng!" Seeing Yun Feng's bloodshot eyes, Qu Lanyi couldn't help but shout with heartache. Yun Feng finally regained some rationality. She loosened her fingers slightly. The hooded man, who was almost exhausted by the light elements, finally survived again.

“Who’s your superior? What’s the name of your organization? Where’s the headquarters?”

The man in the hood shivered again. “The higher-ups never show up. They only send orders. I don’t know where the headquarters is, and the name of the organization... I can’t possibly know.”

After hearing that, Yun Feng reached out and stuffed the hooded man and the light elements back into the small bottle. The hooded man’s scream sounded again, but Yun Feng immediately closed the bottle. This sound was completely blocked and the bottle was thrown into Yun Feng’s bracelet space. Yun Feng didn’t say anything. She only felt a burst of anger burning at the bottom of her heart!

Some members of the Yun family were very useful, whether they were human beings or souls! Someone had already set their eyes on the Yun family! Thinking of this, Yun Feng couldn’t help but feel enraged! How could the Yun family, which she protected with her life, be coveted by others like this?

She clenched her fair hands!

“Xiao Feng...” Yaoyao felt the tension and anger all over Yun Feng’s body and her little face was full of worry. The fishtail around Yun Feng’s waist swayed gently a few times. Qu Lanyi’s warm hand covered Yun Feng’s shoulder. Yun Feng slowly raised her head and put on a smile, looking unusually pale.

### **Chapter 937: The Yun Family That Was Targeted (3)**

“I’m fine.”

She always said, “I’m fine.” Qu Lanyi couldn’t help but sigh softly. The three contracted Magic Beasts couldn’t help but feel a bit helpless. Yaoyao held Yun Feng’s neck tightly. “Xiao Feng, you still have us!”

Yun Feng was slightly startled. Then, she understood what Yaoyao meant and couldn’t help but smile. “Don’t worry. I won’t carry everything on my shoulders anymore. I know I have you.”

Qu Lanyi nodded. “According to the intelligence of the man in the hood, the Yun family is being targeted by some force. Fortunately, it’s not everyone in the Yun family. According to the current situation, the ancestor’s soul was taken away. It seems that this force cares about summoners very much.”

Ruthlessness flashed in Yun Feng’s eyes. “That’s right. The ancestor’s soul was taken away, which shows how badly they need summoners. I wonder how the Yun family’s headquarters is doing. If that force dares to attack the headquarters...”

“The headquarters of the Yun family? If I remember correctly, Fengfeng, after you reach the Lord Level, can you open that Yun Family Badge?” Qu Lanyi looked at Yun Feng in confusion. If she opened the Yun Family Badge, she would certainly be able to contact the headquarters of the Yun family, but Yun Feng made a mistake back then.

“The aura I used was too strong. The Yun Family Badge shattered.”

Qu Lanyi looked at her in shock. Yun Feng was also very helpless. If she hadn’t done it herself, she wouldn’t have believed that the Yun Family Badge would be so vulnerable. “The Yun Family Badge shattered. I didn’t have time to contact the headquarters of the Yun family.”

Qu Lanyi was silent for a while. Mu Canghai said, "Although I don't know everything, with the Yun family's background, the headquarters of the Yun family should be fine. Since it's the headquarters, there must be a lot of masters, right?"

Yun Feng nodded. That was indeed the case. The headquarters of the Yun family certainly wouldn't be like the Yun family on the East Continent and the West Continent. There would definitely be a lot of talents and powerhouses! Otherwise, the Yun family wouldn't have been targeted by this force!

"When we're done here, we'll go to the Central Continent. Even if the Yun family has a lot of experts, we don't know the situation on the Central Continent right now after being targeted by this force. It's hard to predict what the situation will be."

Yun Feng agreed with Qu Lanyi. She looked at the ancient ring on her finger. Take you back? Where exactly?

"This ring..." Qu Lanyi saw the ancient ring on Yun Feng's finger. Yun Feng smiled wryly. "Master left this for me. A powerful senior lived here originally. Now, that giant beast forced its way in."

Qu Lanyi immediately frowned and asked Yun Feng to take off the ring, but Yun Feng shook her head. "I can't. It's holding my finger tightly. I've tried a lot of ways, but they didn't work at all. Never mind. Since Master left this behind, it definitely won't hurt me. It's fine."

Although Qu Lanyi was worried, he let her be. Yun Feng got important information from the man in the hood. The Yun family must be something. There seemed to be something hidden in the bloodline of the Yun family, especially those who could become summoners! As for the man in the hood, Yun Feng wouldn't let him die just like that. There must be more things he knew. Yun Feng wasn't in a hurry. She had to take it slow and squeeze him dry bit by bit!

The few of them looked around. It was time to go out. Mu Canghai and Qu Lanyi returned to the Dragon Palace. The three contracted Magic Beasts also returned to their contract rings. Yun Feng took out the jade pendant Ling Tiansu gave her back then and took a deep breath slowly. She exerted her strength and the jade pendant shattered!

The outside world didn't know what happened in this sealed space and Yun Feng didn't know either. She didn't think she had stayed in this sealed space for long, but it had already been two months in the outside world!

Two months had already passed. In the place designated by the Summoning Union in the Thousand Peak City, as time dragged on, the tension spread. Ling Tiansu had already been here for two months, but none of the summoners crushed the jade pendant! This phenomenon made Ling Tiansu very surprised, and also made the three Hall Masters and even Ling feel extremely strange.

Logically speaking, that giant beast was so powerful that the five summoners would more or less be in some danger. Even if Yun Feng was powerful, those four weren't on the same level. Even if Yun Feng didn't come out, those four should have come out! However, none of the summoners appeared. Logically, this was impossible!

"It's already been two months, but nobody has come out. Master Ling, do you really not know what happened there?" The patience of the Master of the Bright Moon Hall was completely exhausted. He stared at the array under Ling Tiansu's feet with a gloomy face.

Ling Tiansu glanced at the Hall Master. "The power of space isn't as simple as you think."

The Hall Master was about to flare up after hearing that. At this moment, the Thousand Snow Hall's Master said coldly, "Master Ling, if you have the ability, please look inside. If the five summoners lose their jade pendants for some reason, the loss will be too heavy."

Ling Tiansu's serious and square face didn't change at all. Heavy loss? The person that the three Hall Masters was most concerned about in their minds was probably Yun Feng. It had nothing to do with those four summoners.

The Master of the Ancestral Forest Hall didn't say anything on the side, but his shriveled face was also a bit impatient. Ling Tiansu replied indifferently, "Forgive me for not having such an ability. It's already not easy for the space seal to be opened."

The Thousand Snow Hall's Master looked even colder after hearing that, but he didn't say anything. The Ling family was definitely a special existence on the West Continent. Even the three Hall Masters didn't dare to offend them easily. The Ling family's control of space made the three Hall Masters feel ashamed. In terms of strength, Ling Tiansu wasn't their match, but Ling Tiansu's control of the power of space far exceeded any of them!

Although Ling Tian said that, he was also very confused in his mind. Why was there still no reaction after two months? As long as any of them squeezed the jade pendant, they would be forcibly teleported back. Even if something went wrong halfway, he would be able to sense it immediately! But why didn't anyone come out?

"Hall Masters, please calm down. This trip has been extremely difficult." Ling smiled lightly, but after turning around, he couldn't help but look a bit gloomy when he stared at the array under Ling Tiansu's feet. How could Yun Feng still not be out in two months with her ability? Miss Yun, did something happen to you?

#### **Chapter 938: The Yun Family That Was Targeted (4)**

Waiting without a time limit was the most unbearable. When everyone was on the verge of collapse, Ling Tiansu's expressionless face couldn't help but move! Ling was the first to notice the change in Ling Tiansu's expression. He immediately asked, "Master Ling, is there any news?"

Ling Tiansu nodded. "One of them crushed the jade pendant." After saying that, he immediately closed his eyes and activated the array under his feet. It seemed that he wanted to forcibly split open a path to guide that person out of that space. The three Hall Masters couldn't help but become spirited. All three pairs of eyes stared at the activated array firmly. Could it be... Yun Feng?

The array under Ling Tiansu's feet suddenly emitted dazzling light and the surrounding space distorted!

“Come out!” Ling Tiansu grabbed the air fiercely with his hand and a deep crack was torn in the space. A powerful air current suddenly rolled out from it! A gust of wind blew. When everything calmed down, a person stood quietly in the center of the array. There was a hint of coldness on the girl’s charming face. Ling saw it and whispered softly, “Miss Yun...”

Seeing that it was indeed Yun Feng who came out, the three Hall Masters couldn’t help but heave a sigh of relief in their minds. Seeing that it was Yun Feng who came out, Ling Tiansu immediately understood something and sealed the space again, while his face couldn’t help but look a bit solemn. Yun Feng was finally dragged out forcefully after being squeezed by the powerful space. Before Yun Feng said anything, Ling Tiansu asked with a deep voice, “Where are the others?”

Yun Feng glanced at Ling Tiansu and at the three Hall Masters. “The other four are already dead.”

Ling Tiansu looked at Yun Feng deeply. When the three Hall Masters saw Yun Feng come out, their hearts immediately became passionate. The result of her coming out meant that she had subdued that giant beast! Seeing the enthusiastic gaze of the three Hall Masters, Yun Feng couldn’t help but sneer in her mind and her red lips curled up slightly. “I’m very sorry. I didn’t complete the mission of the Summoning Union. I didn’t subdue that giant beast.”

Yun Feng wasn’t lying. Yun Feng didn’t subdue that giant beast. It took the initiative to enter the ring on Yun Feng’s hand! The three Hall Masters were greatly disappointed. Ling Tiansu immediately closed his eyes. When he opened them again, his fierce gaze shot straight at Yun Feng!

“You’re lying. The giant beast has already disappeared from that space!”

What Ling Tiansu said made the atmosphere at the scene drop to the freezing point. Everyone couldn’t help but focus on Yun Feng again. Yun Feng turned around indifferently and smiled elegantly at Ling Tiansu. “Master Ling, you said that the giant beast disappeared?”

Ling Tiansu frowned. “That’s right. That giant beast disappeared! That space obviously looked like it had been through a huge battle!”

Yun Feng chuckled and didn’t say anything. The three Hall Masters all looked at Yun Feng as their minds raced. Did Yun Feng subdue that giant beast? If what Yun Feng said was true, where did that giant beast go? Was it subdued by the other four summoners? That was impossible. The only possibility was that Yun Feng subdued that giant beast, but she said she didn’t!

“Yun Feng, it seems that you don’t know that the giant beast disappeared?” The Master of the Ancestral Forest Hall said sarcastically. Yun Feng chuckled. “There was indeed a battle, because that giant beast was indeed extraordinary. The death of those four summoners is the best proof.”

Everyone’s face darkened. Yun Feng didn’t tell these people about the hooded man. After all, she almost didn’t trust these people. Even Ling wasn’t very trustworthy. Ling’s position and identity were a bit awkward. How could the Summoning Union not care about the whereabouts of this giant beast? That was absolutely impossible.

“Is that really the case?” The cold voice of the Thousand Snow Hall’s Master sounded. There was a hint of doubt in his eyes when he looked at Yun Feng. Yun Feng curled her lips and smiled. “It’s up to you to believe it or not. You can go in and find out. I don’t have the ability to deal with this matter. As for the

situation of that giant beast, I don't know anything. Please hire another expert for the task." After saying this, Yun Feng turned around and was about to leave. Ling Tiansu frowned hard. The three Hall Masters also looked unwilling. Ling looked at Yun Feng thoughtfully and didn't say anything.

Yun Feng smiled and turned around to leave. Ling Tiansu's eyes were quite cunning. He immediately saw the simple ring on Yun Feng's little finger!

"Yun Feng! You said you didn't know! What's with that ring?"

Ling Tiansu suddenly shouted. Yun Feng's body paused and the three Hall Masters immediately fixed their eyes on Yun Feng's hand. There was an unusually simple ring on her slender and fair finger. Yun Feng was a summoner who didn't like to wear the Ring of Contract. If it weren't that she couldn't pull the ring off her finger, she wouldn't want to wear it everywhere.

"Yun Feng, that's a Ring of Contract!" The Hall Master looked at the ring with scorching eyes. Even though it looked ancient and old, nothing on Yun Feng's body could be underestimated, especially things like rings. Yun Feng was a summoner. The possibility of it being a Ring of Contract was extremely high!

"Kid, do you want to keep that giant beast for yourself?" The Master of the Ancestral Forest Hall said loudly. Yun Feng's expression suddenly changed. "What you said is very interesting. Keep it for myself? Let alone everything else, this matter is about the Summoning Union. Why do you want to interfere?"

Yun Feng's words were extremely rude. At first, the Master of the Ancestral Forest Hall was greedy for Yaoyao. Now, he was going to interfere in this matter. Greed was truly endless! This old man, who was as dry as a pickle, didn't give Yun Feng any good impression at all.

"You..." The Ancestral Forest Hall's leader choked and felt a bit embarrassed. After all, he had never been scolded like this before. Besides, he had indeed gone a bit too far in this matter. It was indeed not his place to interfere with the matter of the Summoning Union. However, if Yun Feng really subdued this giant beast and controlled it, everything would make sense.

"Yun Feng, are you still not going to tell the truth?" Ling Tiansu looked at Yun Feng with a gloomy face. He had never liked these juniors, who always thought they were better than others because of their strength. Those talented people in the Ling family weren't so arrogant, but Yun Feng in front of him was indeed extraordinary at a young age. However, Ling Tiansu felt that Yun Feng was too arrogant and wanted to tease Yun Feng.

### **Chapter 939: The Deal with Ling Tiansu (1)**

"The truth? Master Ling, what I said just then was the truth." Yun Feng was a bit impatient. What was wrong with Ling Tiansu? Why would he not let her go? What did this giant beast have to do with him?

"If you're telling the truth, let me check your ring!" What Ling Tiansu said made Yun Feng frown completely. Check? Why should she let him check the ring just because he said so? The three Hall Masters also felt that what the Master of the Ling family said was extremely abrupt and inappropriate. Seeing Yun Feng's instantly gloomy face, Ling immediately spoke.

“Master Ling, no matter what happened, Miss Yun is the one who came back safely. The Summoning Union will deal with the rest.”

However, Ling Tiansu pretended that he didn't hear anything. He looked at Yun Feng with a fierce gaze. “Young woman, even though it's indeed not bad for you to have such achievements at such a young age, don't look down on everyone because of this!”

Yun Feng smiled after hearing this. What exactly did she say that made this Master Ling target her like this? “Master Ling, I've always known my limits.”

Ling Tian's square face froze. Yun Feng's expression didn't look like she knew what she was doing. There was obvious provocation in her black eyes! “Yun Feng! This space is now under the jurisdiction of the Ling family. The giant beast imprisoned inside disappeared for no reason. The Ling family needs to explain to the Summoning Union. Now, give me the ring on your hand!”

The three Hall Masters were all a bit surprised to see Ling Tiansu's expression. The Hall Master admired Yun Feng, so he stood up at this moment. “Master Ling, the Summoning Union said they would deal with this matter themselves. Why do you have to...”

“Humph! The Ling family will take responsibility for itself!” Ling Tiansu turned his square face to Yun Feng and his fierce gaze seemed to be able to see through Yun Feng. “If you don't feel guilty, hand over that ring for me to examine!”

The Bright Moon Hall's Master shook his head and sighed, not saying anything else. The three Hall Masters remained silent. Ling couldn't say anything either. Ling Tiansu was also stubborn when his temper rose. Yun Feng sneered. “What do you think? Is the Ling family really so superb?”

Ling Tiansu raised his brows. “Are you handing it over or not?”

Yun Feng pondered in her mind. With Ling Tiansu's control of space, she might not be able to beat him. Even the three Hall Masters were a bit respectful to Ling Tiansu. She, who had just entered the Lord Level, was certainly not Ling Tiansu's match. Ling Tiansu glanced over with a fierce gaze. Yun Feng hadn't thought of a countermeasure yet when she heard an extremely familiar voice.

“Girl, show that bastard that ring.”

Yun Feng shouted in her mind in shock, “Senior Yao Guang!”

Yao Guang's slightly hoarse voice echoed in Yun Feng's head. “Why are you shouting? I haven't recovered yet and you woke me up again. However, this bastard in front of me is nothing to be scared of. Just give it to him. He won't be able to find anything with his ability.”

Yun Feng nodded and was a bit concerned about Yao Guang's injuries. “Senior Yao Guang, how have you been recovering?”

Yao Guang snorted. “It's none of your business! Of course I'm fine!”

Yun Feng smiled and didn't say anything else. She came back to her senses and smiled at Ling Tiansu lightly as she extended her hand. “I can't take this ring off. If you have a way, please help me.”

Ling Tiansu's expression was a bit twisted after hearing this. The three Hall Masters also looked at Yun Feng in surprise. A ring that couldn't be taken off? Was Yun Feng trying to fool Ling Tiansu? This kid was truly bold! "Miss Yun..." Ling wanted to stop her, but Ling Tiansu snorted coldly. "Very good. I don't mind helping you!"

Ling Tiansu reached out and grabbed. Yun Feng only felt that the space around her finger instantly distorted. Her face immediately darkened. Was Ling Tiansu trying to destroy the ring by force? If this was really Yun Feng's Ring of Contract, Ling Tiansu would definitely break Yun Feng's treasure! Yun Feng felt that she had no grudge against Ling Tiansu. How could Ling Tiansu be so ruthless to her?

Coldness flashed through Yun Feng's black eyes as she let Ling Tiansu move without batting an eyelid. The three Hall Masters couldn't help but feel anxious in their minds when they saw this. "Master Ling! Even though you're examining her, you should know your limits!"

Ling Tiansu didn't hear them. He stared at the ancient ring on Yun Feng's little finger firmly. The power of the space distortion immediately increased. It seemed that he was going to destroy the ring completely! Yun Feng slowly narrowed her black eyes. The power of the space distortion was very powerful. She wondered if the ring left by her master could withstand it.

"What?" Ling Tiansu looked at the scene in front of his eyes in shock. His power of space didn't have any effect on this ring! That was impossible!

The ring on Yun Feng's little finger didn't move at all. It wasn't even damaged at all, as if Ling Tiansu's power of space was just a game and didn't cause any harm! This was undoubtedly a fierce slap on Ling Tiansu's face!

Ling Tiansu's eyes turned vicious and he immediately created another space distortion. If he failed, he planned to do it again! Yun Feng's mental strength suddenly burst out and blocked the power of space distortion next to her finger. "Master Ling, if you can't do it once, do you want to do it again?"

Ling Tiansu's face was a bit hot. "Don't play tricks, Yun Feng! I've experienced more than you know!"

Ling Tiansu thought that Yun Feng used some means to make him embarrass himself here on purpose. As the leader of the Ling family, he had never been despised by a descendant like this! She made him so embarrassed in front of so many people. He wouldn't let her go today. If he didn't take off the ring on her hand, he wouldn't be Ling Tiansu!

"Master Ling, let me remind you that this belongs to me!" Yun Feng said coldly, while Ling Tiansu burst into laughter. "Check if it's yours first!"

As soon as he said that, Ling Tiansu had already flown up. Yun Feng only felt that the space around her instantly distorted. This old guy attacked just like that! Ling Tiansu extended his hand and had already rushed in front of Yun Feng. What he was doing right now wasn't taking down the ring, but attacking Yun Feng!

"Kid, how dare you manipulate space in front of me with your skills?" A furious roar came from the depths of the Dragon Palace directly from Yun Feng's body! Ling Tiansu widened his eyes and looked at Yun Feng in shock. "You..."

## **Chapter 940: The Deal with Ling Tiansu (2)**

Yun Feng only smiled lightly with endless ridicule in her black eyes. In front of Yao Guang, even the leader of the Ling family, Ling Tiansu, who had an abnormal understanding of the ability to control space, was nothing!

Ling Tiansu was extremely shocked. What was that voice just then? There was a smile at the corners of Yun Feng's mouth and Yao Guang's voice came again in her mind. "Kid, let me out!"

Yun Feng immediately gave it a thought. Yao Guang had already been taken out of the Dragon Palace by Yun Feng! Looking at Yao Guang who suddenly appeared in front of Yun Feng, Ling Tiansu was completely dumbfounded! Yao Guang still looked exhausted, but there was a kind of fierceness flashing in his gray eyes!

"This... This is..." Ling Tiansu looked at Yao Guang dumbfoundedly and his pupils shrank tightly. Yun Feng couldn't help but feel suspicious when she saw his surprised expression. Yao Guang floated in the air and looked at Ling Tiansu from above. He sized him up with his gray eyes and then said in disdain, "You're the leader of the Ling family?"

Yun Feng was stunned. The space around her had already been sealed by Ling Tiansu just then. Apart from Ling Tiansu and Yun Feng, nobody else could see Yao Guang at all. Hearing Yao Guang's question, Ling Tiansu immediately trembled. To Yun Feng's surprise, Ling Tiansu knelt on one knee!

"Ling Tiansu is here to greet Lord Yao Guang!"

"Humph! You still remember my name?" Yao Guang snorted weirdly. Ling Tiansu looked extremely nervous. He looked like a completely different person in front of Yun Feng just then! He was the high and mighty Master of the Ling family just then, and now, he was Ling Tiansu who knelt on his knees!

"Senior Yao Guang?" Yun Feng looked at Yao Guang in confusion. Was Senior Yao Guang related to the Ling family? In terms of the control of the power of space, the Ling family indeed had something in common with Yao Guang. Yao Guang's ability to control space was indeed rare, and the members of the Ling family had an abnormal ability to sense space. It was reasonable that Yao Guang was related to the Ling family.

"Lord Yao Guang, are you being restrained by Yun Feng?" Ling Tiansu was already gnashing his teeth when he said this. He looked at Yun Feng with a gaze that wanted to kill her immediately! Yun Feng was helpless. Restricting Yao Guang? She didn't have such an ability.

"I expected the Ling family to fall to this point." Yao Guang's disdainful words made Ling Tiansu blush. "Why do you say that, Lord Yao Guang? If you need it, I'll definitely help you get out of your misery!"

"Shut up!" Yao Guang roared furiously. "It's not your place to save me!"

Ling Tiansu immediately fell silent and only whispered fiercely, "Yun Feng, the Ling family won't let you go!"

Yao Guang narrowed his gray eyes and his black robe trembled. The pressure around Ling Tiansu suddenly increased. Yun Feng only saw that Ling Tiansu's face instantly turned pale and beads of sweat

rolled down his face. His cheeks moved a few times. It seemed that he had to grit his teeth to hold on and not fall on the ground.

“If anything happens to this girl, I won’t let the Ling family go! Do you hear me?” Yao Guang’s fierce voice came. Ling Tiansu looked at Yao Guang in confusion. Yao Guang’s gray eyes glittered. Yun Feng only heard a voice in her mind. “Kid, don’t think that I’m being nice to you. I just don’t want to owe you a favor.”

Yun Feng raised the corners of her mouth helplessly. “Yes, whatever you say, Senior Yao Guang.”

Yao Guang grunted and glanced at Ling Tiansu again. Ling Tiansu was obviously shocked by how protective Yao Guang was. What was wrong with Lord Yao Guang? Why was he protecting Yun Feng desperately? Was she coercing him?

“Ling Tiansu, did you hear that?” asked Yao Guang. Ling Tiansu tried his best to suppress the anger and confusion in his mind. “Yes, I understand. I’ll follow Lord Yao Guang’s instructions.”

“Kid, I’m going back. Once I’m done resting, I’ll leave.” After saying that, Yao Guang returned to the Dragon Palace in a blink. Ling Tiansu only saw Yao Guang enter Yun Feng’s body and was immediately shocked!

“Yun Feng! What did you do to Lord Yao Guang?”

Yun Feng raised her brows. “Master Ling, didn’t you hear what Senior Yao Guang said?”

Ling Tiansu’s face froze and he immediately said fiercely, “Don’t think that I won’t dare to touch you just because Lord Yao Guang is protecting you!”

Yun Feng sneered. “Master Ling, I have no grudge against the Ling family. As for the relationship between Senior Yao Guang and you, I don’t know anything. Why are you targeting me?”

Ling Tiansu’s face twitched hard. “I don’t need to explain to you! Lord Yao Guang is a very important ancestor of the Ling family. If he’s injured at all, the Ling family will chase you to the end!”

Yun Feng chuckled. “Then I don’t have to talk nonsense with you!” Yun Feng waved her hand abruptly and her mental strength turned into a sharp sword, directly cutting through the space that Ling Tiansu sealed! The sealed space was broken through by Yun Feng and everyone outside was shocked!

Yun Feng and Ling Tiansu appeared in front of everyone again. The three Hall Masters and Ling looked at the two of them in confusion, especially Ling Tiansu. His expression was very complicated. Yun Feng chuckled. “Master Ling, do you have any other questions?”

Ling Tiansu’s face twitched again and he gritted his teeth. “No.”

The three Hall Masters were greatly shocked when they saw this scene. Just then, Ling Tiansu still stubbornly asked Yun Feng to hand over the ring, but now, he became a bit subdued! What exactly did these two people go through just then?

“There’s really nothing I can do about the space beast,” said Yun Feng casually. Ling Tiansu’s throat moved, but he didn’t say anything. The three Hall Masters immediately became suspicious again. Ling

walked forward and said, “Miss Yun, just leave the rest to the Summoning Union. It’s not a bad thing that the beast disappeared.”

Yun Feng nodded and left the room under Ling’s lead. Ling Tiansu looked at Yun Feng’s back for a while, as if he was extremely unwilling. At this moment, Yun Feng turned around. “Master Ling, do you have anything else to say?”

The corners of Ling Tiansu’s eyes twitched a few times fiercely and a strong nasal sound came from his nose. He immediately stepped forward and chased after Yun Feng. Ling Tiansu followed Yun Feng and left, leaving the three Hall Masters there. The three of them only felt doubtful when they saw Ling Tiansu’s behavior that was like a different person.
