" Mr. Adler , Miss Yvonne Adler asked me to bring this to you . She must've heard you like jaunine and plant it . " From the maid's words , it was clear she hadn't realized this jasmine was the very one she'd once thrown away

With his hand covering his lips , Charles coughed softly .

The maid continued admiring the ower , " Miss Adler is really amazing . Growing such a beautiful ower must've taken a lot of care . I bet she put a lot of effort into it .

Charles leaned against the headboard , closing his eyes .

The bitter medicinal smell in the room was gradually replaced by the jasmine's fragrance . He'd only smelled such pure oral scent when he was very young .

A scene unfolded in his mind .

In the mountains at dawn , dense

tree crowns blocked the sky , but dappled light still fell on the wild grass . The birds sang melodiously , dew glistened on the grass tips , and countless wild owers dotted the landscape .

Seeing the towering buildings and the various people coming and going .

Yvonne stared for a few seconds before trying to climb back in the car .

Reena quickly bent down to pick her up . " Miss , don't be scared . This is just a mall . "

She took Yvonne to a children's clothing store and let her pick her favorites .

The staff's enthusiastic attitude made Yvonne very uneasy .

She looked back at Reena with pleading eyes .

In the shows Yvonne watched , these fancy stores were usually very expensive . After a round of sales pitches , she turned red- faced , and she ended up choosing none , twisting her skirt in her hands .

The staff , sharp - eyed , noticed the high - end value of the dress Yvonne was wearing and thought she didn't fancy ** ir clothes . With regretful looks , they watched her leave .

" Didn't you like the clothes inside , Miss ?

" Reena asked after they exited the store .

Yvonne shook her head shyly , replying , " Reena , we don't have money

Hearing this , Reena was taken aback and burst out laughing . " You're worried about not having money , Miss ? "

She wanted to ask if they could go home , but seeing an old lady selling owers outside the car she thought of a plac " Reena , can we buy some seeds ? "

" Of course . " Thinking about the jasmine plant she wiped this morning , Reena still couldn't help but be amused

She guessed Yvonne must have a real talent for gardening . After all . owers of that quality were hard even for profession

to grow .

So , she told the driver to head to the ower market .

The hustle and bustle here , with folks of all ages , was way louder than the mall Yvonne was immediately drawn in - there were just so many varieties of owers , tons she'd never even seen before .

Reena carried her in while asking , " What ower do you want to grow , Miss ? "

Yvonne stared at the owers , super torn , before nally hesitating . I dunno . "

" For September , chrysanthemums , orchids , and jasmine are all great .

If you're not sure , we can grab a bit of e
