Ian , watching from the side , was intrigued . He wondered . The last time I was here ,
Kelvin had been calling his name . How does their relationship progress so fast in just a
few days ?

Across the room , Marian had nally stopped crying - or rather , she had never really been
crying She had been wading but barely any tears had fallen .

Now , when Marian saw Yvonne in Kelvin's arms , her eyes ickered with jealousy .

And Jeremy caught that look . His brows furrowed .

Something about the way Marian was looking at one felt of

But when Jeremy turned back to Yvonne , his expression was full of approval . The little girl
was smart - good instincts . The only problem was that her crying was still too soft .

The Yates family seemed like they wanted to say something but they hesitated - especially
Nina

Holding Marian in her arms , Nina looked at Yvonne with noticeably less warmth than
before . There was now a hint of doubt in her gaze .

It was clear that Nina believed Marian's story . It wasn't surprising , really - Marian was
their daughter now . Of course , they would trust her , just like Jeremy had never once
doubted Yvonne .

" Since there are two sides to the story , let's bring Dani here . "

Yvonne looked up at him with gratitude , letting out a small hum before burying herself
back in his embrace . She said . " Thank you , Daddy ! "

Thinking this , Marian started crying again - this time for real . She shouted , " No ! I don't
want her here ! I'm scared of her ! I don't want to see her !

Marian's high - pitched wailing made everyone instinctively frown in irritation .

Nina hurried to comfort her , patting her back . " It's okay , sweetheart . We're here . She
won't dare to threaten you . "

But Marian didn't stop . She sobbed so hard it was almost painful to listen to . Her cries
echoed through the entire living

" Oh my God , that kid is just "

" Right ?

I heard she and Ms. Alder were both adopted from the same orphanage . "

" That explains a lot . But look at how different they are . Ms. Alder is sweet and well -

" And she had the nerve to accuse Ms. Alder of bullying her ? If you ask me , I think it's the

Outside , they whispered among themselves .

Inside , Ian rubbed his ears , nally losing patience . He said coldly , " If she's going to keep
crying , maybe you should take her home .

We've got ears too , you know ? "

Suddenly , the room went dead silent . And the Yates family looked utterly embarrassed .

As the wealthiest family in Blorenc e City , they were used to being treated with the utmost
respect wherever they went . When had they ever been humiliated like this ?

But Ian was from Strate City and had no ties with them . He wasn't about to hold back just

After a long moment of silence , Robert and Nina exchanged a look before standing up .

They made their goodbyes quickly and left with Marian in tow .

As they stepped outside , Nina's face was still burning with humiliation .

Nina understood that Marian was just a child and that kids couldn't always control their
emotions . But still , she couldn't help . feeling a bit frustrated with her .

Nina thought , " That's so embarrassing . We've lost face in front of the Adlers and the
Holmes family . And Marian isn't usually like this at home .

Why does she always cry when we get to the Alder family ?

As if to prove her point , the moment they stepped outside , Marian stopped crying . She
wiped her face , sniff ed pitifully , and reached for Nina . " Mommy

Nina ignored her , staring out the window as she sat in the front seat .

Rejected , Marian turned to Oliver instead . But he , too , avoided her gaze , pretending to be
absorbed in his phone .

It wasn't that Oliver didn't care . It was just - damn , that was humiliating .

He had never been that embarrassed in someone else's house before .

And the more Oliver thought about it , the more his mind wandered back to Yvonne . He
thought , ' So she's the sisteremy is always bragging about at school ? She's supposed to be
my sister . But then , somehow , it ends up being Marian instead .

Oliver wasn't the kind of person to be petty with a three - year - old , but after today , he
couldn't help feeling disappointed .

Back at the Adler estate , after the Yates family left . Jeremy walked up to Yvonne . His dark
eyes locked onto hers as he bent
